The image features a central red rectangular area with a fine, repeating pattern. This red area is flanked on both the left and right sides by vertical strips of a light beige or cream color. These strips contain intricate, white, stylized floral and scrollwork patterns that resemble damask or brocade designs. The overall composition is symmetrical and elegant.

# *Otterbein Alumni Awards Program*

For more than 50 years, Otterbein Alumni Awards have honored individuals who have demonstrated Otterbein's excellence through their outstanding achievements. Whether in their career, their service to others, or their service to their alma mater, we are proud of our alumni and their accomplishments.

## **Community Service Award**

This award was established in 2006 to honor an alumna/ us who has exemplified the University's philosophy of concern and responsible commitment to society demonstrated through a distinctive impact of volunteer service to the community beyond the call of business or professional duty.

## **Special Achievement**

Established in 1966, the Special Achievement Award recognizes excellence and high professional achievement by an individual in his or her field of endeavor. The award is presented to Otterbein graduates whose career contributions have significantly enhanced their profession, at the local or regional level, and/or the organization to which the recipient is employed.

## **Distinguished Alumnus**

The Distinguished Alumni Award represents the most prestigious award presented by the Otterbein Alumni Association. Traditionally presented to only one individual per year, this award was established in 1951 to honor graduates of Otterbein University who have achieved recognized national or international prominence in their chosen career and have made significant contributions to their profession, community and the lives of others. The recipient of the Distinguished Alumni Award represents the ideal of a committed, industrious, and caring individual to whom the Otterbein community may look as personifying the University's mission.

Visit [www.Otterbein.edu/alumni](http://www.Otterbein.edu/alumni) for the 2016 nomination form and list of awards. Deadline is October 1, 2015.

Otterbein University requests the honor
