Dear President Clippinger,-

I am sending you under ^{another} ~~this~~ cover
the information called for in your last letter. The type-written
sheets were prepared by one of our faculty and will be of some
help to you to get an appraisal my work during the years since
1893 when I finished the classical course at Otterbein.
This morning's mail brought me a report from the University
of Cincinnati notifying me of my success in passing the last
examination which was held May 29th. and having made this
last hurdle I am requested to be present Friday June 11 to
receive the degree of Master of Education.

You may put my name - William Henry Fouse - on my diploma.
I am pleased with your continued interest in this matter of
conferring on me this honor.

We all (Mrs.Fouse and Mrs.Burnsides ,my mother-in-law)
are planning to be on hands Sunday at the "Dedication"as well
as on the following day -commencement.

Yours truly,

A handwritten signature in cursive script that reads 'W.H. Fouse'.

W.H.Fouse,
Principal D.H.S.
