OTTERBEIN ALUMNI...WHERE ARE YOU?

As promised in the Summer 2009 issue, the Athletic Department has created an online form for former student-athletes to complete their athletic history. If you played a sport, or were an athletic trainer, cheerleader, team doctor or team manager, we are looking for you!

We have already received hundreds of completed forms but know there are many more of you out there that need to submit your information. It is really easy, simply go to our webpage at www.otterbein.edu/athletics, click on the icon that says "Alumni Survey" and begin to fill out your information. This will provide our department with updated history records and provide us with current contact information. See who has completed the survey by checking out the names on pages 4 and 5. This list was compiled with information obtained from the survey system through early September.

It has become a renewed effort of the department to maintain our connections with you, the alumni, and to keep you informed of updates and changes within the department. We hope that you enjoy receiving our department

newsletter and welcome suggestions or ideas for future issues.

The future of athletics is bright here at Otterbein. We wish to share the accolades with all of you.

MESSAGE FROM ATHLETIC DIRECTOR DICK REYNOLDS

Another summer is gone and fall brings the start of another exciting year for Otterbein Athletics. During these economically tight times, the Athletic Department, the "O" Club and the College all appreciate your support. This year is off to a good start and we have a record 546 student athletes in our programs. We will compete in Men's Lacrosse this spring for the first time. The fall sports are all off and running and enjoying success. I would like to encourage all alumni, cheerleaders, managers, athletes, athletic trainers and any others who have helped make our department successful over the years, to complete the information online survey so we can expand our communication database. If you know of anyone not receiving our newsletter, please let us know. The information provided will really assist us in establishing more accuracy in our athletic history files, so please, complete the information online and encourage others to do so.

Homecoming is soon, Oct 24, and against CAPITAL....It will be a great time to return to campus and get together with old friends....Hope to see you then...and once again, thanks for your support of all our programs.

~ Coach Reynolds

OTTERBEIN HIRES NEW MEN'S AND WOMEN'S GOLF COACH

Mark Paluszak has been named new head golf coach for both the men's and women's programs, following the resignation of former coach Nate Petry.

"Mark is a former Otterbein All-America who led our teams to three NCAA tournaments, and we look forward to him leading the program now," Reynolds said.

A 1995 graduate of Otterbein, Paluszak earned All-Ohio Athletic Conference, all-district, and All-America honors three straight years while playing

Mark Paluszak

golf for the Cardinals. He finished second at the NCAA Championships his senior year after posting the low round (68) of the tournament. Over the course of his career, the Cardinals finished eighth, fifth and second, respectively, at the NAAs.

"I am extremely excited to return to my alma mater and coach," Paluszak said. "I was part of Otterbein's very first appearance in the national tournament in 1993, and eventually played in three. There is nothing better than playing at

the highest level of competition, and I look forward to recruiting the state's top student-athletes to ensure the program's success.

"I will give my student-athletes the necessary tools they need to succeed in the classroom and compete at the highest level on the course," Paluszak added. Paluszak, a Westerville resident, works in membership sales for Kinsale Golf and Fitness Club in Powell, Ohio. In addition to selling memberships, he networks with local businesses, creates new marketing pieces and attends seminars with local realtors to help promote the business.
