### CHRISTIAN ORGANIZATIONS HOLD SUNRISE COMMUNION

Crowd of One Hundred and Forty  
Gather in U. B. Church for  
Special Easter Service.

For the first time in the history of the college the four Christian student organizations united in a sunrise communion service, Easter morning. On account of the damp ground the service was held in the U. B. Church, contrary to the announced plans for holding it on the campus between the Administration Building and the Association Building.

Dean N. E. Cornet administered the communion and Professor E. M. Hursh directed the music with Ethel Kepler assisting at the piano. Florence Howard, Louie Norris, Helen May and John Lehman, the representatives of the Y. W. C. A., Y. M. C. A., Otterbein Guild and Section A of Christian Endeavor, respectively, acted as the deacons. Section B, Christian Endeavor, joined in the communion service instead of holding the sunrise prayer meeting they had planned. About a hundred and forty students and faculty members were present.

### FOUNDERS' DAY TO BE OBSERVED BY PROGRAM

Special Extended Chapel To Celebrate 80th Anniversary of Founding of College.

A student representative to be elected by the Student Council, an alumnus of the college, and probably a special outside speaker, are slated for the program according to an announcement made by President W. G. Clippinger yesterday morning. Special musical selections will also appear on the program.

It is planned to make the program reminiscent, historical, prophetic and inspirational. President Clippinger states. More definite plans will be announced from the chapel platform later in the week.

# OTTERBEIN WILL ENTER 25 MEN IN OHIO RELAYS

## MORE TRY-OUTS WILL BE HELD THIS WEEK

### VALUABLE PRIZES OFFERED

Noted Men Will Officiate At Athletic Festival To Be Held In Ohio Stadium.

Coach M. A. Ditmer announced yesterday that twenty-five of Otterbein's cinder artists have been entered in the fourth annual Ohio Relays to be held in the Ohio State stadium Saturday, April 23. However, not all of these men will compete in the races next Saturday. Further try-outs will be held this week to determine those to be carried and those who will compete in the thirteen different events in which Otterbein is entered.

### Revised Program.

The Ohio Relays this year have a revised program designed to produce even better competition and a faster meet, and special events in which nationally-known stars will compete. Notable officials have been chosen to handle the meet. Major John L.

Griffith, Western Conference commissioner of athletics, will be the referee of the Ohio Relays. Ted Canty, famous for his leather-lunged voice, will come from Chicago to announce the results. H. P. Swain, veteran Ohio official, will be the starter.

### Many Men Entered

The men entered in the different events to date as follows: High Hurdles, McGill; Low Hurdles, Green; Pole Vault, C. Wales and Van Auken; High Jump, Pinney, Snavey and Friend; Broad Jump, Smith, McGill, and C. Mumma.

Two-mile Relay, Erisman, Molter, Pilkington, Hatton, L. Hicks, Kumler, Keck, Holdren, and Falstick; 880-yd. Relay, Hatton, C. Mumma, Thompson, Pinney, Green, C. Wales, and Falstick; Mile Relay, C. Wales, Erisman, Thompson, Molter, Hatton, Pinney, L. Hicks, and Martin; 100-yd. Dash, Thompson and Smith; Shot Put, E. Riegle, Kintigh, and Van Auken; Mile Relay, (open to all colleges) C. Wales, Erisman, Thompson, Molter, Hatton, Pinney, L. Hicks, and Martin.

According to Coach Ditmer, every one of the men entered have a good chance of competing in the races. Results of the try-outs this week will largely determine the contestants.

### BASE BALL TEAM WILL PLAY BLISS THURSDAY

Nothing Is Known of Business College Team. Captain Election To Be Held.

Next Thursday afternoon at 3:30 o'clock the Otterbein baseball team will cross bats with the Bliss College nine of Columbus, on the home diamond.

No reliable forecast can be made concerning the game as nothing is known of the strength of the Bliss College team, and Otterbein will go into the game with only four letter men to bear the brunt of the fray. Needless to say the Blissites will be out for revenge for the defeat they suffered at the hands of Coach Edler's basketballers last winter. On the other hand the Tan and Cardinal team can be expected to battle until the last strike is called and the last man out.

The game will give Coach Ditmer a chance to find out the calibre of the so-called green material which will of necessity be called upon to represent Otterbein in the "great national pastime."

Coach Ditmer announces that the team will play this game without a captain as no election or appointment will be made until after this first game. John Carroll was the captain-elect of this year's squad but his failure to return to school the second semester caused this office to remain unfilled.

## RULES COMMITTEE RESTRICTS DRIBBLE PLAY

### WHISTLE BLOWING REDUCED

Excessive Roughness Condemned and Team Play Encouraged at Committee Meet.

The National Intercollegiate Basketball Rules Committee which met Saturday, April 9, in New York City changed the rule dealing with the dribble so that a player may now dribble but once before shooting or passing the ball. Time will now be taken out between the committing of a foul, personal or technical, and the time the ball leaves the player's hands when thrown toward the basket.

### Whistle Restricted

The committee also took action regarding the use of the referee's whistle. Hereafter the referee will blow his whistle only when a held ball is called, when time is taken out, when ball goes out of bounds and when play is resumed. The spirit behind this ruling was that the promiscuous blowing of the whistle by the referee has only led to confusion among the players.

What the result of this ruling will be is hard to estimate. Dr. James Naismith of the University of Kansas, who invented the game thirty-five years ago, declared that the rule change was a decided backward step. The dribble, he said has been one of the most spectacular features of the game. "The dribble in the game, as played in the west has not brought on excessive roughness," he said when told the committee made the change "to eliminate roughness and to encourage team play."

### Objections Stated

L. W. St. John, athletic director of Ohio State University, also looked on the change in the rules restricting the dribble, with disfavor. The consensus

of opinion among basket ball critics seems to be that the ruling will hamper the game. While this rule has been under consideration for several years, it had never become a reality until the annual meeting April 19.

### FOR LOAFERS

This is a jazz crazed age. The phrase, borrowed from the pessimists who frown on the hurry-up tempo now in vogue, is perhaps in no place better exemplified than on the campus of an American university.

It is continually a rush to this function, to attend this game, to take part in that play or concert, have this suit pressed or get this bit of studying done. No more care-free persons can be found anywhere than a lot of students, nor is there a group more pressed for time than the same lot of students. It is a queer combination.

The college career is so chock full of time-requiring activities and the average student tries to keep abreast with so many of these activities that the question naturally comes up as to just what it all means and where it all will lead.

Once in a while we find a person who is contented to sit with his feet propped up on a desk, blowing smoke rings into the air and think about—well about nothing in particular—just thinking.

We envy such a person for his peacefulness and for the realization that he is the sort who gets the big hunches that materialize into worth-while things. He is enjoying something that the hurry-up people are missing.

He takes time to check up a bit occasionally.

We can't endorse the habitual loafer nor do we relish the smug monotony of the go-getter.—Ohio State Lantern.

### ZETA ALPHA PHI CHAPTER TO BE INSTALLED

(Continued From Page one.)

Invitations have been extended by the local chapter to Professor P. E. Pendleton, Dr. Sarah M. Sherrick and Professor Lela M. Taylor. Professor Raines is a member of Chapter 21, Pennsylvania Beta, at the University of Pittsburgh.

Membership in the new honorary is dependent upon the amount of participation in dramatic activities and excellence in the fields of acting, play writing, producing and managing. Ohio Chapters of Theta Alpha Phi are located at Ohio Wesleyan, Baldwin-Wallace, Heidelberg, Wittenberg and Ohio Northern. The local chapter is the 70th one to be organized of Theta Alpha Phi which was founded at the University of Utah in 1916.

## TWO ORATORICAL CONTESTS OVER WEEK-END

(Continued from page one.)  
been invited to attend this part of the festivities.

### Six Colleges Entered

Each competing college sends with the contestant a faculty judge who ranks and grades all contestants with the exception of his own. Colleges entered are Wittenberg, Capital, Denison, Bluffton, Ohio Wesleyan and Otterbein.

The local contest is in charge of Prof. W. Roy Diem of the Department of Oratory at Ohio Wesleyan University. At the same time a contest is held here a similar contest is taking place at the Case School of Applied Science in Cleveland. The three best orators of each contest will compete for the final state honors in a contest held at Ohio Wesleyan on Friday, May 13. The first and second prizes are \$25. and \$15., respectively.

Otterbein's campus is rampant with oratorical contests this week. However, all college people and citizens of Westerville are invited by the Department of Public Speaking to attend the divisional Peace Contest for Ohio which will be held Friday evening at 8 o'clock in the College Chapel. It is impossible to state this morning who Otterbein's representative will be as he was not selected until late last night at the Russell Oratorical Contest. However, one of the three orators with Peace orations in the Russell Contest will speak for Otterbein Friday.

### 7 Colleges Represented

Colleges who will send representatives to this contest are Ohio Wesleyan, Capital, Ohio Northern, Bluffton, Wittenberg, and the University of Dayton. The final contest will take place at Ohio Wesleyan on May 6. Three contestants will be chosen from the contest Friday to take part in the final contest. The judges for the contest will be faculty members or coaches of the orators from the various colleges. Prof. Horace W. Troop will judge for Otterbein. Dean N. E. Cornet has been asked to preside at the contest.

## STATE Y. M. C. A. HOLDS CONFERENCE AT DENISON

The annual joint Y. M. C. A. state conference was held at Denison University, April 8, 9, 10. The conference, unlike the one held at Otterbein last year, emphasized the training elements more than the inspirational side of the usual conference program. "Dad" Elliott, Arthur Rugh, Howard Thurman, and Maud Gwynn were the chief leaders. In addition to the regular conference sessions special discussion groups were held for the presidents of local Associations. This group was lead by Dr. Bickam of Chicago who has spent several years analysing campus problems and their cures.

Those who were at Denison representing the local Associations were: Florence Howard, Helen May, Frances Hinds, Glendora Barnes representing Y. W.; Louie Norris, Lawrence Marsh, Robert Erisman, Lloyd Schear, and Gerald Rosselot representing Y. M.

## PLAY PRODUCTION CLASS TO PRESENT PLAYS SOON

ON APRIL 29 AND 30

Original Plays by Verda Evans,  
Ernestine Nichols and  
Lillian Shively.

Theta Alpha Phi, Cap and Dagger, and the Play Production Class are jointly sponsoring the series of four one-act plays which will be given Friday and Saturday, April 29 and 30 in the College Chapel.

"Clare Again", one of the plays, was written by Verda Evans and Ernestine Nichols; Miss Evans will direct this play. "Samurai" is the name of the Japanese tragedy which will be produced on the same program. Lillian Shively is the authoress of this play; Miss Shively will direct the cast in the production of her play.

Two other plays which will appear on the program are "Road to Agincourt", a romantic melodrama, and "Undercurrents", the tale of a Hindu uprising. These plays were written by students in the University of Minnesota. Margaret Kumler will direct "Undercurrents" and Alice Propst will coach the cast of "Road to Agincourt."

### Much Original Work

This original work in play writing came about as the result of recent agitation by Quiz and Quill Club and the Play Production Class. A total of six plays have already been submitted. Three of these plays will be produced immediately and the other three, written by Harold Blackburn, Bessie Lincoln, and Edward Hammon, and now in the process of revision, will probably be produced at informal afternoon sessions of Quiz and Quill and Play Production Class.

The Public Speaking Department announces that the curtain will rise at 8:30 on Friday evening, April 19, on account of the Philophronean Open session; the curtain will rise at 8 o'clock on Saturday evening.

Thursday evening, Miss Hoerner gave a lecture on etiquette before the King Hall Association. The association chose two members to sit at the table with Miss Hoerner because they were most in need of instruction.

### SENIOR MEN BLOSSOM IN NEW CANE ATTIRE AS CAMPUS NOVELTY

(Continued from page one.)  
from Math Class when she tho't she saw the Prince of Wales!

Can you blame her? Ice-cream pants, snug-fitting dark coat, a knobby cane and swagger. (The Board Walk and a Rolls-Royce). She rushed over to a member of the Student Council and gasped "Is that His Honor, Prince Eddie?" She was proudly informed, "Why, no, that's our Jimmy!"

Which makes us wonder—"Does one wear a cane or carry a cane?" We hesitate to say, but from our limited experience we would observe that we know of but two, Jimmy and Keene, of whom it could be said, "He wears a cane". The rest have trouble enough to carry them.

Speaking of the "great open spaces", or were we, we might comment on several of the boy friends we saw gamboling about on the green with a would-be golf ball and tree stump for a tee, endeavoring to make said cane useful as well as, shall we say, noticeable.

Be not surprised, should you hear on our Campus, 'ere long;

"Good mawning, Algernon, bally good day, wot?"

"Old Dear, rawther chawming, By Jove!!

Swish, Swash!!  
P. S. We have inside information from the Prince of Wales, that if you unscrew the crook of the cane—lo, no need of a pocket flask!!

## GLEE CLUB DRAWS GOOD CROWDS ON SPRING TOUR

### GIVE SIX CONCERTS

Home Concert Is Well Received. Orchestral and Special Numbers Add Zest.

The Glee Club left Wednesday morning, April 6, on a rather extensive Spring Tour. They gave concerts six successive evenings. This tour included the towns of Latrobe, Greensburg, Scottdale and Wilkesburg in Pennsylvania, and in Ohio at New Philadelphia and Coshocton.

To add to the variety of experience on the trip an interesting and didactic promenade through Carnegie Museum at Pittsburgh took place.

The audiences everywhere were large and appreciative. In fact the total of the audiences in this trip amounted to about thirty-five hundred persons. In each of the places visited there were encouraging press reports. One article boasted that it was the best musical program ever given there.

Last Thursday evening, the Glee Club and Banjo Orchestra presented their annual home concert in the College Chapel. This was their concluding program for the 1926-27 season and was heartily received by one of the largest audiences that has ever heard these organizations in any appearance here.

The evening's entertainment was divided into three parts; the first consisted of semi-classical songs by the Glee Club, the second was made up entirely of selections by the Banjo Orchestra, and the last embraced a number of popular songs. The program was concluded by singing College songs. Special features were violin duets by Homer Huffman and LeVere Breden, and piano solos by Oliver Spangler, between the separate parts of the concert.

# STUDENT COUNCIL FORMULATES PLANS FOR PARENTS' DAY FEST

## ANNUAL CELEBRATION TO BE HELD ON MAY 7

### MAY BREAKFAST ON PROGRAM

Evening Program In Chapel May Consist of Several Dramatic Numbers.

The annual Parents' Day Celebration was officially set for Saturday, May 7, by the Student Council at its regular semi-monthly meeting last Wednesday evening in King Hall.

The annual fest for the parents will begin Saturday morning with the May Morning Breakfast which will be served by the Y. W. C. A. girls in Cochran Hall. Doris Wetherill is in charge of this event.

### Committee Appointed

Wayne V. Harsha was appointed chairman of the committee which will have charge of the selection of the May Queen, the arrangements for the May Pole dance, and the entertainment in the chapel in the evening. Mary McCabe, Verda Evans and A. O. Barnes are other members of this committee. They were appointed by President Perry Laukhuff of the Student Council.

No definite program has yet been outlined by the committee for the chapel in the evening but it is thought that the Dramatics Department may have charge of the affair. The Varsity "O" will probably not sponsor any of the events this year.

### Will Select May Queen

The May Queen may be selected by a vote of the student body this year instead of being appointed by an organization as was the case last year.

In considering revision of the constitution, the Student Council voted down the motion by a 7-6 vote that Freshmen be allowed to discard caps and ribbons at Christmas time instead of spring vacation provided the first-year students win Scrap Day. The motion that the colors of the Frosh caps and ribbons be changed from green to tan and cardinal met with the unanimous approval of the Council.

### Agree on Arbitration

The National Student Federation questionnaire regarding the present dispute between United States and Mexico was submitted to the Council

by President Laukhuff. The Council voted to go on record as being in favor of arbitration.

The names of all students who have not yet paid their pledges to the Student Chest Fund will be posted on the bulletin board the latter part of this week or the first part of next week, according to an order given the Student Chest Fund Committee and authorized by the Council.

### LITERARY CONTESTS WILL CLOSE ENTRIES TOMORROW

Winning Productions Will Be In Spring Number of Quiz and Quill Magazine.

The annual spring edition of the Quiz and Quill magazine will be off the press May 10. This magazine is published twice yearly by the Quiz and Quill Club and contains the best literary work produced during the current year. Winners of both the Barnes Short Story and the Quiz and Quill contests are the headline attractions of this edition.

Contributions from active and alumni members of the club and the best literary talent in the college will comprise the remainder of the book. Thelma Snyder, editor-in-chief of this number, reports that copy is rapidly being turned in, indicating that little trouble will be experienced in finding an abundance of high grade material to fill the book. "Hobohemia, Where We Do As We Please," special feature section, edited by Wayne V. Harsha, will contain a number of unusual poems and short sketches.

At a meeting Saturday morning, the club voted to award the printing contract to the Buckeye Printing Co., and accepted a cover design, drawn by Donald McGill, to be set on a dark shade of green paper. The judges for the Quiz and Quill contest will consist of members of the club. Judges for the Barnes Short Story contest are yet to be selected.
