### **12:30 p.m. - Roush 114** **Becoming a Student Ready Campus**

Dr. McNair is a co-author of *Becoming a student-ready college: A new culture of leadership for student success*, which starts with the question, "We talk a lot about students not being college-ready, but why don't we ask what it means to be a student-ready college?" Bring your lunch and join us to learn more about what it means to be student-ready and how we can work together to advance success for all students

### **3:00 p.m. - Roush 114** **Truth, Racial Healing, and Transformation**

Otterbein is partnering with Columbus City Schools and Westerville City Schools on a Truth, Racial Healing, and Transformation (TRHT) initiative with the goal of breaking down racial hierarchies that lead to inequities in education. Whether you're interested in getting involved in this effort or you simply want to learn more about it, please join us for a discussion with Dr. McNair, who leads the AAC&U's TRHT initiative.

**Faculty, Staff & Students are welcome to attend both events!**
