HOMECOMING

MARIETTA vs.
OTTERBEIN

Arrangements are already being made to welcome the large crowd which is expected at the Fall Homecoming, October 14.

This year Otterbein's traditional foe from the Ohio river will furnish the opposition. Marietta is reported to have one of the strongest teams in years and this will give our alumni and friends the opportunity to see two splendid teams in action.

Mr. Robert Evans, president of the Student Council, is making plans to enlist the entire student body in a holiday of pleasure for our visitors.

The first event of the day will be a "Pep" rally. But this is going to be different this year in that there will be some surprises both for the students and the faculty. It will pay you to be here in time for this event.

2:00 o'clock brings the clash between the rival elevens.

From 2:00 o'clock on "Open House" will be held at King Hall. This is a place to bring your family for rest and information.

At 6:00 a dinner in King Hall for all visitors. This was a most enjoyable affair last year and will be again this year.

The entertainment for the evening will be furnished by the Department of Music under the direction of Professors Grabill and Spessard, consisting of a varied program which will be given in the College Chapel.

October, one of the beautiful months of the year calls us out into the open and away from our books, our desks, our banks, or what have you.

Why not begin to plan NOW for a day on the campus. Roads are good—the car runs smoothly since we put in the new piston rings, anyway, we need an outing. We'll be seeing you.

Seventy-Seventh Commencement

The Seventy-seventh annual commencement held June 12, 1933, was a successful event in every way. Saturday, June 10, was observed as Alumni Day and a great many former students were present to enjoy the events of the day.

The morning was given over to Breakfasts and reunions. At 10:00 a. m. the business session of the Alumni Association was held in the Association Building. Noon brought class reunions, which on the whole, were well attended. 3:00 p. m. to 5:00 p. m. the very enjoyable Cleiorhetean and Philalethean Teas were given and at 5:30 quite an enthusiastic crowd sat down to the annual Alumni Dinner.

The day ended with the Senior Play, "Much Ado About Nothing".

President Walter G. Clippinger, D. D., preached the Baccalaureate sermon on Sunday at 10:00 a. m. to a capacity crowd in the First United Brethren church.

The evening service was conducted by the Otterbein School of Music, in the College Chapel, which was crowded.

Monday, June 12, with good weather prevailing, brought large crowds to the seventy-seventh annual commencement where President W. E. Wickenden, D. Eng., D. Sc., LL. D., Case School of Applied Science addressed the graduating class, numbering 69 and their friends.

Honorary degrees were conferred on the following at commencement: **Doctor of Divinity:**

EDITORIAL

After some delay in organization for the year, due to financial difficulties, we are again entering upon the work of the Alumni Association. No planning was done during July and August for the above reason, so that this issue of the Alumni News is delayed.

It is to be hoped that this year will be a better year in every community than last, and that our Alumni and friends are looking forward with a greater hope and finer prospects for happiness than ever before.

As we have stated we are working under a greatly reduced budget and the service rendered must depend largely upon your support.

We feel certain that the majority of Alumni are anxious and willing to support the work of the organization. The fees of \$2.00 per year are lower than many other colleges of our size, and a check for this amount should be sent in at once in order that the publications and other work of the office be not hampered.

We are hoping for a closer organization of the Alumni this year, and will aid in any way the organization of groups and Alumni Clubs where these are now in existence.

We ask your cooperation and suggestions as well as criticisms. Let us hear from you with dues for 1933-34.

The Alumni Council worked diligently during the Summer to organize for more intensive support from the ranks of the Alumni. A committee appointed by President Kilbourne, composed of Mrs. Helen Ensor Smith, Dr. L. A. Weinland, Mrs. Nora Wills Porter, and Professor J. S. Engle evolved a plan for dividing the states into districts and securing a leader for each district.

These leaders will assume the responsibility for seeing that there is some kind of an Alumni organization in his or her district, that Alumni interests are kept in mind, and to help in any way possible the interests of the college, especially in reporting, or having the Group report student prospects.

This leader will not take the place of any officers of clubs which are now in existence, but will simply be a helper and liason man between the central office and the Alumni in his district.

It is to be hoped that in later years as scholarships increase some system of awarding these may be worked out in these districts to be governed by the Alumni in each district.

It will take some time to complete

A Word From President Kilbourne

Fellow Alumnus:

This issue of the Bulletin comes to you a little late. The explanation is the familiar—"finances"—or perhaps lack of them. Due to this it became necessary to practically abandon all alumnal activities during the summer, and enforce a two months vacation upon our Secretary, Mr. Warson.

The general opinion prevailed, however, that to discontinue the full time secretary with a curtailment of this valuable work, would be a step backward. After considerable planning on the part of the Executive Committee of the Board of Trustees, and the Alumni Council a financial program was formulated. This carried a drastic cut in the appropriation from the College, which necessitated a proportionate reduction in the matter of the secretary's salary, together with further economies wherever possible. However, as we all well know, certain expenses are absolutely necessary.

As an alumnus of Otterbein the Alumni Association is YOURS just as much as any one's else. Its prime objective is to keep alive YOUR interest, and the memories of the days YOU spent on the old campus. With this in mind we feel ample justification in asking YOUR support. The least you can do is to contribute SOMETHING EACH YEAR. Two dollars (\$2.00) have been set as the annual dues. We ask you to give this. Perhaps you feel you cannot, and perhaps you are right. Perhaps you can do more. Fine! At any rate do SOMETHING, if it is only to say a kind word for the old institution. But remember while kind words are splendid they are rather poor as media of exchange at the postoffice and bank.

This year we are developing a new "district" plan of organization. Of this you will hear more. We bespeak your willingness to cooperate in making this a big factor in increasing the strength and scope of your Alumni Association.

P. H. KILBOURNE,
President Alumni Association.

this new organization, but when completed will add to our unity as an Alumni Association.

RALLIES AT CONFERENCE

President Clippinger attended practically all of the annual conferences in Otterbein's cooperating territory. He reports enthusiastic rallies of Otterbein Alumni and friends at each of these conferences which is a very encouraging sign for the future cooperation and support for the institution.

Of special significance was the rally in the Pennsylvania Conference held at Philipsburg, Pennsylvania. Rev. E. B. Learish presided and there were present the members of the local board, the principal and assistant principal of the local schools.

COLLEGE OPENING

FOOTBALL PROSPECTS

By Kenneth Barton

Otterbein's Cardinals, under Dr. R. K. Edler, are in full swing in daily practice on the gridiron.

Twenty-six men have reoprted for this year's squad, and, if "spirit" means anything, the Cards should "go places". However, Coach Edler will have what is probably the hardest assignment, during his stay at Otterbein, in molding a formidable machine which will withstand all attacks. It is true that there are experienced men on this squad but work must progress rapidly in order to present an Al machine by September 29, when the Cards meet a strong team in John Carroll at the Cleveland stadium. This game is Otterbein's first night game since 1902 when she met the Ohio Medics at Columbus, being beaten 39-0.

The return of Bob Albright, Dayton, who was not in school last season, will aid in the backfield while the appearance of "Butch" Glover in a Cardinal uniform will greatly aid possibilities of a stronger line.

Other prospects in Schick, Scott, Hinton, Booth, Ziegler, Miller, Schott and DeWeese will aid in the backfield combination while Sporck, Huhn, Holland, Worstell, Bennett, Fetter, Van Sickle and Wolfarth seem to be the bulwark of the line.

Miss Charlotte Clippinger, daughter of President and Mrs. W. G. Clippinger, sailed Wednesday, September 13, from New York, to become a teacher in the schools of France. She will teach English and at the same time study French at one of the colleges or universities. Miss Clippinger was graduated from Otterbein this spring with magna cum laude honors.

She expects to be assigned either to Cambrai or Valenciennes in Northern France, almost on the Belgian border line.

present is employed in the Goodrich Rubber Company factory at Akron, Ohio.

Mr. Frederick Nutt and Miss Ilah Hedgecock, both of Westerville were united in marriage on Monday, September 18. They will reside in Westerville. Mr. Nutt formerly attended Otterbein.

Miss Rhea Moomaw, '33, and Mr. Charles Cooper, '36, were united in marriage, July 31, at Greensburg, Pennsylvania. Mr. and Mrs. Cooper will reside in Coshocton, Ohio, where Mr. Cooper is in business with his father.
