Dear Carol,

I wanted to write and express my deep thanks for your generous donation of the Cornell Diaries and original Otterbein College Tuition Receipts.

As I know you are well aware, these materials add significantly to the College Archives in many research areas. We are grateful you chose Otterbein as the repository in which to deposit these rare and precious materials.

I have taken the liberty of revising the press release information, and have sent it to our College Relations office so that an "Official" college release will be drafted. As I stated in our last visit, I will make sure you get copies of any articles relating to your donation.

Once again, thank you for your generous donation. It has been recorded as a donation in memory of your husband, and processing is proceeding. These materials are gratefully accepted, and will be appreciated by the college for years to come.

Sincerely,

Mrs. Melinda Gilpin
