Football is a great tradition at Otterbein College. It launches the fall athletic competition and provides an atmosphere of school spirit for the entire community.

One of Otterbein's strengths lies in the total college commitment to competitive football, as well as the superb pageantry provided by the marching band.

The athletic staff is appreciative of the support received from the college administration, faculty, students, community and the "O" Club.

Otterbein athletic teams are preparing for another successful year in the Ohio Athletic Conference.

Go Otters!!

COACHES

HEAD COACH RICH SEILS

Rebuilding is a never-ending job for a football coach and sixth-year Cardinal Coach Rich Seils is again faced with filling some very big shoes. The ability to rebuild and rebound from a poor season was evident at Otterbein as the Cardinals came off a 2-6-1 season in '78 to finish 6-3 in '79.

Despite losing two All-Americas to graduation, Seils is confident that Otterbein football is again in fine shape in this "rebuilding" year. Such confidence is due to consistency—regardless of the variety of talent over the years. Seils has managed to mold his charges into hard-hitting, power running teams which have now won 60 percent of their games (26-17-2).

Although the bounce of the ball can mean triumph or defeat in many games, consistence over the seasons is due to the program . . . the time, effort and sacrifice of players and coaches. Coordinating the many facets of strength and strategy will be the job of Coach Seils.

A 1967 graduate of Denison University, Seils captained the 1966 Big Red squad to an 8-1 record for which he was honored as the team's Most Valuable Player and earned All-OAC honors.

Off to Ohio University where he received a Masters Degree in physical education in 1969, Seils assisted with freshman football in 1967 and oversaw the frosh fortunes in 1968.

In the fall of 1969 Seils moved to Grandview Heights High School as assistant football coach and head wrestling coach. One year later he assumed GHHS's head football spot.

Defiance College was Seils' next station where in 1971 he assumed responsibilities as offensive coordinator for the Yellowjacket gridders as well as being DC's head wrestling coach.

Then 1973 brought Seils to Otterbein as then coach Robert "Moe" Agler's top assistant. Seils took over the Cardinal head coaching reigns following the 1974 season.

In 1975 Seils coached Otterbein to a 4-5 record which was quite successful for a school which was used to just two or three victories each year.

Seils' second campaign produced his first winning season as a college head coach, 6-2-1. Then 1977's edition tied the best ever school record with an 8-1 showing before key injuries and the loss of eight All-Conference players dropped the cardinals to 2-6-1 in 1978.

The rebound and rebuild of '79 left Otterbein at 6-3 and 4-1, only one game from the Blue Division title. For '80, Seils is hoping the consistency of past teams combines with the speed and versatility of top-notch Cardinal players to produce that elusive championship team at Otterbein.

THE "O" CLUB

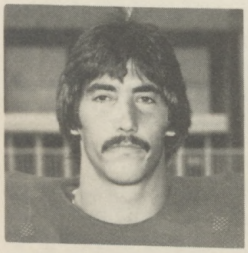
Robin Seils

OTTERBEIN CARDINALS
CO-CAPTAINS

DOUG McCOMBS

OG 6'2" 220 Sr
Galion (Northmor)

"Doug should be the premiere lineman in the OAC," according to Seils. He combines quickness, strength and experience . . . All-OAC last season . . . "as good a lineman as Otterbein has had" . . . . a champion shot putter as a sophomore. McCombs should be the stabilizing force on the offensive line . . . . combines with Tom Dolder to form a top-notch guard duo . . . . could be tried at tackle . . . . a possible candidate for All-America honors this year after winning three letters in football at Otterbein; also has three letters in track. Named 1980 football team Captain.



RANDY WEISENSTEIN

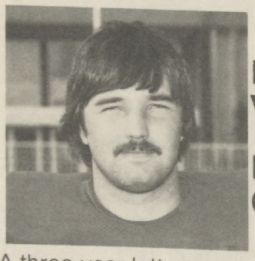
LB 6'1" 210 Jr
Summit Station (Licking Heights)

Weisenstein will be starting at linebacker for a second season, has one year of eligibility left. Seils feels Randy will be the leader among the linebackers . . . gets to the ball carrier quickly, very strong and has good instincts. Randy had one interception last year, three in '78 when he was Otterbein's second leading tackler with 129.

JIM HOYLE

K 5'9" 175 So
Columbus (Westland)

Led Cardinal scoring in 1979 with 33 points, 16th in scoring in OAC. Hit on 7 of 13 field goals and a perfect 12 for 12 on PATs. Named first team All-OAC at kicker. Most Valuable Freshman at Otterbein. "The statistics speak for themselves," according to Seils. Hoyle's kicks proved the margin for victory in three straight games. Hoyle is expected to continue as a kicking sensation . . . . also plays baseball at Otterbein.



DAVE VULGAMORE

DB 5'11" 190 Sr
Centerville (Centerville)

A three-year letterman, Vulgamore will start a third year at free safety. An All-OAC selection in '79, Dave will be a stabilizing factor to the defensive rebuilding, Seils said. Vulgamore provides leadership and quality experience . . . . has great instincts and reactions . . . . capability to become the best defensive back in the OAC . . . . was eighth in OAC in punt returning with a 4.7 yard average. Spent two springs on Cardinal baseball team, compiling a 3-2 pitching record as a spot starter and reliever.

PLAYER PROFILES

RANDY BRESSLER

TB 5'9" 195 Jr
Columbus (Walnut Ridge)

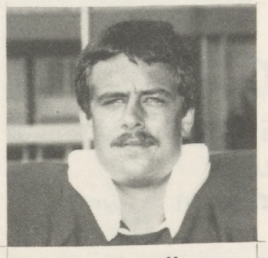
Exceptional inside runner, according to Coach Seils. Combines quick outside speed with inside strength of a fullback . . . . great ball carrying instincts . . . . could be one of the best backs ever at Otterbein . . . . contender for All-OAC this year. Ranked fifth in rushing in OAC for 1979 with 785 yards, 11th in total offense, 15th in scoring with five TDs. Voted Most Valuable Freshman by teammates in 1977, sat out 1978 with knee injury, played eight games in 1979.

GARY BRUNO

DT 6'1" 230 So
Westerville (North)

Played third defensive tackle in 1979. Should compete for a starting role this year, said Seils. Good quickness and exceptional upper body strength. Also is punter, placing fifth in OAC last year with a 37.1 average as a freshman. Expected to see a lot of action in the defensive line.

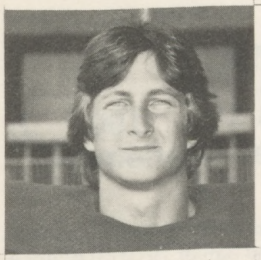
PLAYER PROFILES



TOM DOLDER

OG 6'1" 210 Jr
Columbus (Walnut Ridge)

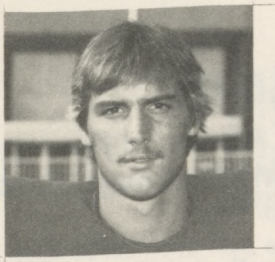
Dolder came off a very good year in 1979, according to Seils, who expects the junior to lend valuable experience to the offensive line. Half of the talented guard duo of Dolder/McCombs. Lettered as a freshman, started as a sophomore . . . . an All-Metro tackle for Walnut Ridge in '77, quick and strong, great desire and a very intelligent player, said Seils.



SCOTT GASSER

QB 6'0" 170 Jr
Logan (Logan)

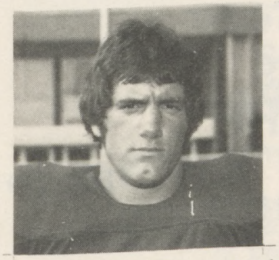
Came off a 1978 injury to lead the 1979 Cardinals to a second place in the Blue division. With a year's experience he should be much improved at quarterback for 1980. Sat out freshman season with shoulder separation. Led his Logan High team to a 10-0 record and had a 16-0 record as starting QB . . . . second team All-Ohio in Class AAA as a senior safety.



CHUCK GOLDEN

DB 5'11" 175 So
Clearfork (Clearfork)

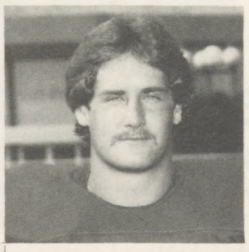
Golden lettered on special teams as a freshman in 1979. Described by Seils as a good heady player. With a year's experience in the secondary he should make a contender for a starting role this fall.



JIM GRASSMAN

DT 6'2" 215 So
Loudenville (Loudenville)

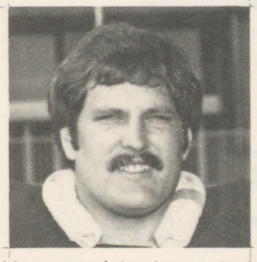
A starter at defensive tackle in 1979, was tabbed Most Valuable Freshman by his teammates. Seils notes that Grassman combines excellent speed and quickness with superb instincts, will have a great future at Otterbein, lends solidarity to early defensive fortunes.



STEVE HAKES

DE 6'4" 210 Jr
Columbus (Franklin Heights)

Moved to defensive end this season after starting at tight end in 1979 where he caught five passes for 73 yards and one TD. Seils feels that playing Hakes on defense will best help the team . . . . very hard-nosed . . . . aggressive . . . . has good range for tackling and is a fine prospect as a defensive end.



MIKE HAVENS

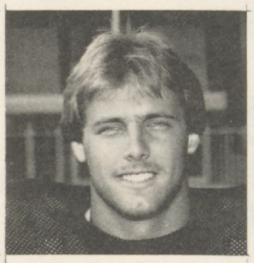
OT 6'1" 225 Sr
Sunbury (Big Walnut)

Very consistent as a starter in 1979 . . . . should be a mainstay on the offensive line, according to Seils. Considered a heady, hard-nosed and intelligent football player. A transfer from University of Akron two years ago, lettered in track, in shot and discus events. Former Ohio Class AA Lineman of the Year in 1975 before going to Akron for two years.

JEFF HUMPHREY

DE-LB 6-0 190 Jr
Columbus (Walnut Ridge)

Humphrey has seen action at several positions. . .lettered as a freshman when he was the top backup linebacker. . .tested at defensive end. . .considered a starting candidate at left defensive end. An All-City defender for Walnut Ridge in 1977, Seils Considers Humphrey a "quick, aggressive and strong" player Who has been underrated in the past. . .expects a versatile starter in '80.

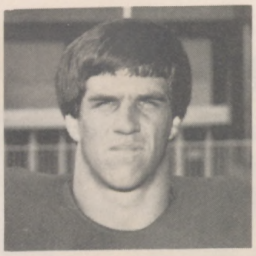


JOE KRUMPAK

DB/QB 5'11" 185 Jr
McDonald (McDonald)

Saw limited duty as a quarterback in 1979 after starting four games in 1978. A top athlete with good speed and physical ability . . . . Seils hopes to convert those attributes to defense where Krumpak is a good prospect for defensive secondary. In '78 he passed for 315 yards on 28 of 66 attempts, scored two TDs rushing.

PLAYER PROFILES



DOUG LAKE

DB 6'0" 175 Jr
Hanover (Licking Valley)

A mainstay in the defensive secondary, according to Seils. Hardworker, experience should be a stabilizing factor on the defense. Intercepted four passes in '79 to rank sixth in the OAC . . . two of those were key interceptions late in the game which secured victories. Has the size, speed and strength to be an outstanding defensive cornerback. Played some basketball for Otterbein during freshman and sophomore years.

GARY LOWE

MG 6'0" 210 Jr
Columbus (West)

Lowe will get his chance to start this year. . .at middle guard where he fills in for an All-OAC player lost to graduation. Was a durable defensive end, has made the transition very well to tough action in the middle. A strong upper body and much power to clog opposing offenses. Scored in '79 against Ohio Wesleyan on a 63-yard blocked fieldgoal.

JIM MARRIOTT

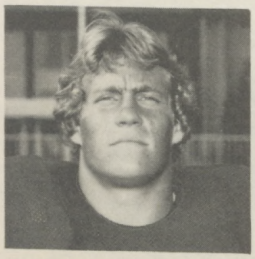
LB 6'0" 205 Jr
Centerville (Centerville)

Seils considers Marriott a solid player . . . . a steady performer who knows the game and has worked hard in the off season. Jim must improve his quickness . . . . will be a challenger for a starting role since several linebacker spots are up for grabs this year.

BROOK McDONALD

QB 5'11" 175 So
Grove City (Grove City)

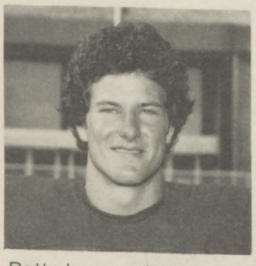
Did not letter as a freshman, but showed great potential to bolster the ranks of quarterback at Otterbein. Brook had an outstanding year on the junior varsity team and should challenge for the number one quarterbacking spot this season. Seils feels McDonald is a heady player, quick . . . . good runner . . . . adequate passing . . . . a hard worker in the off season.



FRED MORGAN

DB 5'10" 180 Jr
Columbus (Hamilton Township)

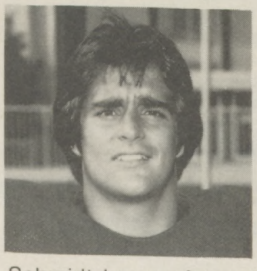
Morgan is a dedicated hard worker . . . . has improved on speed and aggressiveness, Seils noted. Fred may get a chance to start at cornerback or safety in 1980. A very good athlete who has won two letters in football . . . . played a backup for strong safety.



TIM POTTS

SE 6'3" 190 Jr
Cincinnati (Mariemont)

Potts has made a successful transition from defensive back to split end, Seils said. Started the second half of 1979 on offense, catching seven for 99 yards for a 14 yd/catch average. Tim had several key catches in a 14-13 Homecoming win over Capital. Excellent concentration and good hands make him a likely starter in 1980. Second leading receiver in '79 for the Cards.



ED SCHMIDT

TB 5'9" 175 Jr
Kettering (Fairmont East)

Schmidt has performed well in the past when called upon, according to Seils. A two-letter winner, Schmidt is a good instinctive runner, a hard worker with a good attitude. Should be one of three candidates for a starting slot at runningback.

DALLAS SHARP

DB/TB 5'10" 185 So
Hilliard (Hilliard)

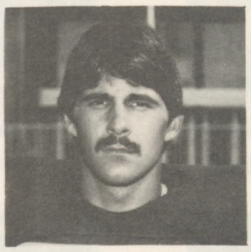
Sharp was a starter on offense, but Seils will use his quickness to aid the defensive secondary. Outstanding speed and reactions will help at cornerback, has good hands . . . . a good runningback as a freshman . . . . five rushes for 11 yards . . . . was eighth in OAC in kick off returns . . . . a 14.2 average on 13 tries for 184 yards . . . . returned nine punts with a 4.6 average.

PLAYER PROFILES

JIM SWETLIC

LB 6'0" 190 So
Mt. Vernon (Mt. Vernon)

Swetlic has outstanding linebacker potential, according to Seils . . . . has good speed . . . . very quick. With the experience as a freshman which earned a letter, Swetlic should be a challenger for a starting position as the linebacking crew is rebuilt.



WAYNE WOODRUFF

SE 6'0" 160 Sr
Centerburg (Centerburg)

Seils feels Woodruff is an outstanding wide receiver possessing super speed and good hands . . . . a threat to catch the long one . . . . gets a decent average per catch. Wayne led Cardinal receivers with 18 last year, which ranked 19th in OAC with 402 yards and two TDs. A double All-America performer in track in 1979, earning honors in the 400 meter hurdles and part of the Cards "AA" 1600 meter relay team. Won the OAC 400 meter hurdles in 1980, helped 1600 and 400 meter relays to second and third places . . . . named co-captain of 1981 Cardinal track team . . . . also named track teams Most Valuable Athlete. A hardworker with great hands and concentration at wide receiver.

OTTERBEIN IS ALWAYS A

"WINNER"

The man who wins is an average man,
Not built on any peculiar plan;
Nor blest with any peculiar luck -
Just steady and earnest and full of pluck.

When asked a question, he does not guess
He knows and answers, 'No', or 'Yes';
When set a task that the rest can't do,
He buckles down till he's put it through.

So he works and waits till one fine day
There's a better job with bigger pay;
And the men who shirked whenever they could
Are bossed by the man whose work made good.

For the man who wins is the man who works
Who neither labor nor trouble shirks;
Who uses his hands, his head, his eyes --
The man who wins is the man who tries.

Year 1980 is very special to the Otterbein "O" Club marking our 25th year supporting Otterbein College Intercollegiate Athletics.

Membership, which consists of former Varsity "O" Lettermen, other alumni, friends and businessmen, has grown from 85 to 1526 over the past twenty-five years.

Over the past years, the "O" Club has had a number of projects which have benefited the Athletic Department and the College. The most recent project—the purchase of two new twelve passenger vans for use by the athletic teams and coaches for away games. In addition to these projects, the Club contributes annually to the purchase of athletic equipment for all sports from annual dues.

President Kerr, his staff and the trustees have always expressed their appreciation for the support that the "O" Club has given the Athletic Department, and acknowledges that without your support they could not maintain a sound, respectable and competitive athletic program.

The "O" Club Officers and members extend best wishes to all the teams for a successful 1980 - 1981 year.
