ALUMNI—STOP! LOOK! READ!

One of the most pleasant tasks of the Alumni Secretary is that of opening letters containing payments of Alumni Dues, for it is an indication of interest in your Alma Mater.

It is necessary each year to send out a series of calls to Alumni to make their annual contribution of \$2.00 to the Alumni Fund.

The school year is nearly half gone and so far very few Alumni have sent in their contribution.

The Alumni Association needs your support and so we are asking you to send in your check for \$2.00 and we will place your name on the Honor Roll for 1937-38 which will be published in the February issue of the Alumni News.

Our goal for this year is 500 Alumni on the Honor Roll—and with your cooperation we can reach it.

R. R. Ehrhart,
Alumni Secretary.

EDUCATIONAL CONFERENCE

The ninth annual conference on Christian Education held on the campus at Otterbein College, Monday and Tuesday, Jan. 3 and 4, proved to be the biggest yet from the standpoint of attendance and interest manifested.

Seventy-three delegates, from seven conferences in the co-operating territory, representing the Miami, East Ohio, Sandusky and Southeast Ohio conferences in Ohio and West Virginia, Allegheny and Erie conferences were present.

In the first session Monday afternoon, Dean Dennis D. Brane outlined the purpose and possibility of the conference and introduced President W. G. Clippinger who presented a very interesting address on the subject, "The Road Over Which Otterbein Has Come—and Ahead." President Clippinger reviewed the progress of Otterbein during the past 40 years, showing the tremendous gains in endowment, plant, net assets, faculty, buildings, etc. during that period.

Charts and graphs showing the trends toward the fields of specialization effecting the enrollment in Liberal Arts colleges were presented by Mr. F. J. Vance, registrar and R. R. Ehrhart, field secretary. The fact was also revealed that 62.2% of Otterbein's students are United Brethren while the other United Brethren colleges ranged from 33% to 48%.

Dr. J. Gordon Howard, denominational director of Young People's Work, Dayton, delivered an address on the subject, "Pressures and Offsets in Student Recruiting."

An added feature of the conference was the informal reception and dinner for the faculty and their wives and delegates in Cochran Hall at 5:30 with 125 present.

The evening session was opened with a half hour of music by the violin quartet composed of John Clippinger, Ann Voorhees, Ruth Smith and James Grabill; marimbaphone selections by June Varian and Kay Ward; piano solo by Esther Day and vocal solo by Robert Hohn.

Mr. John L. Bjelke, field secretary of Denison University, delivered the address of the evening on the subject, "Ethical and non-ethical practices in student recruiting." Following the address Prof. A. P. Rosselot led a discussion of the points of the Code of Ethics for Recruiting as adopted by the Ohio College Association and the proposed code for the North Central Association. The session closed with the showing of the moving pictures of student life and activities on the campus by R. R. Ehrhart.

The closing session, Tuesday morning, was devoted to a discussion of Education Day — Its Responsibilities and Opportunities by Dr. C. W. Brewbaker, Dr. C. B. Schuck, Mr. John Flanagan, Mr. Vance Cribbs, Dr. B. S. Arnold and Dr. O. T. Deever, each discussing a different responsibility.

The conference adjourned at 11:30 and assembled with the students in the regular chapel service where Bishop A. R. Clippinger spoke on the subject, "Following the Crowd."

The devotions were conducted by Rev. J. S. Innerst, Rev. D. D. Corl and Supt. S. P. Weaver. The presiding officers were Dean Dennis D. Brane, Prof. J. S. Engle and President W. G. Clippinger.

Prof. Chas. D. Yates, '11, vice-principal of the Modesto Junior College, Modesto, California, was a visitor at the home of President and Mrs. Clippinger during the holidays. Prof. Yates is now serving his eighth year as a member of the Modesto Junior College faculty. In addition to being vice-principal he is director of student counseling and a teacher in psychology. Their school has an enrollment of approximately 1000.

EDUCATION DAY

Education Day will be observed throughout the United Brethren Church, Sunday, February 13.

Special attention is given this day to the financial needs of our denominational colleges. All churches in Otterbein cooperating territory are asked to take an offering for the support of Otterbein College.

Already calls are coming in for speakers and groups of students from the college to assist local churches in putting on their programs for that day.

If you are interested in having a group of students or a speaker in your church on Education Day get in touch with President W. G. Clippinger or R. R. Ehrhart, Field Secretary, Otterbein College.

In addition to a large number of students who have offered their talents in putting on a variety of programs, musical and others, we have available some very fine motion pictures of student life and activities on the campus.

Alumni are asked to cooperate with local pastors and other church leaders in making Education Day this year the biggest and best ever.

WINTER HOMECOMING

The Annual Winter Homecoming will be observed with a series of activities beginning Friday evening, February 4, with an all campus party and will extend through Sunday, February 6.

The Winter Princess, who will reign over the activities of the Homecoming, has not yet been chosen.

The big event of the homecoming will be the basketball game with Kenyon in the Alumni Gym, Saturday evening, February 5. This ought to be a very good game and all Alumni who can possibly attend should do so.

Rev. John C. Mayne, '23, has been called to the pastorate of the First Congregational Church at St. Joseph, Missouri. He took over his duties there on Nov. 15. He is married to Anna Wilson, ex-'24, of Westerville and they have two children, Betty 13, and Bobby 10.

COLLEGE RECEIVES GIFT

Just a few days before Christmas, President W. G. Clippinger received a handsome Christmas gift, for the college, in the form of a check for \$25,000 from the estate of the late Sarah B. Cochran of Dawson, Pennsylvania. This amount combined with several other substantial gifts, including Cochran Hall, which was completed in 1907, and \$40,000 to the endowment fund during the Diamond Jubilee, makes her the largest single contributor to the College, her gifts totalling approximately \$100,000. This latest gift will be added to the general endowment, the income to be used for the maintenance and upkeep of Cochran Hall.

ALUMNA DATA NEEDED

On the last page of this issue of the Alumni News there is a blank for information for the Alumni files. The Alumni office receives so many requests for up-to-date information concerning alumni, and this information is not always available nor is it up to date. Consequently, we are asking all alumni to fill out the blank and return it to the Alumni office. This will help us to keep our files up to date and will also enable us to give correct information when it is needed. Your cooperation in filling out this blank and returning it will be greatly appreciated.

PRESIDENT IS HONORED

President W. G. Clippinger was one of 12 college presidents to be honored at a dinner at the annual meeting of the Association of American Colleges in the Stevens Hotel, Chicago, January 20.

The presidents who were honored represented the 12 chapter member colleges that had the same presidents in office at the time of the organization of the association in 1915.

The other colleges whose presidents were also honored were Randolph-Macon College, University of Richmond, Carleton College, Ripon College, Duke University, Jamestown College, Rice Institute, Mount Union College, Hendrix College, Salem College, and Lake Erie College.

President Clippinger is also one of the 16 presidents in the list of those who have served their institutions as president from 25 to 35 years. He is now serving his twenty-ninth year at Otterbein.

PERSONALS

L. E. Garwood, '08, was one of the committee which planned for a public conference on family relations held at Coe College, Cedar Rapids, Iowa on February 24 and 25. Mr. Garwood is a professor in the department of sociology at Coe College.

The conference was the first conference of its kind to be sponsored by an Iowa college and one of the first public conferences on this subject to be held in the United States.

Laymen as well as students of sociology attended the conference and took part in the discussions.

Miss Floretta Peters, '35, is teaching her second year in the Hayfield Township school. She took one year of special preparatory work at the Edinboro State Teachers College.

Prof. J. Raymond Schutz, '14, director of sociology and economics of North Manchester College, at North Manchester, Indiana was recently chosen President of the Standard Life Insurance Company of Indiana. He succeeds former Governor Harry C. Leslie, who died early in December.

W. H. FOUSE RETIRES

William H. Fouse, '93, first negro graduate of Otterbein College and for 25 years principal of the Lexington, Kentucky negro high school will retire this spring from 45 years of work in advancing the educational standards of his race. Mr. Fouse who is 70 years of age will become a professor emeritus.

Mr. Fouse has observed the growth of negro education from the time when it was nothing short of a felony in the South to assist a negro to become literate to the days of scientific and industrial schools and colleges. In this progress he has played a large part.

Immediately after his graduation from Otterbein, Mr. Fouse went to Corydon, Indiana where he founded a school. Then, after serving principalships in Gallipolis, Ohio and Covington, Kentucky, he went to Lexington where he has devoted his time to making Dunbar High School one of the best negro schools in the state. The enrollment there has increased from 87 in 1913 to 446 at the present time.

Since he has been in Lexington he has been instrumental in founding the Bluegrass Oratorical Association, the Bluegrass Athletic Association, the Pennies Saving Bank, and the High School Insurance Project. The insurance project was a plan to insure against careless breakage on school premises. A "company" was formed which paid half the damage incurred, and the person responsible, the other half. All "premiums" were returned to those who had caused no damage. In a few years the plan was found to be unnecessary due to the caution on the part of the "policy holders". During the 10 years of the operation of the Pennies Savings Bank the pupils at the school saved \$10,000.

Last year Mr. Fouse was elected president of the Kentucky Negro Education Association, and last summer he received the honorary degree of Doctor of Pedagogy from Otterbein College.

Dr. George W. White, '21, head of the department of geology, University of New Hampshire, spent the past summer studying the geology of Russia, on the occasion of the Seventeenth International Geological Congress at Moscow. For three weeks before the Congress sessions Dr. White, under the guidance of Russian geologists, studied the geology of the Caucasus Mountains, Georgia, Azerbaijan, Armenia, and Abkhazia, reaching Mt.
