SCRAP DAY RESULTS IN DOWNFALL OF FRESHMEN

FROSH WIN TUG-O-WAR

Colors of the Class of 1930 Dragged Through Creek With No Trouble.

The Sophomores copped the honors of the annual Scrap Day by bagging the first two events of the day—the relay race and the sack rush, leaving the Frosh to win the afternoon tug-of-war.

In the first fracas, an unfortunate fumble proved the downfall of the first year men, for it was afterward seen that the race would have been quite close had one man not made a bad pass. As it was, at several stages of the race the Frosh seemed to be gaining, but the loss of about forty yards could not be made up. At that, the Freshies, captained by Lloyd Chapman of Westerville showed a good deal of ability, while that of the class of '30 was also in evidence. Louie Weinland led the Sophs in this event.

In the sack rush there was not as much scrapping as in previous years, the opposing teams resorting to wily tricks and strategy. However, the experience of last year stood the second year men in good stead and they copped the fray by a 79-67 score. Wallace Cherry of Bellwood, Pa., led the attack of the Freshies, while Emerson Seitz captained the Sophomores. In this event Dave Burke and Seitz engaged in a number of clashes which provided thrills for the huge crowd (Continued On Page Two).

YOUNG PEOPLES' SUNDAY SCHOOL ORGANIZES

The Young Peoples' Department of the Sunday School has just been re-organized to start the year anew. In the hands of James Harris rests the responsibility of Superintendent. Assisting him is A. O. Barnes. David Allaman fills an important position as secretary and treasurer of the organization. Alice Foy is chairman of the program committee, while Gerald Rosselot is chairman of the membership and publicity committee.

With these enthusiasts the organization should be highly successful this year. The admirable cooperation of the college and high school students was evident as the church was filled Sunday morning.

Wild Life Movie Comes

A motion picture dealing with wild bird and animal life will be presented in the high school auditorium Wednesday night. Admission will be 35 cents for college students.

ANNUAL "Y" MIXER PROVES BIG SUCCESS

Original Plays and Song Acts Feature. Novel Mixing Plans Introduced.

All forces combined last Saturday night to make the Mixer, the annual "Meet-Everybody Reception" of the Y. M. C. A. and Y. W. C. A. a great success. The party being a progressive affair, the entertainment was varied, and the students and faculty members who mingled together were given good opportunity to become acquainted with many people whom they had not known before.

The entire group of those who attended the Mixer was divided into (Continued On Page Two).

TAN AND CARDINAL OFFICES ARE MOVED

The companion room to the Sibyl office, in Lambert Hall, has been appropriated by the editorial and business staffs of the Tan and Cardinal. New lights and additional furniture has been acquired through the generosity of the college treasurer, and a new coat of paint will be added to the walls as soon as the proper help can be secured.

The staff will now be afforded ample space in which to do its work and allow for visitors and news space seekers. The editor will be in his office every afternoon from 2 until 3 o'clock, to afford those, who have suggestions to make concerning the conduct of the paper or its editorial policy, an opportunity to make them to the editor in person.

Professor Schear Returns

Professor E. W. E. Schear, who for the last year has been doing graduate work at the Ohio State University in the Department of Biology, has returned from the year's leave of absence, and has assumed his former duties as head of the Department of Biology. Professor Schear hopes to complete the requirements for the Doctor's degree during this term.

Professor F. A. Hanawalt, who acted as the head of the department during the absence of Professor Schear, will resume his duties as an associate professor of the department.

CLAIMS PERSONALITY IGNORED FOR REALISM

GIVES EDUCATIONAL IDEALS

Entire Grant of Education Board Is Claimed for Endowment As Campaign Closes.

With the official opening of school for the year 1927-28, last Wednesday morning at 10 o'clock in the college chapel, attention was turned from the consideration of material things to the real educational purpose of the college. Problems of finance which have been in the foreground for the last few years were laid aside, and an attempt was made to point out those educational principles upon which Otterbein is founded.

Dr. Clippinger, in his opening address stated that there is a growing tendency for the teaching of materialistic psychology and philosophy to crowd out idealism in our colleges and universities. "We are bowing down at the shrine of science worshipping realism. We are thinking less of the superhuman," the President said. In presenting facts to back up this assumption, he pointed to the growing disregard for the sacredness of personality, the demand for literature of a cheap nature and movies of a questionable character, and the general acceptance of music commonly known as jazz.

Having thus stated the tendencies that are to be combated, the President next set forth the objectives of the college. The development and improvement of character as a positive value, is one of the chief aims of the college," said Dr. Clippinger. "Self-realization, the development of the wrapped-up potentialities in each of us, (Continued On Page Eight).

NEW STAFF MEMBERS NEEDED BY T AND C

Freshmen or upper-classmen who are interested in trying out for a position of either reporter or an assistant business managership of the Tan and Cardinal should report to the editor or business manager at their office in the basement of Lambert Hall, any afternoon from 2 to 3 o'clock. Positions are open on the circulation staff. Those interested should see Mildred Wilson.

New Professors Secure Educations in Many Schools Throughout Country

Otterbein has opened the new year with nine new professors and assistants. Professor Earl Bowman has been added to the staff of the education department. The appointment of another instructor in this branch of the college was necessitated by the large increase in the number of students taking Education work and also to meet the requirements of the State Department of Education officials. Professor Bowman has an A. B. degree from Miami, and an M. A. degree from the University of Chicago. At present he is working out his Doctor's degree at Ohio State University. He has had a great deal of experience

in the field of education.

Professor J. F. Smith has been chosen to fill the vacancy in the department of Public Speaking and Dramatics. He is a graduate of Otterbein where he obtained his Bachelor of Arts degree. He received a Master's degree from the Ohio State University where he is working on a Doctor's degree.

The vacancies created by the resignation of Miss Taylor as assistant Dean of Women and assistant in the English Department have been filled by the appointment of Mrs. Mary K. Barnhill. She holds an A. B. from the (Continued On Page Two).

which witnessed the contest. Paul Fletcher, Paul Hance, and Bill Nesbit were strong for the Sophs, while Burke, Russel Broadhead, and Frank Samuel stood out for the Freshies.

In the afternoon, the first year men surprised both themselves and their followers with a quick and decisive victory over their supposedly huskier and more experienced opponents. Led by Dean Conklin of Westerville and anchored by Wayne Milburn of Willard, Ohio, they soon had their "enemies" bathing in the then muddy waters of Alum Creek. Many of the Sophs regretted the fact that they had worn rather better clothes than they would have had they not been so sure of winning.

Quite a number of townsfolk, in addition to almost the complete student body, witnessed the affair at the Alum Creek bridge. By this victory the Sophomore class is acknowledged the champion between the two traditional rivals, and it is agreed that no class warfare shall ensue.

After each group had visited each place all met on the campus for refreshments which were served in front of the administration building. Gay Japanese lanterns strung among the trees of the campus gave the occasion a festive air.

An original play, written by Ernest Nichols and Verda Evans, was presented in the chapel. A group of songs by Fred White and Curt Poulton with guitar and banjo accompaniment completed the program.

OVER THIRTY MEN REPORT FOR GRID ASSIGNMENTS

FIRST GAME OF SEASON COMES NEXT SATURDAY

MEET BOWLING GREEN

Season's Outlook Is Good But Not Exceptional. Gang Is Hard At Work.

Over thirty athletes are practicing foot ball daily under the direction of the new coach in preparation for the stiff schedule that faces the Tan and Cardinal warriors this fall. Last week with the temperature well over ninety degrees every day the boys had no trouble in getting rid of any excess weight.

Next Saturday the tough Bowling Green eleven appears here. This team has a very impressive record and is sure to be a battling aggregation. Coach Sears is depending on this game to give him a line on the team's strength and weakness. A week later on October 1 the team goes to Miami University to open the season there. Miami will be the toughest team to be faced this year probably, as they have a terrific attack built around their big fullback Stryker.

Practice sessions that have been held certainly give confidence to Otterbein followers. The boys are drilling very hard and show an unusual amount of pep and snap. The following men have reported to Coach Sears:

Ends: Saul, Riegel, Reck, Seaman, and Schear.

Tackles: Norris, Hawes, Bunce, and Hance.

Guards: Shoemaker, Gearhart, Derhammer, Foster, and Fowler.

Centers: McGill and Crawford.

Quarterback: Minnich, Lee, Jordak, Seitz, and Schott.

Halfbacks: Knight, Clingman, Young, Widdoes, Pinney, Jones, L. Hicks, and Hankinson.

Fullback: Hadfield.

A glance at these names shows that a very strong team can be put on the field and yet afford a fine list of capable substitutes.

HEAD COACH SEARS HAS ENVIABLE RECORD

ALFRED B. SEARS

Coach Sears came to us with a very remarkable record of high school coaching. During the time he coached Bellaire High School his team played thirty games. They won twenty-seven of these. Two ended in a tie and they lost one.

ball year. He said, "The team will likely be composed of eleven men of All-Conference caliber." His leadership ability is remarkable and that coupled with his fighting spirit and his seeming immunity to injury goes to make him rank with Otterbein's greatest athletes.

"Red" Pinney is likely to do most of Otterbein's kicking this year. Others who have good toes include Hance and Jones. Pinney gives evidence of being a very elusive runner, hard to drop.

Reck is to be counted on as one of the mainstays of the line. He played tackle last year but has been working at end this week. He has weight and experience. Gearhart reported in fine shape, hard as nails. He will be seen right in the thickest part of the strug-

gles this fall. Saul is showing great form and speed so far. He appears even heavier and taller than last year.

Many Backfield Candidates

Over a dozen likely candidates appear for backfield duties. It is impossible to venture a guess as to who will start the game against Bowling Green.

Barring injuries and continual bad breaks we would say the varsity is in for a successful year.

When interviewed Coach Al Sears had the following to say, "It is very difficult to say how good the team is until actual scrimmages start. Men who look good in workouts sometimes fail to impress in actual competition.

However I am not discouraged. I think we have a very good chance to win the Bowling Green game. The team must have the support of the students."

NEW BUT EFFECTIVE

In this age of specialization, there are few weeks in the year's cycle of fifty-two that have escaped the branding of some special emphasis. There is Music Week, Good English Week, Better Homes Week and now there is Freshman Week.

From the standpoint of the administration the Freshman Week period has been a great success. The Registrar's work has been greatly diminished when the regular registration of the upper classmen took place. There was not the usual jam in the registration room caused by those who had not made out their schedules. Ample time was given for Freshman tests of all kinds, thus allowing proper classification of each new student according to standing. When school officially opened the Freshmen were ready to work, all preliminaries thus being out of the way.

The Freshmen, from a purely subjective standpoint, were better equipped to begin the year. They were acquainted with their professors and also with their fellow students. Thus the sweeping off their feet by the upper classmen in the mad rush to get them into a social group was done away with.

Quite naturally the first trial of this plan has brought out certain of its

weaknesses. Some slight duplication of the work, in its various phases has inevitably occurred. The purpose of the meetings on Monday and Tuesday evenings was different but the ground covered was much the same. Some of the Freshmen have complained that the program was a little too intensive, that they did not have time to breath at times, so to speak.

The value of the program greatly overbalanced its weaknesses.

LET'S MAKE WORK PLAY

Shall we make our college course play, work or drudgery? The distinction made by the Reverend Ray Johnson, in his chapel talk last Thursday was right to the point.

There are those who make their college career one complete round of play with no definite goal in view. Then there are those who have a goal, but who through unfortunate circumstances resulting in self pity, allow themselves to make their work drudgery. Why not fix on a goal, then bend every effort toward that goal, but at the same time bear in mind that every thing cannot result favorably to us? There are certain things that just aren't planned for us. We must accept them as a matter of course.

Work will now become play, but it will be a serious kind of play.

As the June bride, the Staff has but one bouquet to throw—so

One sprig to the Frosh for teaching the Sophs to swim;

Two sprigs to the Sophs for sacking the Frosh;

And the rest of the bouquet to Prof. West for redecorating the Ad Building.

FACULTY HELPS ENTER-TAIN NEW STUDENTS

One of the social features of Freshman Week was the progressive party which was given for the new students on Friday evening, September 9. The freshmen were divided into five groups, each under the direction of four upper classmen acting as guides, and visited in turn the homes of President Clippinger and Professors Hursh, Rosselot, Scott and McCloy. Each group followed the same program of events, the entertainment ranging from intelligence tests to charades, followed by refreshments.

Sunday noon, faculty dinners were arranged for the entertainment of the freshmen. Each professor arranged to act as host for a specified number of guests either in his own home, or at King Hall. Those professors who were unable personally to entertain their guests selected upperclassmen to perform this duty.

COUNCIL HOLDS IMPORTANT OPENING SESSION

Elect Members of Important Student Organizations For Coming Year.

A great deal of important business was transacted at the initial session of the Student Council held at Cochran Hall last Wednesday evening. The elections of members to various committees and democratic organizations of the campus was the main feature of the meeting.

The members of the Student Council elected to the Campus Council were: seniors, George Rohrer and Helen May; juniors, Quentin Kintigh and Margaret Edgington.

The Men's and Women's Inter-Social Group Council, which are comparatively new organizations on the campus are headed by Waldo Keck and Gladys Snyder respectively.

Discussion of the Scrap Day program followed. As in former years, the Men's Senate was given charge of the affair.

Mr. Erisman discussed the enforcement of the smoking rule.

MANY IMPROVEMENTS ARE MADE ON COLLEGE BUILDINGS DURING SUMMER

During the summer months several improvements and repairs were made in the Administration building. All woodwork and window frames on the outside were painted a light cream color. The walls and ceiling of the main hallway have been redecorated in a similar shade. The chapel ceiling also received a new coat of color.

These improvements were made under the supervision of J. P. West who discovered the original plans of the Administration building during the summer. The plans stated that the outer woodwork was to be light color which, against the red brick background, would emphasize the Gothic architecture.

Improvements, amounting to \$2500, and more numerous than ever before in its history have been made in Cochran Hall this summer. All the equipment used was the most modern and best of its kind obtainable.

Soon after the students left, the floors in the entire basement, except in the rooms used for living purposes, the four bathrooms, and front entrance were taken up. After inspecting the repairing, and replacing the plumbing where it was needed, new flexstone floors were laid.

In many rooms the plastering was repaired where it was hanging loose, and in several places the entire room was refinished. New convenient receptacles for rubbish were placed in the halls.

A new range, baker and equipment for dishwashing were installed to facilitate work in the kitchen, while an automatic Hoffman heater was installed in the boiler-room to keep the water at constant temperature.

It was the intention of the trustees to redecorate the third floor, but the great expense and time required imposed such limitations that these plans could not be carried out. However, it is hoped that next year both second and third floors may be entirely re-decorated.

OFFICERS OF THE ALUMNI ASSOCIATION

President J. R. King, '94
Vice Presidents—
Dr. P. H. Kilbourne, '02
Mrs. Elizabeth C. Resler, '93
H. D. Bercaw, '16
Sec. Prof. L. A. Weinland, '05
Treasurer W. O. Lambert, '00

With this issue of the Tan & Cardinal the Alumni Association resumes the use of the college paper as the means of carrying its news and matters of interest to the Alumni of the institution.

During the past year the Association published a quarterly, the Alumni Magazine. Through this publication the Alumni were kept informed of events and plans pertaining to an enlarged Otterbein.

However at the Commencement meeting of the Alumni, the members voted unanimously to use the T. & C. for the present year. This does not seem to the Secretary as the best means to unify the Otterbein spirit as there are many things that can be used in a publication all our own which obviously cannot be used in the campus paper. Since this is the wish however, of the majority of the supporting members, we look forward to a good year, expecting the same enthusiastic support that was accorded last year.

Each member of the Association will receive the T. & C. for the year 1927-28 and I am sure that each one will renew again the spirit he once had as he reads of the campus activities.

WEDDING BELLS

Dr. Walter G. Clippinger, assisted by Bishop A. R. Clippinger performed the marriage ceremony on August 30th, for Donald G. Clippinger, '25, and Miss Florence Vance, '25. The ceremony took place at the home of the bride's parents, 615 Washington Ave., Greenville, Ohio.

The bridegroom is a son of President Clippinger and the assistant professor of Chemistry in Otterbein College.

Congratulations are extended.

Word has been received of the marriage of Miss Elsie May Conger, class of '26, to Dr. Borden Powell of Pittsburgh, Pa. The wedding took place in the East Dayton U. B. Church, Saturday, July 23rd.

The marriage of Miss Helen Vance, '19, was solemnized at the home of her parents, Mr. and Mrs. Timothy Vance, Reynoldsburg, Ohio, on Saturday, Sept. 3, to Mr. Roscoe H. Eckleberry.

Miss Vance has for the past four years been an instructor in the Otterbein School of Music and is an Associate Member of the American Guild of Organists.

Prof. Eckleberry is a member of the faculty of the Ohio State University.

They will be at home at 2498 Indianola Ave., Columbus, Ohio.

The marriage of Miss Gladys Mae West, '26, daughter of Prof. and Mrs. J. P. West, to Mr. Rhoderick R. Shaw of Lancaster, Ohio was solemnized Wednesday evening, Sept. 7th at 8:30 o'clock at the home of the bride's parents in Westerville.

Mr. Shaw has been Director of the band and clerk to the Superintendent of the Westerville Schools for the past year.

Immediately following the ceremony the couple left for New York where on Sept. 10th they embarked on the S. S. Leviathan with the American Legion group for Paris. Mr. and Mrs. Shaw will also visit relatives of Mr. Shaw in England before returning. After their return Mr. Shaw will take up his duties as Supervisor of Instrumental Music in the Collenwood High School, Cleveland, Ohio.

HOMEcoming OCT. 22.

I'm going to tell you now—so you can plan for it. Homecoming and game with Baldwin. Wallace October 22nd. Already many have notified us of their intention to return. YES YOU CAN COME. Remember the date.

YOU CAN HELP

MEN'S SOCIAL GROUPS:

We will follow the plan used last year in the matter of securing locals for the T. and C. These are the rules:

1. Select someone in your group to be responsible for the collection of your club news.
2. Write them up in good shape (preferably typewritten) on the regular copy form provided by the T. and C. They should be ready to go to print.
3. They will be collected between four and six o'clock every Sunday afternoon from the club bulletin boards.
4. Any news not written up in good form will be rejected.

It will be to your advantage to cooperate.

FORENSIC OUTLOOK IS BRIGHT FOR 1927-28

NEW TALENT PROMISING

Russell Contests and Freshman-Sophomore Debate Come Before Holidays.

Prospects for a winning forensic season for Otterbein look brighter probably than ever before. With nearly two complete squads of last year's debaters out for the men's team a very good showing should be made. Two of Otterbein's college orators are also back, ready to uphold the previous record of the school. The women's varsity debate team has experienced quite a loss in its personnel by graduation. However there is much new material for the positions left vacant.

Intramural forensics promise to have a dominant place this first semester. The Russell Declamation and Oratorical contests, and also the Freshman-Sophomore debates will probably be held before the holidays.

Otterbein has a new public speaking mentor, Professor H. B. Smith. He comes to us with an exceptional record as both a dramatic and platform man. Professor Smith is a graduate of Otterbein and has always maintained an active interest in all the college endeavors.

All freshmen are urged to compete for the various positions open in debate, oratory and dramatics since the Public Speaking Department has made it clear that there will be no discrimination in favor of the experienced members.

Rowena Hewitt Landon.

Miss Rowena Hewitt Landon, class of '85, died at her home in Westerville, Thursday, August 25th.

Miss Landon had been a teacher in the Columbus Schools for several years. During recent years she had been Instructor in Journalism in East High School and head of the department of Journalism in the Columbus High Schools. She had been highly successful in establishing journalistic courses in the high schools and the Columbus Press gave her many eulogiums for her brilliant work.

Miss Landon was born in Westerville and had made her home here all her life.

Interment was made in the Otterbein cemetery.

'94. Dr. Charles Snively, of the noisy class of '94, Professor of Social Sciences in Otterbein, spent his summer vacation teaching History in the West Virginia Wesleyan College.

'19. Norris Grabill has entered on his work as professor in the Mercersburg Academy for boys, Mercersburg, Pa. This is one of the largest private schools for boys in the United States having an enrollment of more than 600 boys.

FRESHMAN CLASS HOLDS ELECTION OF OFFICERS

OFFICES ONLY TEMPORARY

Paul Hughes of Greenville is Made President. Senate Election Is Tie.

The election of temporary officers for the Freshman Class, held last Wednesday in Lambert Hall, resulted in the election of Paul Hughes of Greenville, Ohio to the office of president. The election was unique in that the vote for the elimination of one of the two remaining nominees for representative to the women's Senate resulted in a tie at the counting of the ballots. Believing their voting finished the freshmen left the assembly only to be recalled to cast another ballot.

Releaffa Freeman, of Westerville, Ohio, was finally elected to the Women's Senate, and Lloyd Chapman, also of Westerville, Ohio, was elected to the Men's Senate. The other officers of the class elected were: Mary Mumma, of Lewisburg, Ohio, vice-president; Mary Carter, Newark, Ohio, secretary; and Anna Mitchell, Herminie, Pa. treasurer.

CLAIMS PERSONALITY IGNORED FOR REALISM

(Continued From Page One). development of a social service ideal and the development of leaders who have a strong belief in a God that is all-sufficient for every need are values that Otterbein tries to develop and conserve.

The Reverend Mr. Innerst read the scripture and the Reverend R. T. Stimmel, pastor of the Methodist Church, led the assembly in prayer.

At the close of the service Dr. Clipinger announced that the entire amount of the grant made by the General Education Board to the endowment of Otterbein, had been claimed. The sum of one million dollars was pledged and all paid except ten thousand dollars by July 1. However a group of eight men combined and advanced the ten thousand dollars, in order to claim the entire amount by the time the contract with the General Education Board closed on July 1. These men will be reimbursed as soon as the rest of the unpaid pledges are collected.
