Homecoming

**OFFICIAL
PROGRAM 25c**

Don Nelson

The vocabulary of football has changed completely since the rainy day in November, 1926, when I played my last game and turned in my uniform. Not once, during my four years of college football, did I run from a shotgun formation, or catch a button-hook pass, or red-dog an opposing quarterback, or use a belly series. But we had a wonderful "Statue of Liberty" play that gained long yardage occasionally, and a double end around dazzler that won a game for us in 1925, and a "Lonesome George" pass play that was good for 95 yards in a crucial contest.

Times do change, but the spirit of football as it is played on the small college campus endures over the years. With us it is still a game, not a profession. We don't hang the coach in effigy after we lose, nor do we present him with a Thunderbird convertible after we win. Our players take courses and pass examinations, not because they have to in order to play, but because that is what they came here to do. Football is the extra-curricular activity. That's why, in our stadium, it is still fun to play, and exciting to watch. We hope that you enjoy it.
