OTTERBEIN NIGHT

Celebrating Founders' Day Tuesday, April 25

Tuesday, April 25, 1933, has been designated as Otterbein Night. April 26 is Founder's Day and will be celebrated with fitting exercises on the campus so that the observance of Otterbein Night on Tuesday the 25th will be the opening event of the celebration of Founder's Day.

A splendid program will be broadcast from station WAIU in Columbus consisting of Glee Club and Orchestra numbers together with a word of greeting from President W. G. Clippinger.

This program will be given over WAIU from 8:30 to 9:00 p. m. Eastern Standard Time.

This will be a good time to hold Alumni Group meetings and listen in on this inspiring program.

If all the group cannot get together, why not get together in smaller groups? Lets make this a REAL Otterbein Night and show our enthusiasm by a 100% cooperation.

A few years ago we had letters and cards saying that the program has been picked up as far away as Iowa and Florida. When you have heard the program drop us a card telling of the place and circumstances.

REMEMBER the DATE—PLAN for a BIG TIME.

President Clippinger Chosen Head Of Ohio Anti-Saloon League

At the annual meeting of the state organization of the Ohio Anti-Saloon League meeting in Columbus on February 3, 1933, Dr. W. G. Clippinger was elected president. He succeeds Dr. W. O. Thompson, president emeritus of Ohio State University who resigned due to ill health.

Miss Dorothy Sowers, '31, is music supervisor in the Wheelersburg school district at Wheelersburg, Ohio.

A LETTER

Fellow Alumni:

This is written hoping that it may stimulate you to individual effort in interesting some prospective student in our Alma Mater. Many students will enter colleges next fall in spite of economic conditions. Otterbein merits a goodly share.

Won't you personally contact one or more of these young folks in your community and explain the advantages Otterbein offers? Perhaps you can arrange a trip with them to Westerville. Try it and see what a kick you get out of it!

Otterbein not only needs them but they need Otterbein.

P. H. Kilbourne, '02.

Excerpt from a letter sent to the Trustees by President F. O. Clements.

"If every Board member will work faithfully throughout his own territory and secure one new student for next year, or furnish a contribution from himself or a friend that will help a deserving student continue his or her work we need fear no decrease in attendance."

OTTERBEIN TWELVE WINS, NO DEFEATS

By Dale B. Evans

That was the handwriting on the wall after the final gun had barked in the Ohio Conference this season, and the 1933 basketball season was history. Otterbein's high flying Cardinals, Monarchs of all they surveyed, placed two men on the All-Ohio team as Sammy Andrews won a guard post with Barney Francis being awarded a forward berth.

The Cardinals started off the season in great form on their first road tour of the season as they took Toledo and Bowling Green into camp on successive nights. Then came Dayton.

MAY DAY

Parents and Friends Plan to Attend—May 6

Plans are rapidly taking form for a great May Day celebration Saturday, May 6.

A committee composed of L. W. Warson, Mr. Floyd Beelman, Miss Elizabeth M. Garland and Miss Hortense Potts has been appointed to work with the Student Council and other campus organizations to make this one of the most enjoyable affairs of the year.

There will be the usual May morning breakfast, the crowning of the May Queen and a program of folk dancing featuring folk dances from all nations.

Parents and friends are cordially invited to enjoy this most pleasant occasion.

DEATH OF PROFESSOR ALMA GUITNER

The passing of Professor Alma Guitner which occurred Sunday, February 26, after only one week's illness from a virulent attack of scarlet fever was a great shock to the college and to many friends throughout the country.

As a teacher, as a devout and loyal member of the local church and as a loyal supporter of Otterbein, she rendered a long and unique service.

The following is from President Clippinger's letter to the trustees:

"The Guitner family has given more years of service to the college than any other family. Two years after his graduation from college in 1860 Professor John E. Guitner, Alma's father, began to teach as instructor in language. He continued to teach here until his death on September 28, 1900, having completed thirty-eight successive years of teaching. The same September Miss Guitner began her work in the college, so that she and her father had an unbroken line of teaching at Otterbein since the year 1862—seventy-one years this year."

Miss Carrie Miles, who has been in the Philippine Islands engaged as a missionary under the United Brethren Mission Board, will sail for home on the President Coolidge April 8. She will arrive in San Francisco on May 2.

OTTERBEIN TWELVE WINS

(Continued from page two)

ton and the Cards were still undefeated after the Daytonians had did their best to stop them. Dr. Edler then gave the home town a chance to see the undefeated team in action as the Cards downed Kenyon. Ohio Northern came to Westerville expecting to hold the long standing jinx on the Birds but could not stop the high scoring Cardinal team. Capital and Marietta did not extend the Cardinals in the next two games and the Muskingum game was in doubt only as to how great the score would be. The high point of the season was reached in the Hiram game as the men of Edler ran wild to run up 69 points. Heidelberg staged a desperate last half rally that had fans on the edge of their seats during the last part of the fray but the Cards were not to be denied and came home with the scalp of the Student Princes in the bag. Capital was another exhibition for the Cards on the spacious Otterbein floor but Kenyon gave the Tan men a real battle on the Postage stamp floor at Gambier but the Cards were the stuff and came through like real leaders should and the season was over; Otterbein at the top, twelve wins and no defeats.

MEETING OF STARK COUNTY ALUMNI

March 15 was the date on which the Stark County Woman's Club of Canton and vicinity invited in their husbands and friends. About 45 persons assembled at the home of Mr. and Mrs. William Myers, 941 Sherrick Road, S. E., and after having eaten their fill of the viands prepared by the ladies a program representing the meeting of the four Literary societies was given.

The debate was well handled by Mr. Lyman Hert and Mr. Robert Schreck on the subject, Resolved: That "the matches made in Otterbein are more enduring than those made by the Diamond match factory at Barberton." The affirmative won the unanimous decision. Rev. P. M. Redd presided, Mr. LeRoy Burdge was secretary and Mr. Ralph Vernon critic.

This was a very enjoyable affair.

Miss Gladys Burgert, '32, is teaching History and Home Economics in the high school, Brewster, Ohio.

DAYTON'S MENS CLUB MEETS

The Dayton Otterbein Men's Club held a dinner in the Industrial building in that city at six o'clock January 17th, preceding the Dayton U-Otterbein basket ball game.

All alumni, friends and prospective students were invited and ninety-six persons enjoyed the fellowship and the dinner.

Following the dinner these friends with approximately 150 other Otterbein boosters were thrilled with the ease in which Otterbein's team ran rough shod over the "doped to win" Dayton team.
