TWO VARSITY "O" MEN INITIATED

"Cocky" Wood and "Dutch" Myers ... (under penalty known only to "O" members) that they start their performance at Cochran Hall at seven o'clock.

"Dutch," according to placards which he displayed, was a representation of "Doctor Sherick's Modern Girl." He was clothed in a neat work dress, a pair of daintily striped overalls and a rakish little hat. Of course he wore a wrist watch and carried a vanity case, and as per instructions every quarter hour found him imitating his comedian from Founder's Hall on page three.

"Our Greatest War is the War Within" Says J. C. Siddall at Y. M. C. A. last week by J. C. Siddall, "Our Greatest War." There are two kinds of wars objective and subjective. The last fight must be engaged in by every individual. It is the inner struggle for victory.

There are several requirements for the successful conduct of this war. First, we must summon all our inner resources to the front. They must be put in complete control of Field-Marshall Conscience. But not only is obedience to this officer necessary but we should take the advice of veterans in the service. They have faced the foe; they know whereof they speak. Added to all these helps is the encouraging influence of barracks life in the church, and Y. M. C. A. Here in the barracks when we have called up every temporal resource, we may call upon our greatest spiritual ally Jesus Christ. He who overcame all here is sure as that he was there on earth can surely give us the strength to win the fierce battles of life.

SENIORS TO GIVE RECITAL.

Otterbein Conservatory of Music Seniors to Begin Commencement Recitals Tuesday Night.

At eight o'clock Tuesday evening at Lamberti Hall will be given the first commencement recital. The faculty and students of the vocal department will give the program which Miss Wakely and Mr. Kelsey have prepared to present. Miss Wakely has been prominent in the work of the United Brethren choir, while Mr. Kelsey has taken solo parts in the Methodist choir.

Following is the program for Tuesday evening:

Miss Wakely, Impassion (Mussel-Schubert), My Sweet Repose (Reckub-Schubert), The Trout (Schubert-Schubert), Summer Lullaby (Mozart), aria. He is kind. He is good (Massenet), The Nightingale (Rossetti-Stephens), Big Lady Moon (Eason-S. Coley-Taylor), and Alone with Mother (Eason-S. Coley-Taylor).

Mr. Kelsey: Aria, All Hall, Thou Dwelling Gounod's Faust), arioso, Vestil la guibba (Leoncavallo's Pagliacci). By the Pool (Symons-Beil), she might not suit your fancy (Brown), Light and Death (S. Coley-Taylor), arioso, Comfort ye (Haendel's Messiah), arioso, Ev'ry Valley (Händel's Messiah). Miss Wakely and Mr. Kelsey will sing two duets, Passage Bird's Farwell (Hildach and Deare). Miss Wakely and Mr. Kelsey will sing two duets, Passage Bird's Farewell (Hildach and Deare) and Dearcest Bird's Farewell (Kreutzer's Siege of Gravina).

High School to Stage Play.

The first of the commencement week exercises in Westerville high school will be the senior play, "A Regiment of Two," given Thursday evening, May 24, at 8 o'clock, in the college chapel. The play is a patriotic comedy. There are three acts, filled with clever and varied action. Prof. A. R. Speissard, of Otterbein, is coaching the play.

FRESHMEN GET BLACK FACES.

Class Spirit Runs High at Cochran Hall When Different Classes Are Seated Together.

The tables in the dining room at Cochran Hall were changed Tuesday and the girls are arranged according to classes. And thereby hangs a story.

The Sophomores started the fun by giving a "Sophomore, Rah" following a dinner for the Seniors. The Sophomores and Junior classes cheered, also. The next day, the Freshmen, recognizing the fact that three of the waitresses were Freshmen and the other a Junior, with a "Waitress, Rah," took their dishes to the serving window. Friday noon the waitresses purposely forgot to serve the Sophomores and Senior tables until their class tables had been satisfied. Then they served the Seniors pie without forks. So the Sophomores and Seniors thirsted for revenge. At midnight raids are their specialty, they visited the Freshmen at one o'clock Saturday morning and proceeded to blacken their faces. But next morning there was no trace to rejoice the hearts of the avenging ones. Only the spoilt correspondences and sheets tell of the visit. Only the future will finish the story.

Otterbein Quartet Busy.

The Otterbein Concert Quartet finished their vocal recital at the commencement exercises at Lynchburg High School Tuesday night. On Wednesday night they sang at the eighth grade commencement at East Columbus and Thursday night at Lincen. The quartet is composed of Professors Grable, Bender, and Spessard and Fred W. Kelsey.

Mr. and Mrs. J. W. Somers and son, Earl, who have been visiting around Otterbein for several days left Thursday morning for Detroit.
A Higher Motive.

"Sherman said that war is hell. Yet some of our students seem to prefer it to the final examinations. Maybe they figure that Sherman never took any finals."

This is a paragraph clipped from the editorial columns of one of the Ohio college papers. It is cleverly written, but although the idea may be applied to some of the fellows who have left school to work on the farm, we believe that no such motive prompted our boys to enlist in the service of our country. War, to say the least, is a serious thing—more serious than many of us realize, and we can conceive of no motive other than true loyalty and patriotism calling college men to engage in the struggle for world democracy.

Plant Flowers.

Our attention has been called to the fact that the two flower beds in front of the library have not as yet been given any care or attention. This is a time when are and flowers and all nature are bursting forth in their freshness and beauty and we cannot think how much two well arranged flower beds would improve the appearance of the library lawn.

No Uniforms Until September
Buy Your Summer Suits Now

There is plenty of time before the men who will be "Called to the Colors" will have to report for duty.

Now is the time to buy Summer Suits—with the whole season before you, whether you will be called for army service or not.

Secretary of War Baker says:

"Owing to the depleted state of our supplies it will not be practicable to call out the first 500,000 men to be raised under the selective conscription act until about September, so there would be no appreciable interference with the labor supply of the country until that date."

YOUNG MEN find this a young men's store—with styles young men prefer—and tremendous assortments of them, too, including famous Stein Bloch smart clothes.

Smart, snappy styles in single and double breasted models with belts all around, three-quarter belts, and half belts. Light weight worsteds, seasonable flannels, homespuns and extra quality serge.
