News from The Graduate School Winter 2019

Letter From Dean Barb Schaffner -A Trusted Information Source! Let Otterbein be your trusted information source for new information affecting your day-to-day professional life. The Otterbein Graduate School newsletter is taking on a new vision, purpose and look.

We are excited to launch the newly revised newsletter, whose purpose is to serve you as a developing professional, lifelong learner and leader in your discipline. The newsletter will provide you with information that will affect your professional career. Whether it be a policy change, a cutting edge new practice or a controversial story that has your discipline talking, we will try to bring it to you in each edition.

New Vision: Serve as a Trusted Information Source for your professional life.

New Purpose: Provide You with Information on new developments and issues affecting your discipline.

New Look: Short and Sweet - identifying the new development/professional issue with links to more information.

UPCOMING EVENTS

Graduate Student Conference
March 26, 2019
5-6:30 p.m.

Doctoral/Masters Commencement
April 27, 2019

Did you know?

MAEM graduate students are qualified to serve on the Content Advisory, Rubric Validation, and Fairness and Sensitivity Committees of the Ohio Department of Education. These committees examine and review the state-administered tests for mathematics, and individuals are able to directly impact testing development in Ohio. Interested MAEM students can learn more about the purpose of each of these [committees](#) and [apply to participate](#).

Note: ODE continually updates committees when there are vacancies. Submitting an application is not a guarantee that a stakeholder meets the demographic, geographic or content need of committees with vacancies. Forms will be kept on file for the eventuality of a committee vacancy.

Please meet our new Educational Mathematics recruiter, Keisha Jordan

Keisha Jordan has been part of Otterbein since January, 2019. Keisha holds a Bachelor's in History and Political Science from Virginia Union University, a Master's in Education from The University of Dayton, a Juris Doctor from The University of Cincinnati College of Law, and a second Master's degree in Student Development and Counseling Administration with a certificate in Professional Coaching from Indiana Wesleyan University. When she isn't working, Keisha loves reading, practicing yoga, and exploring her hometown of Columbus with
