The staff and students of the Otterbein Summer Theatre would like to extend grateful appreciation to the above PATRONS for their support. All of the above listed people have contributed \$10 to \$50 (many have contributed for nine consecutive seasons) to help pay a small monetary stipend to members of the company. Without this valuable support we could not exist because box office funds are not sufficient to meet our needs. Although we have the largest season ticket sale in our history, we are also facing the prospect of the largest production budget expenditure in nine seasons - thus, PATRON support is an absolute necessity! Others desiring to contribute may do so at the box office.
