# Strike the cymbal

Strike the cymbal rattle the tymbal let the trumpet of triumph sound  
Powerful, slinging headlong bringing Goliath to the ground  
From the river re-ject-ing quiver In-dah's he-ro takes the stone  
Spread your banners shout hosannas Battle is the Lord's a-love  
See advances with, roughtand, dances All the band of Israel's daughters, hark the sound of lilley melody  
Spread your banners shout hosannas Battle is the Lord's a-love  
God of thunder rend asunder All the power The-les-tia boasts  
What are nations What are stations Israel's God is Lord of host  
What are haughty monarchs now low before Jehovah bow Pride of princes <sup>king's</sup> strength <sup>to the dust</sup> Jehovah brings Praise him  
Praise him exaltings notions praise Praise him praise him exalting nations praise Hosanna Hosanna Hosanna
