EXCLAMATIONS OF SURPRISE GREET APPEARANCE OF 1926 SIBYL; URGED TO BUY COPIES NOW

SCENICS ARE ATTRACTIVE

Results of Election of Representative Men and Women Are Revealed By Annual.

Exclamations of surprise and astonishment from the student body greeted the appearance of the 1926 Sibyl last Friday afternoon when 100 copies were distributed from the Sibyl office in the basement of Lambert Hall. The remainder of the 430 copies of the year book will be available at the Sibyl office today at 2:00 p. m. Students are urged to handle the books with care since the binding is still green.

The announcement of the representative men and women through the appearance of the annual created a stir of excitement. Carroll Widdoes and Earl Hoover are the representative men and Margaret Widdoes and Sylvia Peden the representative women. It was a remarkable coincidence that two members of the same family were elected.

The scenic section proved to be one of the best in recent years. A blue tint plate over a black half-tone lent exceptional attractiveness to the section.

The covers carried an oak leaf design which was thematic of the entire book. Blue mission leather with silver insets carried out the junior and senior classes color schemes. Blue is a senior color and silver a junior color.

The Sibyl office will be open at hours which will be specified by announcements on the bulletin board. Seniors are particularly urged to get their copies immediately as the supply is limited. No extra copies were ordered.

MEN'S LITERARIES HOLD FIRST JOINT SESSION

Number of Prominent Alumni Present at Stag Feed Held Last Friday Evening.

For the first time in the history of the men's literary societies a joint stag session of Philophronea and Philomathean was held in Philophronean hall last Friday evening. A number of noted alumni of both societies were present at this session. Election sessions of both societies were held previous to the stag.

Perry Laukhuff, chairman of the joint committee on arrangements, introduced Prof. Engle, ex-active of Philomathean, as the toastmaster. Carl Stair, president of Philophronean, exhorted associate members by a talk, "Let's Get Active." Floyd Razor, president of Philomathean, spoke on the subject, "Stop, Look and Listen." Archie S. Wolfe, Pastor of the U. B. Church in Mansfield, and representing Philophronean's alumni, gave "A Word from the Wise," while Dr. Andrew Timberman, of Columbus, gave "Some Sensible Suggestions." Remarks were made by Rev. Crosby, Prof. West, and by Mr. Ulry, general treasurer of the U. B. Church. STUDENT GOVERNMENT ORGANIZES INTER-GROUP COUNCIL FOR BETTERMENT OF GROUPS

BETTER CO-OPERATION

Each Social Group Will Have Two Representatives on New Governing Bodies.

Coming to the conclusion that better co-operation is necessary between the eighteen social groups on the campus the Student Council took steps last week toward the establishment of Inter-Group Councils for both men and women. The president and one junior member of each social group from all the clubs on the campus compose two distinct councils. The two new councils are practically subsidiaries of the Student Council since the constitutions of both bodies were drawn up and submitted by the Student Council.

Steps have already been taken by both councils to effect radical changes in the bidding system which has proved very unsatisfactory from many angles. The women's Inter-group Council has already completed plans for a new bidding system which may go into effect next fall.

The men's Council has sent a committee to each of the universities within a radius of fifty miles of the local campus. Suggestions for an open bidding system have been frowned upon by a majority of the members of the men's Council.

The two Councils will meet twice a week during the rushing season in the fall and once a week thereafter. These new governmental bodies were designed by the Student Council particularly to care for the major and minor difficulties which are always arising between the social groups. This type of a governing body produces a more representative council, according to members of the Student Council.

MEMORIAL DAY SERVICES HELD IN COLLEGE CHAPEL

J. Pluvius Threatens to Spoil Plans for Social Group Picnics.

Even though small, the group which attended the exercises in the chapel on Memorial Day pronounced the program one well worth the time spent in attendance.

The program was brief, with songs and speeches taking the leading roles. The placing of wreaths on the soldiers' service flag and on the missionary memorial, by Roy Miller and Edward Caldwell, were of especial interest.

After the program in the chapel, the assemblage moved to the campus, where Dr. E. A. Jones, after a brief address, hung a wreath on the stone memorial there. Taps were then sounded, after which the flag recently purchased by the student-body was raised on the new pole. The program closed with the singing of The Star Spangled Banner.

Overcast skies in the early morning threatened to spoil the picnics arranged by the men's social groups. However, J. Pluvius finally decided to withhold his supply of precipitation until some future and more fitting date. The result was that all social groups turned in a report of the day as an unqualified success.

Base Ball Team Breaks Into Win Column

DOWN MUSKINGUM BY 4-2 SCORE SATURDAY

Kenyon Defeated May 26 by 8-7
Score in Ragged Game—
Roberts Scores.

Otterbein gained ample revenge for the defeat earlier in the season when the baseball team defeated Muskingum 4 to 2 last Saturday afternoon in a well played game at New Concord. Roberts pitched shut-out ball but a couple of bad breaks allowed two runs to score. He allowed only three hits, struck out eleven and walked three.

Otterbein had only six hits but three of the six were for two bases and only two of the six were wasted.

The Tan and Cardinal team took an early lead when they scored all of their four runs in the second inning. Carroll started things off by singling to right field. Beuchler doubled to right on the first ball pitched, Carroll holding up at third. Roberts walked, filling the bases. Slawita lined to the pitcher, who doubled Carroll off third. Borrer singled to right center, scoring Beuchler and Roberts. Borrer took second on the throw to the plate. Renner doubled to left center, scoring Borrer. Upson and Young both batted grounders between Taylor's legs at short, Renner scoring. Yohn forced Upson at third for the third out.

Muskingum scored once in their half of the second inning when Gabbard singled after Montgomery had flied out to Beuchler in center. Gabbard stole second and took third when Borrer dropped the last strike on Taylor and had to throw him out at first. Weed walked. Weed and Gabbard worked the double steal, Gabbard scoring and Weed reaching second on a close decision. Upson made a nice catch of Conrad's pop fly between first and second. Muskingum scored again in the eighth inning. Clark was safe at first on Slawita's error. Wilson was safe on a close decision at first after he had forced Clark at second. Wilson scored on Poorman's three base hit down the right field foul line. Roberts struck out Montgomery, the hard hitting Muskingum clean-up man, to retire the side. Except for the two innings mentioned the game was a pitching duel with neither pitcher allowing any hits.

Upson played a nice game at second with six put outs and two assists without a bobble. In addition he doubled to left in the seventh. Renner completed his last year by contributing a two base hit in the second inning besides playing well around third base. Borrer furnished the most satisfactory work behind the bat that has been seen on the Otterbein team this year. Besides he contributed a timely hit in the second inning.

The game was the last appearance of Captain Renner, Yohn and Young in an Otterbein baseball uniform.

DORMITORIES ELECT COCHRAN HALL BOARD

Ballots were cast Tuesday evening, May 25, at Cochran Hall to determine the personnel of the Cochran Hall Board for 1926-27. The results of the election were as follows:

President—Freda Snyder.
Vice-president—Louise Stoner.
House Council Chairman—Elizabeth Trost.

Borrer; Muskingum—Clark and Poorman.

The Otterbein baseball team broke into the win column for the first time this season Wednesday, May 23, when Kenyon was defeated in a poorly played game 8-7. The feature of the game was Roberts' pitching. He allowed three hits, struck out 15 Kenyon batters and only walked three men.

Yohn got two hits, including two singles and a double in five times at bat. Beuchler made a nice catch of Roe's bid for a hit in the last inning.

COLLEGE BOOKS SHOW GOOD FINANCIAL YEAR

The fact that the college is closing a good year financially will be shown by the report of Mr. Elmer E. Ullrich, general treasurer of the United Brethren Church, who is auditing the books of the college this week.

A large number of the Jubilee pledges still remain uncollected. The efforts of the president and treasurer will be directed toward the collection of these pledges before next January when the contract with the General Education Board expires. This Board gives the college fifty cents for every dollar collected on the Jubilee fund.

MANY VISITORS ON CAMPUS

As expressions of the growing confidence the public has in Otterbein College there have been on the campus in the last week or ten days scores of people who are interested in the college for themselves or for their children.

One instance of this is given in the visit of a public school principal from the southeastern part of Ohio who is seeking a good standard college for his younger brother. After studying various colleges in Ohio and without any family or church connections whatever he has selected Otterbein for his brother's education.

IT IS NOT THE END

When you come to the end of your college course and you sit alone with your thought your memory wanders back to the day when you registered in Otterbein as a little green freshman. You little thought that the time would pass so quickly. You have completed four years in Otterbein but it is not the end; it is only a beginning of the realization of the vaster and more important things in your life.

What has college meant to you?

What should it mean to an underclassman? It is often said that students, at least a great many of them, go through college without any adequate realization of the wonderful opportunities which the college offers them. As we view the trivialities in which so many students are content to pass their time, it seems somewhat of a tragedy for any one to have all these advantages placed before him and not realize their worth.

The following statements of the

former president of Bowdoin College, William DeWitt Hyde, puts the matter of college opportunity so forcibly that it seems well worth quoting. College students can use his statements as a measuring stick to see if they have gotten or are getting from their college course all that it is possible for them to get. Those high school students who plan to enter college next fall will do well to consider seriously just what the next four years has to offer them. Dr. Hyde says:

"To be at home in all lands and all ages; to count nature a familiar acquaintance, and art an intimate friend; to gain a standard for the appreciation of other men's work and the criticisms of your own; to carry the keys of the world's library in your pocket, and feel its resources behind you in whatever task you undertake; to make hosts of friends among your own age who are to be the leaders in all walks of life; to lose yourself in generous enthusiasms and co-operate with others for common ends; to learn manners from students who are gentlemen, and form characters under professors who are cultured—this is the offer of the college for the best four years of your life."

Do you really believe that you are getting or have acquired all of these elements from your college life?

"Unless the desire for peace be cherished, all artificial efforts will be in vain. Peace will come only under a reign of law based on righteousness and supported by the religious conviction of the brotherhood of man. Parchment will fail; the sword will fail. It is only the spiritual nature of man that can be triumphant."—Calvin Coolidge.

OTTERBEIN WOMAN'S CLUB. HOLDS JUNE MEETING SAT.

Presents Treasurer West With Check
For \$1250 As Final Pledge
To College.

The June meeting of the Columbus Otterbein Woman's Club held at the Westerville U. B. Church Saturday began with moanings and groanings—from tables too heavily loaded with delicious food contained in covered dishes. After the most delightful luncheon there followed a program which celebrated the final attainment of a goal set by the club four years ago. The goal was \$5,000 pledged to the Diamond Jubilee Fund of the college.

Mrs. Helen Ensor Smith, '18, the club's first president, spoke on the subject, "Backward Glances," and reminded the ladies of the efforts and struggles of the club at its beginning. Mrs. Mary Lambert Hursh, '07, presented her subject, "Where Angels Fear to Tread" in poetry which contained suggestions of bake sales, afternoon teas, green soap, stunt parties, and innumerable ideas that had been employed by the small number of women to raise \$5,000 for their Alma Mater. Mrs. Laura Smith Davis, '93, with another clever poem then presented Treasurer West with the final check for \$1250. Mr. West responded with a short address of appreciation for the work of the club and of the women who so many times had been benefactors of Otterbein. Mrs. Henrietta Dupre Leshner, '06, ended the formal program with "Forward Looks", suggesting and prophesying for the future. A group of college girls with stringed instruments entertained the club with several selections.

The new club officers were announced at this meeting. The club was delighted to learn of the election of Mrs. Elizabeth Cooper Resler, '93, to the presidency. She greeted the club in her characteristic way.

The cook books published by the club were first put on sale by the ladies at this meeting. Because of the worth of the book and the interest taken in it, its success is assured.

ALUMNALS

Several alumni have been visiting friends and relatives in Westerville recently.

Osborn L. Markley, '83, and family of Long Beach, California are visiting at the home of his brother, J. W. Markley.

Dr. Earl F. Bohn, '02, and wife of Lakewood, Ohio, spent a week-end with Mr. and Mrs. C. F. Williams, '10, Ex.

Dr. John W. Funk, '06, formerly an instructor of biology on the college staff and now a practicing physician in Wilkinsburg, Pa., and his wife who belongs to the class of '07, visited with Mr. and Mrs. Ira Barnes, '08.

An information card recently returned by George D. Bender Ex., of Seattle, Washington, was accompanied by a very interesting letter. A paragraph from the letter follows:

"You will notice also from the enclosed card that in the event that George L. Junior takes up a course of study at some future date that he will be the fourth generation of Georges from the Bender family that has attended school there. George Bender my grandfather, attended in the '40's or '50's; my father, George L. Bender sometime during the '70's and myself in 1905-08. We expect George Junior to attend sometime in the future, approximately 1937."

PAY YOUR PLEDGES!

The latter part of June or the early part of July will witness the assembling of a large number of conference officials, trustees, and friends on the Otterbein campus. It is the idea of President Clippinger that this group plan energetically to collect sufficient funds to meet the demands of the Rockefeller Foundation Board and secure the remainder of its gift to Otterbein. Approximately \$76,000.00 of that gift remains unclaimed and can only be secured by the collection of pledges amounting to approximately twice that figure made to the college during the Diamond Jubilee Drive. These additional funds added to our endowment assures some very necessary expansion in the college organization and must not be allowed to go uncollected.

MRS. EDNA HEISCHMAN TO BE TOASTMISTRESS OF ALUMNI BANQUET TO BE HELD ON JUNE 15

OUTGOING ALUMNI PREXY

A word of commendation and appreciation should be said for the work of the alumni council headed by the president of the alumni association, W. D. Kring.

Since the new program of the alumni association was adopted many problems of policy and detail were encountered. The members of the council gave much thought and time to the development of each item in the new program and to them is due the credit for anything that may have been started.

The council functions directly under the leadership of the president of the association and much appreciation is due him for the manner in which he conducted the business of the association.

The other members of the council are: the secretary of the association, Professor Louis A. Weinland; the president of the college, Dr. Clippinger; the dean of the college, Dr. N. E. Cornet; and the elected members, Misses Otis Flook and Boneta Jamison, and president A. T. Howard.

It is with sincere regret that we announce the death of L. L. Barnhard, of the class of '94.

WELL FITTED TO SERVE

Mr. Frank Wilsey and Mr. Frank Clements Also Slated to
Speak on Program.

The annual alumni banquet will be presided over by a toastmistress rather than a toastmaster this year.

The banquet committee has selected, and she has consented to serve, Mrs. Edna Bright Heischman, of the class of '16.

For several years Mrs. Heischman taught in the Westerville High School. She severed her connection with the school and returned to her home city of Findlay, Ohio. She became interested and active in the political affairs of her local county and is now serving her community in the capacity of clerk of courts of Hancock County.

The toastmistress is particularly well fitted to handle the alumni banquet. The spirit of the occasion will be enhanced by her ability to keep things moving. The banquet promises to be more lively and much less lengthy than usual.

Mr. Frank D. Wilsey, '76, and the president of the Board of Trustees, Mr. Frank Clements, '9, have consented to speak. With these three people as a nucleus for the banquet program the success of the occasion is assured.

CAPTAIN STOUGHTON SHATTERS 440-YARD DASH RECORD AT BIG SIX MEET MAY 29

OTTERBEIN FINISHES SIXTH

Pinney Breaks Tan High Jump Record —Myers Places Second in Pole Vault.

Otterbein finished sixth in a meet of seventeen Ohio Conference colleges at the 24th annual Ohio Conference track meet with a total of 16½ points. Miami won the meet with 50 points. The schools finished as follows: Miami 50, Wesleyan 34½, Case 33, Oberlin 28, Cincinnati 23, Otterbein 16½, Denison 9, Akron 9, Ohio Northern 8, Wooster 7, Hiram 3, Ohio University 2, Wittenberg 2.

The meet was held at Oberlin for the first time in the history of the conference. The meet was the fastest of any so far and was well run off by the officials in charge.

Captain Stoughton completed three years of conscientious work on the track by winning the 440-yard dash in the record time of 49.4 seconds. In the preliminaries on Friday he set an Otterbein record in the 220-yard dash when he won the second heat in the fast time of 21.5 seconds. The finals in the 220 were not more than twenty minutes after the finish of the 440. In addition to the above named records "Doc" has a tie for the Otterbein record in the 100-yard dash at 10 seconds flat.

The Cleveland Plain Dealer has this to say about the quarter, "The Oberlin flash and conceded favorite, Dutch Harrar, took a surprising trimming in the 440 from Captain Stoughton, Otterbein's grand little runner. Observers who saw Stoughton lead Harrar in the preliminaries yesterday (Friday, May 28) thought it might be a flash. Today Stoughton ran Harrar out on the home stretch to set an Ohio 440 record at 49.4 seconds."

In addition to Captain Stoughton's two records one other was broken officially and two more unofficially. Captain-elect Pinney high jumped five feet eleven and a quarter inches to take second place in the event as well as to break the Otterbein record of 5 feet 9½ inches held by himself.

In the low hurdle preliminaries Coach Ditmer held a watch on Widdoes and caught him in at 26.5 seconds. The record will not stand however as only one watch was used. The present record of 27.1 seconds is held by Widdoes and Anderson, '24, jointly.

Storey ran the half mile in two minutes, one and one-tenth seconds to win the fifth place. This record will not stand either because there was only one timer.

The summary of the events in which an Otterbein man placed follows:

440-yard dash—Stoughton (Otterbein) 1st, Dewitt (Case) 2nd, Harrar (Oberlin) 3rd, Pohlman (Wesleyan) 4th, Archer (Wesleyan) 5th. Time—49.4 seconds. (New Ohio Conference record).

Pole Vault—Johnson (Akron) 1st, Meyer (Otterbein), Mills (Miami)

A highly appreciative audience heard the graduating recital of Lenore Smith, soprano, in Lambert Hall last Wednesday evening. The program was well balanced, and the numbers sung in a pleasing manner. Two selections in French and an aria from Carmen were included in the program which was climaxed by Zardo's "To the Angels" sung with organ and cello accompaniment. Mildred Wilson acted as pianist.

Children Present Program.

A very pleasing recital was given in Lambert Hall May 27 by beginning and elementary students of the conservatory. About forty children took part. The program included piano and violin solos, folk dancing, and a piano quartet.

Reeble (Miami), tied for second; Widdoes (Otterbein) and Burriff (Wesleyan) tied for fifth. Height—12 feet 2¾ inches. (New record since Ohio State withdrew from active competition in the Ohio Conference in 1923.)

880-Yard Run—Harrar (Oberlin) 1st, Weil (Miami) 2nd, Crothers (Wooster) 3rd, Watters (Oberlin) 4th, Storey (Otterbein) 5th. Time—1 minute, 57.6 seconds.

High Jump—Byrns (Case) 1st, Pinney (Otterbein) 2nd, Behan (Denison), Lewis (Wesleyan), James (Wittenberg), tied for third. Heights—6 feet, 1 5-16 inches. (New record).
