THE PLAY

In keeping with the Northwest Territory Celebration of yesterday, the senior class has the pleasure of presenting for your enjoyment, "Fashion", a play of the gay nineties.

We have had to modernize some of the lines, but there is still the "smack" of that glamorous and overdone time. Fashion is strictly a character play surrounding an almost absurd situation.

If you enjoy the rendition of this play, that ranges all the way from good drama to buffonery, as much as we shall in presenting it, we all shall have a great evening together.
