NON-GROUP ALUMNI TO BE ENTERTAINED

INVITATIONS ARE SENT

Arrangements Have Been Made To Care for All Who Desire to Stay Over Night.

A royal reception awaits all alumni and ex-students who return for the celebration Saturday, for both club members and non-group members. As is the custom all social groups will entertain their alumni. This year the non-group girls of the college have organized to entertain the alumni who are not club members.

A loose organization has been formed among present non-group girl students, consisting of a president, a vice president and two secretaries. The plan of electing a Sophomore president each year has been adopted in order that the organization may carry over from one year to another.

Invitations have been sent out to all the non-group students that have been in school during the last five years, inviting them to come back to the Homecoming celebration. Arrangements will be made to care for all that desire to remain over night. Any extra expense that may be entailed will be borne by the non-group girls now in school.

WEEK OF OCTOBER 24 IS SET FOR STUDENT CHEST

At the meeting of the Student Council, Wednesday evening, the committee which has been appointed to work on the problems of the student chest considered several important matters, but were able to come to no definite conclusion on any of them.

A special meeting of the Council is being called for next Wednesday evening, and the members expect, at that time, to fully complete all preliminary work for the campaign. Practically all of the budgets from the different organizations have been handed in, but the committee on the student chest wishes to make no definite announcement until after the meeting scheduled for next Wednesday.

The week of October 24 has been selected as the date for the presentation of the chest. Edwin Gearhart is chairman of the committee in charge of working out specific plans for the campaign.

Definite and full details will no doubt be available for the next edition of the Tan and Cardinal.

NEED MORE FLOATS FOR HOMEcoming PARADE

Lawrence Marsh, in charge of the Homecoming parade, states that with the consent of several clubs and organizations to participate, indications are favorable for a good display. The 35-piece Tan and Cardinal band, directed by Curt Poulton, and drummajored by Freddie Miller, will lead the procession. The Freshmen will present some special acts, and floats are very much desired, according to Mr. Marsh, who wishes to be informed of all participants in the spectacle. A novelty will be stunts by classes, organizations, and social groups, with a prize for the best float-stunt.

PLACES STILL OPEN ON GLEE CLUB ROLL

The members of last year's Glee Club met last Thursday evening. It was discovered that about ten men will be added to the club this year.

The old men that are back are: Curt Poulton, Levere Breden, George Griggs, Ross Miller, Larry Miller, James Harris, Wendall Williams, Claude Zimmerman, Stanley Kurtz, George Rohrer, Homer Hoffman, Oliver Spangler, Lewis Frees, Wilbur McKnight and Wendell Rhodes. Some good men have already been unofficially selected but Professor Spessard, the director of the club, says that there are still a few vacancies in the tenor and second bass sections.

The complete personnel of the club will be announced soon and regular practices will begin this week.

The club's manager, Ferron Troxel, has already begun to arrange for the season's schedule.

GIANT HOMEcoming IS PLANNED FOR SATURDAY

ACTIVITIES BEGIN FRIDAY

Program Includes Pep Rally In Chapel, Parade, Football Game and Banquet.

A week end packed full of varied activities promises to provide real interest for Otterbein students and the crowds of alumni who are expected to return for the annual celebration of Homecoming. As usual the big features of the occasion will be the parade and football game on Saturday afternoon, when the Tan and Cardinal men meet Baldwin-Wallace, and the Homecoming banquet to be held in the United Brethren church at six o'clock. Invitations have been issued to Otterbein alumni and ex-students urging them to return for the annual celebration, and a large turn-out is expected. The student council, with the cooperation of Alumni Secretary, L. W. Warson, has had charge of making the plans for Homecoming.

The special activities begin on Friday. (Continued On Page Five).

Y. M. C. A. COMMISSION TO STUDY STUDENT HONOR

Chief Duty Lies In Finding of a Solution To Problem. Will Report Shortly.

At the regular meeting of the Y. M. C. A. last Tuesday evening discussion in an open forum centered about the student honor problem. The controversy was so lively that the president appointed a commission for further research and study. Ernest Reigle, who led the meeting, was made chairman of the commission.

There was boundless evidence that there was cribbing going on in the college, hence the chief work of the commission is to work out ways and means of overcoming this practice. Those who are on the commission, numbering six, are men who have signified their interest in the project and that they want to make their contribution.

A trophy cup for the men's group which attains the best scholastic standing during a stated length of time is the latest announcement of the Board of Sponsors for the men's groups. Professor Weinland, head of the board, states that this time shall be for one semester, and though all plans are not complete, it is expected that any group which is able to retain the cup for three or four semesters in succession will be given permanent possession of it.

The basis for determining the standing of the groups will be the "point" system. The total number of hours of college work of the entire group in proportion to the total number of points gained will be the standing of each group. HARD-FOUGHT GAME IS PREDICTED WITH BALDWIN WALLACE SATURDAY

SEARS MAKES SHIFTS

Up Staters Have Won One Game and
Lost Two. Otterbein Lineup
Is Uncertain.

No game in years has aroused the interest that is being shown in the Homecoming game with Baldwin-Wallace here Saturday afternoon. A very large crowd is sure to be out at the field to observe the contest.

The Sears coached warriors have played three games this year. In the opening game the heavy Bowling Green team was played to a 0-0 tie. October 1 at Oxford they were beaten 33-0. A week later they lost the decision to Marietta 6-0, although it is likely that Otterbein will be given that game on a forfeit.

Win One and Lose Two.

The Baldwin-Wallace team has defeated Case by a 12-7 score. They lost to Oberlin 21-6. Saturday they were badly beaten by Ohio Northern 20-6. This last game may be used by the dopsters to show that Otterbein should win the Homecoming game. Their analytic reasoning goes like this: Otterbein tied Bowling Green; Bowling Green beat Ohio Northern; Ohio Northern defeated Baldwin-Wallace by a large score. However advance

CROSS-COUNTRY RUN COMES AFTER FOOTBALL

The Freshman cross-country run will be held this year just at the close of the football season according to Prof. R. F. Martin. This year the run will not be compulsory as in former years and from all indications the competition will be keen. A bronze medal will be given the winner of the run which is the only prize offered.

Last year the weather was too bad and no run was held but the year before the winner of the event was Andy Holdren. This event is open to Freshmen only and further information can be received from Prof. Martin. No date for this run has been set so far.

dope in sport affairs is often about as valuable as are straw hats at the North Pole. The game next Saturday is sure to be evenly contested and hotly played.

Baldwin-Wallace will probably use the following line-up: LE Bennett, LT Fox, LG Merkle, C Schultz, RG Beyer, RT Hagenmeyer, RE Buck, QB Schill, LH Hallett, RH Wells, F Smith. This lineup which is captained by quarterback Schill represents a very versatile football team. The best linemen are said to be Bennett, Schultz and Hagameyer. In the backfield Hallett has been starring at gaining yards. Smith the hurdling fullback is said to be very proficient in his duties. He made a 30-yard run against Northern for a touchdown Saturday.

Make Shifts

Otterbein's starting lineup cannot be definitely reported. Certain changes have been made since the last game and it is likely that followers of the Tan and Cardinal will see a clever running attack and a hard-fighting spirited team.

GIRLS' VOLLEY BALL SEASON OPENS FRIDAY

Girl's Volley Ball games will begin Friday, Oct. 21. More than ninety girls signed up for teams and ten captains were elected. They are: Mary Mumma, Caryl Rupe, Helen Scheidegger, Marguerite Knapp, Helen Ewry, Josephine Stoner, Lillian Shively, Lela Moore, Ethel Shreiner and Ruth Weimer.

Practices are held on Wednesday and Friday afternoons and girls must attend at least sixty per cent of these periods.

FROSH-SOPH TILT TO COME BEFORE VACATION

After varsity football games are over there is one game that is of interest not only to coaches and the upperclassmen but is very important to the Freshmen. This is none other than the annual Freshman-Sophomore football game which will be held before Thanksgiving vacation. Only Freshmen and Sophomores who have had at least three weeks intensive training will be allowed to enter the game according to Prof. R. F. Martin.

The Sophs will have the advantage of possessing a number of men who have been playing on Coach Sear's varsity and they will be in fine trim for the battle. However, Coach Tompkins has had a squad of Freshmen out every night and they have been getting plenty of practice against the varsity and should give the Sophomores a "run for their money." Little can be said about this battle beforehand for one never can tell, either group may run out some dark horses one of these days and have them all trained for this final clash.

VARSITY DEFEATS FROSH ON SOFT FIELD THURS.

Penalties and Slow Driving Mar
Game But Score of Eighteen
To Six is Chalked Up.

On a soft field Thursday afternoon the varsity team defeated the Freshmen in a game characterized by bad playing and slow football. The game was full of penalties. Both sides lost much yardage on the off sides penalty. The freshman ends seemed to outsmart the varsity with regularity on defense. The backs insisted on running into the interference on the line plunges.

"Prexy" Clippinger at left end for the freshman proved himself a valuable player by stopping play after play of the varsity. Hughes, freshman center, was the cause of numerous penalties for the freshman by his off sides playing. Dave Burke was the outstanding player in the freshman backfield and he starred by his usual high quality of playing.

On the varsity team Jess Miller did the major part of the ball toting. Each time he accounted for some yardage. Clingman also did some excellent playing.

The varsity did the major part of the scoring. Three touchdowns were credited the the varsity against one for the freshmen. The freshman touchdown was made by freshman coach Tompkins who donned the moleskins for the evening's encounter.

Inter-Social Group Meets

The Men's Inter-Social Group Council met in the Jonda Clubs fraternity rooms last night to discuss questions regarding the men's rushing season.

MARIETTA GAME MAY BE WON BY FORFEIT

Since the Marietta game of October 8 which was won by the down river squad by a touchdown, one of the Marietta backfield men has been declared ineligible. Rief the ineligible man played about the best game of any man Marietta had, which makes it likely that Otterbein would have won but for him. Once in particular he caught a pass and made a 29-yard again. It is likely that the Ohio Conference officials will give the game to Otterbein by a forfeit score at their first meeting.

SENIORS AND SOPHS LEAD SPEEDBALLERS

Otterbein's latest sport, speedball, continued creating interest of the student body during the past week. Two teams in the league still have a clean slate, the seniors having two victories and no defeats and the sophomores one victory and no defeats. Rain and a wet field caused the postponement of the senior-sophomore game scheduled for last Wednesday.

On Monday the seniors and freshmen tangled in the most interesting and hard-fought battle of the season. The seniors literally "pulled the game out of the fire" when they scored a touchdown via the forward pass route in the last two minutes of play. The final score was 12 to 11. Friday the freshmen tasted the sweet fruits of victory by overwhelming the juniors 21 to 2.

The schedule for this week is as follows: Monday, freshmen vs. sophomores; Wednesday, juniors vs. seniors; Friday, sophomores vs. juniors. Tentative arrangements have been made to play off the postponed sophomore-junior game on Thursday.

All games start promptly at four o'clock.

HELP THEM COME

Homecoming naturally signifies a
return to old stamping grounds. Old
grads come back to take care lest old
acquaintance be forgot. They come
back to renew old acquaintances and
to see how Otterbein has progressed
since their day.

Life's most beautiful pleasures are
its memories. Age adds beauty to the
commonplace. Alumni come back
year after year to live over their col-
lege days.

Obviously the amount of enjoyment
they get from the day depends upon
the student body's reception of them,
and the enthusiasm it displays for the
day's program. Why should we not
put all we have into the reception of
the Alumni? They contribute to the
support of our institution so that we
may obtain an education, hence we are
really feathering our own nests. We
need to make them feel at home.

Social groups generally have a
Homecoming party for their Alumni,
but that is only part of the Otterbein
family. Non-group men students have
friends that they entertain, but not in
a concerted way.

We can all join in the Homecoming
program at the banquet in the church.
Here Alumni, group and non-group
lines are removed, all are Otterbein
supporters. Alumni will judge the
morale of the student body by its at-
tendance at the banquet.

You may have relatives or friends
that are vitally interested in the col-
lege. If you have write them to come
back. Let's go out of the way this
year to make Homecoming different.
Our spirit indirectly means support or
non-support of the school.

It's a wonderful thing for the women,
The popular permanent wave,
Now it's up to some struggling inven-
tor
To get out a permanent shave.

Remember where your money comes
from and be careful where it goes.

College Orchestra Rehearses

Otterbein's Orchestra met for the
first time this year in Lambert Hall
last week. A large percent of last
years members were present. Reg-
ular rehearsals have begun and the or-
ganization will continue to practice
every Monday evening at 7 o'clock.

A few new members will be added
until the organization is large enough
to suit the director, Professor Spes-
sard. The complete personnel will be
announced in a week or two. Due to
the large number of old members the
orchestra is expected to be the best
the college has ever had.

Dare To Take A Stand

Train for Leadership! The univer-
sal cry is for leaders. What kind of
leaders? Leaders who stand for the
principles of truth and right. Leaders
with a Christian faith. Leaders with a
democratic spirit who yearn to make
our land safe for democracy. A lead-
er who dares to stand alone in the face
of opposition and discouragement, to
uphold the standard of idealistic citi-
zenship.

There is no better evidence of mass
following than that which prevails in
our colleges and universities today.
Why do so many so-called educated
people today refuse to think for them-
selves? They are endowed with the
mental capacity to think and formul-
ate their own ideals if they so choose.
Why then do they rush into sympathy
with the mass belief and drift along
with the current of popular opinion?
It is because they have not trained
themselves to stand firmly by the dic-
tates of their own conscience. They
have not harkened to the pleadings of
a better self; they have pressed on with
impetuosity, eager to join the crowd.

How comforting it is to see a sane,
intelligent, young man or young wo-
man who has learned to do his or her
own thinking, who has set up an ideal
and who has the sinew and moral fibre
to uphold and support this ideal
amidst the unstable wane and turmoil
of popular opinion. From such a
group must come our leaders of to-
morrow if we desire a worthwhile her-
itage for succeeding generations.

HOMECOMING

Can you still get the thrill that you used to get when you gazed on your colors, the Tan and Cardinal? Can you stand and give the college yell with an enthusiasm that would make even the students take notice? Can you stand with uncovered head and sing the college song and feel a tingle down the back of your neck?

If you can not, you have lost something worthwhile out of your life and need to come back to the old campus for a rejuvenation. You need to see once more the enthusiasm of youth as shown by the student body in rally and song. You need to see our splendid football team in action.

The student body has made great preparation for your entertainment. Beginning Thursday evening with an Alumna! session of Philalethea and a special session of Clorhetea; with open sessions of Philophronea and Philomatheia on Friday evening; with a rally Saturday morning and a parade Saturday afternoon; through the game with Baldwin-Wallace at 2:30; the banquet for everybody at 6:00 o'clock, and special services on Sunday for those who can stay; everything will ring with interest.

The Literary Societies, the Clubs, the Non-group Students and others, have sent out special invitation.

The migration has already begun. Many reservations have been made. WE ARE EXPECTING YOU.

NATIONAL CONVENTION TO BE HELD AT OTTERBEIN IN SPRING

HONOR IS SHARED WITH HEIDELBERG UNIVERSITY

PRES. WESTFALL ACCEPTS BID

Half of Assembly of Men's Section Comes to Westerville, Rest to Tiffin and Berea.

Pi Kappa Delta, Epsilon Chapter, of Otterbein is very proud to have been chosen as one of the entertaining colleges for the national convention of the fraternity. The invitation was extended last June, and was accepted by Alfred Westfall, of Colorado Agricultural College, and national prexy of Pi Kappa Delta.

On account of the magnitude of the convention, it has been found impossible to hold it at any one college, so that this year, Heidelberg University, at Tiffin, and Otterbein College, have been chosen as the seats for the convention for the men, while Baldwin-Wallace College at Berea, will entertain the women of the convention.

The convention, which is scheduled for April 3 to 6, 1928, means that Otterbein will entertain about one hundred

twenty-five men for a period of two days, after which the entire party will assemble at Heidelberg for business sessions.

PHILOMATHEA TO HOLD OPEN SESSION FRIDAY

C. L. Layton, '13, Professor of public speaking at Muskingum College, and Rev. W. S. White, '99, were back on the campus and visited the regular session of Philomatheia Friday evening. They gave short talks on the comeback that the society has made this year yet making an appeal that there might be more men of the school sharing the benefits of the literary meetings. Professor Layton made the trip to see if the reports that the societies were about to disband were true and to inform the society that he was going to bring a "delegation" of his students who were interested in the type of work carried on by Philomatheia.

The regular program of exercises for the session consisted of a "History" by Frees, L. S. and a "Short Story" by Mumma, C. E. Byer, W. E., Long, C. R., and Steckman, H. M. spoke on the impromptu and extemporaneous program.

It was decided that the session of Friday, Oct. 21 should be a Homecoming open session for the benefit of the old "grads" of the society.

O C

Philophronea To Hold Open Session

Philophronea again showed an increase in attendance of her regular Friday evening session. Contrary to her former custom the meeting started at 6:45 p. m.; this time seems more convenient and action is now being taken to amend the by-laws to that effect.

The literary program consisted of a very interesting non-decision debate. Resolved: "That paddling of Freshmen shall be allowed as a form punishment." Donad Borrer upheld the affirmative and Morris Erwin took the negative.

Three new members took the platform for the first time and gave three good extempers.

Philophronea's Homecoming session will be in the form of an Alumnal Open Session. A very interesting program is assured. Everyone is invited at 6:45 and see Philophronea's old Alumni in action.

Have Joint Society Push

Merriment reigned supreme in the biennial Philalethea-Philomathean push last Thursday night. Games, contests, and a ghost story provided the entertainment.

Much credit is due to Ruth Weimer, Lois Armentrout, Clyde Bielstein, and Jack Zimmerman for the excellent good time which they provided.

Pumpkin pie, doughnuts, and cider were eagerly devoured by the 200 guests present.

WILL HEAD COUNTY COMMUNITY DRIVE

A. P. ROSSELOT

Professor A. P. Rosselet, head of the department of Romance languages has been made chairman of the Community Fund Campaign for all of Franklin County, the territory within the corporation limits of Columbus excepted. Professor Rosselet attracted so much attention to his work last year as the head of the Blendon Township drive that he has this year been promoted to commander-in-chief of the forces all over the County. His successor in the local township drive for this year is Charles R. Bennett.

JUNIORS CHOOSE BARRIE'S "THE ADMIRABLE CRICHTON"

Nov. 18, 19 Are Tentative Dates. Work on Comedy to Begin When Books Arrive.

The Junior Class play this year will be "The Admirable Crichton," a comedy by J. M. Barrie, according to a report given out by the play committee which is now at work with Professor Smith on plans for the production. The play will be presented in the college chapel as usual, and the dates November 18, and 19, have been submitted to the faculty for approval.

Competitive tryouts will be announced as soon as the books arrive, and the committee urges all Juniors to try for parts.

O C

SEASON TICKETS STILL AVAILABLE FOR LYCEUM

The ticket sale contest sponsored by the committee in charge of the Lyceum Course was won by Lucile Debolt. In last weeks edition a mistake was made in printing the name Ruth instead of Lucile.

Lawrence Marsh who is in charge of the sale of tickets wishes to announce that season tickets are for sale for the price of one dollar. There are four remaining numbers, so this affords a fine bargain for exceptional talent and entertainment.
