OTTERBEIN LOVE SONG

In a quiet, peaceful village
 there is one we love so true.
She ever gives a welcome
 to her friends both old and new
She stands serene
 'mid tree tops green,
She's our dear Otterbein

CHORUS:
Old Otterbein our college,
 we sing of thee today.
Our memories round thee linger
 in a sweet and mystic way.
O Otterbein, we love thee,
 our hearts are only thine,
We pledge anew, we will be true,
 Dear Otterbein.

Exemplary Teaching Award of the United Methodist Church

TBA

The purpose of this award is to recognize outstanding faculty members for their contributions to the learning arts and to the institution. ACADEMIC REGALIA •••••

A commission appointed in 1959 by the American Council on Education prescribes a code for academic regalia that consists of three main parts: caps, gowns and hoods. The first part, dealing with caps, allows the mortarboard or Oxford type cap. Occasionally, the Cambridge model, a soft cap resembling a beret, is worn. Either type is correct as long as it is black and of an appropriate material, except that velvet is reserved for doctors.

The tassel worn with the cap has three variations. First, it may be black for any degree. Second, it may be in the color of the major field of learning in which the degree was granted. Third, a tassel of gold metallic may be worn by doctors and governing officials of institutions. Some schools make a ceremony of switching the tassel from the right to the left at the moment the degree is awarded as a substitute for individual hooding of candidates.

The second main part of academic regalia concerns the gown which should be all black, aside from variations in materials and fullness. The bachelor's gown falls in straight lines from a fairly elaborate yoke. Its distinguishing characteristic is the long pointed sleeves. A master's gown is distinguished by an arc-shaped panel on the long or short sleeve. The doctor's gown is an elaborate costume marked by velvet panels down the front and around the neck as well as by three bars of the same materials on the bell-shaped sleeves. It is cut much fuller than the other gowns and unlike them may be ornamented in color. Both the panelling and the sleeve bars may show the area in which the degree was awarded.

The third main component of academic regalia is the hood which makes clear the level of the degree, the area in which it was given and the institution which awarded it. The size of the hood and the width of the velvet trimming shows the level of study. The more advanced the degree, the longer the hood and wider the velvet trim. The color of the trim identifies the area in which the degree was awarded. Arts, letters and humanities are represented by white; education is light blue; fine arts is brown; law is purple; music is pink; nursing is apricot; philosophy is dark blue; science is golden yellow; and theology is scarlet. The lining of a hood bears the official colors of the institution from which the degree was received, in Otterbein's case, tan and cardinal.

The Five Cardinal Experiences

In our mission, Otterbein stakes claim to an education distinguished by a “unique approach to integrating direct experience into all learning.” To ensure that all of our students have opportunities to apply knowledge they gain in the classroom in real world settings, the university has developed a signature initiative, The Five Cardinal Experiences (The Five Cards). A Cardinal Experience is defined as an active and authentic concrete experience that engages students in real-world opportunities to apply the knowledge and skills they have learned in the classroom. A Cardinal Experience may occur in the community, on campus, or across the globe. The Five Cards include: (1) Community Engagement, (2) Undergraduate Research and Creative Work, (3) Internships and Professional Experiences, (4) Global and Intercultural Engagement and (5) Leadership and Citizenship. The students listed below are seniors who have completed three or more Cardinal Experiences (some experiences may still be in progress).
