From Dr. Barbara Schaffner, Associate Provost of Graduate Studies

Welcome to 2021 - a time to work together, develop and grow.

As poet Amanda Gorman said at President Biden's inauguration on Jan. 20, "There is always light if only we are brave enough to see it, if only we are brave enough to be it." We have all been waiting for 2021, and now it is here. It seems like the start of 2021 will continue to be somewhat of a "wait and see" scenario - we will wait for the COVID numbers to flatten, for the vaccine to arrive and become accessible to every individual, and to see how our economy responds. We will wait through strength and move bravely forward. [Continue reading >>](#)

Allied Health - Practicums with a Purpose: Developing Professionals While Fostering Community Engagement

Did you know...

Master of Science in Allied Health (MSAH) students at Otterbein have the opportunity to complete either a capstone practicum experience or a thesis research project in conjunction with engaging coursework to complete the MSAH degree. The practicum can be completed over one or two semesters and allows our students to have access to fields they may not have otherwise been exposed to.

John Putnam had an excellent experience this fall working with the American Lung Association. He helped coordinate efforts to create a reimagined Fight for Air Climb slated for later this spring. He also created a voice thread educational presentation for the American Lung Association on vaping. His work is used in local schools to educate students on the effects of vaping and smoking.
