Greetings from Oberlin's President . . .

On behalf of all of us at Oberlin, I extend to each of you a warm welcome to the campus. We are pleased to have you join us in the excitement and satisfaction that accompanies intercollegiate athletic competition.

At Oberlin we believe strongly that, with proper emphasis, competitive sports can make an important and meaningful contribution to undergraduate education. We like to believe that those who share these experiences - players and spectators alike - will come to realize the lasting values that such a program provides.

We encourage you to return to the campus for sports events and to take advantage of the numerous other public activities of the College community: concerts in the magnificent new Conservatory buildings; exhibitions at Allen Art Museum; theatrical offerings at Hall Auditorium; religious services in Finney Chapel; and a never-ending series of public lectures and other special events.

OBERLIN PHYSICAL EDUCATION DEPARTMENT

Provides Athletic Experience For All Men

Lysle K. Butler, Chairman

of the Department of Physical Education since 1955, was graduated from Oberlin in 1925, received his M.A. from Columbia and Ph.D. from Ohio State.

Butler returned to his Alma mater in 1930 and was head coach of football until he turned the reins over to his assistant, Bill Grice, in 1958. He continues as coach of tennis and helps with football.

The primary purpose of intercollegiate athletics is the education of the participant. About one hundred and fifty varsity and junior-varsity intercollegiate contests are scheduled every year in thirteen sports.

Every man in Oberlin is encouraged to play, and most of them do. Three to four hundred are on one of the varsity or JV squads, and most of the remainder engage in one or more intramural activities. The addition of the new bowling alleys, and the artificial ice skating rink will give the intramural and recreational programs a tremendous boost. Intercollegiate ice hockey will be played for the first time.

There is an increased emphasis on physical fitness and the increased hours of leisure makes the instruction of recreational skills an educational necessity. Every man and woman is required to take two years of physical education, and the major emphasis is on the development of recreational sport skills.

In addition to intercollegiate athletics, intramurals, and required physical education, the Department offers one of the best combination liberal arts - physical education major programs available anywhere. Oberlin graduates from this major have assumed positions of leadership in teaching, coaching and organizing recreational programs. The physical education major provides excellent preparation for graduate work in teaching and administrative positions in industry.

Oberlin has won more than fifty percent of the intercollegiate athletic contests every year since 1939. Best of luck to each of the thirteen varsity teams in their desire to make this twenty-sixth year the best.

Lysle K. Butler

His collegiate career was interrupted by three years in the Army and he coached cross country and track at Hunter College in New York a year before coming here in 1959.

His first teams here were all successful - track winning nine of 16 meets and his harriers have captured two Ohio Conference titles and one All-Ohio crown - a total of 30 won, nine lost, and one tied.

JULIAN L. SMITH .. End coach in football and head coach in basketball and golf. A graduate of North Carolina University in 1941, he received his MA degree there in 1947. He has worked toward his doctorate at both N.C.U. and Western Reserve.

Adding even more variety to his career of working with details, he was secretary and treasurer of the Oberlin Golf Club for 15 years and was secretary of the Merchants Bowling League for nine years.

A man of many interests and hobbies, he has had a private flying license, been a darkroom enthusiast in photography and did illuminated lettering of citations.

J. WILLIAM GRICE . . .

After being backfield coach of the Yeoman grid squads for three years, this fall is Bill's seventh as head football coach.

In addition to coaching football, Bill has also assisted with basketball and freshman baseball and the past two years was mentor of the varsity baseball team in addition to carrying a normal load of teaching in the physical education program.

A graduate of Guilford College, he received his M.A. from North Carolina and stayed on at Chapel Hill high school for the next seven years as director of athletics and coach of three sports. His teams over that period won ten championships.

BASKETBALL

After successful 14-4 and 11-7 seasons in his first two years here as head coach, Julian Smith's next three teams had lost some of its scoring punch and rebounding strength and dropped slightly below the .500 mark. The record of his teams now reads 45 won and 47 lost.

Dave Andrews, a senior from Columbus, is captain-elect. The other six lettermen expected back are Wendell Meeks, Centralia, Ill.; Dick Roberts, Elyria; Mike Bathory, Cleveland; Tom Graham, Meadville, Pa.; Scott Kretchmar, Oberlin; and John Nanosky, Youngstown. Five of the seven are from Ohio.

Willie Austin from Cleveland was the only senior on the team of last year and if a tall freshman or two are uncovered, it may be that the team can at least break even again.

The 1964-65 schedule: Dec. 1, Adrian; 11, at Marietta; 12, at Muskingum; 15, Western Reserve; 17, Wittenberg. Jan. 6, at Case Tech; 9, at Ohio Wesleyan; 12, at Wooster; 14, Heidelberg; 16, at Otterbein; 23, at Allegheny; 30, Mt. Union. FENCING

A varsity sport here since 1934, fencing has had large and enthusiastic squads on the Oberlin campus almost every year. The squads usually number more than thirty.

Although the squad had the misfortune to lose half of its lettermen during each of the past two years, they nevertheless had the winningest seasons, 8-2 two years ago and 10-2 last year.

Of the 12 lettermen last season, however, nine are expected back. Returning are co-captains Bill Kramer from Hudson and Bob Scott from Geneva, Switzerland. The other seven veterans are Henry Hills, Charleston, W.Va.; Bill Barnes, Hyattsville, Md.; John Chance, Jamaica, N.Y.; Bruce Harker, Valley Station, Ky.; and Kline Roberts, Columbus.

In epee, Hills was 21-8 for .724, Garry Stone had a 19-10 mark for .655, and Barnes was 14-13 for .519. In sabre, Bill Kramer had .697, Dennis Young was .567, and John Kramer had a .529 mark. In foil, where all the members of the previous year were lost by graduation, Scott had a 23-10 for .697, Pete Flood 12-6 for .667, and Roberts, 17-12 for .586. A truly remarkable team.

The 1964-65 schedule: Dec. 5, Case Tech; 12, at Detroit-Wayne; 17, Western Reserve. Jan. 15, Notre Dame; 23, at Ohio State-Air Force Academy. Feb. 6, at Penn; 13, at Case Tech; 27, at Western Reserve. Mar. 6, Fenn.

SWIMMING

Coach Ralph Bibler was on leave of absence during the second semester last year and Bill Grice took over for him. Several new Oberlin varsity records were set but due to a lack of depth they nevertheless had only a 5-4 season record and finished 4th in the Ohio Conference meet.

The team will be led by two seniors, captains-elect Gary Gault from Ashland and John Trauger from Cleveland. Ten other lettermen expected to return are Peter Kemper, Minneapolis, Minn.; Tim Cross, East Lansing, Mich.; Steve Gano, Laplace, La.; Paul Goellner, Cedar Rapids, Iowa; Walter Jones, Scotia, N.Y.; George Lillich, Oberlin; Marc Lindenberg, Rochester, N.Y.; Ken Rubinson, Wilmette, Ill.; Dave Russell, Evanston, Ill.; Andy Wilson, Lathrup Village, Mich.

The 1964-65 schedule: Dec. 5, Ohio Conference Relays at Oberlin; 12, at Akron. Jan. 16, Denison; 21, Baldwin-Wallace. Feb. 6, Hiram; 13, at Ohio Wesleyan; 18, Case Tech; 20, at Kenyon; 25, Fenn; 27, at Wooster. Mar. 5-6, Ohio Conference Meet at Hiram.

WRESTLING . . .

Although the teams of the past three seasons had perhaps the brightest prospects in the history of the sport here, a running plague of injuries reduced their season records to 4-4, 6-3 and 1-7. The 1960-61 team had an undefeated record.

With the possible return of 10 lettermen from the past two years, the picture for this coming season could be a bright one. If they are all able to compete up to their maximum potential, it could be another good year.

The squad will be led by co-captains Lawrence Gladieux, Scarsdale, N.Y. and Bob Holdsworth, Columbus. Others expected back are Ted Hill, Berlin Heights; Fred Fuges, Philadelphia, Pa.; Bob Lansky, Scarsdale, N.Y.; Les Lawrence, Winnetka, Ill.; Dave Pegram, Virginia Beach, Va.; Larry Piper, Baltimore, Md.; Gerry VonKorff, Minneapolis, Minn.; Steve Wineberg, Barberton.

BASEBALL

Baseball is the oldest varsity sport at Oberlin, dating back to 1886. Prior to that, as early as 1868, some Oberlin teams known as the Resolute, played other organized teams in the area. Fleet Walker, who played here in 1881, later played for Toledo in the old Federal League and was the first negro to play in the pro leagues.

Following two seasons in which the Yeoman nines had a 19-9 record, Coach Bill Grice is expecting to have another veteran club next spring. Only one of the 14 lettermen graduated.

Returning are co-captains Pete Clemens, Chagrin Falls, and Herb Morse, LaGrange, Ill. and 11 others. Ron Bloom, Iowa City, Iowa; Roger Blume, Matteson, Ill.; Tom Graham, Meadville, Pa.; Henry Kingsbury, Kennebunk, Me.; Scott Kretchmar, Oberlin; Hal Lawson, Oberlin; Marlin McCaleb, Mechanicsburg, Pa.; Dick Roberts, Elyria; Bill Saint, Fairview, Pa.; Greg Siggers, Pennington, N.J.; and Dick Steckel, Holcomb, N.Y.

GOLF . . .

Golf has been a varsity sport on the Oberlin campus since 1931 and the past five-year period under Coach Julian Smith has been the most successful. All five have been winning seasons with a total of 35 wins, 17 losses and one tie. Only the 1952-57 era with a 34-20-2 record has a comparable rating.

With the loss of only one letterman from last spring, the club will be led next year by three senior lettermen and two sophomores. Returning are tri-captains Jim Hightower, Paris, Ill.; John Piper, Lock Haven, Pa.; and John Walker, Newton, Mass. Also expected back are two second year men; Tom Dewey, Clyde, and Pat Fleming, Alma, Mich.

The 1965 schedule: Apr. 16, at Mt. Union; 20, Ohio Wesleyan; 27, Hiram; 30, Akron. May 3, Ohio Intercollegiate at Columbus; 6, Wooster & Heidelberg; 11, Baldwin-Wallace & Kenyon; 17, Ohio Conference at Hiawatha Club in Mt. Vernon; 24, Case & Western Reserve.

LACROSSE . . .

A sport which has really "caught on" here since it was introduced in 1948, is lacrosse. In degree of success in the win column, it is topped only by soccer and tennis. In 17 years the stickmen have compiled a 96-36-4 record for a winning percentage of .727. Soccer is tops with .744 and tennis next with .732 over the years.

Coach Fred Shults has a four-year record of 29-10-3 and next spring will be his fifth season since returning to his alma mater in 1960-61.

Four of last year's lettermen were lost by graduation and the returning 10 will be led by tri-captains Jim Anderson from Cleveland, Arnold Laguardia from Larchmont, N.Y., and Pete Molnar from Summit, N.J. Also expected back are Curtis Adkisson, Morrilton, Ark.; Gerald Kraines, Chicago, Ill.; Bert Latran, Oberlin; Bill McNeill, Pittsburgh, Pa.; John Nimmons, Claremont, Calif.; Craig Robinson, Buffalo, N.Y.; and Robert Stam, Boston, Mass.

The 1965 schedule: Apr. 17, at Ohio State; 24, Denison; 27, Bowling Green. May 1, Ohio Wesleyan; 4, at Kenyon; 8, at O. Wesleyan; 15, Kenyon; 22, Ohio State; 29, at Denison.

TENNIS

Tennis, one of the winningest sports on the Oberlin campus, has enjoyed consistent success over the years. Lysle Butler has been coach for thirty years and during that period his teams have had six undefeated campaigns. Over one stretch covering five seasons, 1957-51, his netters had a string of 44 straight wins and his overall record is 209 wins and 59 setbacks.

The team had a 6-3 record last year, but with six members of the squad lost by graduation, the outcome of next season is a big question mark.

Returning are the two senior co-captains, Eric Seitz from Palo Alto, Calif., and Ken Joslyn from River Forest, Ill., and sophomores Karl Kurtz from Oberlin, and Jay Huebsch from Glencoe, Ill.

The 1965 schedule: Apr. 17, at Wooster; 21, Akron; 24, at Baldwin-Wallace; 27, Western Reserve. May 1, Hiram; 5, at Kenyon; 8, at Ohio Wesleyan; 11, Bowling Green; 15, Denison; 18, Kent State; 21-22, Ohio Conference at Denison; 25, at Case Tech.

TRACK

Outdoor track has been an all-time consistent winning sport on the Oberlin campus. Over the years, there have been few seasons which failed to win more than half their scheduled meets.

Next spring will be the sixth season here for Coach Bill Tidwell, a product of Kansas State where he starred as a middle distance runner. His first two teams won nine of their 16 meets but the squads of the last three years were short on stars as well as depth.

Three of last year's lettermen were lost by graduation and the returning 15 will be led by co-captains Paul Heide from Wichita, Kans., and Gary Schnitker from Toledo. Also expected back are William Beck, Dayton; Doug Cherkauer, Buffalo, N.Y.; Mark Jaffee, Youngstown; Hugh Jenkins, Yucaipa, Calif; Wayne Lautenschlager, Painesville; Doug Kirkpatrick, Yellow Springs; John Mitchell, Lincoln Park, N.J.; Arthur McGlaulin, Kensington, Md.; Everett Priestley, Newark, Del.; Bob Murphey, Trumansburg, N.Y.; Jon Orne, Chapel Hill, N.C.; Hugh Richards, Steamboat Springs, Colo.; James Updegraff, Ft. Lauderdale, Fla.
