CHURCH COUNCIL NEWS

**Pastor's Report to the Church
Council of Administration
August 4, 1953**

Averages for the month of July have been as follows: Sunday School 251; Morning Worship 272; Evening Service 61.

Averages for July, 1952, were: Sunday School 231; Morning Worship 172; Evening Service 50. Even with the hot weather we are holding our own financially, and we are grateful to God for His goodness.

During the month of July, I have made ninety-two pastoral calls, preached eleven times, and performed one wedding. And yet the Pastor has taken no vacation period as such, but such arrangements are now being made for the first Sunday in September (6th).

In recent days the Pastor has talked with Rev. and Mrs. A. E. Clark, Pastor and wife of the Marion Salem Church, and has made arrangements with them to assist in Revival meetings in September. They will conduct the music services, and will have a special ministry to children. They will be a valuable assistance in the meetings which are now being planned. The meeting date is set for September 20th through October 4th.

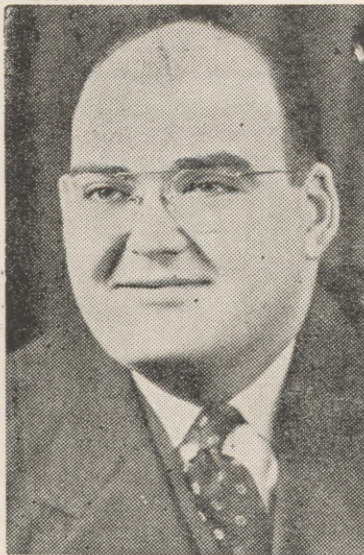

Recent actions of The Council in the July meeting were as follows:

1. It was agreed to provide the sum of \$35.00 to send Mr. George Bailey to the Second Quadrennial Student Conference of The Evangelical United Brethren Church to be held at Indiana Central College at Indianapolis, Indiana, December 29th to January 1st.

2. It was agreed to provide the sum of \$40.00 from our Miracle Mission Fund for Rev. James Welty of The Lima Rescue Home to send Mr. Welty to the Rescue Mis-

REVIVAL MEETING SEPTEMBER 6th TO SEPTEMBER 20th

Our Revival meeting has now been set for the two week period beginning September 6, and the Pastor has selected to assist us in the work Rev. and Mrs. A. E. Clark, pastor and wife of our Salem Church near Marion, Ohio. Rev. and Mrs. Clark are known to the boys and girls who attended the children's camp as "Uncle Gene and Aunt Doyne." They have been active in evangelistic circles, and have been a part of our children's camp each summer at St. Marys. Rev. and Mrs. Clark will have charge of the music each evening, and they will precede the evening service with a children's meeting at 7:00 p.m. Among the items that will be interesting to children will be Gospel magic, illustrated stories about real boys and girls, action songs and choruses, gospel souvenirs, etc. We believe that Rev. and Mrs. Clark will be used of the Lord to help many of our boys and girls as well as their parents.

It was refreshing to your Pastor to hear many prayers offered for

PASTOR'S MESSAGE

The months of June, July and August are usually considered the period of low attendance or "summer slump" in most Churches, but we are happy that this summer is different from all the rest. At least the attendance figures are better than they have been in previous summers, for which we are deeply grateful to God. Many people are asking if it is essential to hold two services on Sunday morning. The answer is simple arithmetic, for an average of about 100 more people are now at Church on Sunday morning than attended in the summer of 1952. Our Sunday School is also well ahead of last year, as is our evening service and mid-week prayer meeting. Surely this indicates that with the proper emphasis in the fall months High Street can surpass all previous attendance records.

As these lines are prepared your Pastor is very busy looking forward to Annual Conference. Reports have been completed, and many letters have been written. This will be your Pastor's first experience serving as Secretary of an Annual Conference, and it promises to be a most interesting experience. Assisting the Pastor at Annual Conference in the typing room will be Mrs. A. G. Vandemark and Miss Marjorie Sullivan. These ladies will carry the responsibility of typing all the Conference reports and cutting stencils for many which will be passed out to members of the Conference. By the time this paper arrives at your home, Conference will be completed, and elsewhere in this number you will find the stationing committee's report which is the most looked-for document of the Conference.

our coming Revival meeting at the prayer service which took place the week before these lines were prepared. Many of our people understand very well that Revivals are not worked up, they are prayed down. Prayer is the key if God is going to bless High Street Church. We have a taste of the goodness of God, and we will be looking to Him for the future.

The plan for our Revival meeting will be as indicated, but parents will be invited to come for the children's part of the service if they desire. Now is the time to be telling your friends about our meetings, and to be planning so that you can come. Further announcements will be made through Church bulletins and in our regular services. Pray for your Pastor as he plans his messages, and for Rev. and Mrs. Clark as they plan to be with us for this vital period of heart searching.

sion Conference at Winona Lake, Indiana. Mr. Welty attended this Conference and will speak to our congregation at some future date.

3. The division of the Miracle Mission Fund was determined as follows:

1. \$25.00 per month is to be sent to the denominational Board of Missions to be applied toward the support of some foreign missionary.

2. \$25.00 per month is to be sent to the new Home Mission Church at Bradenton, Florida.

3. The balance of all funds received are to be designated for the new East Lima Evangelical United Brethren Church on Bellefontaine Ave.

4. If, during any month we should fail to receive \$75.00 or more the receipts for that month would be divided as follows: The first \$25.00 would go toward our foreign missionary fund, and the balance would be divided between the Bradenton, Florida, mission and the new East Lima congregation.

We trust these items of informa-

tion will be helpful to everyone in understanding our missionary program. Pray for the cause of missions in High Street Church, and remember to give faithfully the tithe of all the extra funds God gives to you, for our Miracle Mission program.

Faithfully yours,

ness" constitute together a directory of the Church. The entire membership roll is included as well as the Official members of our Church body. Keep these numbers on file for future reference, for you will want to know who holds which office or who is a member of the Church. Should there be any question about our membership roll your Pastor will be happy to answer any questions. Now and then errors do occur, and a number were found last year. If you think the roll is not correct in any way, please feel free to ask questions or to offer suggestions.

During the month of August the parsonage will receive its new coat of insul-wood siding. The trustees have been planning for this improvement for some time, and perhaps the painting and new gutter and spouting will also be finished before this paper arrives. This will make a great improvement in the parsonage property, and its appearance will be much appreciated.

This is the first month for the Witness to be printed at The Rockford Press. No changes are being made in our mailing arrangements for the present, but please be careful to send all subscriptions direct to the Pastor for the present. Do not send subscriptions to Rockford. Further details about future mailing arrangements will be included in a future number of the paper.

Remember to pray for the coming Revival and for the Missionary Institute in October. We stand upon the threshold of the greatest spiritual opportunity that High Street has ever known. Pray that God will help us to take full ad-

vantage of the open door that is before us.

Faithfully yours,
Frank R. Hamblen

A CHRONIC HABIT

A physician tells of his experience with a patient in an asylum. "He seemed so gloomy," the doctor said, "that I tried to cheer him. After a moment, the man interrupted, 'I'm sorry, Doc, but I'll have to get back to my worrying. I'm way behind, and I got no time for anything else now.'"

Well, aren't we all a little like that?

JOE GRAHAM IS APPOINTED EDITOR OF O.S.N.

The Rev. Joseph Graham, a 1953 graduate of Bonebrake Theological Seminary and pastor of Pasco E.U.B. Church, was selected in the May meeting of the Conference Board of Christian Education to succeed Eustace S. Heckert as editor of The Ohio Sandusky News. Because of a desire to devote all his energies to pastoral leadership, Mr. Heckert asked to be relieved of the duties of editor upon publication of the August issue. Mr. Graham will assume the editorship beginning with the September issue.

Mr. Graham is a graduate of Bluffton College, receiving a B.A. Degree in 1951. As a youth, he was an active member of Tiro E.U.B. Church, teaching a young people's class for three years, choir leader one year, and active in local, county and district youth groups. He was graduated from the Tiro Rural School in 1947 where he worked on the school paper and participated in other extra-curricular activities. In 1946, he won

GIVE THE MEN A CHANCE

A special call is hereby issued to the men of the Evangelical United Brethren Church in behalf of two of our promising mission churches. One of these is located at Grand Rapids, Michigan, and the other is located in Sacramento, California.

The response which the Brotherhood is making to the call from these two churches is based upon a twofold premise. In the first place, these new churches are lo-

EDITOR'S NOTE OF THANKS

As the materials of this August issue are submitted to the Rockford Press, new publisher of the conference paper, I place in the hands of Joe Graham, all records and official duties of editing the Ohio Sandusky News.

Since this terminates my official duties as your editor, I want to take this opportunity of expressing my deep appreciation for the excellent co-operation you have given me. It has been a real joy and an enriching experience to serve as editor for the past few years. I asked to be relieved of the responsibilities, not because of dissatisfaction or gripes in any way, but because I felt the pulling desire of devoting the energies spent in these duties to pastoral leadership in a growing church.

I am sure you will give to my successor the fine loyalty and co-operation you have shown toward me. I believe Joe will do an excellent job, and therefore I commend him highly as worthy of your best.

cated in new and growing centers of the two cities mentioned. They present opportunities for the extension of our denomination in cities where we are already known and have established churches. Because this is true, it is a fact that what the Brotherhood is sponsoring is truly a church extension project. In giving support to the two new mission church enterprises, we are extending our borders where we, as a denomination, have already planted our banners. The Projects become a cause of conservation as well as an effort of extension. These new churches will be points of religious influence and service in two rapidly growing centers of population. The challenge for service in these communities is already far beyond what we are able to do, and thus speed in building programs and service personnel is an immediate imperative.

In the second place, the Brotherhood of the Church should be given an opportunity to do something specific for the extension of the kingdom of Christ. The Special Church Extension Projects which are now claiming the attention of the men of the Evangelical United Brethern Church are not only worthy projects within themselves, but are churches which will open the gate and pave the way for other new churches in the future. Because they have been helped, they will be more disposed to help

other churches when they near the self-supporting stage. In helping the Northlawn Church at Grand Rapids, Michigan, and the Trinity Church in Sacramento, California, the Brotherhood is sponsoring a chain of influence and service which will be in process of constant lengthening.

Both churches have active and promising memberships already, and will rapidly increase as physical facilities are made available. The church edifice is now under construction at Grand Rapids and a three-acre site, in the midst of population of one hundred thousand people, has been secured in Sacramento. The Sacramento congregation is worshipping in a church of another denomination, some distance from its own site, but in spite of present handicaps it is making fine progress. These churches are the kind of projects which Brotherhood men like to encourage and support. The men of the conferences in which these churches are located are enthusiastically supporting these home mission projects.

the local and county Prince of Peace Contest and placed in the District.

While attending college, he served as pastor of the Blue Lick E.U.B. Church, and during his student days at the seminary he served the Pasco Church.

GOD'S PROMISE

Think of me when thou art blue,
Remember, I am a friend that's true.

I walk beside you day by day,
I hear all you think and say.
I know the temptations and burdens you bear.

Thinkest thou that I don't care?
When you are downhearted and think you are through,
Remember me—I'm with you.
Be strong, be firm, be true my friend,

And I will walk with thee until the end.

STEWARDSHIP NOTES FROM CAMP

"Its not what you'd do
with a million
If riches should e'er
be your lot,
But what are you doing
at present

With the dollar and a
quarter you've got.

This is an example of the poems, sayings, hymns, and outlines concerning stewardship given us at Senior Camp.

Rev. Joseph Granam taught a class called "Christian Stewardship", which helped all in his class to better understand the subject. He also gave us reference material to use in conducting meetings on stewardship. You might like to use these materials in your own meetings, so here are a few of the many helpful things given us.

If you are planning a talk on stewardship you could use this outline.

Scripture II Corinthians, 8:15

1. Tell of blessings we have received in the Faith.
2. Point out a particular need of your church.
3. Tell of opportunities at the doorstep of your church.
4. Suggest a way to take care of the need and opportunities present.

You might want to have a song for your service concerning stewardship of time, talent or possessions. Here are some you could use: "Help Somebody Today", "I Am Praying for You", and "Give of Your Best to the Master".

These are some snappy sayings concerning stewardship that could be used in your local church bulletin: "No man can fail if God is his partner." "The average church has too many by-standers and not enough standbys." "Some people are laying up for a nickel-plated heaven, judging by their offerings."

I hope these suggestions can be of some help to you

TOLEDO CALVARY HAS LARGEST DVBS

With an enrollment of 174, Toledo Calvary had one of the largest DVBS reported in the city to date and the largest school in its history. There were 20 churches represented in the school, and the average attendance was 150.

The Nursery course, "Loving and Pleasing Jesus," was taught to 16 three year olds with Mrs. Mary Meyer, Mrs. Alva Tipton, Mrs. Doile Facemyre, Lois Fox, Carol Martin and Judy Coen serving as teachers.

The Beginners Department had 34 enrolled and had a teaching staff consisting of Mrs. Harold Herman, Mrs. Arthur Lamale, Mrs. Jasper Seaney, Elizabeth Eldridge, Charlotte Dallas and Karen Wilkins. This group was outstanding for its singing.

In the Primary Department where the 23rd Psalm was the basis for the two week's study, one of the teachers, Mrs. Larry Johnston made a table arrangement demonstrating the Psalm that was beautiful to look at and very effective as a teaching aid. The 72 children in this department were instructed by Mrs. Wilson Fox, Mrs. Duane Ashbacher, Mrs. Lawrence Johnston, Mrs. Richard Cooper, Mrs. Richard Miller, Mrs. Glen Sutton, Mrs. Elmer Querin, Mrs. Solomon Humberger, Mrs. Joseph Simms, Mrs. Waldo Vogan and Miss Nancy Gamble.

The Christian's Road Map was used in the Junior Department for the study, and 42 Junior age youngsters had a wonderful two weeks culminating in an impressive candle lighting service of dedication. This group was fortunate to

have Mrs. Gerald Coen, Mrs. Julia Brown, Mrs. Edward Hirzel, Mrs. LeRoy Russ, Mrs. Allen Hardy, and Mrs. Carl Claus as teachers.

In the Intermediate department where Mrs. Robert Sayen and Mrs. Paul Dallas were teachers, 10 boys and girls gave good account of the time they spent in the DVBS by giving an outstanding performance in the demonstration service Friday evening

The demonstration service, the evening of July 31 was well attended by parents and friends. The children were delighted to be able to show what they had learned and made, and the program was well received—especially the contribution of the Nursery.

The offering from the children in the school will be used by the departments for the Missionary project in which the departments are interested in.

Mrs. Roy Hare, Director of the school conducted worship services each day with the use of flannel-graphs and object lessons, and presented the certificates and awards in the closing service.

REPUBLIC EUB CHURCH ENTERTAINS WILLARD GROUP BROTHERHOOD AND WSWS

One of the largest and most successful District Brotherhood Meetings was held at the Republic EUB Church, Sunday, July 19. The evening program began with serving lunch consisting of ham sandwiches, cole slaw, potato chips, apple and cherry pie, coffee and tea to 160 people.

At 7:00 p.m. two seminars were held. This was the first time the WSWS group was extended the invitation to have part with a program. The men met at the Town Hall (where the meal was served) for their meeting. Mr. Virgil Seiple, President of the Willard Group Brotherhood, presided.

Following the reports of the secretary and treasurer, a very interesting presentation of the Brotherhood work of the Church was presented by various Officers of the Brotherhood. Among the Officers present were:

Torrey A. Kaatz, Toledo, Ohio, President of the Brotherhood of the Evangelical United Brethren Church; Craig Tetrick, Bellevue, Ohio, President of the Ohio Sandusky Conference Brotherhood; George E. Gilts, Findlay Ohio, Secretary of the Ohio Sandusky Conference Brotherhood; Frank H. Kinker, Fostoria, Ohio, Treasurer of the Ohio Sandusky Conference Brotherhood; Robert Austin, Bowling Green, Ohio, Chairman of Devotional Life of the Ohio Sandusky Brotherhood and Richard Haff, Bellevue, Ohio, Chairman of Christian Fellowship of the Ohio Sandusky Brotherhood.

During the same hour (7 p.m.) the women met at the Republic Church where Mrs. Walter Adams President of the Willard Group WSWS, presided. This hour was spent having Mrs. Noel Smith of Shelby show slides of the Japan Mission work of our Church which were taken by her son, Ronald Smith, while he was stationed there.

As the clock hands reached 8 p.m. an orchestra of five from Harmony EUB Church called the group to order with a prelude. L. W. Gayman, President of the Republic EUB Brotherhood presided. Group singing was led by

the Willard Group Brotherhood song leader, Mr. Cappell. Mrs. Geo. Keep played the organ. Rev. C. D. Wright, Pastor of the Willard EUB Church and Group leader, pronounced the invocation. Special music was provided by the Trietist Church Quartet and the Green Springs Quartet. Rev. Walter Adams, Pastor of the Shelby EUB Church, offered the prayer for the offering. A beautiful trombone solo was rendered by Mr. Veri Waiton of the Harmony Church. During the count which is taken by churches, a message was read by Mr. Gayman, from Dr. W. K. Montgomery, Director of Adult Work and Brotherhood work of the EUB Church and one from Dr. V. H. Allman, St Marys, Ohio, Supt. South District of the Ohio Sandusky Conference. Before introducing the speaker of the evening, Mr. Gayman recognized Mr. Torry Kaatz, President of the Brotherhood and asked him to present the two special projects of the Brotherhood for the coming year. The speaker of the evening was Dr. E. E. Harris, Dayton, Ohio, Director of Special Church Extension Projects of the Brotherhood.

The Church was packed from wall to wall and many were standing on the outside of the building, where a loud speaker brought the program to them. It is estimated that there were between 260 and 300 present.

The count of the evening revealed persons from the following Conferences of the EUB Church: Ohio Sandusky, Ohio East; Ohio South-East and Kansas.

WHITEHOUSE EUB CHURCH HAS HOMECOMING

Homecoming Day, sponsored by the Men's Brotherhood, was observed Sunday, July 19, in the Zion Evangelical United Church, with former ministers, their families and friends attending.

The morning sermon was preached by Rev. George Murbach, a retired EUB minister who calls Blissfield home. He was raised on the Herbert Bucher farm northeast of town and was the first of the half dozen ministers which the Whitehouse Church has turned out.

Rev. Rex Lahr, Allen Lewis, Warren Studer, Burton Crosby and Milton Ryerson being the other five.

The afternoon session assembled at 2:30 and consisted of music, an organ medley by Mrs. Fred Disner, a song by the quartet, and hymn singing by the congregation.

Greetings were brought by two former pastors, Rev. Rony and Rev. Toepfer. Rev. Ryerson and Rev. Murbach, the youngest and oldest of the ministers from the church, gave words of thanks and appreciation for the day. Regrets were sent by Rev. Arthur Burca and Rev. Allen Lewis due to previous commitments. Mr. Phillips, former choir leader, gave a vocal solo.

A social hour of visiting followed with a pot luck lunch in the basement at 5:30 p.m.

The evening message was brought by Rev. N. C. Liesemer of Detroit. A vocal solo was sung by Mrs. Liesemer.

MY PRAYER

How can I help someone today?
Will it be the little things I do
or say?
Oh, Lord, help me to stay on the
pathway straight,
And keep from my heart all anger
and hate.
Lord, let me make someone happy
today,
To make their life a pleasanter
stay.
Lord, I am weak and thou art
strong,
My life is short, but thine is long.
Let me always be true to my
fellowman,
As through life we go—hand in
hand.
Let me be of comfort to those
who are sad,
While I am still a youthful lad.
Oh, Lord, these things I ask in
thy name,
And through life, let these be my
aim.

EXPANSION PROGRAM LAUNCHED

The Conference Year of 1952-53 opened at Lima First with a bit of uncertainty and anticipation due to an accumulation of ideas over a period of years regarding a much needed expansion program that had never been forced to a definite decision. Added to this problem was the task of getting acquainted with a new pastor as well as repairing the sanctuary.

By Easter Sunday the sanctuary had been transformed into a thing of beauty conducive to worship and reverence and the "Expansion Program" had started to take definite shape.

After several Congregational Meetings, conferences with the Church Council, Local Building Committee, and the Conference Board of Missions etc., a definite "Expansion Program" was decided upon.

For sometime we have felt the need of a Third Congregation in the city of Lima to serve the East Side of the city. After considerable prayer and deliberation First Church decided to make this objective become a reality. The Lima First Church offered to transfer any of her present membership to a new East Lima Congregation who would accept the challenge of giving themselves to this task, as well as to divide equally the existing Cash Building Fund of First Church with newly organized East Lima congregation. This matter was referred to the Conference Boards for their action. They in turn added their blessing by purchasing 4 lots as a site for the new congregation. On June 28, Dr. V. H. Allman was invited to Lima First Church to organize the new East Lima Congregation with a membership of 58 youth and adult members, which included some very capable leadership. The new church is at the present time worshipping in the Y.M.C.A. looking forward to the early completion of at least a unit of their building.

The other part of the "Expansion Program" of Lima First Church includes an educational unit south of the present church building. The Building Committee has been appointed and we look forward to having a roof over the new unit

by winter time. In addition to this the old church will be repaired and remodeled. This congregation made improvements on the church and parsonage during the 10 months just passed amounting to \$6950, which included newly decorated sanctuary, a newly decorated parsonage, complete new bathroom at the parsonage and various other repairs on the church building. Besides this, an additional \$1170 was spent on incidental repairs and necessities which makes a total of \$8000 raised in a ten month period with a very minimum of effort.

A good revival period was enjoyed during the year and a number were added to the membership but the problem at hand demanded much attention and accessions were not as numerous as we anticipate for the future when more time can be given to the spiritual and fellowship side of the church life.

The pastor claims no credit for the great victory in what has been accomplished here at Lima First. The good people have been prayerful and patient in what seemed an endless chain of conferences, meetings, and consultations. The great victory is a testimony to God's ability to answer prayer.

SILVER WEDDING ANNIVERSARY

One hundred fifty people gathered in the basement of Shelby Church following the Sunday Morning service on July 26 to pleasantly surprise and to help Rev. and Mrs. Walter Adams celebrate their 25th wedding anniversary. After enjoying a pot-luck dinner a program was given by members of the church. During the program the pastor and his wife were presented with a purse containing 150 silver dollars and other money totaling \$182.00 besides other gifts received during the day. It was a very happy occasion for Rev. and Mrs. Walter Adams.

Some of the guests were, Mr. and Mrs. Dussel Lorrentz, Mr. and Mrs. Elmer Hanni, Mr. and Mrs. Lowell Witter and family all of Celina, Ohio. Rev. and Mrs. W. Adams's son and his wife, Rev. and Mrs. Charles Adams of Dayton,

FINDLAY GROUP W. S. W. S. RALLY

The summer Findlay Group Rally was held Sunday evening, July 26 in the Findlay St. Paul's Church, with the W.S.W.S. group in charge of planning and the mass rally.

The various groups met separately from 6:30 to 7:30, each reporting inspirational and informative sessions.

Mrs. Hobart Schoonover, president of the St. Paul's Guild was in charge of the hour program of the W.S.W.S. group. A literature presentation was very effectively given by various members of the guild, stressing the importance of selective reading materials which can be used by all of our membership. Near sixty women participated in this hour of fellowship.

At 7:30 the groups assembled for the evening service. Special organ and piano music was furnished by the host church. Mrs. Elberta Gillespie, dedicated laywoman from Toledo gave the evening message. She stressed the importance of bringing our whole self to the Lord at an early age. Her most impressive statement was, "We are so busy doing the Lord's work, that we do not take time to work for the Lord." Although our attendance was only one hundred fifty-three, the smallest rally held, we all returned to our homes feeling it had been well worth while and already are thinking of our fall rally.

SAYS THE SUNSHINE MAGAZINE

"An efficiency expert is a man who knows less about your business than you do, and gets paid more for telling you how to run it than you could possibly make out of it even if you ran it right, instead of the way he told you."

**ANNUAL REPORTS
CONFERENCE BOARD
OF TRUSTEES**

The Conference Board of Trustees has taken the following actions during the conference year:

1. Completed the motel, with 42 rooms, office and lunch room and lounge.
2. Completed the construction of the Superintendent's manse at Bowling Green
3. Placed auxiliary heating in the auditorium, dining hall and dormitory No. 2.
4. Negotiated a loan of up to \$50,000 at the Metropolitan Bank of Lima secured by a mortgage on the motel.
5. Negotiated a loan of \$15,000 at the Wood County Bank in Bowling Green secured by a mortgage on the superintendent's manse.
6. Endorsed notes by several churches to the Flat Rock Children's Home and the Otterbein Home.
7. Closed the litigation over the Willshire parsonage by dismissal at the plaintiff's cost.

We recommend:

That publicity be given to the continuing needs of the camp, to the end that interested people may give substantial gifts, either in cash, or by will or annuity or death notes.

That the board be authorized to dedicate rooms in the motels as memorials upon the payment of such sums as may be designated.

We recommend that an engineer be retained to make drawings for completing the sewerage system. This is made necessary as lots are being leased in the various peninsulas.

Whereas at the time of the adoption of the larger budget of the conference it was explicitly stated that this did not cancel the pledges taken for Camp St. Marys, we recommend that the conference take action to the effect that these pledges should be collected

if possible.

Inasmuch as the Camp Superintendent is going to great expense in caring for many matters concerned with the camp, we recommend that he be reimbursed for this expense in the amount of \$1,500 for the coming year.

L. E. Ames, President.
Fay M. Bowman, Secretary.

Recommendations

A. We recommend that the Board of Missions be authorized to study the need for a Conference policy of relief for churches that suffer disaster by fire, windstorm, or other calamity; and that such policy be presented to the Conference Council of Administration for consideration and action.

B. We recommend that all ministers receiving Missionaries appropriations from the Ohio Sandusky Conference be required to report quarterly to the Secretary of the Board of Missions, on blanks provided by the Secretary.

C. We recommend to the Conference Council of Administration that, on page 17, article 13, of the 1952 Conference Journal, sentence 4 be changed to read: "Any pastor receiving less than the Conference minimum shall be entitled," etc.

D. We recommend that the appeal of the Tiffin Ebenezer Church to the General Board of Missions for a loan of \$25,000 and a grant of \$5,000 be approved.

E. We recommend that the Budget for the Board of Missions for the year 1953-54 shall be \$19,000.

F. We recommend that the Board of Missions be authorized to purchase and send to each active pastor, a copy of the booklet, "When We Build," prepared by the Bureau of Architecture of our church; and that the procedures suggested therein be followed by all churches planning to remodel, rebuild, or build new.

Unless your faith is built upon the Rock it will go upon the rocks.

**EDITOR R. M. VEH
DESCRIBES BUILDERS**

What's up in the September issues of BUILDERS? Turn to the pages of any issue and you will find stimulating articles. Every issue is a special one—from the Labor Day issue the first week, through the "Back-to-School" issue, the College-Seminary Day issue and the Christian Education Week issue. The College-Seminary Day issue will be in color, making an especial appeal for support of this important day in the calendar of our Church.

Through the month as the sun casts longer shadows and people return to normal pursuits of reading, the Frieda and Jim stories will continue in BUILDERS. These are the fictional recountals of the experiences of a young pastor and his wife in making Christianity work in their town. Then, in each issue, there are helpful feature articles, the widely-appreciated Sunday-school lesson treatment, Youth Fellowship topic discussions under a variety of writers and news of EUB church activities and personalities.

Are the classes of your Sunday School receiving BUILDERS? If not, why not ask for sample copies for one month to introduce this popular paper to your school?

When an entire period of divine worship is carefully built around the idea of holy communion with God the Father, something vital happens. Let us prove to the world that we have something real and rewarding to the spiritual life. Then shall our periods of divine worship prove an inspiration and a help to sinful, burdened people.

—D. Carl Yoder.

Controversy over the mode of baptism, the manner of observing the Lord's Supper and other externalities of our faith are but a hangover of a past order.
