# MUSIC AT OTTERBEIN

Fall • Vol. 22, No. 1

## From the Chair...

### FAREWELL...

Dear Friends - As most of you may know, I left Otterbein over the summer to accept the position of Dean of the School of Music at North Park University in Chicago. I cannot imagine a more satisfying career than the last 31 years at Otterbein, filled with wonderful experiences with students, colleagues, alumni, and friends of the university that I will carry with me forever. Please join me in welcoming my colleague Dennis Davenport, as he assumes the role of Interim Chairperson - I am confident that he, and all others involved in the music program, will continue the artistic excellence and strong traditions that have distinguished 'Music at Otterbein' over the ages.

With deep gratitude,  
Craig Johnson

### ...AND HELLO

Greetings to all of you from the Otterbein University Department of Music! We all wish Craig and his spouse Cass (longtime head of Admissions at Otterbein and now joining the Admissions Department at DePaul University) the very best as they re-locate to Chicago and begin new adventures in their professional lives.

Craig leaves behind a growing and thriving department with nearly 200 majors, ten full-time faculty, and nearly 50 part-time instructors. Thanks to his leadership, the music program has attained new heights in the teaching and performance of music. Craig's departure was marked by a wonderful Celebration of Music concert presented by the Department and the Friends of Music at Otterbein. Held at the Church of the Master in June, the concert featured music from an Alumni Choir directed by Craig, our resident faculty string quartet QUBE, the Flute Ensemble, Otterbein

**Many thanks to all who participated in the alumni choir for Craig Johnson's farewell concert in June!**

Vocal Ensemble, and faculty soloists Jennifer Whitehead, Timothy Huffman, and graduating senior Troy Burton. The musical selections were interspersed with readings attesting to the power of music, presented by Otterbein President Kathy Krendl and many others.

With this concert, the Department of Music and the Friends of Music at Otterbein have inaugurated the Craig Johnson Fund for the Future of Music at Otterbein. I am pleased

to tell you that \$9000 in contributions have been received this summer; and that with Craig's blessing, we will establish an endowed fund within the next few years that will indeed serve the "Future of Music at Otterbein."

**Dennis Davenport**

With Craig's departure, I have stepped in as

Interim Chairperson of the

Department of Music. You may know that I have served as music professor at Otterbein since 2001, and that my teaching area is musical theatre, so taking on administrative duties has been a big transition for me as well! Fortunately, the excellence of our faculty, staff, and students makes the job a pleasure, and I am excited to begin a new school year - our first year under semesters.

You will see below a few changes in our concert calendar, reflecting the new semester "rhythm."

One new event I would especially like to note is the Fall Collage Concert, Saturday, October 22 at 8PM in the Fritsche Theatre at Cowan Hall. For the first time, we will showcase all the major ensembles of the department (Concert Choir, String Orchestra, and Wind Ensemble) along with smaller and specialized ensembles and soloists presenting jazz, opera, and popular styles, in one exhilarating concert. With this event, we will launch the second phase of the Craig Johnson Fund. What better time to celebrate the excellence of our program than with a showcase of the entire department? Plans are for Craig to return to Otterbein for this event, and we will have a special donor reception following the concert.

So - it's a big year, a year of transition, and as always, a year of great music at Otterbein. Join us often for concerts throughout the school year!

Best wishes,  
Dennis Davenport, Interim Chairperson  
Department of Music
