Sibyl 1964

Men to match the times

If asked what the purpose of a college is, one immediately replies, "To prepare a young person for his life's vocation." A standard answer, to be sure, but one which hides the many and various results of four years of living in the college community.

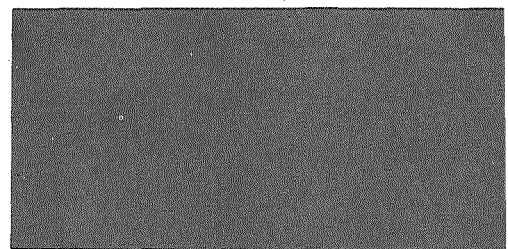

Here at Otterbein, administrators and professors strive to prepare students to face the life which they will be expected to live as col-

lege graduates in four ways—spiritually, mentally, physically, and socially. As a result, Otterbein graduates have proven successful in a wide range of professions and have carried the name of Otterbein to many parts of the world.

In the pages which follow, the 1964 Sibyl staff hopes to illustrate how Otterbein produces the *men to match the times*.

Professor Emeritus John F. Smith enjoys a chat with Miss Joann VanSant, Dean of Women, at the May Day festivities.

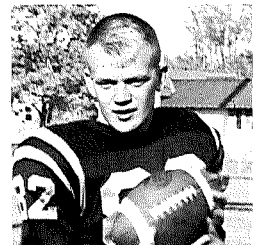

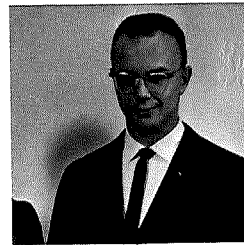

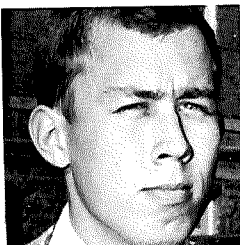

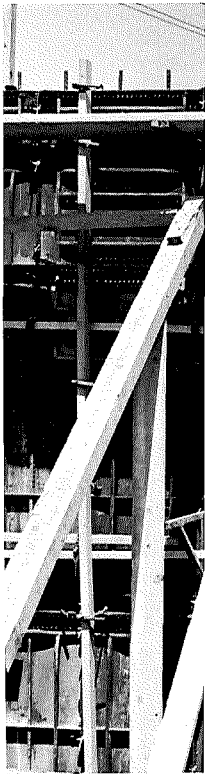

..... *The man of the hour, the man*

The man of the hour, whether he be a young football player helping his team to victory, a professor arranging a schedule for a student, or a construction worker rushing to complete a Campus Center by a given deadline, must have particular characteristics in order to be successful.

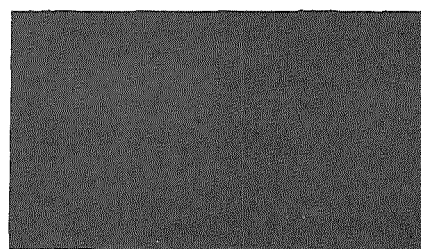

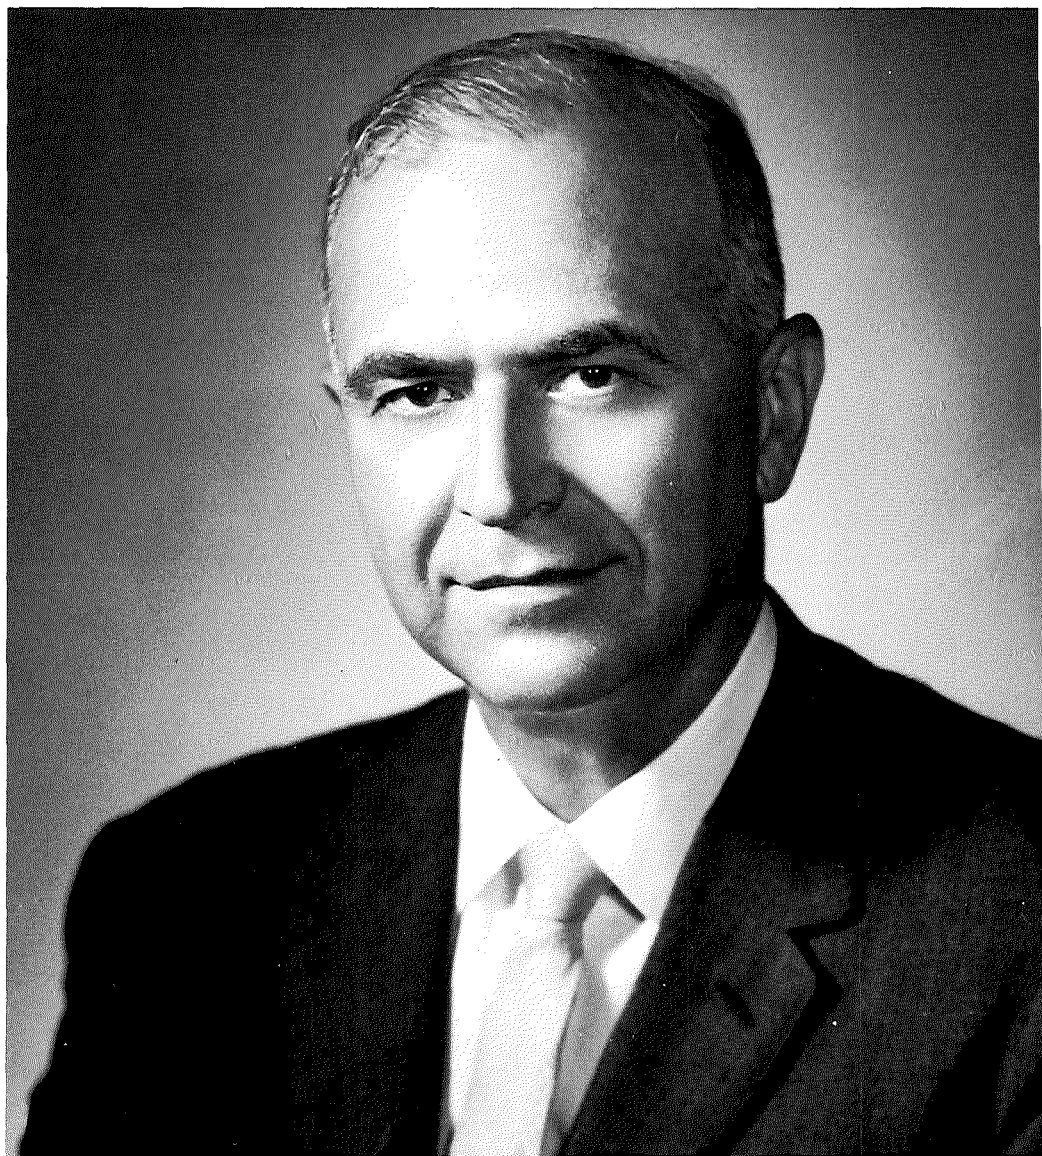

He must, first of all, choose a goal and have the desire to reach his goal. Secondly, he must be able to see the innumerable ways of attaining that goal and choose the way that will be best for him. Then,

too, he must have a certain amount of patience in order to remain with the task at hand. When working with others he must be able to both give and take directions and be pleasant to his fellow workers.

The Sibyl's "Men of the Year" were chosen because they have proven that they have successfully carried all of these characteristics, both in college and in their chosen professions. Representative of these successful Otterbein graduates is Louis W. Norris, President, Albion College, Albion, Michigan.

of the year

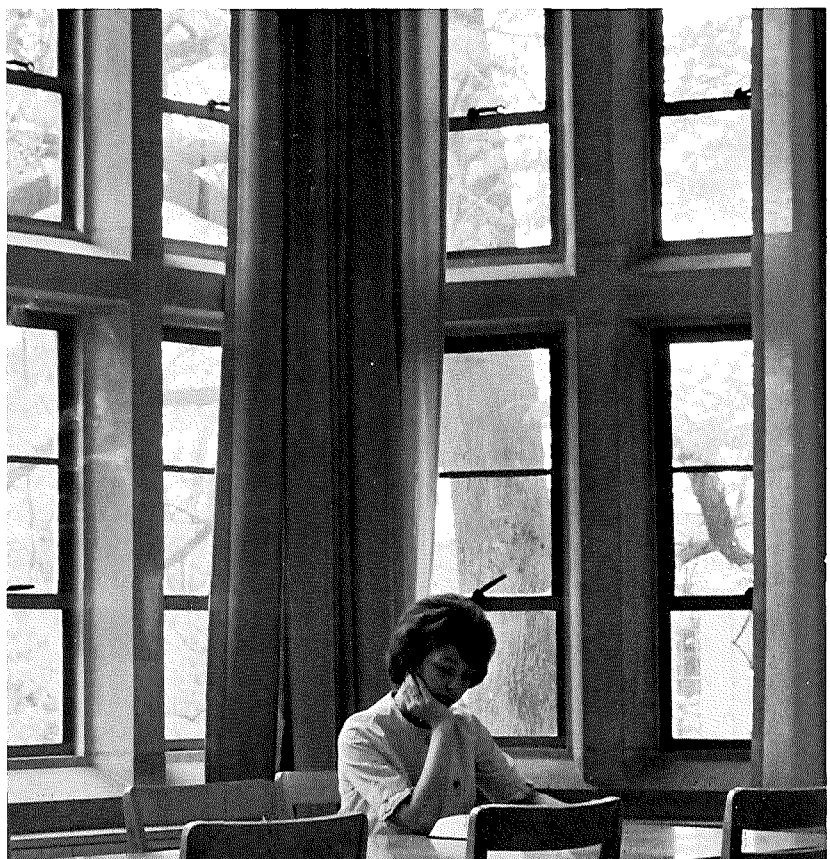

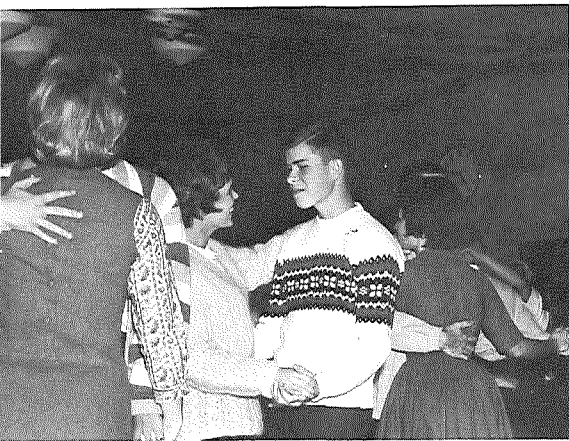

A Man for all things

The founders of Otterbein University, later changed to Otterbein College, believed in preparing students for all phases of life. As a result, the curriculum of the school was designed to cover a wide range of subjects and the school was divided into five divisions. These divisions are the Language and Literature Division, the Fine Arts Division, the Social Studies Division, the Science and Math-

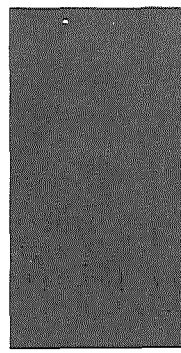

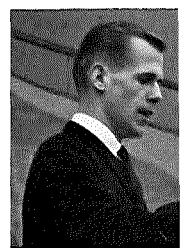

ematics Division, and the Professional Studies Division.

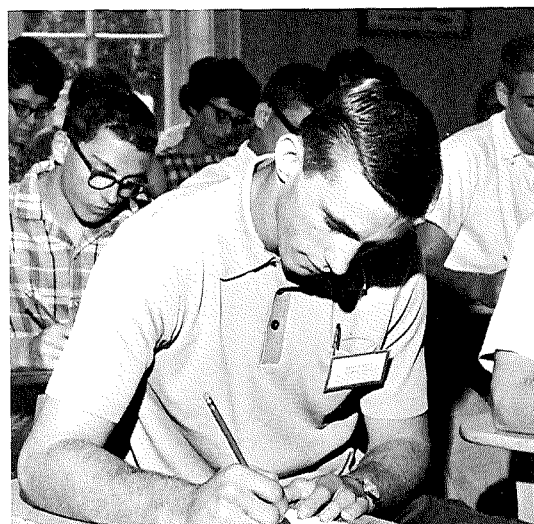

Today, the college supplements the academic activities with social activities, realizing the student's need in acquiring the necessary social graces and his need for an occasional diversion from the ever-present and ever-demanding study session.

This picture, taken at the Benjamin Hanby Historical Museum, is representative of the five divisions of the college: Language and Literature Division—the quill pen; Fine Arts Division—the original copy of Hanby's

"Darling Nelly Gray;" Social Studies Division—the gavel; Science and Mathematics Division—the mortar and pestle; Professional Studies Division—the candle or "light of learning."

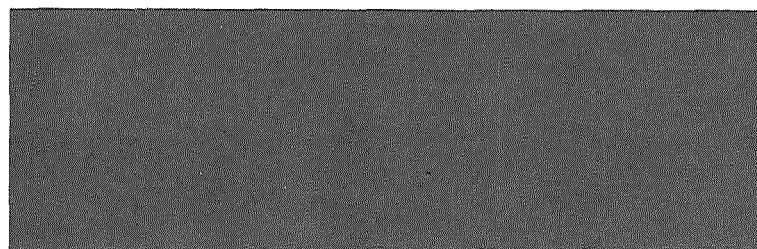

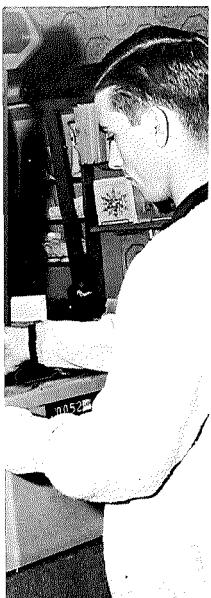

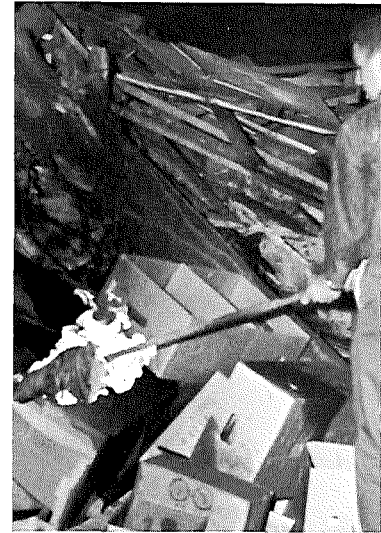

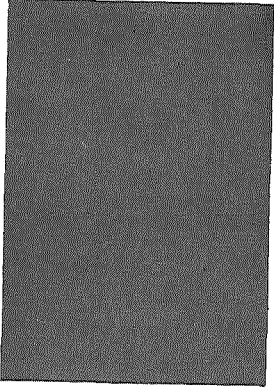

Freshman Week

Traditionally, the freshman class—this year's three-hundred sixty three strong—arrived on campus apprehensive of things to come. Some of their qualms were dispelled, however, upon meeting their junior counselors and advisers, and others as they discovered the results of the battery of tests that they were subjected to during the first three days before registration. The frosh became more enthusiastic as they prepared for registration and began to get acquainted with each other and the campus, and soon they began to feel like full-fledged freshmen as they worked together to present an outstanding talent show on the night the upperclassmen returned.

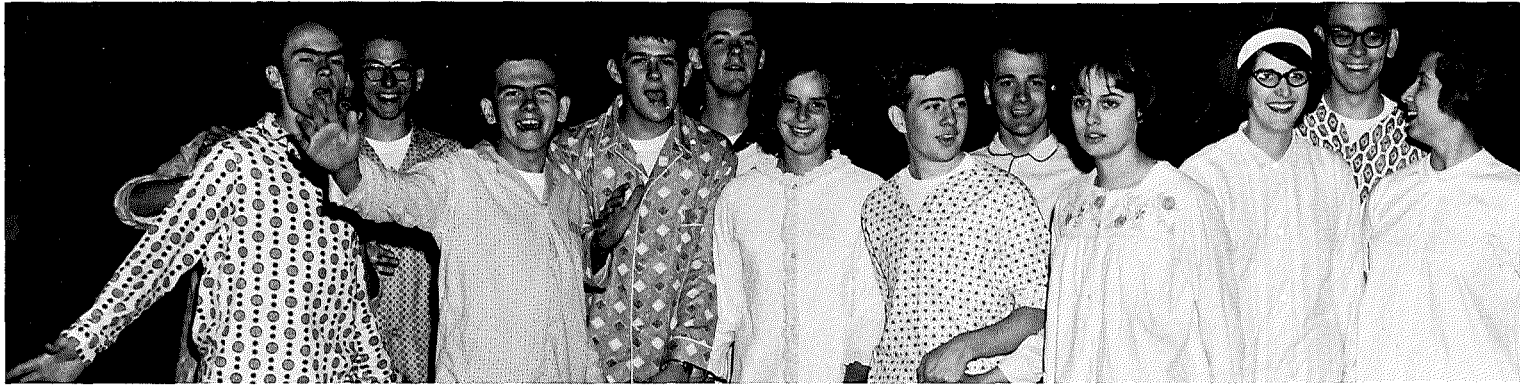

The Big Bonfire

One of the most anxiously awaited traditions of the school year is the freshman bonfire. The freshmen, trying hard to build a bigger and better bonfire than the sophomores had the year before, spent the Friday afternoon before the first home football game gathering wood and other combustible material and carrying it to the park where Student Senate members instructed them in the art of building a bonfire.

That evening, dressed in their best pajamas, the more-than-curious and slightly frightened frosh lined up in front of King Hall for their snake dance to the bandshell. Jeered by

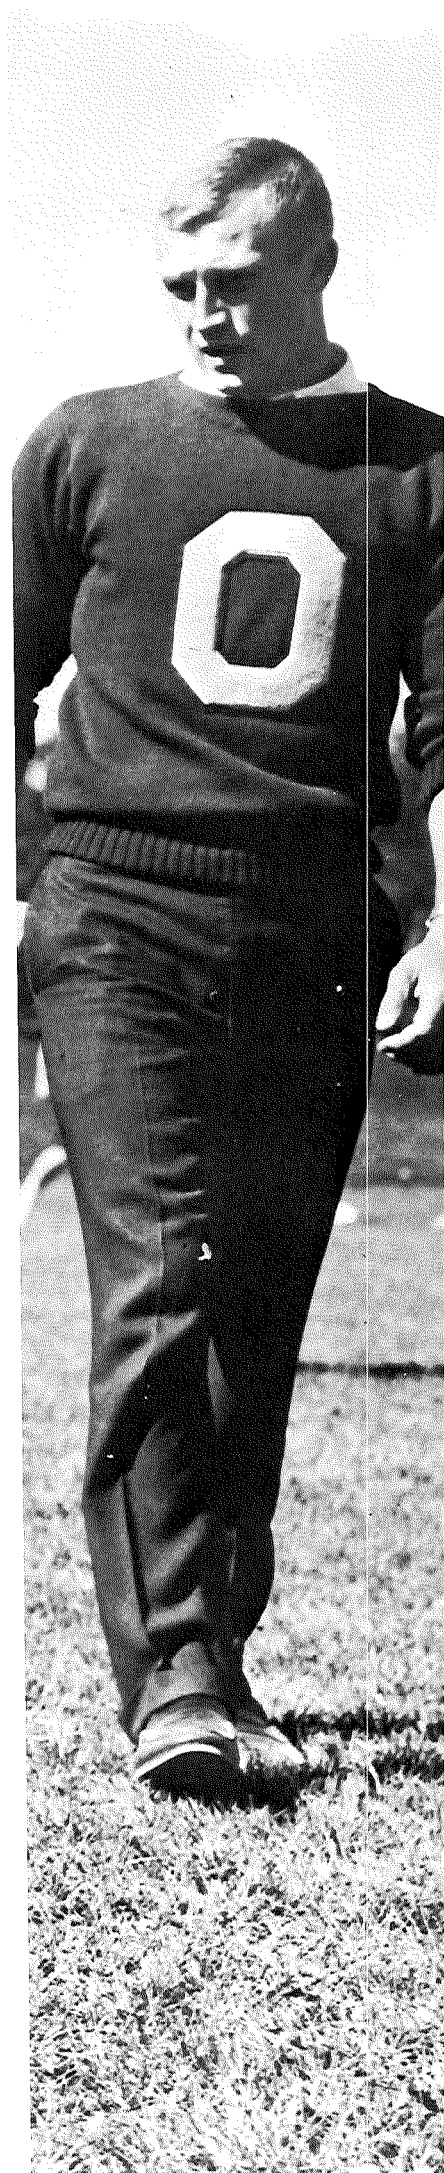

the sophomores, the freshmen yelled enthusiastically at the pep rally and cheered with satisfaction at the announcement of hard working Beanie King and Queen George Biggs and Karen Steiner.

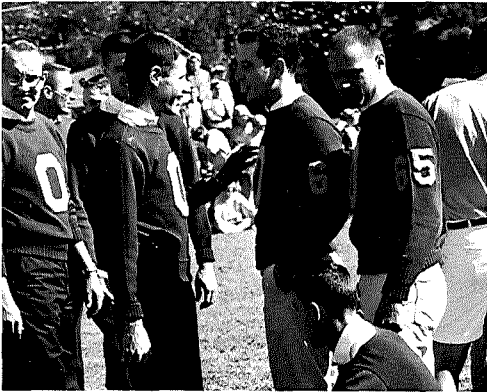

The flames of the bonfire, which had been lighted by sophomore class president Keith Jarvis, danced brightly as the frosh ran around the fire, cheering and singing the college songs. To complete the evening, the snake line, led by Student Senate president Dale Smith, wound its way through town and ended the festivities by "crashing" the local theater.

Scrap Day

Under the supervision of Varsity "O" and the Women's Athletic Association, the freshman and sophomore classes battled in seven events to determine whether or not the frosh would continue to wear their beanies. The freshman girls met their rivals in relays, softball, and canoeing, while the boys tested their skills at relays, a sack race, and the traditional tug-of-war across Alum Creek. The co-rec volleyball game also added to the excitement of the day. As a result of the sophomore's victory, the freshmen sadly accepted the announcement that beanies would be worn three more weeks.

Shown here are Queen Jill and her court as seen at the football game. Left to right they are: Susan Taylor, Arcady; Jane Vorpe, Owls, Ruth Collins, Maid of Honor, Talisman; Queen Jill Jenkins, Greenwich; Becky Keister, First Attendant, Arbutus; Edith Sheets, Deltas; Marilyn Marsch, Kappas.

Homecoming

With the late October weather beautifully obliging, Homecoming 1963 was an exciting and eventful day. Because of the thirtieth anniversary of Homecoming on Otterbein's campus, all of the past queens were invited to participate in the events of the day. Eighteen returned and were feted at a coffee hour before the morning parade. The largest Homecoming Parade in Otterbein's history wound through the streets of Westerville with Queen Jill Jenkins, Theta Nu, and her court smiling and waving happily to the crowd.

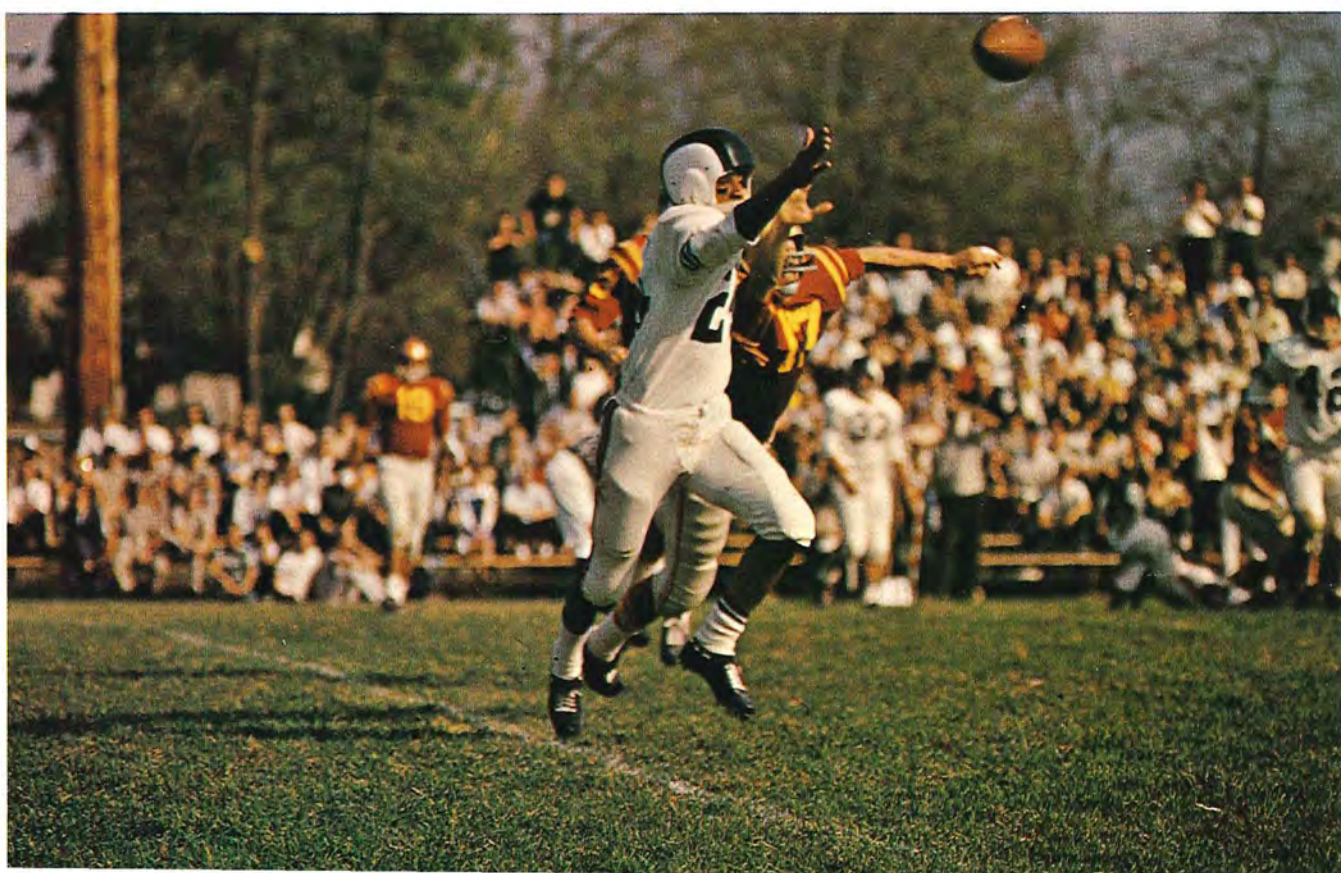

Homecoming, at Otterbein, is perhaps one of the biggest and most important events of the year. Early in the school year each sorority elects a sophomore member as its candidate. In the weeks which follow, each candidate is interviewed for the campus newspaper. At the same time the candidate's sorority sisters are preparing a serenade for her to be presented in Cowan Hall the night before the big election. The Monday morning of the election finds each candidate on stage in chapel being interviewed by the Student Senate president. The announcement of the queen is made the following Friday in the T & C.

Homecoming

The excitement of the half-time ceremonies grew as Queen Jill performed her first official duty and announced the winners of the float contest. This year's winners were Kings Fraternity, Grand Prize and first in the fraternity contest, and Greenwich Sorority, first in the sorority contest. Homecoming Chairman, Jerry Wassem, then presented the past queens to the crowd. Then, on with the game!

Nineteen past homecoming queens took part in the day's activities.

Queen Jill waves a happy hello.

Miss Tan and Cardinal—Sharon Banbury

The 1964 Interfraternity Dance was held at the Youth Center on the Ohio State University Fairgrounds. The music for the dance was provided by the big-band sounds of Warren Covington and his band. The highlight of the dance was the annual Miss Tan and Cardinal Contest sponsored by the weekly newspaper. Johnny Martin, disc jockey for WRFD,

handled the task of interviewing the candidates. After the judges announced Sharon as the winner she was crowned by Joann Warren, 1963 Miss *T & C*, presented a trophy and a dozen red roses by Wally Beck, editor of the *T & C*, and presented a charm bracelet by Dick Reynolds, president of Zeta Phi, the fraternity which sponsored her.

The candidates for Miss Tan and Cardinal of 1964 were Ann Lawther representing Pi Beta Sigma Fraternity; Sherry Brooks, representing Pi Kappa Phi Fraternity; Miss Tan and Cardinal of 1963, Joann Warren; Sharon Banbury, representing Zeta Phi Fra-

ternity; Laurie Elwell, representing Lambda Gamma Epsilon Fraternity; Mary Jo Allen, representing Sigma Delta Phi Fraternity; and Barb Billings, representing Eta Phi Mu Fraternity.

Winter Princess Kathy Shuck

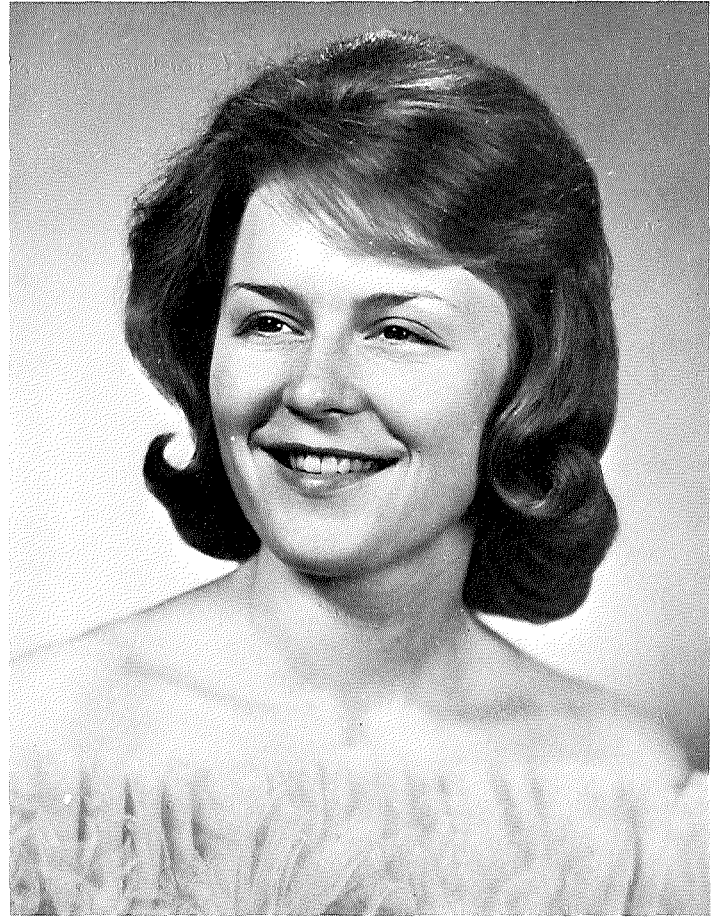

The excitement of selecting the Winter Princess is equaled by no other contest on campus. The Varsity "O" members vote on the senior girls who have never been queen before and select a princess, a maid of honor, and a first attendant. The announcement of their selections is kept a secret until halftime of the homecoming game. Then the searching spotlight sweeps over the crowd until, one by one, the princess, maid of honor, and first attendant have been found in the audience and escorted to their places of honor for the remainder of the game. A dance is always held following the game in honor of the princess and her attendants.

Shown here are Claudia Smith, First Attendant, Kathy Shuck, Winter Princess, Nancy Staats, 1963 Winter Princess, and Diana Darling, Maid of Honor.

Miss Heidi Olbrich Queen of the May

MISS SUE LANG, Maid of Honor

The May Day festivities are always one of the highlights of the year. This year was no exception. Following tradition, the freshman Maypole dancers opened the program which was soon to be followed by the crowning of a new queen. The pages took their places and the procession began. First to come through the arches was Mary Ellen Hull, Second Attendant. She was followed by Betty Powers, First Attendant and Sue Lang, Maid of Honor. At last, the new Queen of the May, Heidi Olbrich wound her way through the arches to take her place at the throne. Sally Banbury, 1963 Queen of the May, crowned her successor and took her place with the court. The Queen and her court were guests of honor throughout the remainder of the program and, later that evening, at the play "The Bov Friend" and at the dance.

The Sibyl Proudly Presents

Miss Bonnie Steele

Each year, the staff members for the Sibyl choose a senior girl whom they feel best represents the true Otterbein spirit. This girl may never have been a queen before, and she must have exemplified high ideals in many activities during her college career. As for "many activities," Bonnie Steele has had more than her share of responsibilities in the past four years. This year alone, Bonnie serves as president of the Women's Student Government Board, chairman of the Student Welfare Committee for Student Senate, and a representative from Theta Nu sorority to Panhellenic Council. Is it no wonder, then, that this was the second year in a row for Bonnie to be selected for "Who's Who Among Students in American Universities and Colleges?" We are proud of our queen, and we are sure that all those who have ever known Bonnie are proud to say that they know her. Congratulations, Bonnie!

As a member of the A Cappella Choir, Bonnie has toured with the group to Pennsylvania, New York City, and Washington, D.C.

Arnold Air Society Angel Flight

The Angel Flight was newly organized this year and consists of all former AFROTC Corps Sponsors. There are twenty-five girls in the flight this year. Angel Flight activities included a visit to Lockbourne Air Force Base, selling donuts and coffee to make money to adopt a child overseas, a visit to Washington, D.C., and learning drill procedures. Gene Gangl is AFROTC advisor to the group.

Artists' Series

LEFT: The famed Circle in the Square Theater presented Pirandello's "Six Characters in search of an Author" on Friday, November 8th. Their presentation had previously won the famed Obie Award for the best production of an Off-Broadway play, and won accolades from the New York Times for capturing "... the humanity, wonder and humor of Pirandello's best-known play."

BELOW: On Saturday, October 12th, a concert performance of "La Traviata!" was presented by the Columbus Symphony Orchestra and the Otterbein A Cappella Choir. Guest soloists were Richard Miller, tenor, and Audrey Nossaman, soprano. First performed in 1853, Verdi's work is one of the most popular works of the entire operatic repertory.

Evan Walen conducts the Columbus Symphony Orchestra.

RIGHT: The American Jazz Ensemble presented a program of contemporary music followed by jazz renditions. Widely known for their skill, ideas, and good musical taste, the ensemble's program included a wide variety of compositions and improvisations.

LEFT: The New York Pro Musica, world's best known performers of medieval, renaissance and baroque music, presented a concert on Wednesday, April 22nd. This group provides concert audiences with a unique opportunity of hearing glorious musical masterpieces of an age that produced such giants as Shakespeare, da Vinci, and Dante.

ABOVE: The National Players, international touring company from Catholic University, presented Shakespeare's great comedy, "Taming of the Shrew," on the Cowan Hall stage, April 16th. Unique on the American scene, having toured classics since 1949, the Players company is now in its fifteenth international touring season.

Christmas on Campus

Students enjoy their visit with the Turners at Howard House.

Many students enjoyed the carol-sing at Cowan.

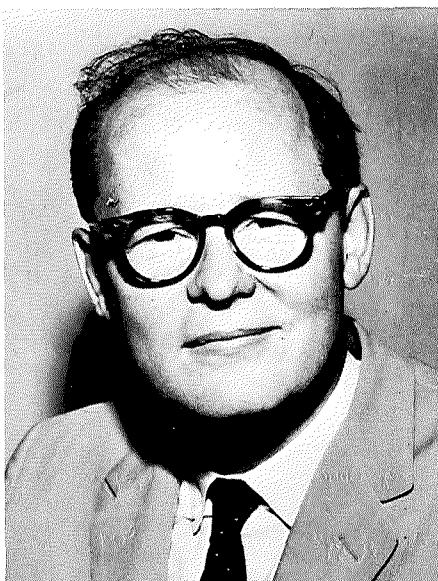

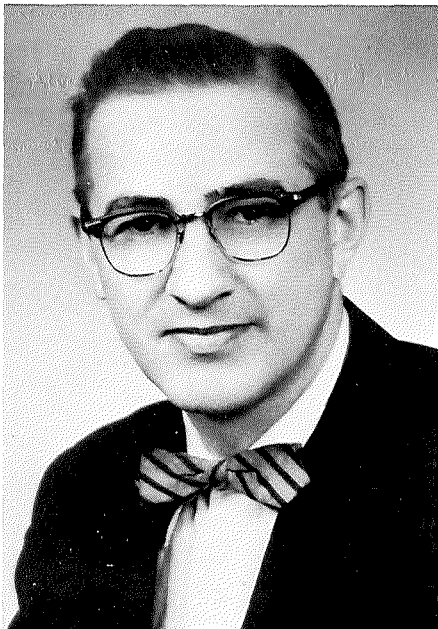

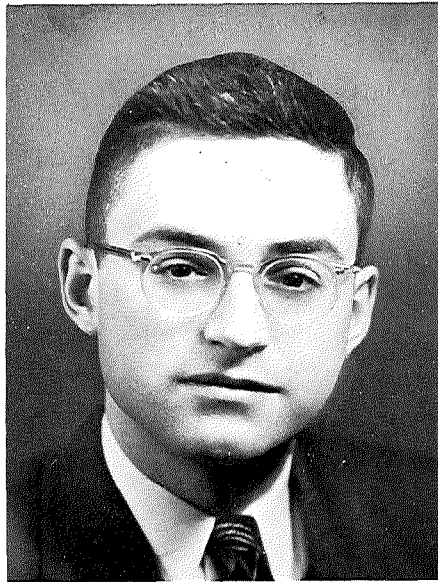

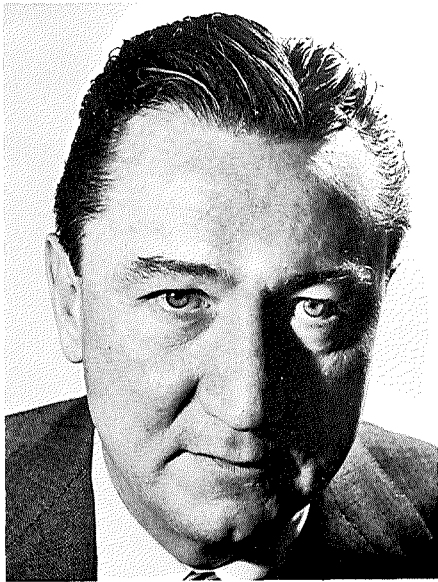

Christmas on campus is always an enjoyable time. Parties are numerous, but the favorite one is the All-Campus Christmas Party. The night before vacation professors open up their homes to students for refreshments and conversation. After the program in Cowan Hall, students make the rounds visiting their favorite profs and caroling the townspeople. The party always ends in Barlow with more carol-singing and more refreshments.

Townspeople, students and faculty braced the cold for the tree-lighting ceremony.

Lectures and Films

The Lecture Series was instituted in 1962-1963 as a method of bringing to Otterbein College nationally-known speakers in all areas of study. The programs are offered free to the campus and community alike and all interested persons are invited to attend without charge. The areas represented by the speakers are rotated annually.

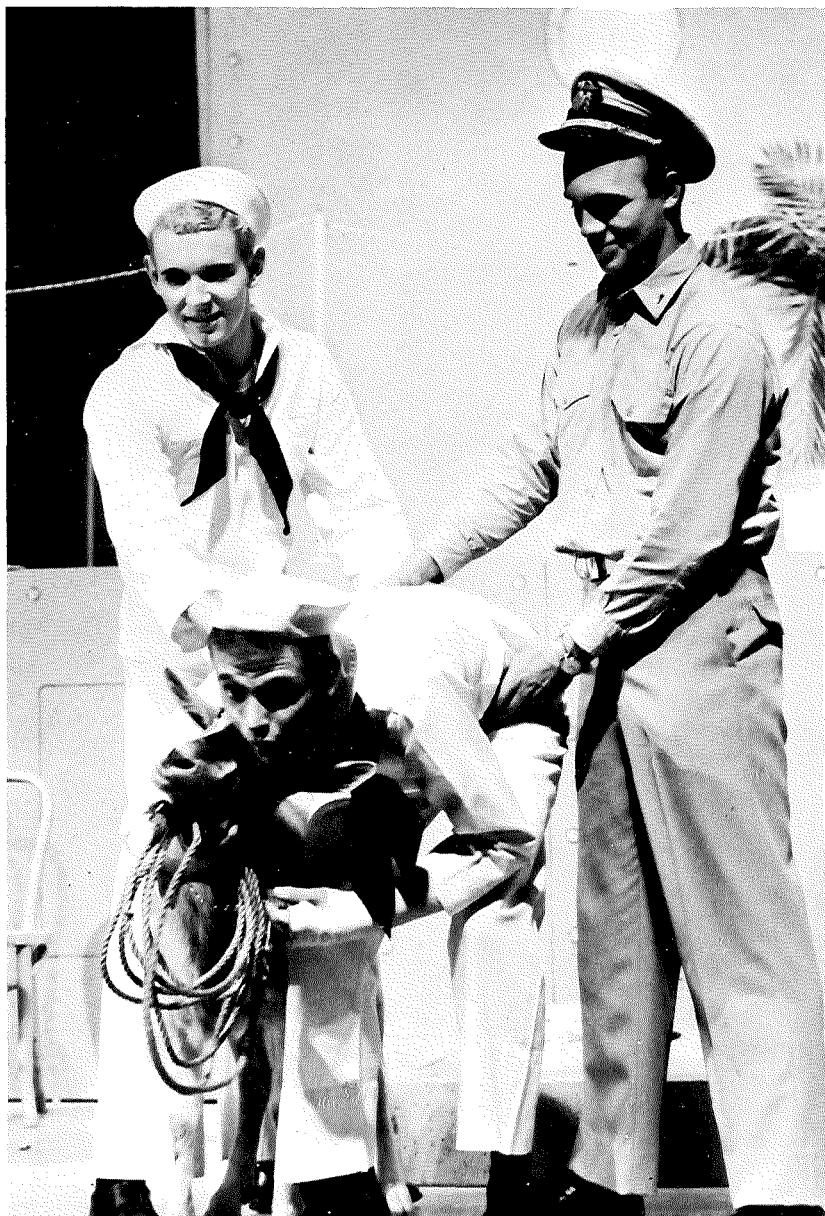

Ensign Pulver, Mr. Roberts, and "Doc" try a drink of home-made Scotch.

Gordon Cook and Ken Smith lend a hand to Mike Doney and his goat, "Property of...," after a liberty.

Dramatic Productions

The Otterbein Theater Department sets professional standards for all student productions. Under the leadership of Professor Chuck Doddrell and Professor Fred Thayer, students learn about the various phases of theater. Mr. Doddrell directs the productions, while Mr. Thayer directs the constructing of the set. Each is outstanding in his field and Otterbein students feel very lucky to study theater under such capable instructors. The theater department, this year, presented "Mr. Roberts," "Gigi," a Shakespearian production directed by a guest director, and "The Boyfriend." "The Boyfriend" will tour the Northeast Command this summer.

Dramatic Productions

Frances Wellons and John Duval enjoy a friendly quarrel.

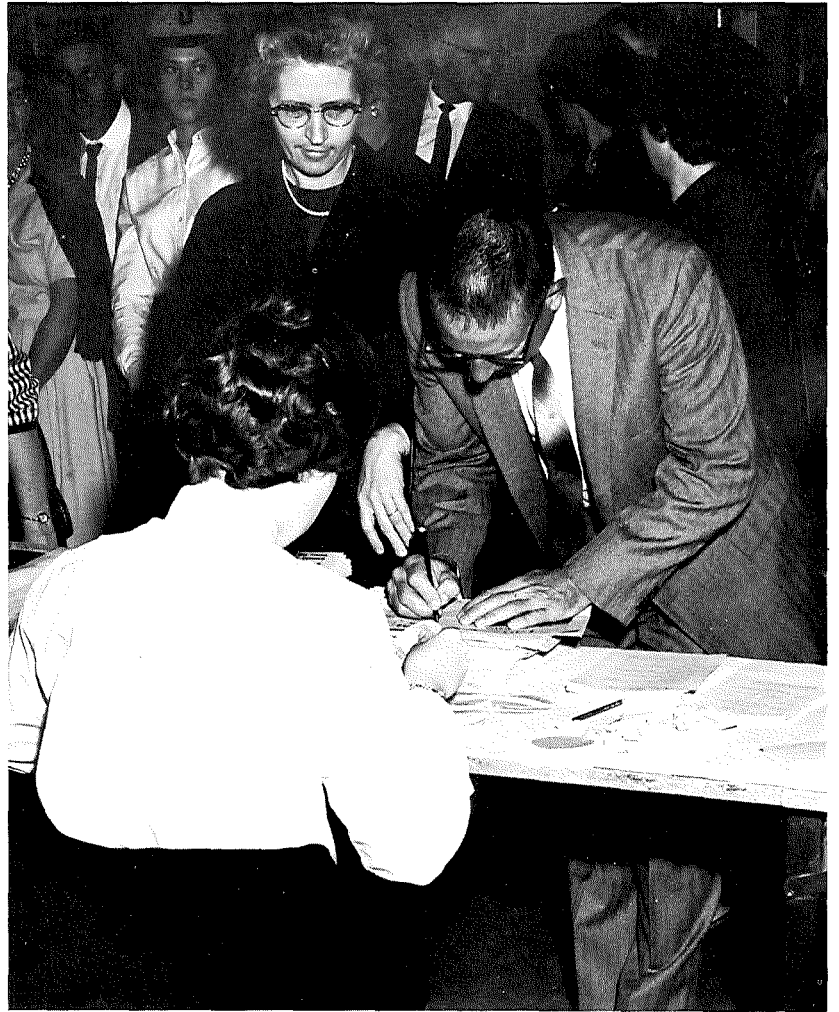

Aunt Alicia teaches Gigi all about carats.

Dr. Turner congratulates Mr. and Mrs. R. W. Smith, Parents-of-the-Day.

Parents' Day

The traditional Parents' Day opened with a coffee hour and registration period during which the T & C's were distributed. During the program of entertainment which followed, Mr. and Mrs. R. W. Smith, parents of Ken Smith, were named Parents-of-the-Day. After an afternoon of visiting with son or daughter, viewing the concert production of "La Traviata," and visiting the fraternity house or sorority room, the parents went to the football game. There, Mr. and Mrs. Smith were presented with a plaque and a dozen roses by Joann Warren, T & C Queen, and Dale Smith, Senate President.

Hootenanny

The second annual Student Senate Special Event this year was a hootenanny featuring The Highwaymen, The Harmonaires, and The Keystone Brothers. The well-attended event was enjoyed by all, but most agreed that the highlight of the evening was the informal reception in the Association Building after the show. There the performers mingled with the college students and, occasionally broke into a bit of informal entertainment.

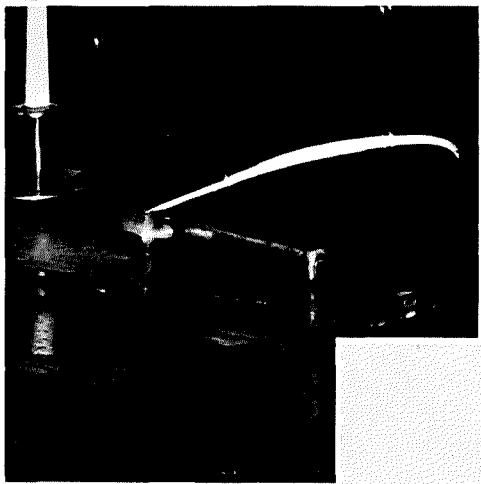

The Highwaymen perform for a packed house.

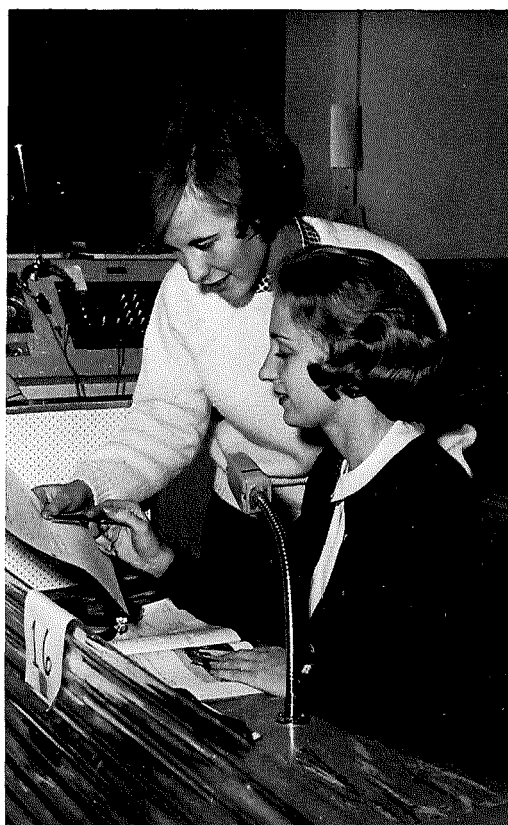

Language and Literature

Professor of French at Otterbein College and author of *Je Parle Francais*, Dr. LaVelle Rosselot has dedicated her life to finding better methods of teaching French to American students. Her development of *Je Parle Francais* is a logical outgrowth of her desire to give her students a living language experience—to bring her native France vicariously to them through the creative use of the media of film and tape and text. Dr. Rosselot is generally acknowledged to be one of the top ten language methodologists in the United States and Canada.

Lois Gannett, Mary Lou Helford, and Thalia Nikides rehearse for "Gigi." All theater productions come under the direction of the theater department, which, in turn, comes under the Language and Literature Division of the college.

To be eligible for membership, a student must work for points in the various productions.

In the "Green Room" during a note-giving session are Ken Smith, Carol Darling, Carol Alban, Prof. Chuck Dodrill, Prof. Fred Thayer, and Charlotte Durkin.

WOBN

Founded in 1958, Otterbein's FM radio station serves Otterbein, Westerville, and the surrounding area. Located in the basement of Cowan Hall, WOBN broadcasts from seven o'clock to eleven o'clock each night. Approximately forty Otterbein students operate the station.

In the control room are Ted Baranet, Dave Orbin, and Keith Kaufman.

Debate Team

In cooperation with Pi Kappa Delta, the Otterbein Debate Team sponsored the annual Holiday Debate Tournament and invited other colleges to participate. Otterbein, in turn, travels to other schools for tournaments. Under the leadership of Dr. Grissinger, debate gives speech majors and other interested students the chance to express themselves in competition for credit and experience.

Pi Kappa Delta

Linda Snyder, Karla Hambel, Mary Hall, Dini Fisher, Jack Wright, Thalia Nikides, John Nelson, Sandy Bennett, Ken Smith, and Dr. Grissinger are members of Otterbein's chapter of Pi Kappa Delta, a national forensic honorary fraternity. Pi Kappa Delta was founded under the auspices of furthering the student's interest in intercollegiate debate, public speaking, oral interpretation, oratory, and extemporaneous speaking. Pi Kappa Delta sponsors the annual Holiday Debate Tournament at Otterbein.

Members of the editorial staff are Jeanie Pfleger, Sally Landwer, Howard Russell, Bill Craig, and Carolyn Van Asdale.

Other staff members are Sue Lindley, Tina McCune, Peg Haneke, Esther Burgess, Marcia Hopple, Bill Craig, Emily Smith, and Terry Dillon.

Working on the T & C staff are Bev Irwin, Reggie Farrel, Elaine Mollencopf, Patti Schuller, Ken Anderson, Dave Chan, Bobbie Kobs, Clifford Spohn.

Tan and Cardinal

Every week the Tan and Cardinal publishes opinions, humor, news, editorials, greek notes, sports, and reviews to keep students and faculty well informed. The completely student operated staff carries on all activities and duties of publication—reporting, editing, and business managing. Mr. Craig Gifford of the Information Office serves as adviser. The staff has an annual banquet and sponsors the annual freshman beauty contest—the Miss T & C Contest.

The editor's job is a tiring and time-consuming job, but editor-in-chief Wally Beck seems to be enjoying this conversation.

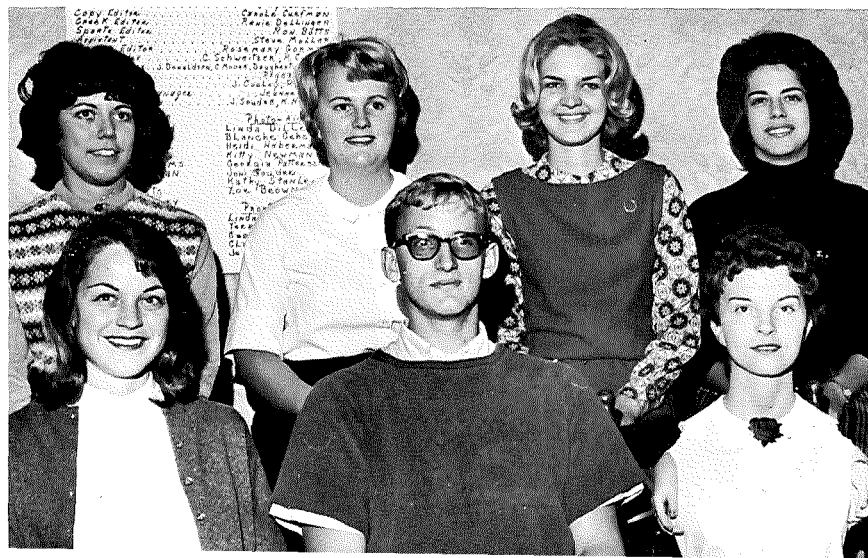

The make-up staff unselfishly devotes its Wednesday evenings to putting the T&C together.

Such is the case of Joni Souder—Student Index, Frank Dustman—Copy Co-Editor, Karla Hambel—Student Index, Jeanne Jacobs—Distribution, Phyllis Noll—Assistant Editor, Carol Schweitzer—Senior Index, and Carole Curfman—Copy Co-Editor.

Sibyl Staff

Editor Pat Smith busily prepares assignments for the next deadline.

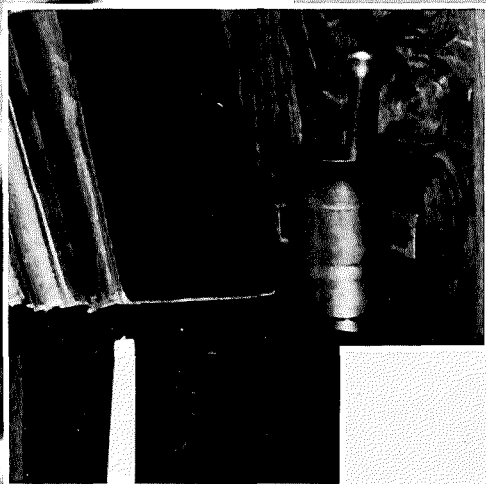

Putting a yearbook together demands the concentrated efforts of each individual staff member. Copy writers, photo aids, typists, photographers, and layout artists must complete their assignments on time so the pages can be submitted to the proofreaders for the final

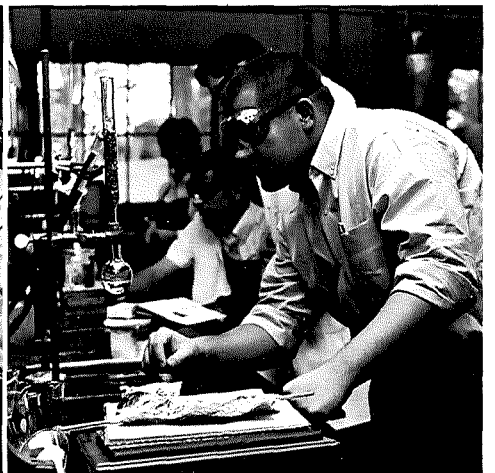

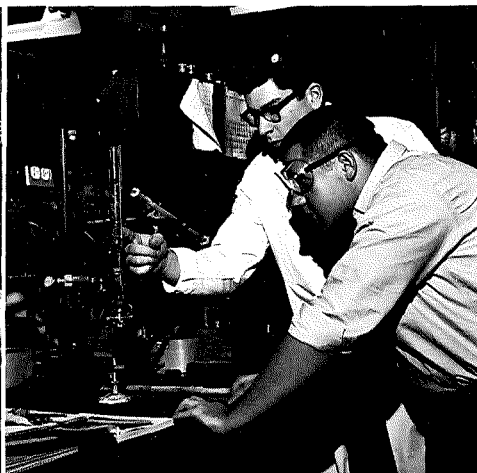

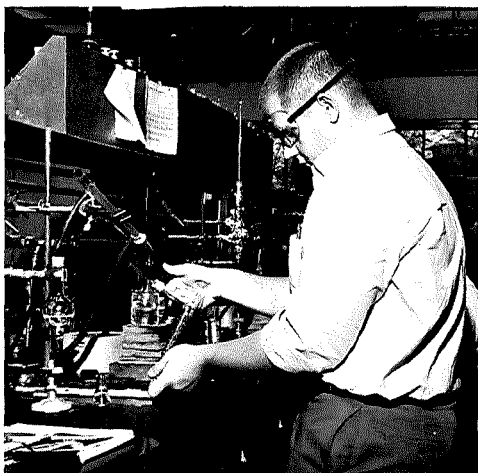

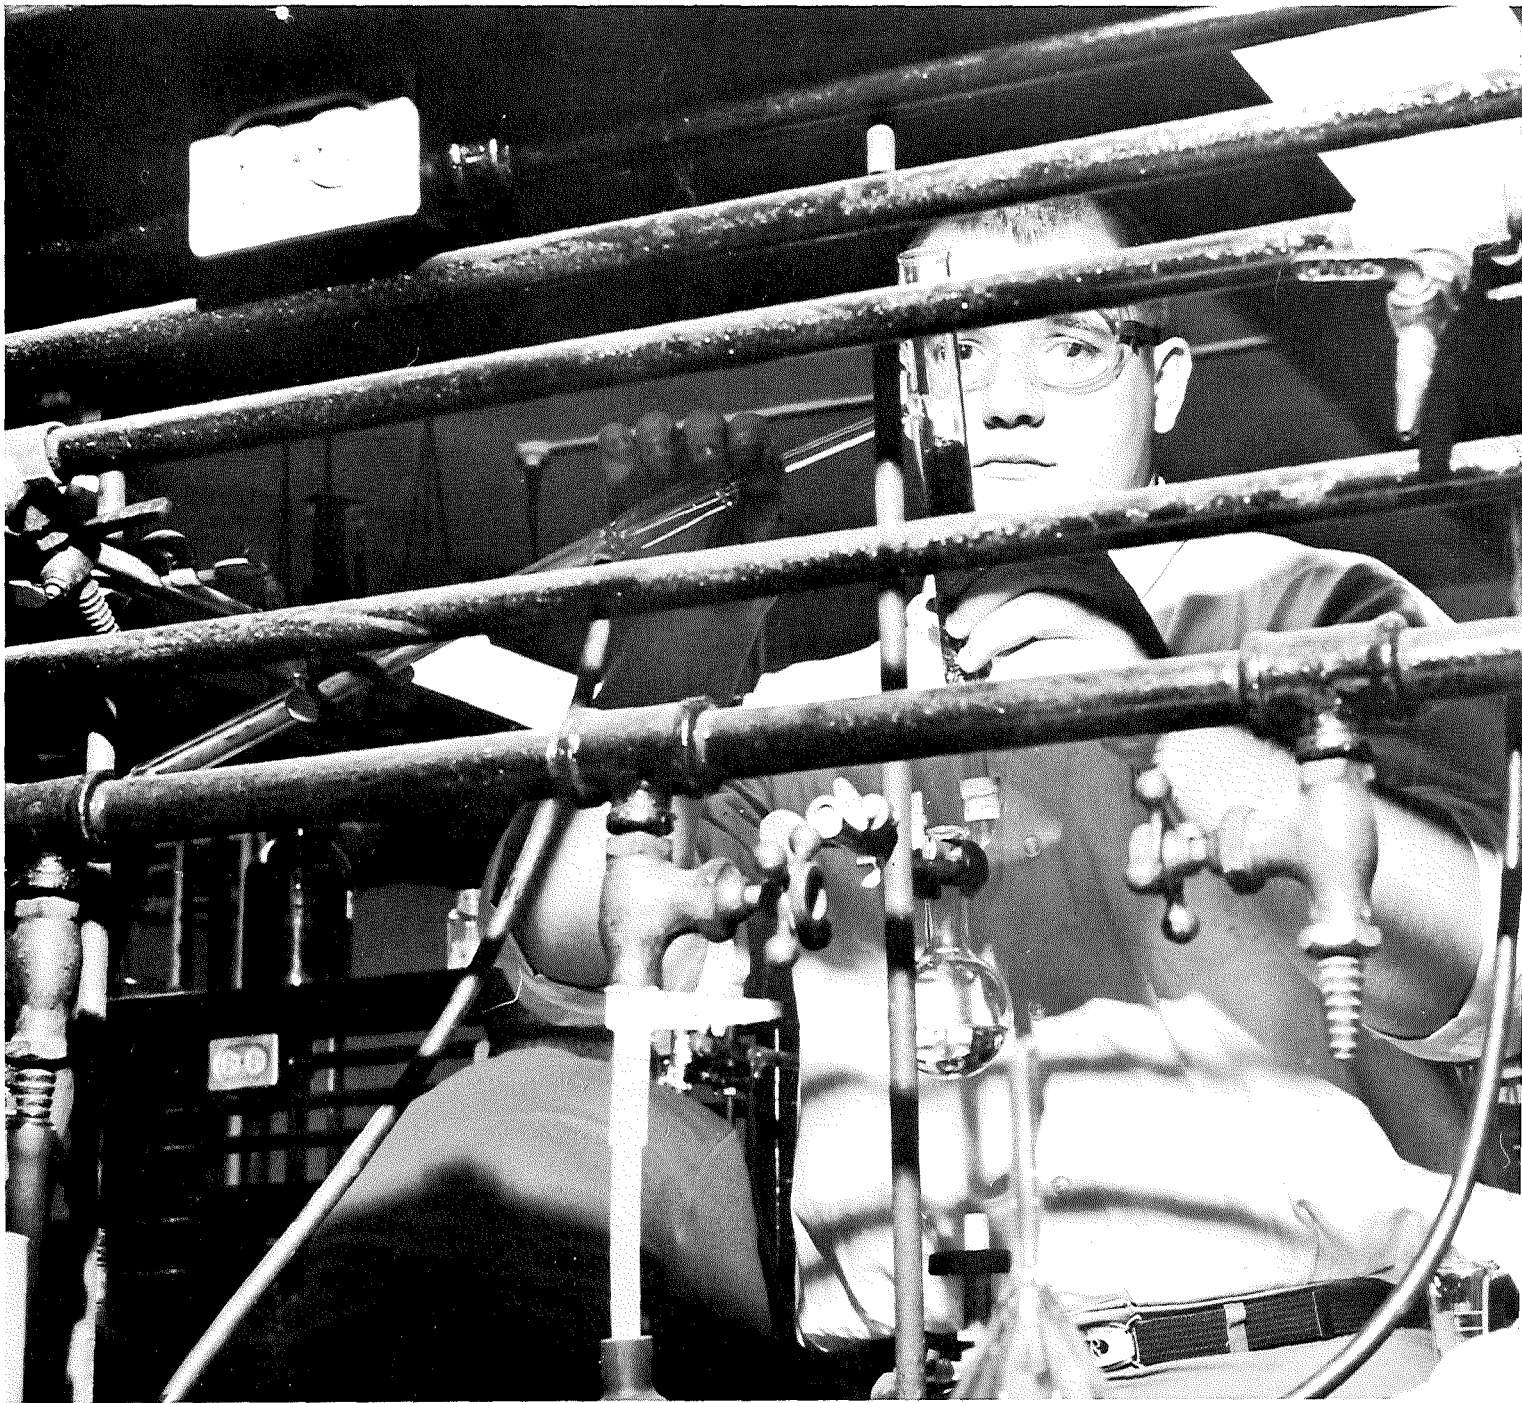

check before deadline. Pat Smith, as editor-in-chief, assigns responsibilities and sees that things run smoothly. Bill Hunter, as business manager, coordinates the financial affairs. Mr. Craig Gifford serves as adviser to the staff.

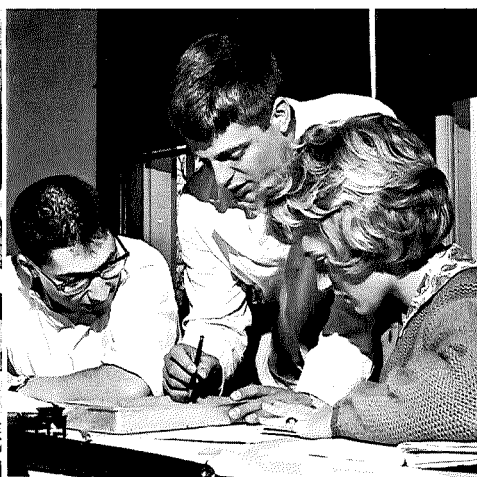

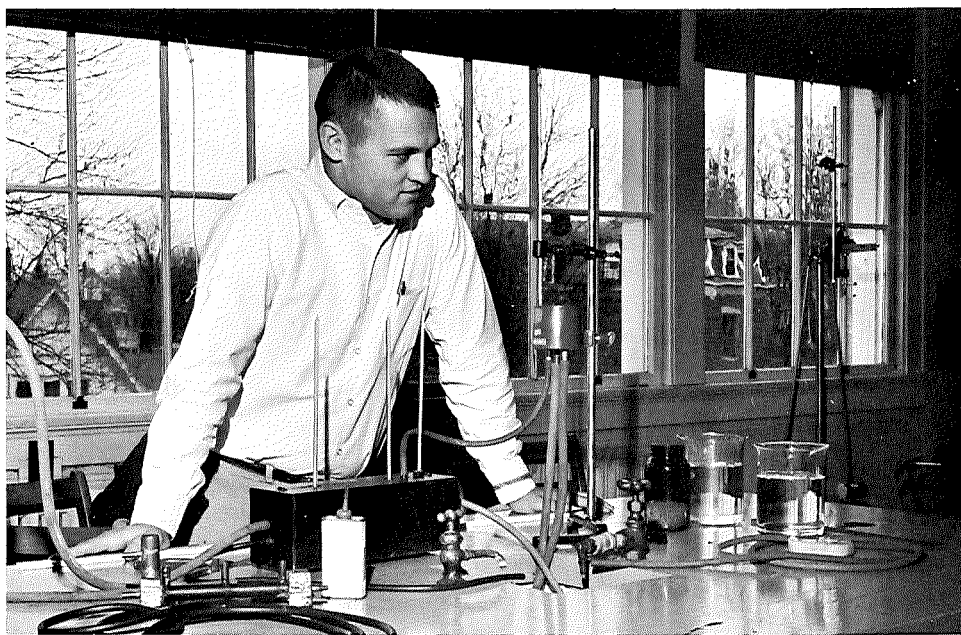

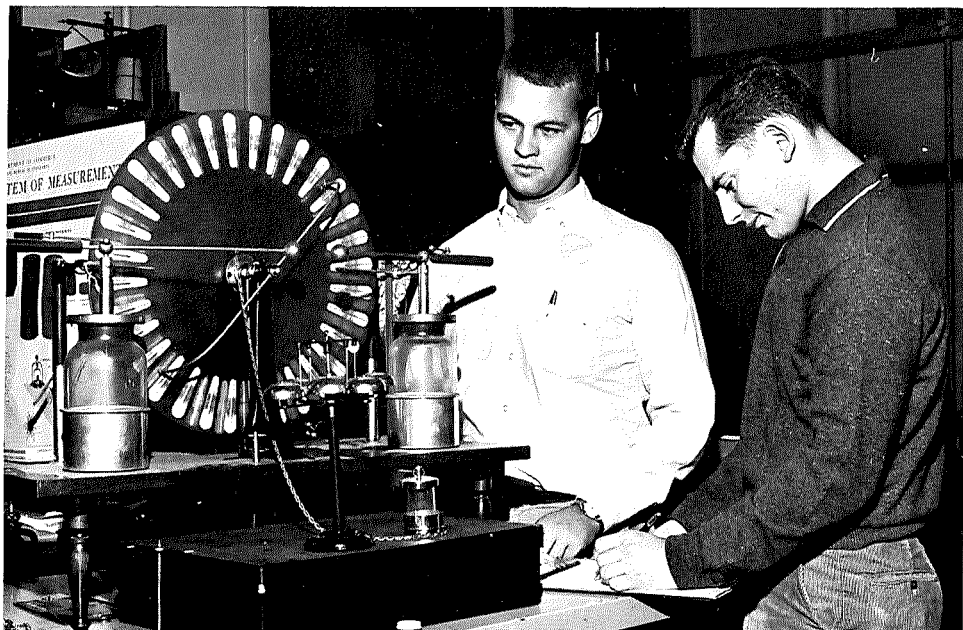

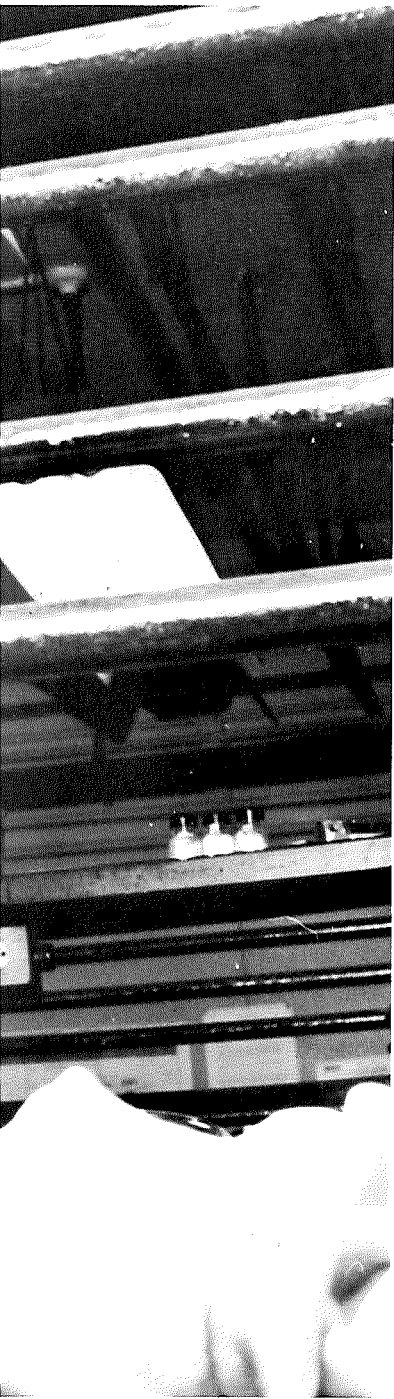

Science and Mathematics

Colonel Evan W. Schear has probably the most fascinating and exciting career of any Otterbein graduate. He serves as the personal physician to the astronauts in our country's space program. When not at Cape Kennedy, Dr. Schear resides in Fairborn, Ohio. He is pictured at left with astronaut Scott Carpenter at Cape Kennedy.

The members of Alpha Epsilon Delta are SEATED: Butch Breyer, Wurgler, Larry Beck, Mr. Botts, Harold Toy, Bob Kaderly, Chuck Larry Bowers, Dick Youngpeters, Carolyn Boyd, Joe Lippincott. Cook, Suzanne Osborne. STANDING: Ellen Wagner, Dave Brunton, Mary Blair, Bonne

Alpha Epsilon Delta

Otterbein's chapter of Alpha Epsilon Delta encourages excellence and appreciation in the field of pre-medicine. This active group plans visits to Ohio's three medical schools, Cincinnati—Ohio State, and Western Reserve—holds lectures, sometimes co-sponsors an all campus movie with the Y.W.C.A. and the Y.M.C.A., and helps with the local blood donor program in order to encourage the study of medicine. This year, the group plans to assist at the local science fair which is held at the college. To be eligible for membership, a student must have an overall accumulative average of 2.5 and a 3.0 average in science courses.

A variety of scientific programs are sponsored each year by the Epsilon chapter of Sigma Zeta. One of the biggest projects of this national science honorary is the sponsoring of a science fair for the local high school students. Although the active membership is limited to juniors and seniors only, sophomores may be selected as associate members provided they meet the eligibility requirements.

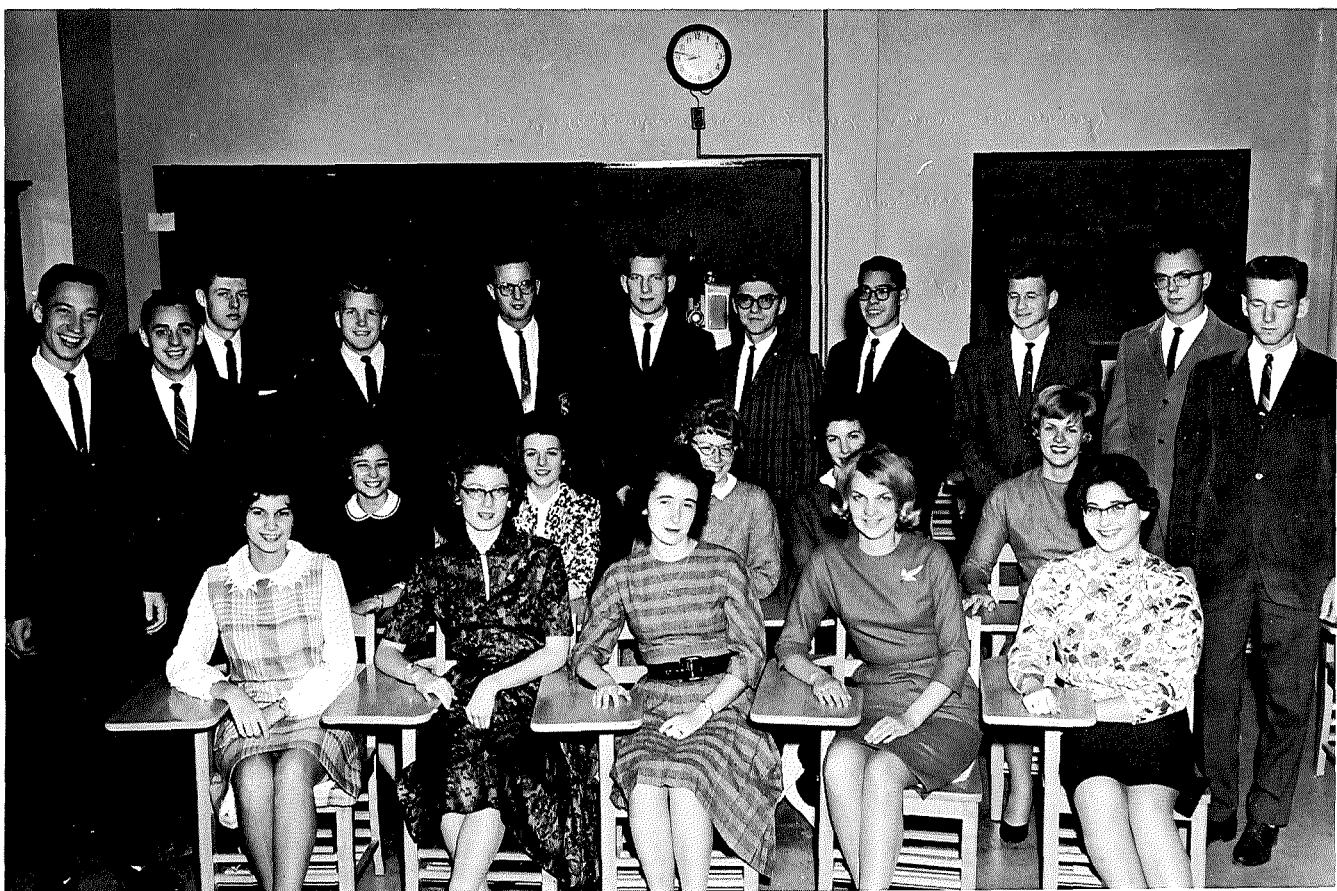

Jim Gittins, Harold Zimmerman, Carolyn Boyd, and Gene Gangl were elected by their fellow members to serve as officers.

He received his M.A. degree in 1937 from Oberlin College, and his professional degree from Teachers' College, Columbia University, in 1947. Mr. Caulker served for twenty years as the principal of Albert Academy, an Evangelical United Brethren mission school in Sierra Leone. In 1959 he was appointed the Commissioner for Sierra Leone to the United Kingdom in London. In 1961, when Sierra Leone gained her independence, Caulker became the Ambassador to the United States. He recently was appointed the permanent Representative to the United Nations from Sierra Leone. Mr. Caulker was awarded the Distinguished Alumnus Award on June 1, 1963, when he was on campus to speak at his daughter Imodale's commencement exercises.

The Council of Christian Associations is responsible for co-ordinating the activities of Delta Tau Chi, the Otterbein Christian Student Association

tion, the YWCA, and the YMCA. Each year the CCA sponsors Student Sharing Week, Religion-in-Life Week, and spiritual life retreats.

Otterbein Christian Student Association

The Otterbein Christian Student Association works as a coordinating body for the Christian organizations on campus. Composed of representatives from all the E.U.B. Church student organizations, this group works together to see that there is no duplication of programs.

Delta Tau Chi

Otterbein's Delta Tau Chi serves as a pre-professional religious fraternity for those interested in religious vocations. The activities, designed to prepare students for Christian service, include programs with guest speakers, panel discussions, and devotional services. In this way, the students are "Servants of Christ" which is the English translation of Delta Tau Chi.

Mid-day Quiet Time

In the chapel of the First E.U.B. Church, students find spiritual and mental relaxation during the day. A real spiritual need is met by the meaningful ten minute programs which the students prepare themselves. The devotional period is under the auspices of the Otterbein Christian Student Association.

Phi Alpha Theta

Beta Zeta is the local chapter of Phi Alpha Theta, the national historical honorary fraternity. Students who receive better than a B average in twelve hours of history, who maintain a satisfactory cumulative average and who meet certain character qualifications are eligible for membership. The fraternity sponsors conventions, conferences, films and other educational programs.

Society for Advancement of Management

The Society for Advancement of Management, the recognized national professional organization of managers in industry, commerce, government, and education, is dedicated to the development of human resources in the field of management. Young Republicans

Formed with the purpose of stimulating an active interest in politics among college students, the Young Republicans is open to all students. Members this year took part in actual electioneering on the local level and secured political speakers and candidates for convocation and other campus meetings. The biggest event on this year's agenda was the mock political convention held in conjunction with the Young Democrats.

Young Democrats

Officers of Young Democrats are Doug Houser, Curt Moore, and Rose Anna Mansfield.

The Young Democrats Club of Otterbein College was successful in its goal to give the student a chance to express his viewpoint on current political affairs and to gain extra insight about the way the government functions. Under the

leadership of Curt Moore and Doug Houser, this active group heard lectures from key speakers, held discussion groups, and helped the Otterbein Young Republicans stage a mock political convention.

Mock Convention

The mock political convention is held every four years in the Spring of the election year for the office of President. The Young Republicans and Young Democrats take turns in heading the convention and this year the Young Republicans were in charge. The main objective of both groups is to make the convention as realistic as possible. A national committee of seven Young Republicans, seven Young Democrats,

and representatives from six other campus organizations spearheaded the planning stages of the convention. The delegates to the conventions were area high school and college students. The highlights of the day included a keynote address, nominations for President and Vice President, and reports from various committees.

Student Court

Members of Student Court are Linda Gillespie, Jim Wacker, Pat Smith, Bob Koettel—Presiding Judge, Emily Smith, Pat McGinnis, Kathy Seese, and Dick Smith.

The Student Court is composed of one man and one woman representative from each class. They are elected by the Student Senate and they, in turn, elect their Presiding Judge. This appellate court is a court of equity; its jurisdiction is not final, but merely a recommendation to the Campus Council.

Student Senate

The Student Senate, formerly the Student Council, is the main legislative body on campus. It is composed of representatives of all four classes, WSGB, MSGB, CCA, Interfraternity Council, and Panhellenic Council. To meet the needs of the entire student body more effectively, the Senate was divided into four committees—Student Government and Academic Life, Social Life, Building and Grounds, and Student Welfare. The Senate is responsible for Freshman Orientation, Bonfire, Fall Homecoming, May Day, class elections, and faculty evaluations. It also sponsors two special events a year; this year's were the Highwaymen and The Lettermen.

Student Senate officers under the leadership of Dale Smith, right, are Lynn Puterbaugh, Mary Ellen Hull, Jack Wright, Mary Hall, and Larry Buttermore.

Members of M.S.B.G. are Jim Wacker, Bill Shackson, Dale Weston, Chuck Cook, Al Hood, Porter Miller, and Steve Surface.

Men's Student Government Board

Composed of three officers from the Men's Student Government Association, one member from each of the six social fraternities, a member representing the independent men who do not live in college housing, and the president of the Freshmen Dormitory Council, the Men's Student Government Board of Otterbein College endeavors to promote a

high standard of social conduct and to maintain all rules of the college concerning student actions. Acting separately, although on occasion, jointly, with the W.S.G.B., this governing body plays an important role in Otterbein's system of student government.

Women's Student Government Board

The Women's Student Government Board is the administrative body of the Women's Student Government Association. It works to gain better living conditions and social standards for the women of Otterbein. The W.S.G.B. is composed of the president, and in some

cases, the vice-president of each women's living center, as well as the three officers elected by all Otterbein women. As a special project, each Fall during Orientation Week the W.S.G.B. sponsors a welcoming tea for all freshmen and transfer women.

while, below, are Sandy Salisbury and Georgia Pattison of Clippinger Cottage.

Standards Committees

According to the constitution of W.S.G.B., the Standards Committee is composed of the officers of each women's living center. These officers include president, vice-president, secretary-treasurer, social chairman, and fire chief. These girls handle all cases of infraction of dormitory rules and also organize the dormitory's annual open house. The dormitory is represented on W.S.G.B by the president, and in dorms of over twenty-five residents, the vice-president.

Standards Committees

In the cases of the smaller, honor houses (in which there is no housemother, but where the same rules must be obeyed), two or more honor houses get together to elect their Standards Committees. Such is the case of Moore House and Ivy Cottage Standards Committee, pictured below. The officers of this joint committee are Ann Barnes, Vera Garbrant, Sharon Milligan, Carol Varner, and Gayle Henning.

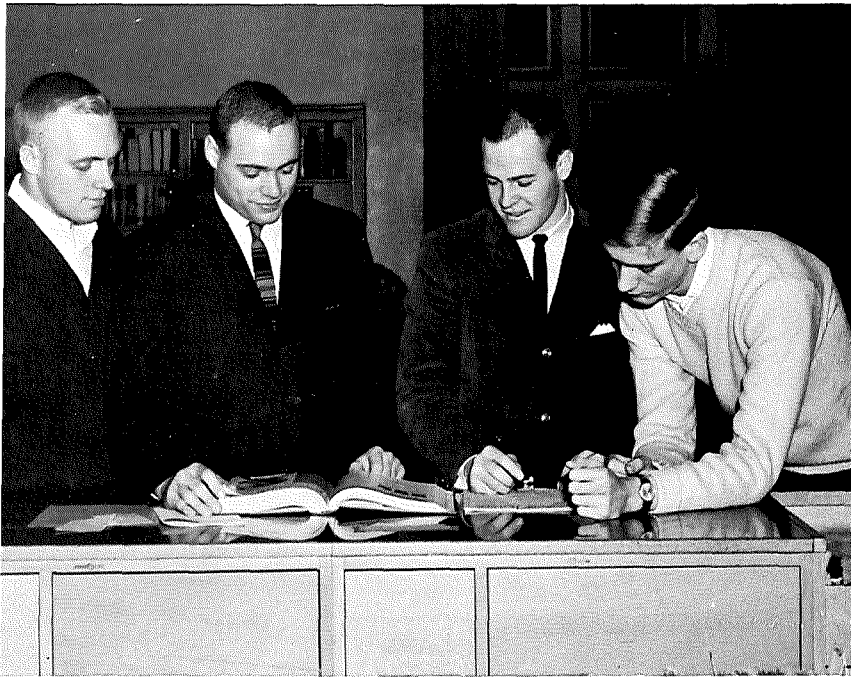

The Standards Committee of Clements Hall consists of Carole Wigle, Cherry Wicks, Marguerite Sims, Judy James, and Nancy Bender.

Junior Counselors

Junior Counselors, or J.C.'s as they are known, play a vital role in campus life. They act as advisors, friends, and confidants in the freshmen dormitories. Junior Counselors are selected in the first semester of their sophomore year, and receive special training during the second semester.

Shown here are Ken Smith, Jim Wacker, Jack Moore, and Al Hood.

Herb Seto, Larry Beck, Tom Mignery, and Bill Bennett seem to be studying hard.

Catching up on their reading are Jan Sorgenfrei, Jerry Wasseem, Jerry Gray, and Mills Williams.

Fine Arts

Benjamin R. Hanby was born at Rushville, Ohio, on July 22, 1833. He graduated from Otterbein as a member of the second college class in 1858. The slavery issue was the burning question of the day, and Hanby, whose father had kept Underground Railroad stations at Rushville and Westerville, had a keen sympathy for the fugitives. As a result, Hanby was prompted to write his best-known song, "Darling Nelly Gray." Hanby wrote sixty-eight songs before he died of tuberculosis in 1867.

Marching Band

One of few such organizations in the Ohio Conference, the Otterbein Marching Band gives interested instrumentalists an opportunity to participate in the outdoor musical activities of the football season. These activities include football games, parades, and pep rallies. The band has a two-fold purpose in the fact that it provides a practical application of classroom learning.

The band is under the direction of Professor Karl Glenn and marches at the command of drum major Jerry Bishop.

Being the oldest choral organization on campus is only one of the distinctions that the Men's Glee holds here at Otterbein College. The club has had many personal appearance tours since it got its start back in 1909. Last year's trip took the group on a whirlwind concert tour through the New England States during Spring Vacation. Dr. L. L. Shackson directs the club and Mike Doney handles the parliamentary chores.

As the official student photographers, these young men take all the pictures for the T & C and Sibyl, as well as taking some for the Information and Alumni offices. The Sibyl alone requires approximately 1000 pictures. Curt and Jay, we salute—and thank—you.

Professional Studies

Herman F. Lehman graduated from the Professional Studies division of Otterbein in 1922. He is currently the Vice President of General Motors and the General Manager of Frigidaire Corporation. Presently residing in Dayton, Mr. Lehman says about Otterbein, "Since leaving Otterbein, I have realized education was not merely confined to acquiring knowledge from books. I have discovered there was a subtle guidance in integrity, sincerity, loyalty, and courage."

Ohio Student Education Association

Almost every education major belongs to the Ohio Student Education Association which is associated with the National and State Education Associations. Speakers, films, and discussions on such topics as student teaching, are all a part of the O.S.E.A. agenda. The Otterbein chapter strives to strengthen the student's interest in the teaching field.

Varsity "O"

The Varsity "O" Club of Otterbein College serves a two-fold purpose; it is a letterman's club, designed to promote an interest in intercollegiate sports, and it also helps develop high standards and integrity in its members, both socially and athletically. Besides selecting the Winter Homecoming Princess, selling concessions at the football and basketball games, the varsity "O" also helps the freshmen obtain their beanies.

Cheerleaders

Otterbein's peppy cheerleaders add beauty and spirit to all our sports events. These active girls, chosen by the student body in the Spring, brave snow, wind, and cold to help cheer the Cardinals on to victory. The cheerleaders are responsible for pep rallies, car caravans to away games, posters, and boosting school spirit. These girls do an exceptional job of keeping the school spirit bright at Otterbein.

The 1963 Otterbein Cardinals were impressive on the gridiron. Combining a pro type multiple offense with a strong, diversified defense, the Cards posted a 5—3—1 season's record. Under the fine coaching of senior mentor Robert "Moe" Agler and his able assistants, the Cards provided plenty of excitement for Central Ohio gridiron fans. The Cards were sparked offensively by senior half-back Gary Reynolds, one of the leading ground gainers in Otterbein's history, plus the fine arm of senior quarterback Dave Kull. Kull had several fine receivers in

ends Dick Morrow and Ray Leffler, and in backs Gary and Dick Reynolds. Defensively, the Cards were stingy and quite capable. The front line was anchored by junior Jim Wacker, a standout all season, and the secondary was led by Jim Wilson and Terry Mickey. Dick Reynolds proved to be a constant threat to enemy pass receivers, often making a key interception. Highlights of the 1963 season were the Cards' thrilling games with Wittenberg and Capital.

Basketball

1964

The 1963-64 basketball season was the best ever in the history of the Otterbein College Cardinals. The young team with its three "fabulous frosh," Curt Tong, Don Carlos, and Tim Pond, compiled a record of 16 wins against 5 losses, and set several new school records. Otterbein outshot its opponents in the field goal category 44.4 percent to 40.7 percent and averaged 73 points per game to their opponents 65.1. The Otters also shot a fantastic 72.5 percent from the free throw line compared to 67.1 of their opponents. Don Carlos led the Ohio Conference in individual scoring, averaging 27 points per game, and he also copped the rebounding honors, averaging 16.5 rebounds per game. Tim Pond led the conference in free throw shooting with a 79.87 accuracy. The Otters finished the season tied with Akron for third place, behind Wittenberg and Ohio Wesleyan. The club was rated 21st of the nation's small colleges by the UPI. Don Carlos finished 15th in the nation in small college individual scoring. He was also named co-captain of the All-Conference team, and received honorable mention on the United Press International's Little All-American team. Tim Pond was named to the second team All-Conference.

Wrestling—1964

This year's edition of the wrestling team, although posting a 1—7—2 dual meet mark, showed increased potential and thereby staked a claim on future OC mat heroics. The team was characterized by youth and inexperience. The captain and heavyweight of the team, Tom Shoaf, had an excellent record of 7—1—2. Two front line grapplers, Dow Ruch and Jack Whalen, were plagued by injuries at the end of the season, which hurt the team's chance in the Conference Wrestling

Tournament. Perhaps the most exciting match of the year was the one with Capital. Very close all the way, the match ended in a deadlock. Toward the end of the season the team showed that experience was paying off by defeating Heidelberg. Spirit and youth were the ingredients Coach Ken Zarbaugh blended together, and should be the main building blocks of next season's team.

Joe Booth overpowers his man from Denison. Joe won this match. Tom Shoaf decisioned his man from Capital 11—1 to tie the match for the Otters.

Golf

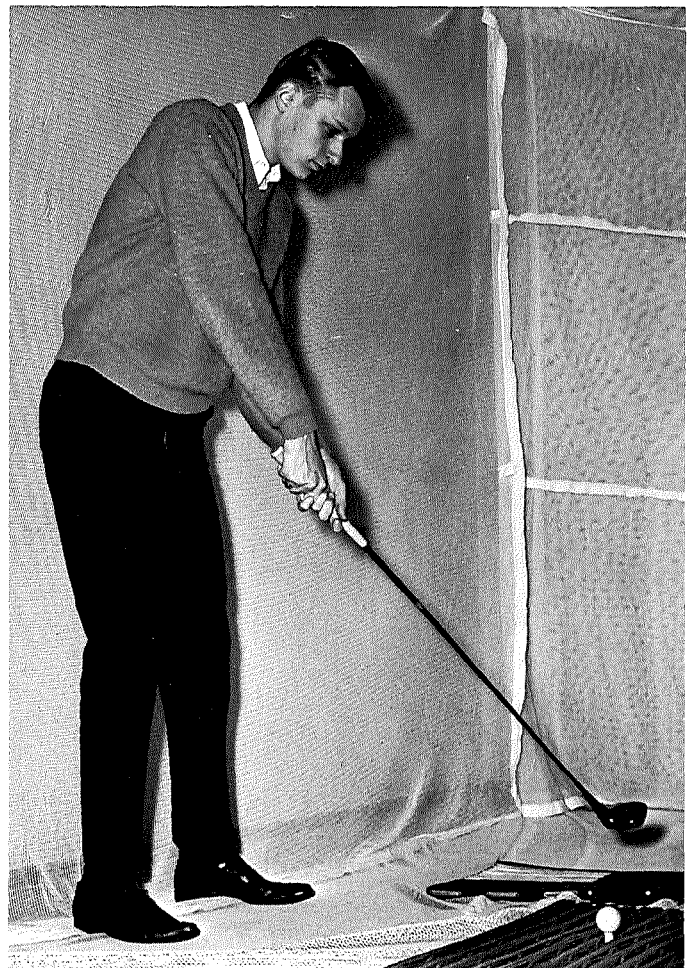

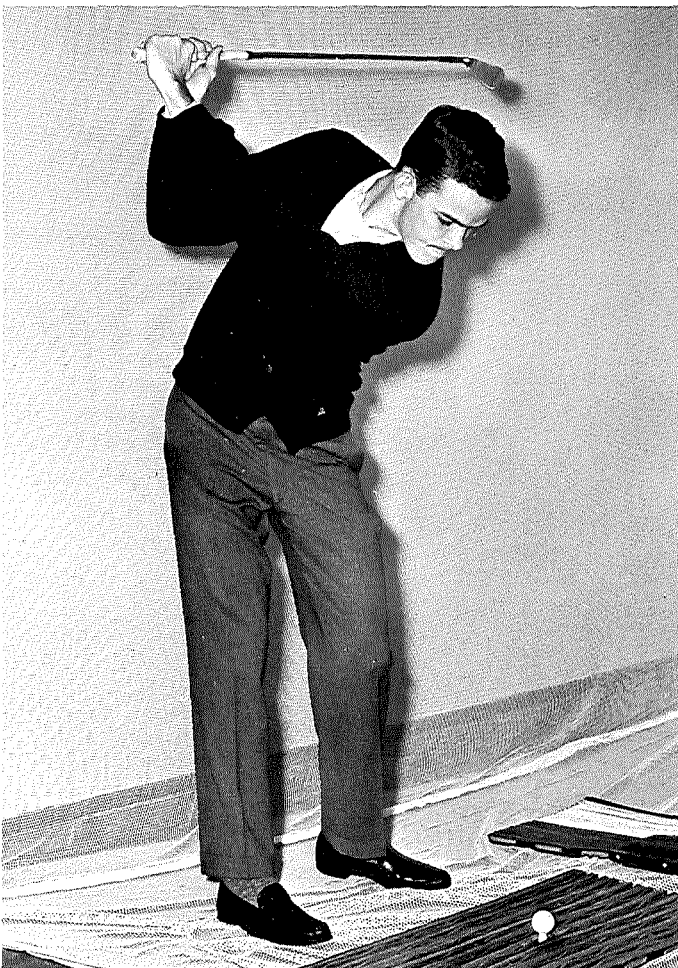

The Otterbein golfers, coached by "Moe" Agler, experienced a great deal of difficulty in producing wins this past season, although they did quite well for being such a young team. The number one and three men were freshmen and sophomores, number two and five—sophomores and juniors, and number four man—the only senior on the team. The team enjoyed many of the trips that were on the schedule, especially the Ohio Inter-Collegiate Tournament at Ohio State and the Ohio Conference Tournament at Capital University. The team finished eleventh in the Ohio Conference.

Baseball

The 1963 edition of the Otterbein College baseball team was quite a different story from the previous years. The Otters won more ball games than in the last three seasons added together. It took Wittenberg, Ohio Conference Champions, eleven innings to defeat the stubborn Cardinals. Perhaps the highlight of the

season was the "come from behind" victory over Capital, as the Otters scored four runs in the bottom of the last inning to gain a split on the season. Admittedly weak at the beginning of the season, the Otters progressed steadily as the season grew on.

The Otterbein Racketeers, consisting of Jim Thomas, Dick Russo, Craig Seese, Chuck Zech, Larry Buttermore, and Jack Bale, notched three wins in the 1963 season. The Racketeers have since shown great promise and, with five returning lettermen, are gunning for position in the conference standing in the 1964 season. With the proposed addition of four courts and the enthusiasm shown by the team, the future looks promising for the Racketeers.

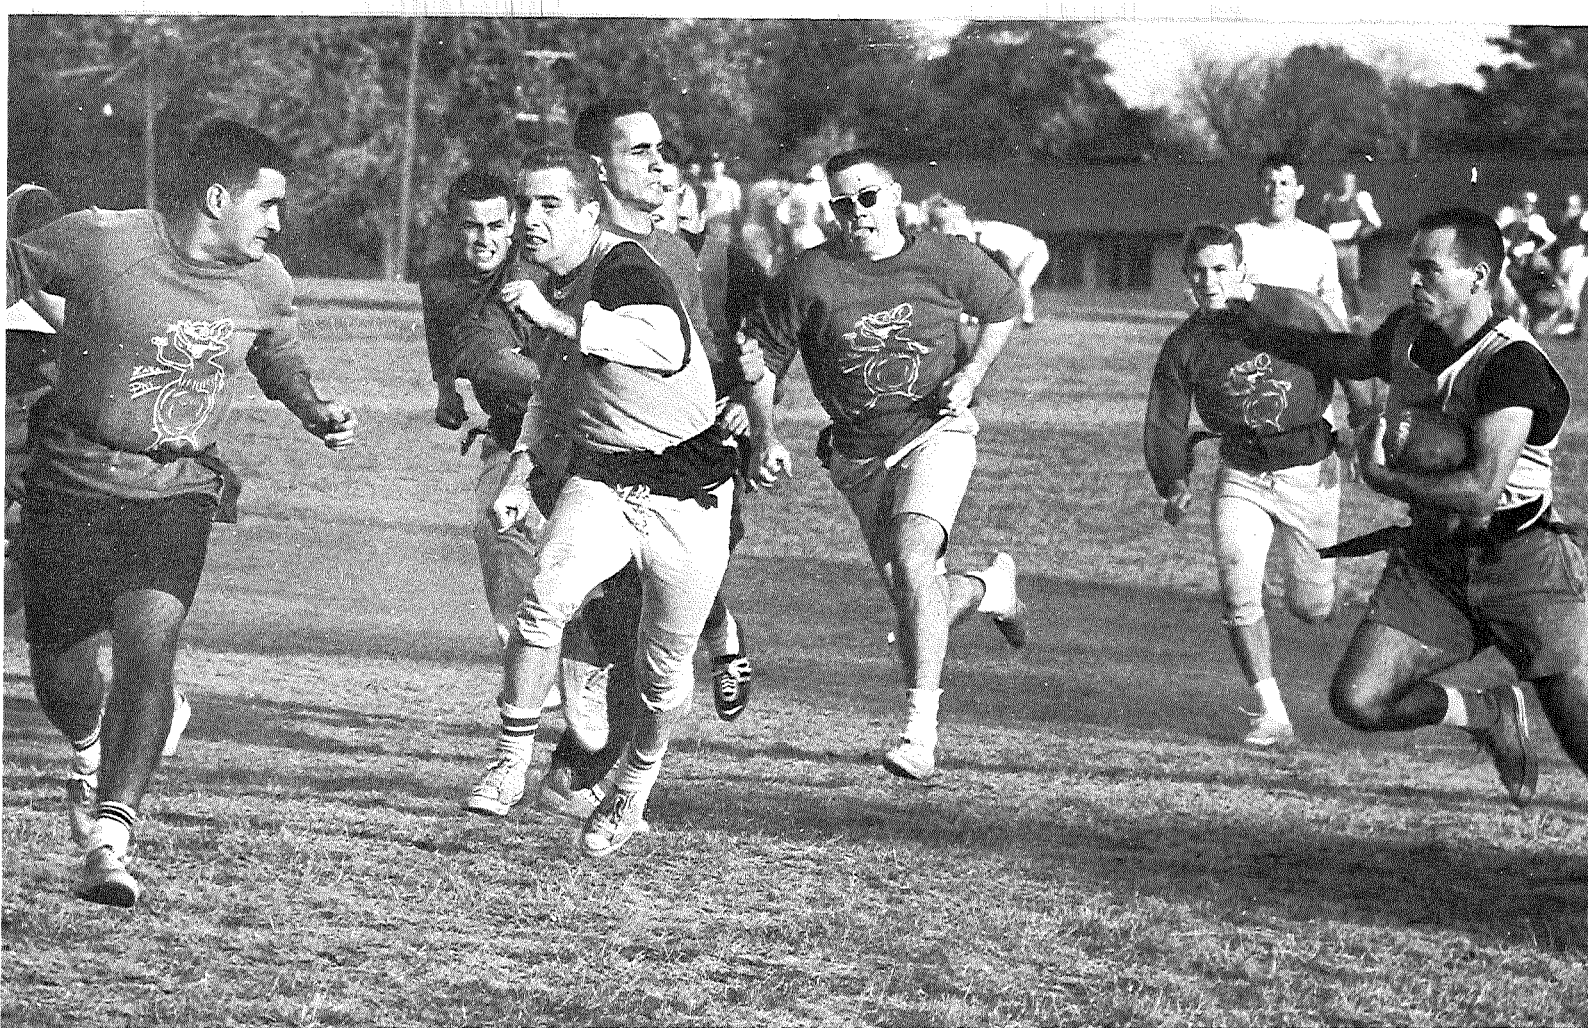

Cross Country

Otterbein's cross country team finished this year with a .500 mark in the Ohio Conference. The team members posted wins over Denison and Ashland twice, while being slighted by Ohio Wesleyan, Capital, and Wittenberg. Under the fine coaching of Bud Yoest, the Otters placed seventh in the All-Ohio meet at Miami and eighth in the Ohio Conference meet. Coach Yoest considered the season a fair one. He was encouraged by the better times posted by the team members, and also noted that the competition was tougher than it had been last year. With only one senior leaving, Dave Andrews, Otterbein's cross country team looks good by all means.

Intramurals

Intramural athletic contests are carried out on the campus throughout the year. Both men and women participate in the program which includes football, basketball, volleyball, softball, bowling, table tennis and other sports.

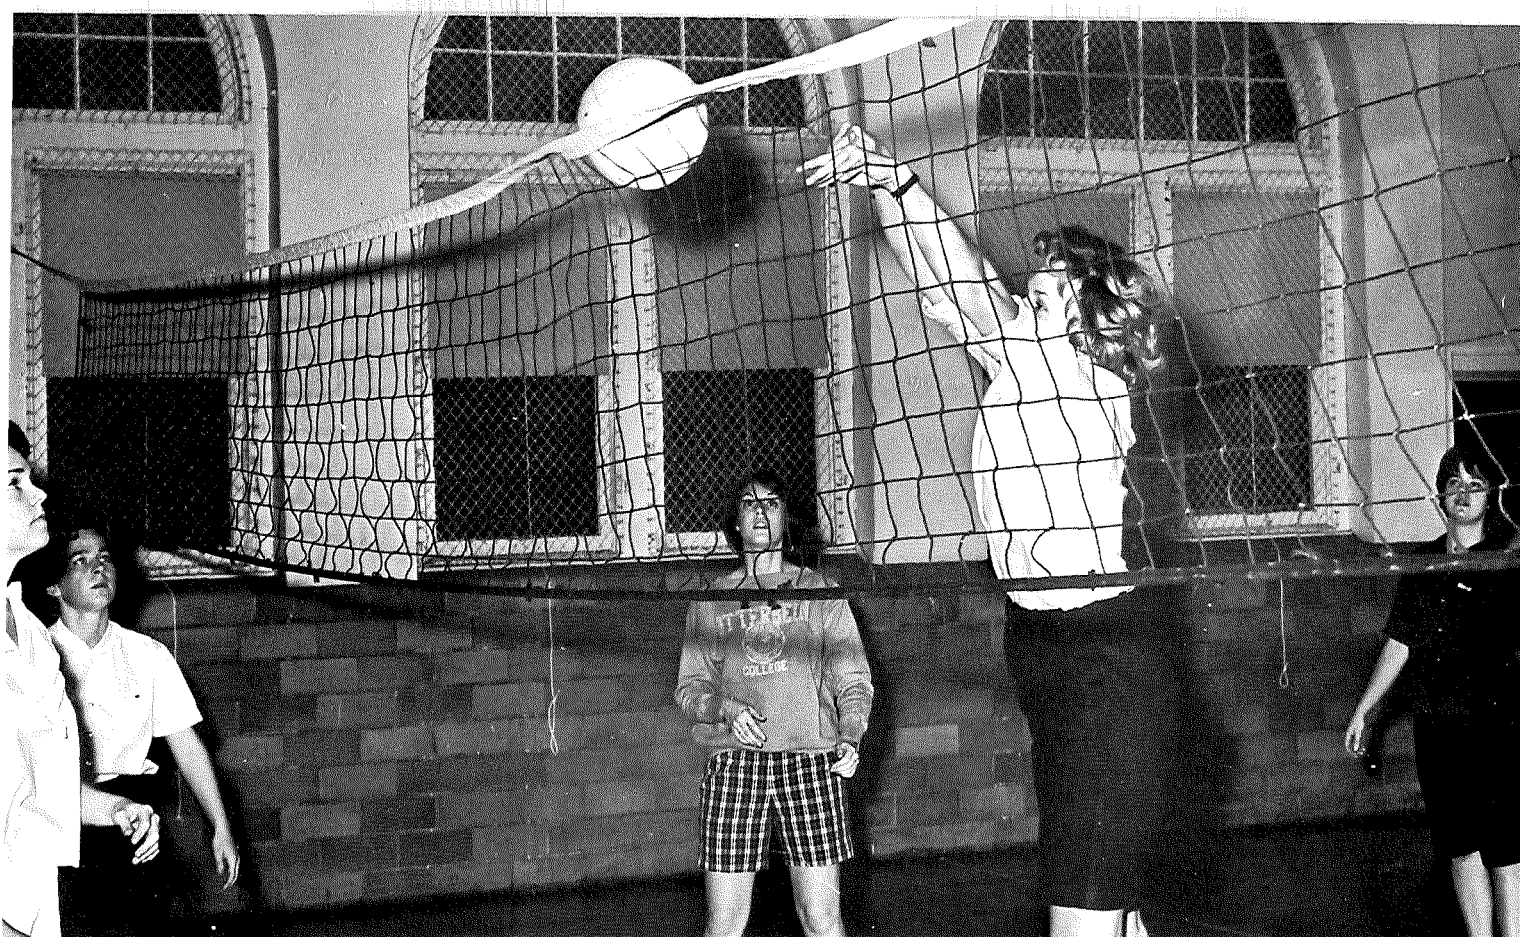

Field Hockey

Otterbein women participate in an intercollegiate field hockey program with nearby schools. This year they played Denison and Ohio Wesleyan. They also played the alumnae during Fall Homecoming. In addition, seven schools attended the Second Annual Field Hockey Sports Day. The purpose of the Sports Day is to provide an opportunity for colleges to compete with other colleges which they do not normally play. Those colleges attending were Wilmington, Oberlin, Cincinnati, Denison, Ohio State, Western Reserve, and Capital. The sports day was the highlight of the season, particularly because the women get a chance to meet new friends.

FIRST ROW: Carol MacRae, Eileen Marty, Jo Kiger, Marsha Lauderback.
SECOND ROW: Judy Morison, Sharon Milligan, Nancy Loudenslager, Marie Platano, Diana Bosely, Pat Buck, Lin Diller, Joanne Miller, Dora Potts, Chris Northrup, Ginny Walker, Marcia Baer.

Modern Dance

The Modern Dance Club seeks to capture the interest of those girls eager to participate in creative dancing, dancing techniques, fun, and relaxation. Special guests make appearances during the year to promote various phases of dancing.

Some of the fields of dancing enjoyed by the members are jazz, mood dances, religious themes, modern dance, and, especially, creative dance. The club is advised by Miss Joanne VanSant.

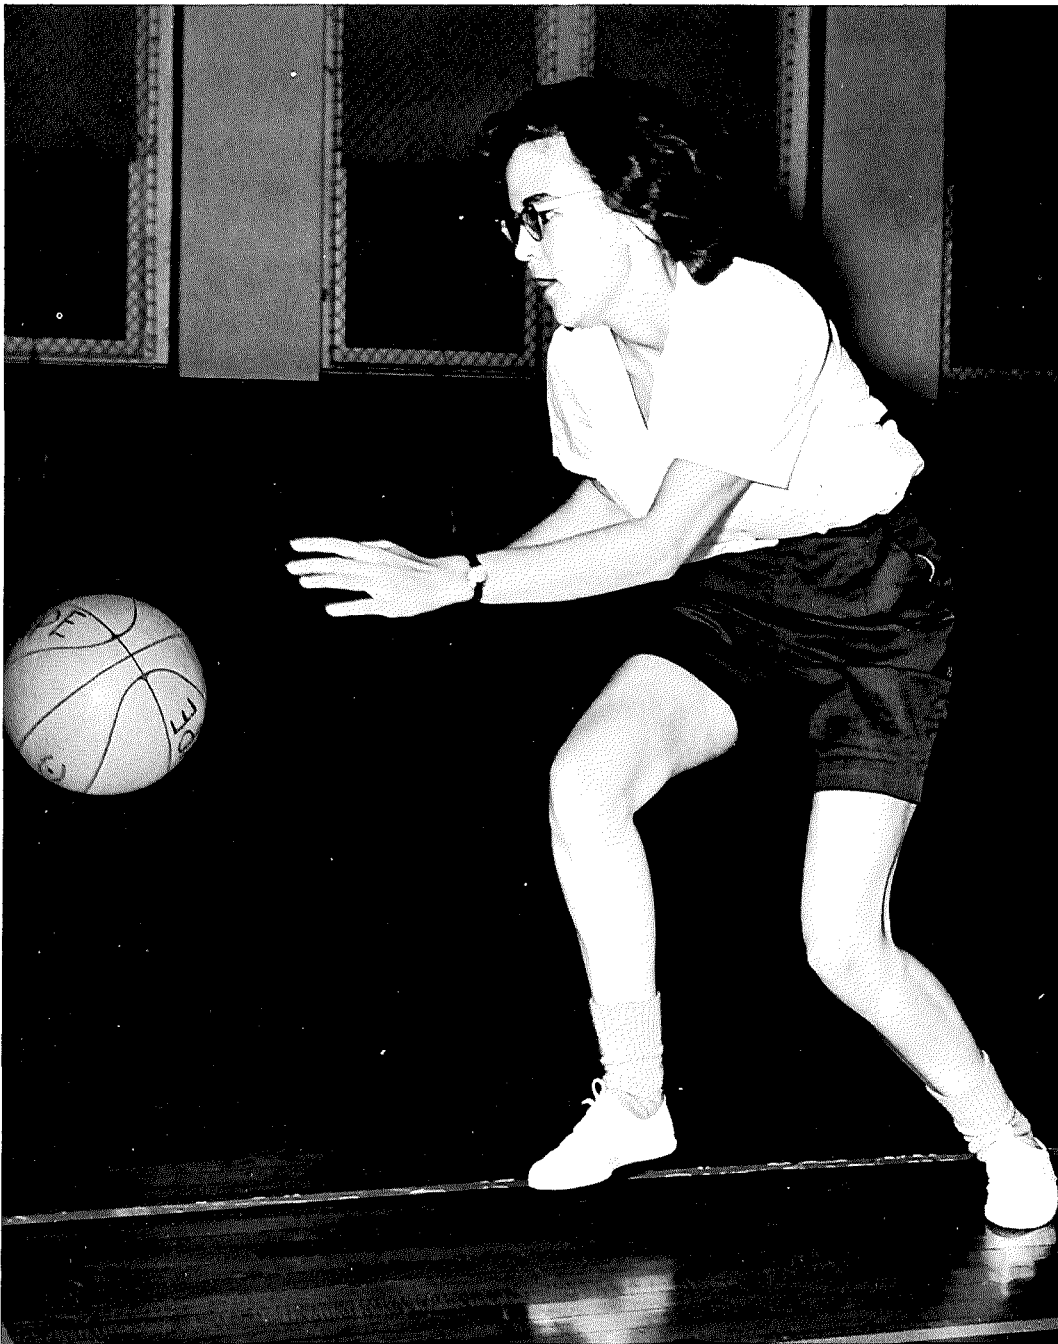

Volleyball

The women's intercollegiate volleyball team had an exciting season this year. They had the opportunity to play several teams they had not played before. The season started with two close matches against Dayton. Also during the month of December they had two matches with Capital. During January the team traveled to Wittenberg. In the month of February, the big contest was with the alumnae who were full of energy as usual. The final matches of the season were with O.S.U. and Ohio Wesleyan. Both matches kept the team on its toes as they had fun, made new friends, and renewed old acquaintances.

Basketball

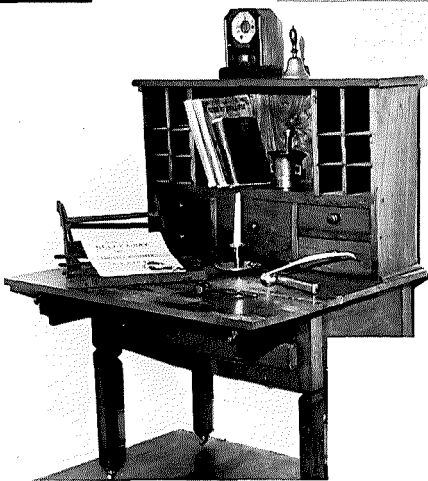

The 1963-64 intercollegiate basketball team had an enjoyable year. Miss Judy Jensen, the adviser, was quite patient as she guided the team through the season. Co-captains, Linda Diller and Nancy Loudenslager, represented the team and the college quite well. One of the things the team enjoyed most was the opportunity to meet girls from other colleges who were also interested in basketball. The season's schedule included games with the alumnae, Denison, Dayton, Ohio Wesleyan, and Wooster. As the season drew to a close, the girls felt richer for the new friends and closer friendships they had made with the team members.

Greeks

Fraternalities and sororities play an integral part in the social life of the Otterbein student. Besides encouraging a student to participate in social functions, a Greek organization helps an individual to become socially adept by giving him an opportunity to participate in planned activities. Some of the ways in which a Greek organization encourages its members to participate in social activities are "coke dates," which are one of the requirements of the pledge program, Interfraternity Council Dance, Pan-Hel Formal, all campus events, and co-eds. A Greek organization also offers an individual the chance to participate in intramural competition. The challenge of leadership and responsibility as well as the joys of friendship are experienced by the members of a Greek organization..

Panhellenic Council

Composed of three members of each of the seven sororities, the Panhellenic Council is organized to coordinate all sorority functions and to promote friendly relations among the sororities. This active group takes care of all the preparations for the

Panhellenic Formal and Jump Week. A scholarship trophy is also awarded by this group to the sorority with the highest cumulative point average each semester.

Interfraternity Council

Composed of representatives from each of the six local fraternities, the Interfraternity Council serves as coordinator of the activities of each of these Greek organizations. The I.F.C. also promotes closer fellowship within each group and en-

courages constructive action of each member. The I.F.C. sponsors the Interfraternity Formal, at which Miss T & C is selected. It also sponsors interfraternal athletics and a scholarship trophy for the fraternity with the highest cumulative average.

Epsilon Kappa Tau—Arbutus

Epsilon Kappa Tau sorority, founded in 1918, today holds high the principles on which it was founded. Three little words, "Eros Kai Timi" or "Love and Honor" is the motto of the sorority. The Trailing Arbutus, a delicate pink and white five-petaled flower gives both its name and its colors to EKT. The pink and white is also represented by the silver shield of purity which symbolizes active membership in Arbutus. It is the endeavor of the sorority to live up to its creed "I Would Be True."

Serving as officers to Arbutus are Pat Buck, Cari Arnold, Jeanie Pfleger, Ricki Tackas, and Zoe Brown.

Kappa Phi Omega—Kappas

Kappa Phi Omega was founded in 1921 by a group of young women from Westerville who chose the motto "Sisters and friends unto the end." The four rubies of the Kappa pin symbolize leadership, scholarship, friendship, and dedication, the goals of all members. The white pearls symbolize the unity of the group which provides the basis for individual development. The yellow chrysanthemum is the sorority flower, with turquoise and gold as the colors. Kappas are called "Scotties" after their mascot, the Scottie dog. Kappas present the all-campus Pizza Party in the Fall.

Rho Kappa Delta—Arcady

Rho Kappa Delta Sorority was activated on the Otterbein College campus in 1923 by eight coeds. She was given the nickname "Arcady," symbolizing the land of friendship in Greek mythology. Arcady's colors of white and burgundy are echoed in her flowers, the white carnation and the burgundy pansy. The squirrel is her choice as a mascot. She treasures as her motto: "Thoughtful each of all." Her objectives: to seek and obtain knowledge, to strengthen and encourage friendship, and to promote recreation—are embodied in the Arcady crest. This year Arcady celebrated her 40th anniversary.

Officers of Rho Kappa Delta are Ann Reider, Marguerite Sims, Virginia Leader, and Ruth Freeman.

Sigma Alpha Tau—Owls

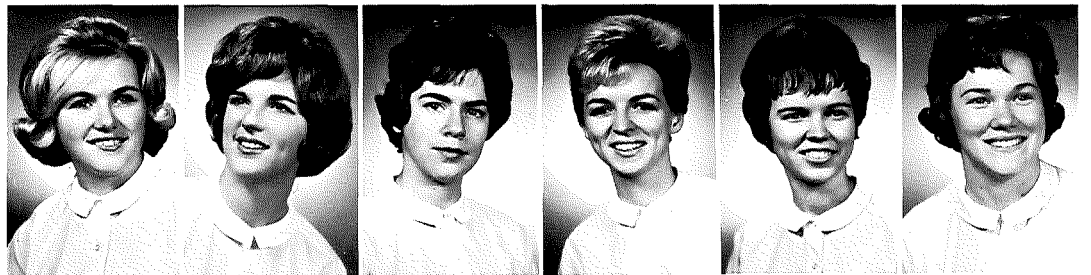

Sigma Alpha Tau, the oldest sorority on campus, was organized in 1910. At the time of its founding, the sorority was known as the "Owl Club," and thus the owl has become its symbol, mascot, and nickname. Jade green and gold are the sorority colors; the yellow chrysanthemum is its flower. "Stick Always Together" and "Sagacity, Truth, and Affection" are the mottos which the group has adopted.

Each year the Owls sponsor a sock hop as an all-campus event.

Tau Delta—Deltas

Tau Delta Sorority was founded in 1921 with the original name of Tomo Dachi. The Greek letters Tau Delta were later substituted for Tomo Dachi. The sorority was forced to disband in 1937 because of the depression but was re-established in 1943.

The sorority mascot, a Siamese cat was adopted in 1957. The sorority flowers are the white rose and the multi-colored sweet pea. The colors are sapphire blue and white.

The annual all-campus event is the Cap-Otter Dance.

Tau Epsilon Mu, or Talisman Sorority was originated by seven young women in 1914. The "green worm" is the sorority mascot, and its flower, the Talisman rose. On the crest are the scarab, the lamp of learning, and the book from which the sorority motto, "Everybody's Lonesome" is derived. Its colors are purple and gold.

Eta Phi Mu—Jonda

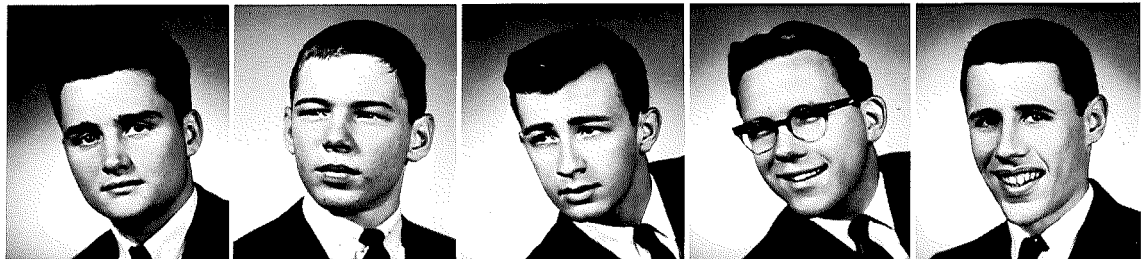

Jonda Fraternity was founded in 1932 by six men. The fraternity colors are blue and gold and the fraternity motto is "Let Brotherly Love Continue." The edelweiss, a small white bloom which signifies purity and bravery, is the fraternity flower. The fraternity nickname comes from the brotherly love of Jonathan and David.

This year Jonda introduced a new all-campus event, "Saturday Night at the Movies," and sold Otterbein pennants at the basketball games so that students could wave the team on to victory.

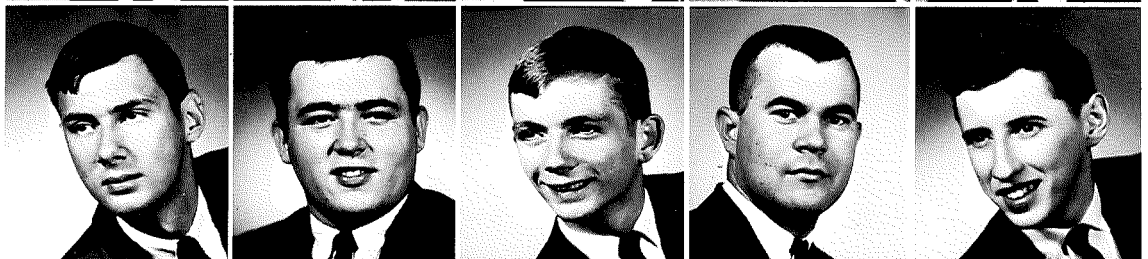

Officers of Eta Phi Mu are George Christ, Ray Leffler, Lee Peglow, and Jim Danhoff.

Lambda Gamma Epsilon—Kings

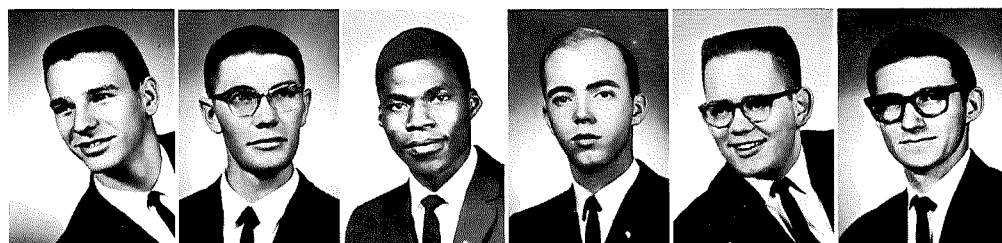

Lambda Gamma Epsilon, or Kings Fraternity, was organized in 1948, with the royal colors of maroon and gold. "Loyalty to God, country, brothers, and Otterbein" is the motto of the Kingsmen. In its first few years the fraternity held its meetings in the Association Building. The next residence was at 98 W. Home St., which has since been moved and converted to a college guest house due to the construction of the Campus Center. Last fall Kings moved into its present castle, located at 138 w. Main St.

The all-campus event is an annual hayride, pancake supper and square-dance held early in the fall. The Kingsmen also conducted a used booksale at the beginning of the school year.

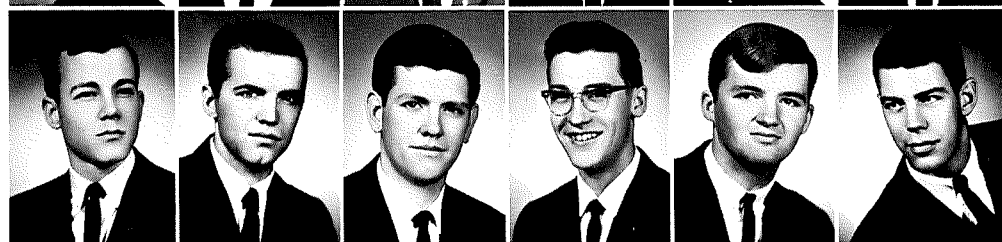

Officers of Lambda Gamma Epsilon fraternity are John Nelson, Howard Russell, Harold Toy, and Bob Kaderly.

Pi Beta Sigma—Pi Sig

Thirteen men, in 1908, founded Pi Beta Sigma, Pi Sig. Its house is located at 72 Plum Street and has rooms for fourteen men. With "Sweetheart of Pi Beta Sigma" as the fraternity love song, and "All for one and one for all" as its motto, it was formed under the sign of the Zodiac. Pi Sig's all-campus dance included their traditional sorority talent show with a rotating trophy.

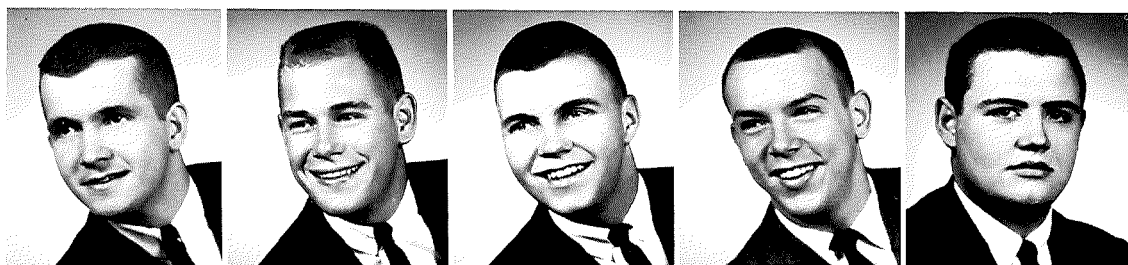

Officers of Pi Beta Sigma are Bob Ogre, Jeff Cotton, Denny Rose, and Wally Beck.

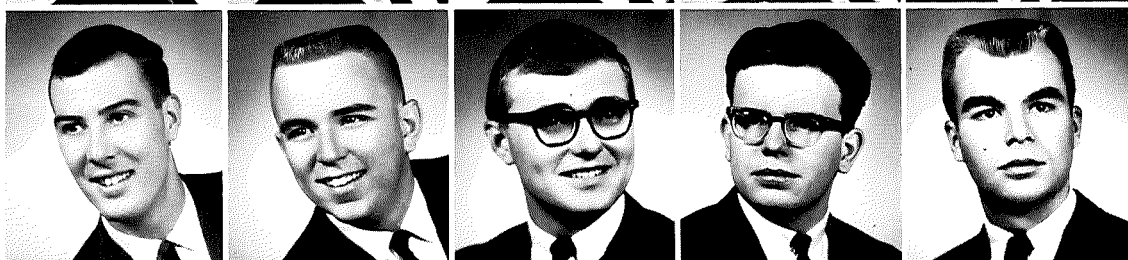

Wally Beck and Barb Billings seem to be enjoying Pi Sig's all-campus dance.

Pi Kappa Phi—Country Club

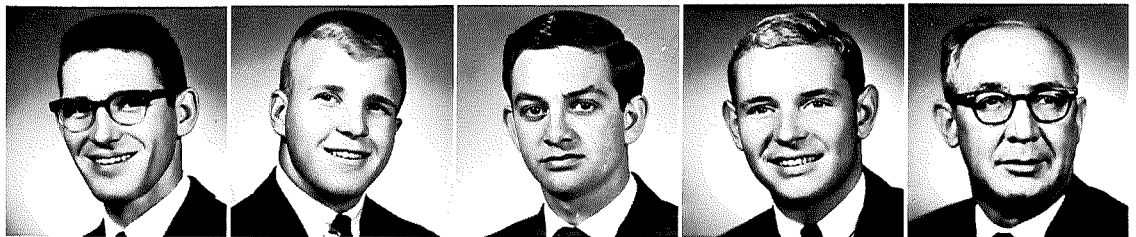

Pi Kappa Phi or Country Club was founded in 1908 and so named because it first met outside the city limits. It was the only fraternity to remain active during World War II. The colors are orange and black, and the fraternity motto is "Staunch friends at all hazards." The crest is significant of the book of openmindedness, with the head of noble Caesar. The hands of friendship are clasped on crossed swords, and a group of four chevrons bind the men together.

The all-campus event is an annual Mardi Gras, New Orleans style, in the Alumni Gymnasium. The house is at 79 South Grove Street, with rooms for twenty men.

Pictured with their house mother, Mrs. Eva Scheaffer, are Country Club's officers Chuck Cook, Rich Hamilton, Holt Wilson, and Jack Moore.

Sigma Delta Phi—Sphinx

The fraternity first appeared on Otterbeins campus in 1919 and thrived until World War II. In 1943 the entire membership was called to war. Sphinx reassembled in 1946. However in 1951 the 38th division called all but two members into the service and the fraternity never survived this crisis.

In the fall of 1962, Sigma Delta Phi was again activated by seven students who felt the need for another fraternity at Otterbein. At present they have 24 members and only one of these is a senior.

This year Sphinx initiated their all-campus event which was a chicken-barbeque. They also moved from 167 W. Park to a larger house at 131 W. Home St.

The official colors of the fraternity are green and white. The newspaper is called "The Grapevine." "Veritus ad nostros superomnes" or "Truth to us above all" is the fraternity motto. And the fraternity flower is the American Beauty Rose.

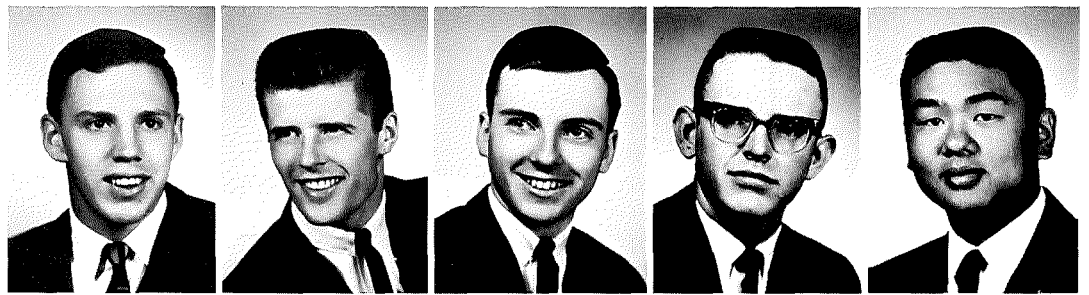

Officers of Sigma Delta Phi are Ralph Swick, Larry Ishida, Perry Doran, and Bob Kintigh.

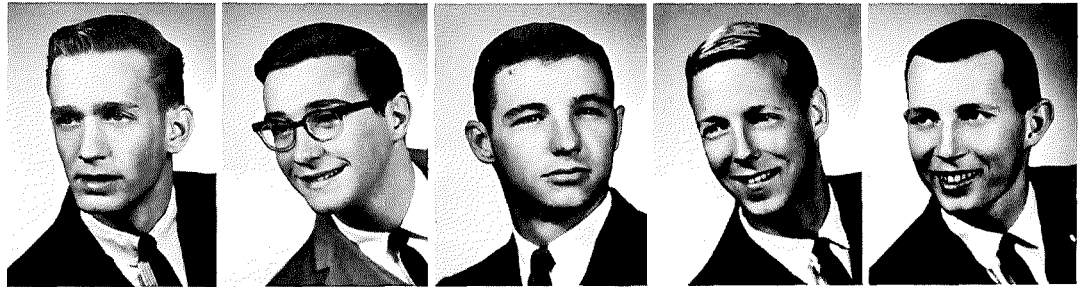

President Larry Ishida is shown escorting Arbutus' homecoming candidate, Becky Keister, at the homecoming serenades.

The group includes freshman, sophomore, and junior women who had a cumulative 3.5 average at the time of initiation. Upperclass women become alumnae members immediately after they are initiated. The purpose of the society is to stimulate and encourage an intellectual attitude among college women.

Administration and Faculty

The 1964 Sibyl staff salutes Mrs. Marguerite E. Nelson, Professor Emeritus, Otterbein College. Mrs. Nelson received her Bachelor of Arts degree in 1916 from Hiram College and her Master of Science degree from Indiana University in 1939. She taught at Otterbein from 1947 to 1963 and during that time became the favorite "prof" for many of the freshman and sophomore English students. Students have always felt free to stop by Mrs. Nelson's house for a chat or to work out a special problem. For her many contributions to the students at Otterbein, we say "thank you, Mrs. Nelson."

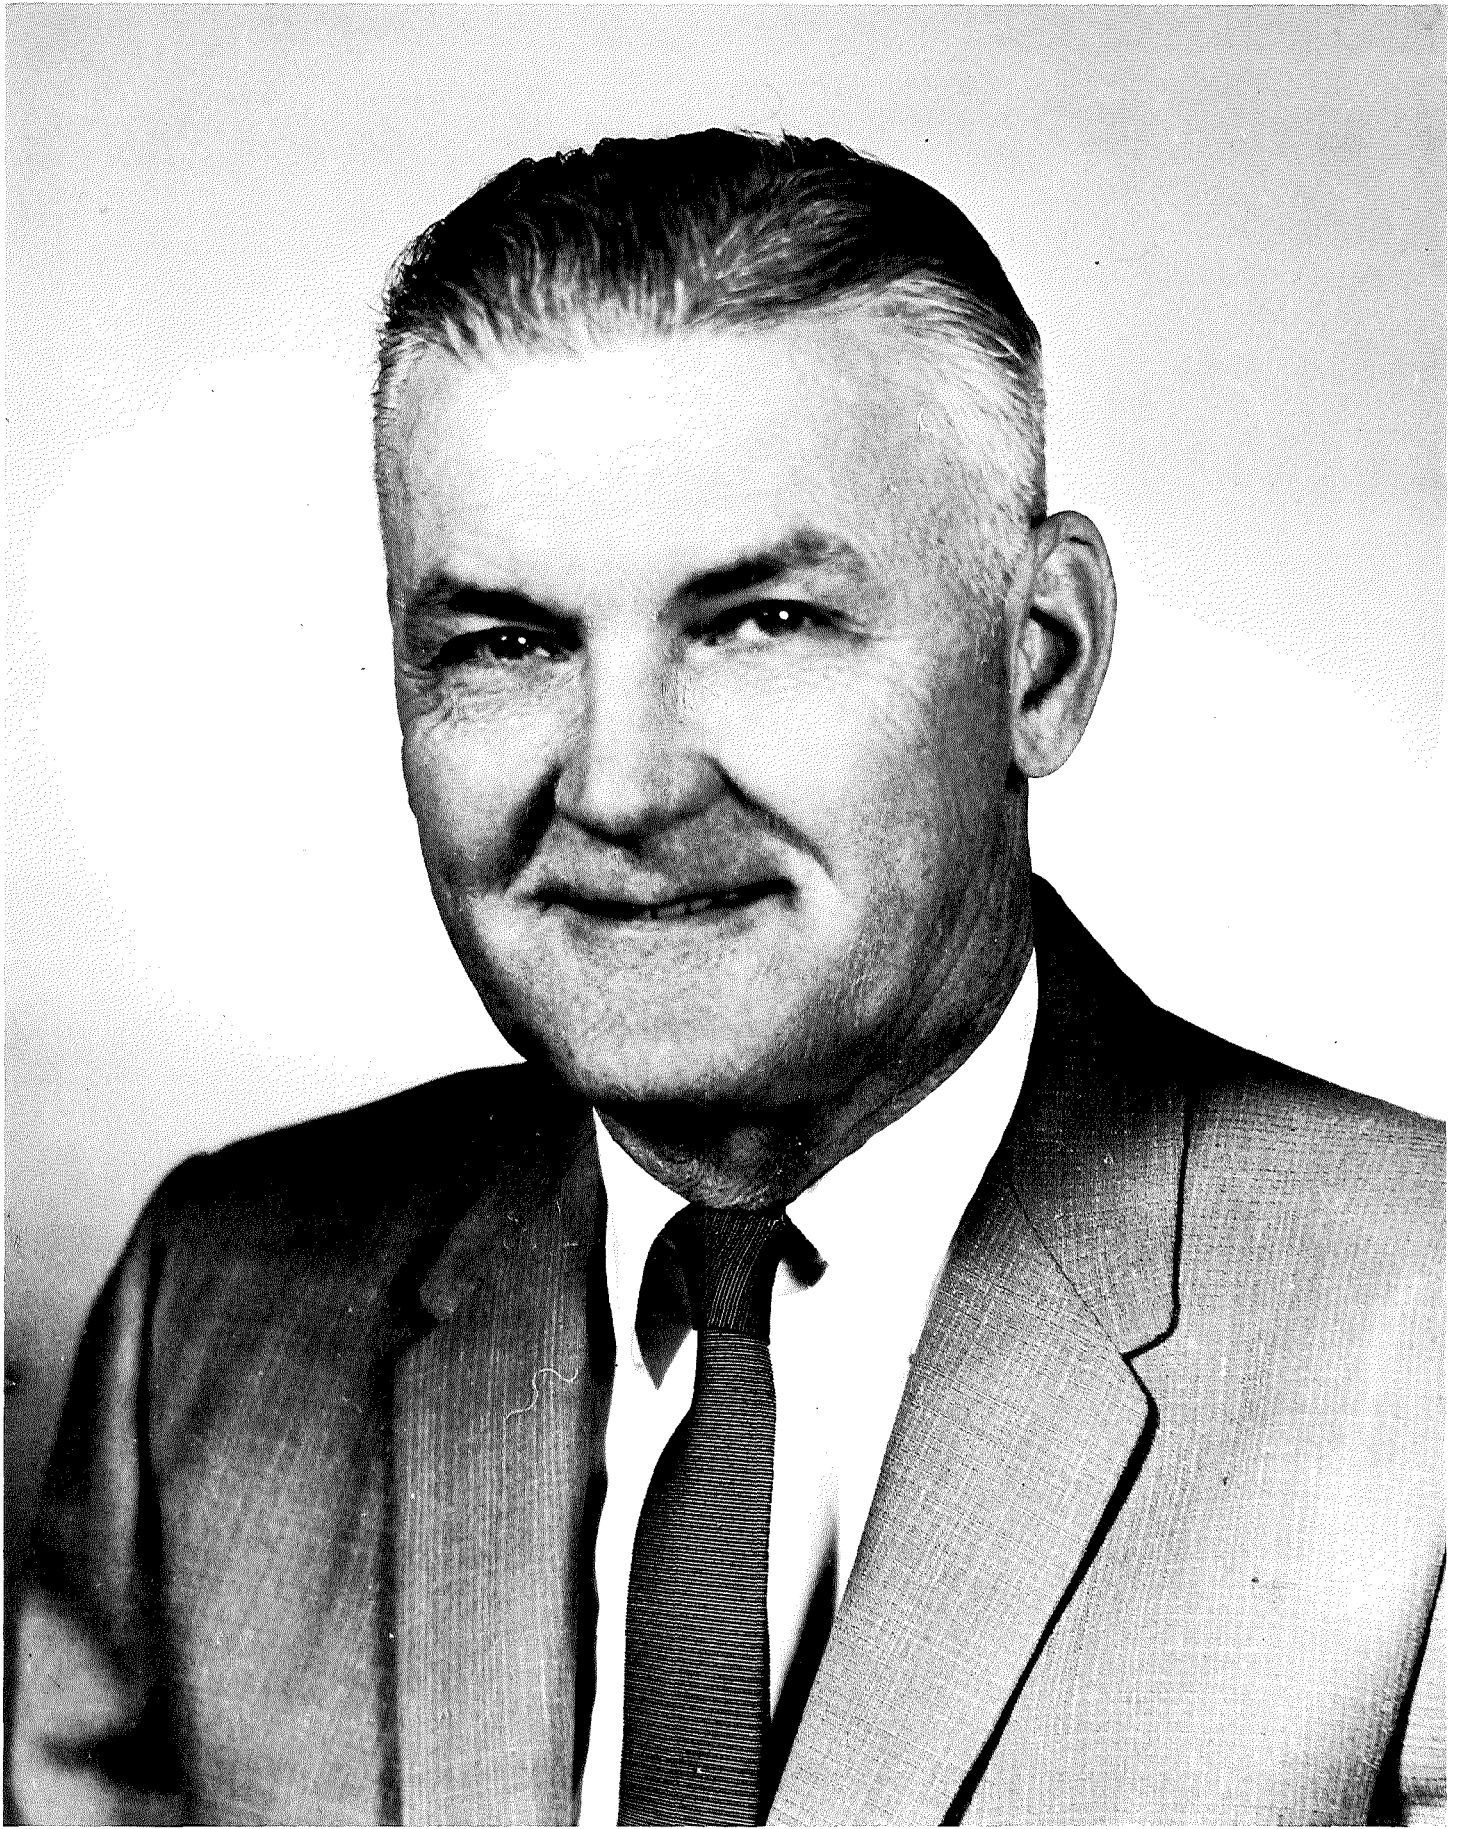

President Lynn W. Turner co-ordinates the work of the faculty, deans, and trustees and works with student-faculty committees to further understanding within the college community. President and Mrs. Turner's interest in the students was particularly reflected this year in the retreats to which various students were invited. Dr. Turner spends much time representing Otterbein in meetings and conventions and speaking before alumni organizations. The handling of administrative duties is a trying responsibility, but Dr. Turner always has a smile for an Otterbein student.

President and Mrs. Turner and their son, Bruce, pose for a family portrait in their lovely home, Howard House.

Classes

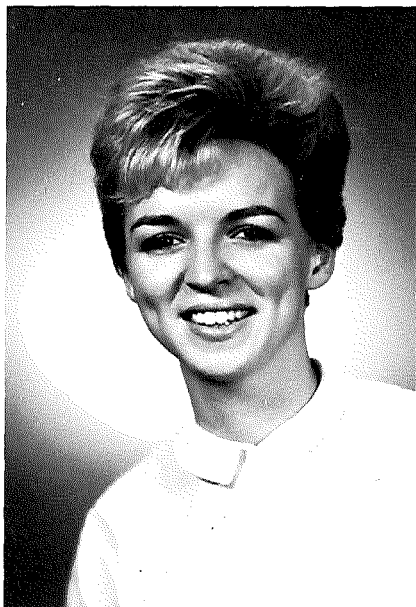

The goal of the student body of Otterbein College is to contribute to the campus life in the areas of scholarship, leadership, and friendship. In the freshman and sophomore years, the student will remember "beanies," bonfire, scrap day, and fraternity and sorority rushing and pledging. During this time the student adjusts himself to college rules and regulations, campus social life, dormitory life, study habits, and, in general, life away from parents and home. In the junior and senior years, the student will remember interviews, vocational counseling, student teaching, and job-hunting. This is a period in which the student looks to the future in preparing to accept his position in society. At the left are class presidents Reggie Farrell, Keith Jarvis, Jerry Wassem, and Bill Catalona.

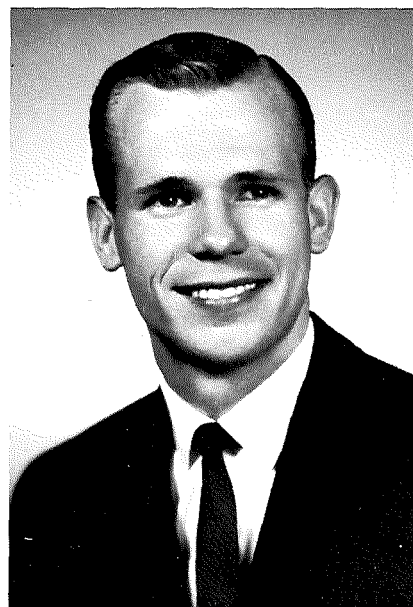

Serving very capably to their elected positions are class officers Bill Catalona, president, Jeanie Pfleger, secretary, Dick Russo, vice president, and Zoe Brown, treasurer.

Representative Seniors

Representative Senior Sally Banbury is President of Owls sorority, a cheerleader, President of Modern Dance Club, a member of Student Senate, Secretary of Women's Glee Club, and was elected to Who's Who Among Students in American Universities and Colleges. Sally was the 1963 May Queen and is a past class officer and junior counselor.

Representative Senior Dale Smith is the President of Student Senate—the organization of which he was vice president his junior year. John Fitzgerald Kennedy . . .

In Memoriam

There is not much more that can be said about the life and death of John Fitzgerald Kennedy. That he will go down in history as one of the greatest presidents of the United States is consoling to young persons everywhere—regardless of political affiliation—because he represented youthfulness, fitness, and vitality in everything he did. Anymore that might be said we will leave to the professional writers. We, as students, would rather be alone with our memories.

We were sorry that Mr. Arnold Moss was not on campus earlier in order to be included on the dramatic production pages.

As a result, we show him here with Mr. Dodrill at rehearsal for the Shakespearian production "Love's Labor's Lost."
