Todd Spinner

Mr. Spinner was born and raised in Parma Heights, Ohio where his parents still reside today. Todd attended Valley Forge High School, Cleveland State University and Ohio Dominican College. He received his Masters in Policy and Leadership from the Ohio State University.

Since 1995, Todd has taught English at Dublin Scioto High School, was an Assistant Principal at Marion Harding High School, Delaware Hayes High School, served as the Principal at Westerville Central High School, and now serves as the first ever Principal of Olentangy Berlin High School.

A few belief statements that help serve Todd as he leads thousands of students, parents and teachers:

"Students come to school carrying more than just their backpacks."

"Leadership is not about having degrees and certificates on the wall. Leaders would not be leading if they were not qualified. Being a good leader is about allowing those around you to grow and do great things!"

"I know it sounds simple, but leaders lead."

"Bad leaders do not make bad decisions, bad leaders do not make any decisions."

"Set expectations, model those expectations and then trust those around you to carry them out..."

"Control what you can control."
