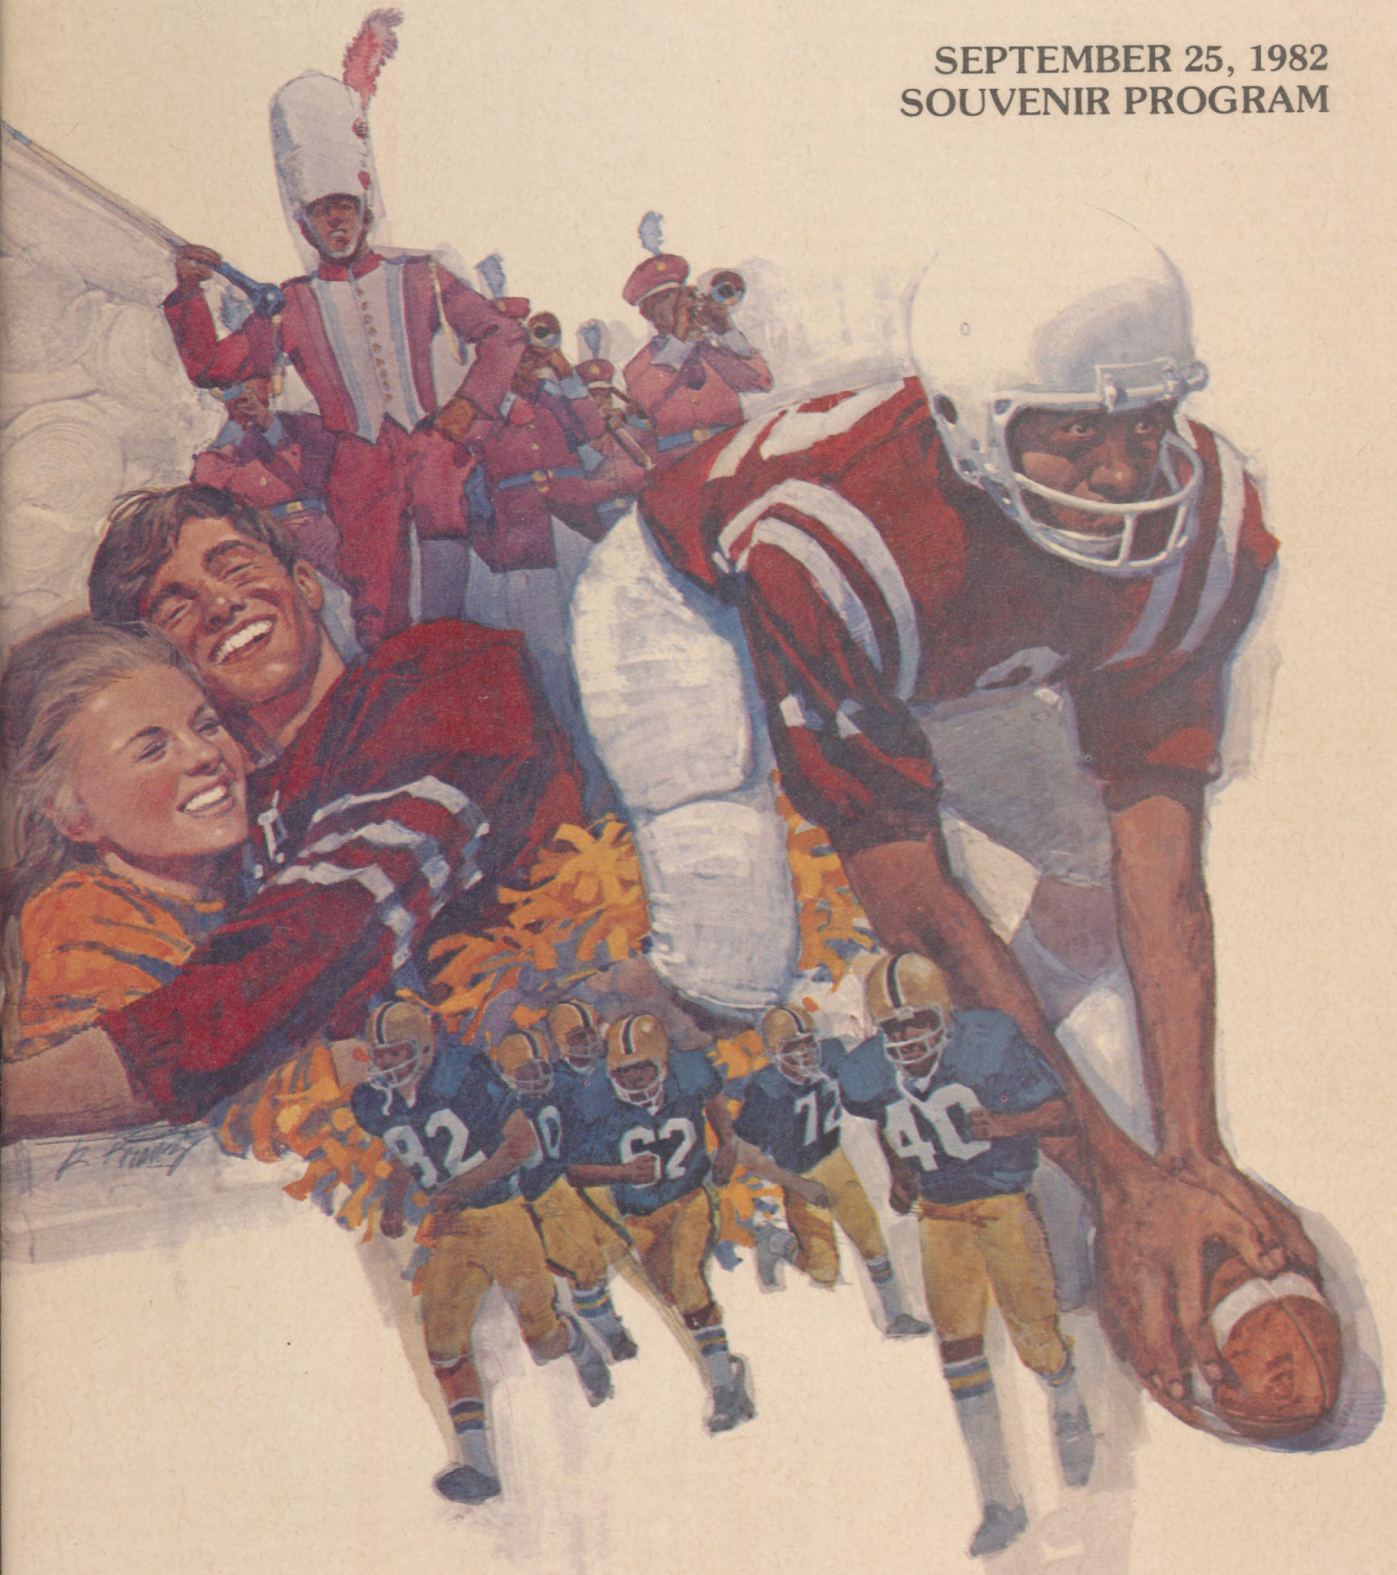
SEPTEMBER 25, 1982
SOUVENIR PROGRAM



1982
Observations from the President's Box
THOMAS J. KERR, IV

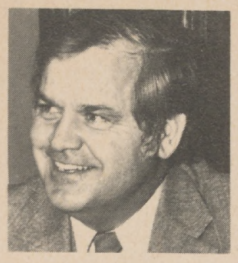
Football and Fall! In Ohio the two are synonymous. We love the crispness and coloration of Fall. The excitement and pageantry of college football add flavor to Fall. They create not only an atmosphere of fun but one of significant symbolism.

Otterbein, like its Ohio Athletic Conference competitors, is a liberal arts college with a strong Christian tradition. We are committed to the education of the individual for life as well as profession. The classroom experience is primary. The total experience in the Otterbein environment offers additional opportunities for personal growth. Football is representative.

Football symbolizes hard work and deep commitment, both individual and collective. It symbolizes discipline and fair play. Values and self identity are explored by competition, team play, leadership and followership all in creative tension. The efforts of the marching band, cheerleaders, broadcasters, statisticians, managers and trainers provide similar learning opportunities through creative experiences. Most symbolic of all, the pageantry of football builds sense of community for students, faculty and staff and for alumni and friends.

An Otterbein football game involves nearly one-fifth of the students. I commend each for contributions and commitment which bring you growth while bringing enjoyment to others. I congratulate Head Coach Rich Seils, in his tenth season, Band Director Gary Tirey, in his 15th year, and their staffs for superb leadership.

To each fan, I say enjoy the game. But look beyond momentary pleasure with pride to the meaning of total experience.



FRANK FITE
Vice President,
Development & Public Relations
Otterbein College

Frank Fite came to Otterbein College in 1978 after serving four years as the assistant headmaster and director of development at the Columbus Academy.

In 1973, Fite retired from the United States Air Force at the rank of Lt. Colonel. During his 23 years of military service, he had numerous assignments including serving as a professor of aerospace studies at Capital University from 1969-1972, the deputy commander for operations in Athens, Greece and an aide de camp to the Air Force Commander in the Washington D.C. area. He also had a tour of duty in Vietnam where he flew 375 combat missions.

Fite is a sports enthusiast who enjoys not only viewing sports events but also participating in them. He has coached basketball, and currently plays golf and bowls.

He is married to Mary Alice Stoops of Morgantown, West Virginia. They have four children and one grandchild. Their daughter Susan is married to Steve Corbett who is an Air Force Captain. The Corbetts live in Goldsboro, North Carolina with their son Robert. Frank Fite Jr. recently completed studies at Stanford graduate school, and he is currently employed by Bell Laboratories. Richard Fite is a junior at Otterbein, while the youngest boy, John, will enter West Virginia University as a freshman this fall.

BUD YOEST
Athletic Director
B.S. Otterbein 1953; M.A. The Ohio State University 1963; Ph.D. The Ohio State University 1973

The 1981-82 year was a very successful one for Otterbein athletic teams. At the onset of this year's sports season, commencing with football and cross-country, the entire college and in particular the players and coaching staff, are eager to begin with the same enthusiasm for success. We appreciate the college and community support and will strive to provide exciting competition for our fans. The Ohio Athletic Conference and NCAA Division stimulates keen competition among its members and Otterbein plans to be competitive in every sponsored sport.

May I extend good luck to all our teams and look forward to seeing all of our fans at the games as we launch our 92nd year of football.

COACHES

HEAD COACH RICH SEILS

In seven seasons at the helm of the Otterbein College football program Rich Seils has compiled a 38-23-2 record—good for a 62 percent winning percentage. After a 4-5 campaign in his initial season, Seils' Cardinals have only once slipped below the .500 mark.

In short, Seils has built a solid program at Otterbein.

1982 offers another big challenge for Seils. Six All-OAC performers are gone from a veteran 1981 defensive unit, which posted consecutive shut-outs against Capital and Marietta while permitting Ohio Wesleyan and Oberlin only one touchdown each.

The '82 offense appears strong with experience and depth at every position but tight end. The Cardinals will once again be a dominant ball control team with several talented ball carriers returning from the run-oriented Otterbein offense of 1981.

The potential is promising for the Cards to be serious OAC contenders again in 1982.

Coach Seils has a tradition of excellence in the Ohio Conference, in which he starred as a center for Denison University and was captain in 1966 when the Big Red went 8-1. The 1967 graduate was selected his team's Most Valuable Player and earned All-OAC honors.

At Ohio University he received a master's degree in physical education in 1969, assisted with freshman football in 1967 and directed the frosh in 1968.

In the fall of 1969 Seils moved to Grandview Heights High School as assistant football coach and head wrestling coach, a year later assuming the head football spot.

Defiance College was Seils' next station. In 1971 he assumed responsibilities as offensive coordinator for the Yellowjacket gridders as well as being DC's head wrestling coach.

In 1973 Otterbein Coach Robert "Moe" Agler brought in Seils as an assistant, and he assumed the top job following the 1974 season.

Last year, Seils served as president of the OAC Football Coaches, and he is currently serving a one-year term as president of the Westerville Rotary. As a member of the Westerville community, Seils has been involved in many local projects including fundraising activities for Boy Scouts and the American Cancer Society. He and his wife, Robin, have two children.

ASSISTANT COACHES

FRED DONELSON . . . defensive ends . . . former Otterbein offensive line coach of three years ago. Fred played fullback for Otterbein from 1972 to 1975. He is currently a teacher at New Albany High School where he teaches science and serves as the varsity basketball coach. He and his wife live in Gahanna.

DICK REYNOLDS . . . offensive backs . . . 12th year at Otterbein. Dick received a BA at Otterbein where he earned 12 varsity letters and was a defensive back, wide receiver, and quarterback on the football team. He was also a guard for the Cardinal basketball team and a pole vaulter and long jumper in track. Reynolds received an MS degree from Xavier University in 1971. He is the head basketball coach at Otterbein and is the winningest cage coach in the school's history. Dick has posted a 164-93 career record, and his 1981 squad advanced to the final four of the NCAA Division III tournament. Coach Reynolds, 38, and his wife Ellen have two children.

DOUG WELSH . . . offensive line . . . Beginning his sixth season with the Cardinals, Welsh is a 1968 graduate of Muskingum College where he was a stand-out defensive back for four years. He still holds the OAC career interception record of 20. Welsh is presently a teacher at Reynoldsburg High School where he was a former baseball and football coach. Doug, 36, is married and has two children.

PORTER MILLER . . . defensive line . . . A twelve year Cardinal coaching veteran, Miller received his BA from Otterbein in 1966 and an MA from Xavier University in 1972. Porter was an offensive guard at Otterbein and now is an instructor in the Otterbein College physical education department. As head track coach, he has coached eight All-Americas. Coach Miller, 40, and his wife have three children.

JOHN HUSSEY . . . linebackers . . . Although he enters his first season as coach, John Hussey is no stranger to Otterbein football. A 1978 graduate of Otterbein, John was an All-OAC selection at middle guard for the 1977 team which recorded an 8-1 mark. Hussey is currently a teacher at Reynoldsburg High School where he gained coaching experience as an assistant with the Reynoldsburg football team.

BILL HILLIER . . . defensive backfield . . . After a one year absence in 1981, Bill returns to Otterbein for this third year as a Cardinal assistant coach. Hillier was a four-year starter at quarterback for the Cards from 1974-1977. His career total of 5,074 yards ranks him third on the OAC career total offense chart. Bill was the leader of the 1977 Otterbein squad which finished 8-1—tying the school's record for best football season ever. Bill is married and has one child.

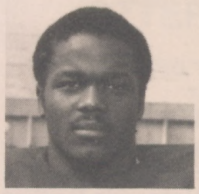
OTTERBEIN COLLEGE PLAYER PROFILES



DARRON BELL

HB 5'9" 185 Sr

Columbus (Northland)

Bell proved himself a versatile performer for the Cardinals in 1981. He maintained a healthy 4.7 rushing average while catching six passes from his halfback slot. Coach Rich Seils labels Darron "an intelligent player who can catch the ball and block with equal effectiveness." Bell has worked hard on his strength and could assume a starting role in Otterbein's experienced offensive backfield. Darron is a business administration major.

Rushing	Att	Yds	TD	Avg
1980	20	65	0	3.3
1981	42	199	0	4.7
CAREER	62	264	0	4.3

RICK BURDETTE

FB 5'11 210 So

Grove City (Grove City)

Burdette had a strong finish in 1981, gaining 92 of his 104 yards in the season's final two games. He scored a key touchdown in the Capital game to put a close defensive struggle out of reach. Possessing deceptive speed for a back of his size, Burdette could surface as a strong offensive sparkplug in the Cardinals' dominant ground game. As a freshman, Rick gained valuable experience which should help him become a starter in 1982. Burdette is a business administration major.

Rushing	Att	Yds	TD	Avg
1981	28	104	2	3.7

JOHN CASE

OT 6'2" 230 So

Akron (St. Vincent-St. Mary)

Coach Seils calls John a "great technician with good agility and intelligence." Case saw plenty of action as a back-up last fall and could challenge for a starting tackle spot. According to Seils, "John could be a great player when he develops his strength to its full potential." John majors in business administration.

KURT DENIJS

DT 6'0" 205 So

Westerville (North)

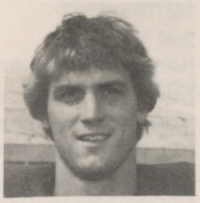
After recovering from an early season injury, Kurt saw some action later in the '81 campaign. He should make a serious bid for the starting tackle spot, as Denijs has what Seils calls "good strength and aggressiveness." Kurt should play a major role in the rebuilding of the Cardinal defense. Denijs is a business administration major.

MIKE DIETZEL

DB 5'10" 180 Jr

Sharon, Pa. (Sharon)

Mike has a good chance to step into one of the vacated secondary spots in '82. Seils describes him as "having good football instincts." Dietzel brings intelligence and an ability to read offenses to a young Cardinal defensive backfield. He will be in heated competition for a starting berth in August. Mike is a life science major.



CHUCK GOLDEN

DB 5'11 180 Sr

Clearfork (Clearfork)

Chuck is expected to emerge as a true leader in the defensive backfield. He has as much experience as any returner in the secondary. The likely choice to fill All-OAC performer Joe Krumpak's free safety spot, Golden saw extensive action in the secondary last fall. The three-year letterman was a valuable asset to the Cardinals special teams last season, leading Otterbein in punt returns with 51 yards on 17 attempts. Seils notes, "We'll utilize Chuck's experience and overall ability this year. He should really come into his own as a starter." Golden is a health and physical education major.

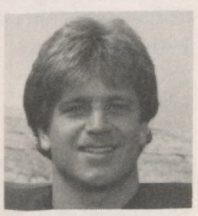
RICK GOODRICH

HB 5'10" 175 Jr

Bridgeport (Bridgeport)

A pleasant surprise last season, Rick surfaced as a truly talented ball carrier. His 388 yards topped all Cardinal rushers, and Goodrich's 7.1 yard average is even more impressive. Rick scored a game ending 8-yard TD against Kenyon to seal a 28-20 victory, and tallied three other times during the '81 season. "Rick has a good speed and enough moves to break the long one for us," said Seils. "I think his statistics speak for themselves. Rick has proved himself as a real talent." Goodrich is a health and physical education major.

Rushing	Att	Yds	TD	Avg
1980	2	26	0	13.0
1981	55	388	4	7.1
CAREER	57	414	4	7.3

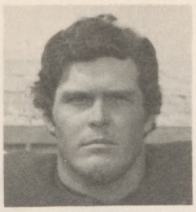


DAVE HANN

OG 6'0" 195 Sr

Columbus (Hamilton Township)

Dave alternated at guard with Jack Yurich, sending in the offensive plays for head coach Rich Seils. With the absence of Tom Dolder, Hann is expected to step into a full-time responsibility. Seils expects him to bring "intelligence" and "stability" to an already experienced offensive interior. A solid performer and two-year letterman, Dave also excels in the classroom where he supports á 3.54 grade average as a health and physical education major.



JIM HOYLE

K 5'10" 185 Sr

Columbus (Westland)

With a few breaks and continuance of his past consistency, Jim Hoyle could surface as a bona fide All-America candidate in 1982. The three-time All-OAC kicker has twice tied the Otterbein record for extra points in a game (6), and shattered Cardinal marks for most PAT's in a season (29 in 1981), and career (51). Hoyle has also equalled the school's record for most field goals in a game (2), and a single season (8 in 1980). If Jim connects on four field goals in '82, he will break the career mark for three-pointers at Otterbein and assure himself of at least a share of every Cardinal kick-scoring mark in the book. The veteran placement specialist is also quite adept at driving his kick-offs into the opposition's end zone, giving the Cardinal defense many opportunities to create outstanding field position. Hoyle, who was named Most Valuable Freshman in 1979, hit .405 for the Otterbein baseball team last spring. Jim is a business administration major.

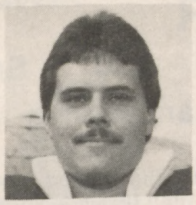
Scoring	PAT	FG	Pts
1979	12	7	33
1980	10	8	34
1981	29	3	38
CAREER	51	18	105

ERIC JAMES

DE 6'2" 195 So

North Robinson (Col. Crawford)

James is a likely candidate to see plenty of action at short side end in 1981. Coach Seils was impressed with the "quickness" and "agility" Eric displayed as a freshman. He assumed the role of the Cardinals' third defensive end last fall, and his experience makes him a front runner to fill the void left by the graduation of All-OAC end Jeff Humphrey. Eric is a health and physical education major.

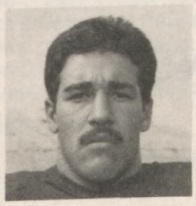


BRIAN JOBE

OT 6'0" 215 So

Wellsville (Wellsville)

An ardent weightlifter, sophomore Brian Jobe has already established himself as Otterbein's strongest football player. He has a bench press of 410 pounds to his credit. Rich Seils says that Jobe's "tremendous strength" and "last year's experience" will thrust him into strong contention for the starting offensive left tackle spot. Jobe saw a large amount of action as a back-up last fall. Brian is a physical education major.

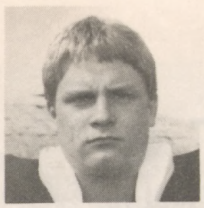


TONY KEELS

MG 5'10" 205 Jr

Fostoria (St. Wendelin)

A two-year letter winner at middle guard, Keels "has the potential to be one of the premier lineman in the OAC," said Seils. "He is cut out of the same mold as our last two All-OAC middle guards, Matt Bakos (1979) and John Hussey (1977)." Great quickness and good upper body strength are Keels' most visible assets. Keels is a physical education major.



RON KYLE

C 5'10" 190 Jr

Athens (Athens)

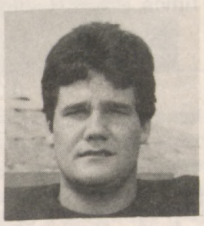
"What Ron lacks in size, he more than makes up for in intensity and intelligence," said Seils. Kyle saw considerable action at center last year where he shared the position with Monte Simmons. He will be a large contributor to the Cardinal offensive unit in '82. Ron carries a 3.37 grade average as a history major.

TOM LUCAS

DB 5'11" 185 Jr

Columbus (Walnut Ridge)

A starter at wide cornerback last fall, Lucas will make the switch to strong safety where Rich Seils rates him as "probably our strongest defender against the run." An adept pass defender as well, Lucas had three interceptions in '81. With tremendous upper body strength and agility, Lucas will fill the safety spot vacated by 1981 Cardinal MVP Fred Morgan. Tom is a physical education major.

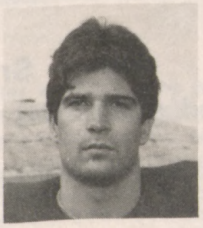


PAUL MARTELL

MG 5'11" 195 So

Gahanna (Lincoln)

Martell will try to unseat Tony Keels for the starting middle guard spot but should mainly see action in a back-up defensive line role. Paul has good strength and a strong competitive attitude. He is a computer science major.

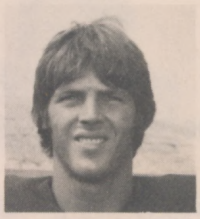


STEVE MARTINDALE

DB 5'10" 170 Jr

New Albany (New Albany)

Martindale brings considerable 1981 experience, including two interceptions, to fall drills this year. Steve will be competing for a starting safety spot. An outstanding student, Steve is a business administration major with a 3.56 average.



JON MASTEL

P 6'1" 170 Jr

Millersport (Walnut Township)

Jon won the Cardinal punting job late in his freshman year and has been a solid performer ever since. An All-OAC 1st Team selection in 1981, Jon averaged 37.4 yards per kick last fall. In the next two years, Mastel will have a strong opportunity to claim Otterbein records for career punting yardage (5328), career punts (132), and most yardage gained in one season (2312). Jon majors in accounting.

Punting	No.	Yds.	Avg.
1980	17	564	33.2
1981	56	2099	37.4
CAREER	73	2663	36.4

BROOK McDONALD

QB 5'11" 180 Sr

Grove City (Grove City)

Coach Seils rates McDonald as perhaps the finest option quarterback in the conference and says he is "the best running quarterback I've ever coached." Starting quarterback for most of the past two seasons, McDonald enters 1982 virtually unchallenged for the position.

Brook ran for five touchdowns last year while compiling an eye-opening 4.7-yards per carry average. He broke a dazzling 81-yard touchdown run as a sophomore against Kenyon (longest run from scrimmage in the OAC that year). An adequate passer, McDonald has hit on four career touchdown passes while being intercepted only three times. Brook is a life science major.

Rushing	Att.	Yds.	TD	Avg.
1979	3	0	0	0.0
1980	71	206	1	2.9
1981	82	386	5	4.7
CAREER	156	592	6	3.8

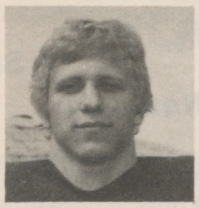
Passing	Att.	Comp.	Yds.	Int.	TD	Pct.
1979	2	0	0	1	0	0.0
1980	31	11	104	0	2	35.0
1981	46	20	199	2	2	43.5
CAREER	79	31	303	3	4	39.2

SKIP RAUSH

TE 6'4" 210 Sr

Columbus (Independence)

The only offensive area where Coach Seils feels the Cardinals are lacking experience is at the tight end position. Senior Skip Raush will be involved in a battle for that job. Skip was primarily used in goal line situations in 1981 but will be a top candidate to handle the regular duties which were vacated by the graduation of Steve Hakes. Raush is a health and physical education major.

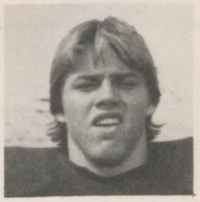


KEITH RIDDLE

TE 5'11" 185 Jr

Amanda (Amanda Clearcreek)

"Good hands and speed" describe Riddle who will be making the big switch from split end to tight end in '82. His status will depend upon "how well he makes the transition to the blocking aspect of his new position," noted Seils. Keith saw some action at wide receiver last year, but he is projected as a prime candidate for the starting spot in his new position in August. Riddle is an computer science major.



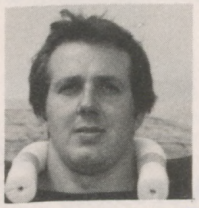
CHRIS ROARK

HB 5'10" 175 Jr

Springboro (Springboro)

Another talented ball carrier in the Otterbein offensive arsenal, Roark could be a large contributor to this year's ground success. Seils noted, "Chris could help us as a return specialist as well." Roark holds a career 3.2 yards per carry average. Chris is a health and physical education major.

Rushing	Att.	Yds.	TD	Avg.
1980	63	187	1	3.0
1981	3	25	0	8.3
CAREER	66	212	1	3.2

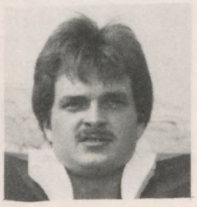


TOM SCHORR

OT 6'2" 230 Sr

Lancaster (Lancaster)

"This should be Tom's year," said Seils. Big, strong, and talented, Schorr will return to his starting right tackle position of 1981. A possible All-OAC candidate, Tom brings experience and leadership to the offensive front. He will be a key force behind this year's offensive effort. Shorr majors in health and physical education.

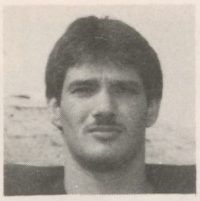


MONTE SIMMONS

C 6'0" 190 Sr

Dayton (Northridge)

Simmons was the Cardinal starter at center for seven games last fall but will be involved in competition with Ron Kyle for the starting berth in August. A two-time letterman, Simmons has the strength and size to get the job done in the middle. Monte is a student in Otterbein's art department.



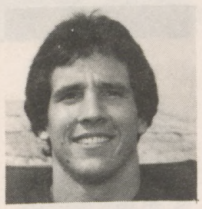
JIM SMITH

HB 5'10" 175 Jr

Tiffin (Columbian)

"One of the best all-around athletes on the squad," noted Seils, Jim should see plenty of action at one of the two halfback slots. The fourth leading returnee in rushing yardage, Smith has also proven himself as a fine receiver (five receptions for 90 yards in '81). Voted Most Valuable Freshman in 1980, Smith was also the OAC's best pole vaulter during the 1982 track and field season. Jim is majoring in health and physical education.

Rushing	Att.	Yds.	TD	Avg.
1980	49	269	1	5.5
1981	49	180	0	3.7
CAREER	98	449	1	4.5



DAVE TORGERSON

SE 5'11" 175 Sr

Grove City (Grove City)

After missing the first two games last fall, Torgerson came back to lead all Cardinal receivers with 15 catches for 234 yards. Dave has "great hands and can get open," said Seils. He will be Brook McDonald's primary target once again in 1982. Torgerson's best outings in '81 were against Baldwin-Wallace (four catches for 66 yards) and Kenyon (three for 65 yards). Dave is a life science major.

Receiving	Rec.	Yds.	TD	Avg.
1979	2	44	0	22.0
1980	8	116	1	14.5
1981	15	234	0	15.6
CAREER	25	394	1	15.8

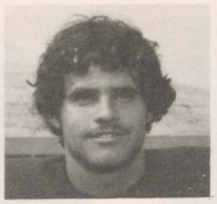
GARY UBRY

DE 6'1" 200 So

Springfield (North)

Coach Rich Seils has placed a defensive end on the All-OAC team in each of his seven seasons as the Otterbein head mentor. Gary Ubry appears to be the heir to the Cardinal wide side end position—a spot which perennially creates a lot of attention. 1981's Most Valuable Freshman, Ubry started every game as a defensive end last fall. "He has all the tools necessary to be a great defensive ballplayer," said Seils. "We'll be counting on Gary's experience and ability this year." Ubry is a business administration major.

Otterbein College Sports Information Director Rich Dalrymple is a 1982 graduate of Westminster College in New Wilmington, Pa. Before earning his BA in English, Rich was a three year starting quarterback for Westminster.

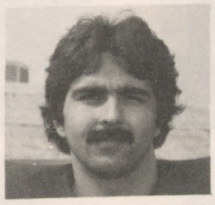


BRIAN VALENTINE

SE 5'9" 165 So

Springfield (North)

Brian became a factor late in the season last fall, seeing considerable action at split end. His only catch of the year was a key 35-yarder which set up the opening touchdown of the Oberlin game. Valentine has "confidence and good football sense," Seils said. He will be a strong competitor for the first string split end job. Brian is a business administration major.

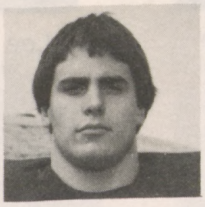


JOHN VOYTILLA

DT 6'0" 225 Sr

Byesville (Meadowbrook)

John should be right in the thick of the fight for starting defensive line positions in August. He has "good quickness and strength," Seils said, and will be given serious consideration at tackle. Voytilla, a two-year letterman, is a history major.



BILL WILSON

DT 6'0" 205 So

Columbus (Walnut Ridge)

Bill has great physical assets, possessing "very quick feet and solid upper body strength," said Seils. "He really likes to play football. His enthusiasm is a key asset." Wilson will make a serious bid to fill Gary Lowe's vacated defensive tackle spot. Bill is a sociology major.

JACK YURICH

OG 5'10" 195 Jr

New Philadelphia (Tuscarawas C.C.)

After splitting time with Dave Hann as one of Rich Seils' messenger guards in '81, Jack will most likely gain full-time responsibilities this fall. A former fullback, Yurich has great blocking skills and strength. Jack is a business administration major.

Grove City College (Pennsylvania)
Susquehanna College (Pennsylvania)
Otterbein College (Host Team)
There will be two games each night (7:00 & 9:00 P.M.) Half-time entertainment will be provided by the Otterbein Alumni Pep Band.

RAIDERS FEATURE DANGEROUS ATTACK

by Rich Dalrymple
Otterbein Sports Information Director

The Purple Raiders of Mount Union College bring a "new look" offense into tonight's clash with Otterbein at Memorial Stadium.

The Raiders, who are traditionally a strong running team, have developed into a balanced power with a potent blend of passing and the usual solid MUC ground game. The big name behind the offensive attack is Tony Colao — a 6-4, 218 pound strong armed quarterback — who came to coach Ken Wable's squad via a transfer from the U.S. Naval Academy.

Colao has hit for 26 of 52 passes for 374 yards and 3 touchdowns in directing the Raiders in opening victories over Alma and Hiram. Colao's primary receiver thus far has been running back Dave McLaughlin — 6 receptions for a 17.8 yard average.

"Mount Union is a dangerous offensive threat from anywhere on the field," commented Otterbein head coach Rich Seils. "They throw the ball well, and have two very talented ball carriers in (Phil) Tartt and (Dave) McLaughlin."

Tartt, a senior running back, has collected 248 yards with a 5.5 average in 1982, while McLaughlin has picked up 126 yards rushing in two games. Both seniors were first team All-Ohio Athletic Conference performers last fall — and together, the duo gives coach Wable the finest rushing combination in the conference.

The Tan and Cardinal effort to shut down the Mount Union ground game will be a major factor in determining tonight's outcome. Otterbein's defense found great success against the running game in last week's 23-14 win over Kenyon. The Cardinal defensive front — led by middle guard Tony Keels and sophomore defensive end Gary Ubry — permitted Kenyon just 11 yards net rushing a week ago. Keels spearheaded the attack by racking up 13 tackles, 3 sacks, a broken pass, and a forced fumble — en route to being named the OAC's defensive player-of-the-week.

Another key sidelight to the Cardinal-Raider match-up will be the Otterbein secondary — and how well the Cards can contain Colao's aerial attack.

Paced by safety Tom Lucas, who scored two touchdowns in as many weeks on first quarter interception returns, the Otterbein defensive backfield will once again be put on the spot.

The Otterbein offense appears to be coming into its own after some early season errors. The Cards have averaged 23.5 points per game and are led by quarterback Brook McDonald (156 yards passing and 36 yards rushing) and senior placekicker Jim Hoyle. Hoyle, who has tallied 17 points on the year, has booted field goals of 44, 40, 37, and 26 yards. In last week's win, he established an all-time Otterbein field goal mark of 22 career three-pointers.

Another Mount Union trademark, however, is its aggressive and stingy style of defensive play. This year's squad — led by former Westerville South star Mark Kingston — looks to be rather strong once again.

It all adds up to a very interesting evening of college football.

For the record — Seils has compiled a 2-3 record against Mount Union, while Raiders coach Ken Wable is 5-2 against Otterbein. MUC leads the all-time series with a 10-4 victory margin. The Otterbein—Mount Union rivalry began in 1937.

COMPLIMENTS OF:

A friend of the "O" Club

Honored at 8th Annual "O" Club Outing August 21, 1982

Returning champs

The first and most successful of Otterbein College's golf teams got back together and played again at the annual "O" Club golf outing, held Saturday at Indian Run. The 1946 team was the only Otterbein golf team ever to win an Ohio Conference championship. Members were, from the left: Jack Rees, Frank Truitt, Jay Truitt, and Joe Schurtz (team captain).
