## NATIONAL Y SPEAKER IS ON CAMPUS TODAY

### IS WORLD TRAVELER

Has Written Several Books Since  
Working With Natives of  
Near East.

Sherwood Eddy, a national Christian leader and world traveler, and at present associated with the Y. M. C. A. spoke in chapel this morning. It is planned for him to conduct an informal discussion group in a class room at 11 o'clock and also in the upper room of the Association Building at 3:00 this afternoon. He will deliver an address this evening at 6:30 in the chapel.

Visiting several colleges in Ohio this week, Mr. Eddy has found time to spend the entire day on the campus. He is especially adept in conducting forums and is always ready for questions.

### Formerly Engineer

Mr. Eddy is a layman and a civil engineer who left his special profession to turn to human engineering as the greatest calling in life. Equally interested, like Theodore Roosevelt, in science, philosophy, literature and big game shooting, he is most of all interested in men. Graduating from Yale in 1891, he later went to India in 1896. After fifteen years of work among the students of the Indian Empire, he was called to be secretary for Asia for the International Committee of the Young Men's Christian Association. Nine years of service in this capacity among the students and officials of India, China, Japan, the Near East and Russia, have been characterized by the brilliance, energy and devotion so

### "Choice" is Topic Sunday

Ethel Kepler led the young people's division of the Sunday School, taking as her topic, "Choices". As a part of the devotional exercises she read an appropriate scripture and Robert Knight prayer. George Rohrer gave an excellent talk on "Choices". A vocal solo, "Building," by Dorothy Wainwright concluded the program.

## Student Chest Drive Reaches \$1611 Total

### GOAL IS \$2500

Faculty Goes Over Top But Classes  
Fail to Reach Quotas. Will  
Follow Up Campaign.

The Student Chest Campaign was brought to a climax in the chapel period Friday morning when all were given an opportunity to subscribe to the fund, with the result that a sum of \$1611 was subscribed toward the total of \$2500 asked for. The faculty went over the top, raising \$201 while all the college classes failed to reach the amount allotted to them.

The seniors had the highest average, subscribing \$353.50 toward the \$494 asked of them. The freshmen came next, raising \$475.50 against their quota of \$772. Junior pledges amounted to \$275, while the sophomores promised \$313, barely half of what they were asked to give. All students will be seen by members of the Student Chest committee within the next few days in an effort to bring the amount subscribed nearer the goal.

Robert Knight who had charge of the meeting gave a brief summary of

### LILLIAN SHIVELY MADE MANAGER OF MAGAZINE

During the business session of the Quiz and Quill club last Monday night, two important business items were transacted. Lillian Shively was elected business manager for the Christmas edition of the Quiz and Quill magazine, and Harold Blackburn was elected a member of the club.

After a short discussion on details of the magazine the program of the evening was furnished by Marcella Henry with "Sketches".

## Will Give Report To Faculty Club In March

### RIEGEL IS CHAIRMAN

Will Consist of Fifteen Members.  
Comes As Part of Regular  
Monthly Program.

In an effort to touch the most live issues of the educational world, the Faculty Club, of which Professor B. W. Valentine is chairman, has arranged for a student commission made up of the leading organizational heads to study and evaluate the work and life of the college. The commission will begin its work immediately and make its report to the club on March 12. The report will take the place of the regular program for that month.

"A study of conditions in Otterbein College by a committee of its students and suggestions for ways and means to improve its work and life," is the statement of purpose toward which the commission will work. Ernest Riegel was elected chairman of the commission, Waldo Keck, vice-chairman and Ruth Weimer secretary, at its first meeting last Thursday night.

Organizational leaders who will make up the commission are: President of the Student Council, Ernest Riegel; President and vice-president Y. M. C. A., Louie Norris and Waldo Keck; President and vice-president Y. W. C. A., Florence Howard and Frances Hinds; President Men's Senate, Robert Erisman; Junior members Student Council, Robert Mumma and Ruth Weimer; President Women's Senate, Josephine Drury; President

### FRESHMAN CLASS ELECTS PERMANENT OFFICERS

Paul Hughes, Mary Mumma, Grace Norris and Alberta Corwin Are  
Made Executive Heads.

At 12:45 last Wednesday, the freshman class assembled in Lambert Hall, to elect permanent officers for the remainder of the school year. A motion to elect all pro-tem officers, was made but failed.

In a rather close race Paul Hughes, was victorious in the run for president. Mr. Hughes has served as the temporary president during the first six weeks of the school year.

Mary Mumma was elected vice-president, Grace Norris was made the secretary and Alberta Corwin treasurer.

## Freshmen Shine Shoes as Student Body Watches Them Brandish Spurs

The "Hi, Bob, come around to the rooms" of last week has been forgotten in the "Hi, frosh, shine those shoes" of this week. And why, you would ask, is this true. The "pinning" time of the frat man has come and gone and many are the victims of this "pinning process".

It's "Happy boy", "lucky club" and here am I "unlocated". Be not dismayed for many will be "dislocated" at least in the matter of the inflation period which, of necessity, immediately precedes the pledged period. From now on many will get in full measure what the folks sent them here for in the first place—disciplined. And if an interested observer may observe, there

are few who could not stand just a bit, especially in the matter of campus courtesy, touching the hats, and similar bits.

Yes, we're glad it's over. We like to see the frosh carry laundry bags and hold doors. They look so natural. Seems to be a part of their social heritage.

Well, boys, we're with you. You've won your spurs. And from now on, not only your own groups but the whole campus, will be watching to see how well you ride.

So, it's "Hi, frosh, shine those shoes" from now on until February 1. Better shine 'em—Ko-ed Kate says "some of 'em need it."

singularly combined in this young statesman.

### Writes Books

In years filled with activity, time has been found for useful authorship; beginning with his "Supreme Decision," there followed his books on, "The Awakening of India", "The New Era in Asia", "The Students of Asia", "With our Soldiers in France" and his latest book "Everybody's World" interpreting present conditions in Japan, China, India, the Near East and Russia, showing America's relation to present world problems.

His recent study of the social and industrial problems of Europe brought him in contact with the employers, labor leaders, and the young intellectuals who are seeking a practical solution to the problems that confront America today.

Although his interests cover many phases of life, it is not at the cost of superficiality, for in his life and message he strikes clearly and with no uncertain sound a deep spiritual note, as he grapples with the problems of the world, and calls men from the lower ambitions of a crude materialism to a high faith in God and humanity. With Tolstoi, he believes he has found "the meaning of life."

A question hour will follow the address this evening.

and Secretary Publication Board, Donald Borror and Edwin Shawin; President Cochran Hall Association, Doris Wetherill; Editor Handbook, Mary Thomas; Representative Girls' Athletics, Viola Peden; Men's Athletics, Leland Crawford.

### Group Accepts Detail.

Professor Valentine called the group together last Wednesday afternoon and laid the proposition before it asking whether or not as students they would be willing to investigate all phases of the campus life and give a constructive evaluation of each one. It was the unanimous decision of the

body that it would be glad to take this opportunity to present a student point of view to the faculty, in a constructive, frank and open way. It was not the thought of either the faculty club or the students that the proposed survey was in any way to be a narrow, caustic criticism, but that it would strive toward some positive helpful suggestions which might work to the advantage of both the faculty and students or the college generally.

Dr. Snively, Dr. Sanders and Professors Scheer, Hoerner, Bowman and Valentine are members of the committee which has charge of arranging the monthly program of the Faculty Club. President Clippinger will appear on the program for November 14, discussing any subject he may choose. It is likely that he will speak on the "Policies of the College", which will be a continuation of a similar theme

of last year. On December 12 a discussion of Freshman Week will be led by Dr. Snively and Professor Glover.

At present the speaker for the program of January 9 has not been secured but it is likely that it will be someone who is not in any way connected with the college. Professor Valentine will discuss the Junior College on February 13. The March program will be the student commission report and the May number will be an outdoor social.

# MUSKINGUM WARRIORS PROVE TOO STRONG FOR TAN AND CARDINAL MEN

## Score Twice Early In First Period of Game

### CROSS GOAL 4 TIMES

### Fifteen First Downs Are Made By Winners to Nine By Otterbein.

Fighting determinedly against the heavier and more experienced Muskingum outfit, Otterbein's football squad suffered a 27 to 0 defeat at New Concord Saturday.

The winners counted two touchdowns early in the first period and were never in serious difficulty after that time, although they appeared to weaken faster than Otterbein in the latter part of the game.

### Muskingum's Success Merited.

Otterbein put up a stiff defense, but could not cope with the well timed attack of their opponents. Injuries weakened the Tan and Cardinal offense.

The longest run of the day, a 70-yard off tackle jaunt by Bell, featured in Muskingum's first score. Pinney succeeded in bringing Bell down on the three yard mark, but the halfback carried it over through the line on the next play. Clark scored the drop-kick for the extra point and soon

crashed over for a touchdown, after Muskingum had carried the ball down the field from its own 32-yard line. Clark again kicked goal.

A 39-yard run by Bell which carried the ball to the 14-yard line put the Muskies in position for another score in the second quarter. Orr smashed through from the five yard mark for the six pointer. Orr's drop kick was wide. Orr appeared to be on his way for another score when he intercepted a pass as the half ended. Pinney forced him out of bounds on Otterbein's 20 after he had gone 30 yards.

A fumbled punt by Pinney in the third quarter gave Muskingum the ball on Otterbein's 29. After the ball was carried to the half yard mark, Clark went over on a sneak. Orr drop kicked the extra point.

From this point, Otterbein held a slight advantage in the play, although unable to get within good scoring distance. Fletcher ran the next kick-off back 25 yards and the locals started a drive that netted a first down on Muskingum's 35. Here an intercepted pass lost the ball.

Muskingum's final drive, took the ball to the 25 yard line. Otterbein then showed strength in throwing the Muskies for a loss of 20 yards on two plays.

The Tan and Cardinal made a desperate attempt to score with passes near the end of the game, but after several gains Spencer intercepted the pass and the game ended with Muskingum in possession of the ball.

Muskingum earned 15 first downs to nine for Otterbein. However, Otterbein scored four to Muskingum's three during the last half.

## RACE TIGHTENS IN SPEEDBALL LEAGUE

### End of Season May Show Triple Tie Between Seniors, Sophomores and Freshmen.

Last week's round of speedball games saw a tightening in the race for the championship of the league. As it now stands there is a chance for a triple tie, only the Junior team having been eliminated from the race.

On Monday the freshmen upset the mythical "dope bucket" and trounced the senior team 10 to 4. The seniors were unable to get their offense to run smoothly and could only score via the penalty kick route.

Wednesday at noon the sophomores and seniors met for the first time. Both teams displayed a varied offense but neither could play a tight defensive game resulting in both teams scoring heavily. However the seniors' early lead gave them the edge, the final score standing 27 to 20.

The other two games of the week were forfeits. On Thursday the juniors forfeited to the sophomores and on Friday they repeated by giving the freshmen a victory by forfeit.

## CAPITAL UNIVERSITY COMES THIS FRIDAY

Capital University opposes Otterbein Friday afternoon at the local field. A large attendance is expected as Friday has been designated as Westerville Day.

Coach Katherman of Capital has built up a very efficient eleven. Sumption and Seabold have been starring at advancing the ball for Capital. Coach Sears is working his men hard in order to get his team in a winning stride again.

Muskingum beat Capital 64 to 2 and beat Otterbein 27-0. On paper, the struggle will be a good one.

## GIRL'S VOLLEY BALL LEAGUE IN FULL TILT

Josephine Stoner's team, number six, is at the head of the list in the volley-ball tournament, having defeated team number ten, whose captain is Ruth Weimer, and number one, Mary Mumma's.

Team nine, led by Ethel Shreiner defeated number five which Helen Ewry captains. Number three won over number seven, under Helen Scheidegger and Lilian Shively respectively. Number two, under Caryl Rupe, lost at the hands of Marguerite Knapp's team, number four.

Schedules for further games are posted from time to time on the Association building bulletin board.

"It is great wisdom and perfect not to think nothing of ourselves and to think always and highly of others." Thomas A. Kempis.

### A COMMON END

We never get too old to learn, if we are wise.

The Faculty Club has affirmed that this is true, in asking a student group which has a point of view that the faculty can never get, to evaluate the work and life of the college. In so doing the club has recognized that education is a cooperative affair and that it may be possible that the faculty does not know all about the needs of students.

In our opinion a more helpful suggestion for the college could not have been made. Psychologists and some of the most prominent education leaders in the country have been saying that, in the frank unprejudiced facing of educational aims and problems, by faculty and students alike, lies the hope of developing initiative in students. If students know that their opinions are respected and that they really have a part in the regulation of their college they will do more and

better work.

The Faculty Club does not think that there are radical evils in operation on the campus, nor does it think that the student commission will recommend radical changes. The object in view is merely to get students' viewpoints on the various phases of the college's work.

A more representative group of the student body could not have been secured than the one that has been designated to make this survey. It is very representative of all the departments of the college. Each student has made enough contacts to assure that his opinions will not be provincial. It is significant also that all concerned have been selected by students and have not been selected by the faculty in any case.

From time to time we have heard criticism of this or that policy or regulation about the college, but these have usually been snap-judgement criticisms made without considering all the factors involved in the case. Here is a chance for students to show whether

they are really interested in the welfare of the college or whether they just want to criticize blindly, negatively.

Each Saturday night envelopes will be distributed to all shoppers in the business district. Seventy-five of these envelopes will contain cards, each one of which, when presented at the store whose name is printed on it, will be good for one dollar in trade.

Collegiate customers are included in this offer.

## PHILOMATHEA DISCUSSES EDUCATIONAL SYSTEMS

The regular session of Philomatheia last Friday evening was of especial value to those interested in the subject of modern education. Philip Charles read a satire on the college administration; a paper entitled "Vocational Training in the Junior High School" was presented by Waldo Byers, and L. B. Knouff gave an address on "Defects in Contemporary Systems of Higher Education."

K. F. Echard and Horace White spoke extemporaneously and impromptu speeches were given by Allen Bauer and L. H. Morton. The question discussed in Parliamentary Drill was "Resolved that Otterbein have national social fraternities."

Clarence Weaver of New Paris, Pa. was taken into associate membership.

The date of Friday evening, Nov. 11 was fixed for the annual Stag Session sponsored by the Philomathean faculty members.

If you are tempted to reveal  
A tale someone to you has told  
About another, make it pass,  
Before you speak, three gates of gold.  
Three narrow gates: first, "Is it true?"  
Then "Is it needful?" In your mind  
Give truthful answer. And the next  
Is last and narrowest: "Is it kind?"  
And if, to reach your lips at last,  
It passes through these gateways three  
Then you may tell the tale, nor fear  
What the result of speech may be.

## Burris Speaks at Y

The Reverend Mr. Burris who spoke at the joint session of the "Y" last Tuesday evening was fairly well accepted.

The body of his speech was a comparison showing the power of the church and other Christian organizations as compared to the prestige of Bolshevism and different atheistic societies. In making these comparisons he proved the prestige of the church and its purposes. He also showed that because of the truth of these facts, there could be no doubt as to the existence of a personal God.

After the address an open forum was held. There was some discussion but the crowd soon thinned out when their attention was forced to the subject of buying books.

The latest arrival among girls' athletics at Otterbein is the cage ball. The ball is a large one, made of canvas, and thus very light although it is thirty inches in diameter. It will be played here about like volley-ball, al-

though other games can be played with it.

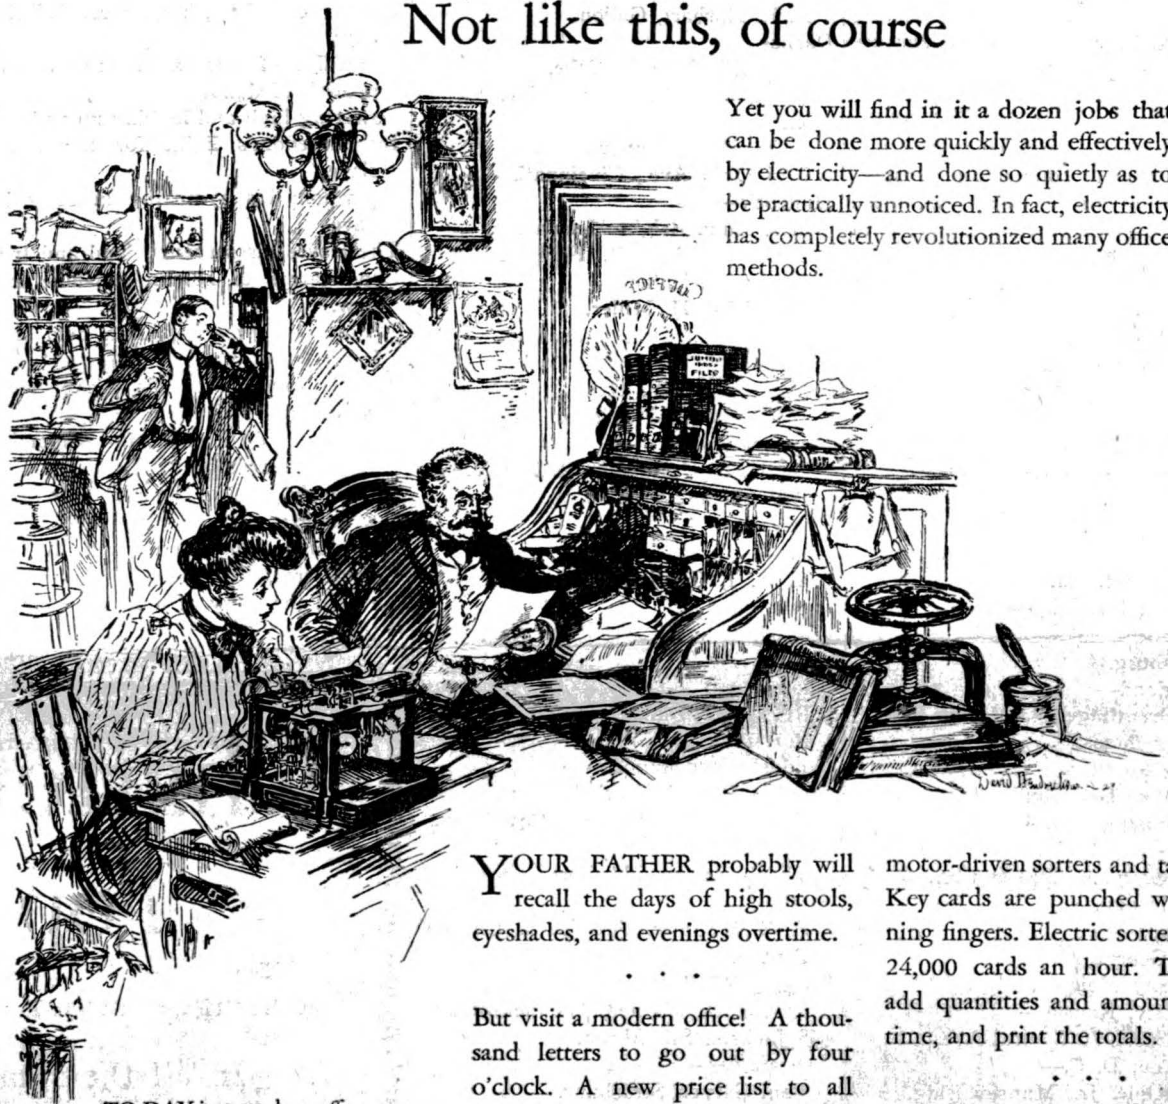

There will be a cage-ball tournament later in the year, and much interest is already aroused for it.

# How will your office look?

Not like this, of course

Yet you will find in it a dozen jobs that can be done more quickly and effectively by electricity—and done so quietly as to be practically unnoticed. In fact, electricity has completely revolutionized many office methods.

YOUR FATHER probably will recall the days of high stools, eyeshades, and evenings overtime.

But visit a modern office! A thousand letters to go out by four o'clock. A new price list to all customers in to-night's mail, without fail. Enter electricity. Two or three people turn switches, and the finished letters come out of an ingenious machine. Another motion and they are sealed and stamped. Only electricity could get that job done.

Here's a statistical job. The reports are in; thousands of figures to analyze. Looks like overtime for fifty clerks. "Certainly not," answers electricity, as a button starts the

motor-driven sorters and tabulators. Key cards are punched with lightning fingers. Electric sorters devour 24,000 cards an hour. Tabulators add quantities and amounts in jig time, and print the totals.

Go to almost any bank today. Hand in your account book. Click, click, click, goes the electric book-keeping machine and back comes the book to you. Five operations performed in that brief moment. Everybody saves time,—you, the clerk, the bank,—when electricity is the book-keeper.

In the office of to-morrow you will find "electrical fingers" doing more work than even to-day.

This familiar mark appears on many electrical products, including motors that drive time- and labor-saving office machines.

### LOCAL OTTERBEIN CLUBS

Now is the time to take account of your local Otterbein Club. Where already organized, the officers should be planning for a meeting sometime before the first of the year. Every club should have at least two meetings a year. This first meeting should not be of the nature of the Spring meeting but should be one at which plans are made and committees appointed. Every club can do something in its own community in the way of publicity for Otterbein; in keeping the secretary informed concerning prospective students, and in seeing that those prospective students are supplied with Otterbein College literature.

A list of organized clubs with the presidents of each is printed on this page. It is likely that some of the officers have changed since last Spring. We shall appreciate a notice of any changes or notification of the organization of any other club.

Mr. B. O. Hanby of Mt. Vernon, Ind., a son of Mr. and Mrs. Ben R. Hanby has been in Westerville for several days, beautifying the lot where his father, the famous song writer, is buried.

Mr. Hanby has contributed the following legend concerning the large sycamore tree which stands near the Presbyterian church.

During the early days of Otterbein college there was a tree planting occasion at which time the trees on the campus, were planted by the students. Among those who became industrious in this work, was "Ben" Hanby. Not

being satisfied with the trees he helped to plant on the college grounds, he procured a sprout from a sycamore and planted it on the south side of College avenue near State street. This tree started a vigorous growth, and is now one of the largest in this vicinity. The writer is naturally interested in this tree and in passing pauses to think of the work of his father in the past.

#### To The Tree

One evening as we looked to feast  
Our eyes upon this tree, as daylight  
ceased,  
We saw in trunk and branch and leaf  
and spray,  
Diviner meanings, than were left by  
day;  
The faith of one, above the under-  
growth of doubt  
Towering high and looking up and out  
Into freedom's light, for the lowly  
slave,  
To whom his sympathy in song he  
gave.  
The leaves his servants, fond and true  
Cup bearers of human sunshine and  
dew,  
Those wide spreading arms, held high  
in air,  
A quiet answer to his slave song  
prayer  
And for troubled souls, for whom his  
kindly thought  
A cheerful and a hopeful life had  
wrought;  
Give forth your leaves and live on  
noble tree,  
And tell the story of him who planted  
thee.

A unique clinic was held at the home of Ruth Bailey, Monday evening, Oct. 17. All the guests, the Greenwich Club, passed a rigid examination for "amoritis" with the exception of one Faith Baker, who was declared hopelessly infected. An antidote was served in the form of ice-cream, engagement rings, cake, and coffee. Consultation was held and the recommendation was made that the case be referred to the well-known "Doc" Stoughton. Consulting physicians who were present included Mrs. Bailey, Mrs. Baker and Mrs. D. R. Clippinger.

Mrs. Voorhees, hostess of Bonebrake Seminary, visited with the Greenwich girls Sunday afternoon.

On Saturday evening Charlotte Reist received the formal initiation of the Onyx Club, and is now an active member of that group.

Edna Hayes spent the week-end with friends in Columbus.

Mrs. Hollen visited Marion over the week-end.

Ruth Weimer and Helen Clemans visited Alice Shisler and Margaret Sperry at Athens, spent Friday night with Ernestine Nichols and Lucile Wahl at Sayre, then went to see the Otterbein-Muskingum game.

Doris Wetherill and Irene Bennert went home for the week-end.

Mildred Morris received a box from home and the instructions to "eat and be merry."

The Alpha Taus had a push in room 212 Wednesday night, in honor of Peg Eubanks.

## FORENSIC SQUADS TO HAVE HEAVY SEASON

FIRST MEET NOV. 11

Will Debate on Question Announced  
Only Few Hours Before Time  
Set For Meeting.

This year Otterbein will have one of the largest debate and oratory schedules she has ever had. The Otterbein men's team will open the season with a debate with Ohio State's Women's team on November 11. The debate will be returned November 18. This will be an open forum, non-decision debate. The question will be: Resolved: "That the Convention System Should be Substituted for the Direct Primary, Constitutionality Conceded."

### WOULD-BE DECLAIMERS MUST SEE PROF. SMITH

All who are interested in taking part in the Russel Declamation Contest to be staged within a few weeks, must see Professor J. F. Smith, head of the department of Public Speaking, and leave their names and titles of their productions with him, as soon as possible.

Otterbein men will debate Heidelberg men on an unknown question before Christmas. This debate will be unique in that the question will not be announced till a short time before the contest. The sides of the debate will be chosen on the platform.

Three other dual debates have been scheduled with Baldwin-Wallace, Oberlin and Capital. These are pre-conference debates and the district primary question will be used.

The Otterbein women's team have dual debates scheduled with Baldwin-Wallace and Ashland. More debates are being scheduled by Professor Smith, the head of the Public Speaking department, and his assistants.

Five oratorical contests will be entered by Otterbein's orators this season. About three hundred men are expected to attend the Pi Kappa Delta convention which will be held here from April 3 to 6.

Preliminary tryouts for the Russell Declamation contests will be held

## Hearts of Social Group Men are Joyful as Freshmen are Pledged

Now that the struggle is over, freshmen are allowed to study and sleep properly, active club members are either silently rejoicing over their successes or quietly saying "we didn't need many men this year."

Forty-three men were pledged to social groups this week when bidding season closed Tuesday night at five o'clock. The Sphinx club with a total of twelve, were successful in attaching the fateful pin to the greatest number of freshmen. Jonda was second with eight while Cook House and Annex were tied for third with five each.

The Philota and Lakota clubs secured four each, the Alps three and the Country Club two.

The names of the pledges follow:

### Annex

Paul Hughes, Walter Clippinger Jr., Roger Moore, George Adams, William Parent.

### Cook House

Clare Nutt, V. M. Robertson, Lloyd Chapman, Richard Kintigh, Robert Le Winter.

### Alps

Alvin Harrold, Theodore Yantis, Wayne Mulberger.

### Country Club

Russel Broadhead, David Burke.

### Lakota

### ALUMNI SHOW HOW IT WAS DONE IN OLD TIMES

Philophronea's faculty took charge of Friday's meeting and showed an interested audience how things were done in the good old days.

Dr. Sanders read an essay entitled the "Otterbein Spirit." Perhaps the best part of the evening was the extemporaneous speaking; an especially good talk was given by our college President, Dr. Clippinger.

The meeting for Friday the 4th will be held in accordance with the new by-law, at 6:45. An excellent program is assured and all men in Otterbein who are interested in Literary Week are urgently invited to attend.

## TAN AND CARDINAL REPRESENTED AT OCNA MEET

HELD AT MIAMI

Friday and Saturday of Last Week  
Miller and Rosselot  
Attend.

Ross Miller and Gerald Rosselot, Business Manager and Managing Editor, respectively, of the Tan and Cardinal, were present at the fall meeting of the Ohio College Newspaper Association held at Miami University Friday and Saturday of last week. Delegates from fifteen schools of the Association were present. They were quartered in the various fraternity houses on the campus. The representatives of the Tan and Cardinal stayed at the home of Merlin A. Dittmer, former coach of Athletics at Otterbein and at present assistant coach at Miami.

The program for the first day consisted of talks and group discussions on, "The Problems of College Journalism", "College Newspaper Financing and Management", "College Newspaper Finances", and "Ohio College Newspaper Association News Bureau." A banquet for the delegates was held that evening following which Dean Brandon, acting President of Miami, welcomed the group to the campus.

### Hold Discussions

Saturday further discussions were held on "Departments and Columns", and "Typographical Makeup." These were followed by a business session at which the executive department of the Association was re-organized. The constitution was amended to provide for an Executive Secretary to be elected by the members of the OCNA and responsible to an Executive Committee composed of the Officers of the Association and three lay members. Leonard of Akron was elected Executive Secretary, Wade of Case, Hill of Kent State and Shotts of Wesleyan as lay members.

The closing feature of the program was the Miami-Wittenberg football game which the delegation attended in a group as the guests of Miami University.
