**OTTERBEIN COLLEGE**

**OCTOBER 11, 1969**

Dear Parents and Friends,

Welcome to Ohio Northern University and another year of exciting football. Good small college football at Northern has a long tradition that began in the early 1900's. This tradition continues under the guidance of Arden "Stretch" Roberson, a Northern graduate and outstanding athlete, and a former coach of the Massillon "Tigers". Coach Roberson's fine staff of assistants are successful coaches in their respective fields of interest and are full-time members of the teaching faculty. Their involvement in education and their deep concern for students help facilitate a smooth transition in academic and athletic achievement from high school to college. It is to this end that we invite you to share this opportunity to witness a part of the educational process.

Ohio Northern is a small, church-related university with colleges of Liberal Arts, Engineering, Pharmacy and Law. It has the size, spirit and general atmosphere conducive to a well rounded education which makes possible academic, spiritual and social advancement.

We hope that all of you here will share the spiritual, mental and physical growth of all the participants in this activity ... that during your stay on our campus, and in Ada, you will visit all of the facilities of the University and participate in the activities provided for your enjoyment.

Samuel L. Meyer  
President
