SENIOR LEADERSHIP

MESSAGE FROM THE PRESIDENT

Otterbein College this year continues its proud tradition of athletic and academic excellence. As we approach the turn of the century, Otterbein has enjoyed nearly 100 years of intercollegiate competition. During that time, the College's mission has been to balance academics and athletic competition. Our commitment has been to the whole person, both in and out of the classroom. Our coaches are teachers first, mentors who make deep and lasting impressions on their students.

While the drive to win is important, our real commitment lies in developing leadership traits and the competitive spirit, which will aid our scholar athletes throughout their lives.

On behalf of Otterbein's faculty, students and administration, we thank you for your support of Otterbein's athletics programs in 1999-2000 and for your continuing involvement in their successes.

OTTERBEIN PROFILE

The College

Founded in 1847, Otterbein is an independent, co-educational four-year liberal arts college affiliated with the United Methodist Church.

Location

Westerville, Ohio, is a suburb of Columbus, the state capital.

Majors and Degrees

Courses of study are offered in 36 major fields. Degrees offered include the Bachelor of Arts, Bachelor of Science, Bachelor of Music Education, Bachelor of Fine Arts in Theatre, Bachelor of Science in Education and Bachelor of Science in Nursing, Master of Arts in Education, Master of Arts in Teaching, Master of Science Degree in Nursing and Master of Business Administration. The Campus

Otterbein's 137 acre campus includes 45 buildings. Otterbein's newest facility, Edwin L. and Mary Louise Roush Hall was dedicated June, 1993. Roush Hall is the first general purpose academic facility built on the Otterbein campus since historic Towers Hall was constructed in 1872. This year the college completed interior renovation of Towers Hall that included complete overhaul of classrooms, work spaces and corridors. Changes designed to recapture the essence of the time period in which Towers was built is evident throughout the facility. Physical changes to make Towers Hall more accessible, new wiring and a modern heating, ventilation and air conditioning system was included. Updated lighting, flooring, paint, restored trim and archways, network

cabling and acoustic ceilings prepares the building for the classes of the next millennium.

Towers Hall houses Mathematics, English, Foreign Language, History and Political Science and Religion and Philosophy departments. Other offices in Towers include the student newspaper, Continuing Studies, the Registrar's office and the Office of Grants and Special Projects. The Towers Hall renovation was completed in April, 1999.

Other facilities on campus include Courtright Memorial Library which houses more than 200,000 volumes and 1,000 periodicals as well as an outstanding modern learning resource center and television studio. Schear-McFadden Science Hall has modern laboratories and classrooms as well as the Weitkamp Planetarium/Observatory. Cowan Hall houses theatre and speech facilities, including an expanded scene shop and WOBN-FM, the campus radio station. The Battelle Fine Arts Center is the home for programs in music, art and dance. The modern Rike Physical Education-Recreation Center houses men's and women's athletic and physical education facilities and offices.

Students

Approximately 2,700 men and women from throughout Ohio, surrounding states and several foreign countries attend Otterbein, including more than 900 adult students in day, evening and weekend classes.

Faculty

Otterbein's student-faculty

ratio of 13 to one offers students the opportunity to receive personalized attention from their instructors. A majority of full-time faculty hold doctorates or appropriate terminal degrees. Professors are active in campus affairs, serve as advisers to students, and participate in a unique sabbatical program to research and study recent developments in their fields.

Athletics

Men and women compete in the Ohio Athletic Conference, NCAA Division III. There are eight varsity sports for men and women. A complete intramural program is available to all students.

Fraternities and Sororities

Nearly 50 percent of Otterbein students participate in the six local sororities and five local fraternities.

The Arts

Professional training programs are available in music, theatre, dance, and visual arts. There are numerous cultural events free to students, including a professional Artist Series, music department events (orchestra, opera, band, choir concerts), visual arts exhibits of student and professional works, and the widely-recognized Otterbein College Theatre, with winter and summer seasons.

Off-Campus Programs

A variety of off-campus programs are available, including foreign language study in Dijon, France and

Segovia, Spain. Semester at Sea, a shipboard-campus program offered in cooperation with the University of Pittsburgh, enables students to take a variety of liberal arts courses while on cruise. Study opportunities also exist with the Washington Semester Plan, operated through the American University in Washington, D.C., the Philadelphia Center program in the Philadelphia area and Roehampton Institute in England. Army and Air Force ROTC is offered in conjunction with The Ohio State University. Internships provide experience in a student's chosen career field.

ADMINISTRATION

Dick Reynolds, who has established himself as one of the most successful basketball coaches in the 96-year history of the Ohio Athletic Conference (OAC), brings those winning traits to his additional position of athletics director.

The 56-year-old Reynolds, who took over the reigns of the men's athletics department in 1992, was also placed in charge of women's athletics last year after Otterbein combined both men's and women's athletics into one department.

A nine-time OAC Coach of the Year selection, Reynolds has taken his cagers to at least a share of the regular-season conference title nine times and into the NCAA Division III Tournament twelve times. The Cardinals advanced to the Final Four in 1981 and 1991.

He became the all-time winningest basketball coach in the OAC, surpassing Wooster's E. M. "Mose" Hole (1926-57), with an 86-82 single-overtime win at Muskingum Feb. 15, 1994. Reynolds has compiled a 470-265 record over 27 seasons at Otterbein.

Following graduation from Otterbein in 1965, where he was a 12-time letterman in football, basketball and track, Reynolds returned to his home town of London, Ohio, and taught seventh-grade science while serving as an assistant coach in football, basketball and track at the high school. He served three years in the U.S. Air Force (1966-69) as a personnel services officer in charge of recreation.

He spent three seasons as an assistant under Otterbein head men's basketball coach Curt Tong while teaching in the Columbus and Westerville, Ohio school districts from 1969 to 1972. He became head coach in 1972.

Reynolds and his wife, Ellen, live in Westerville. They have two children, Amanda and Chad, and four grandchildren.

HEAD COACH

A. Wallace "Wally" Hood, with 31 years of collegiate football coaching experience—much of it in the Ohio Athletic Conference (OAC)—seeks to install a new era in the history of football at Otterbein College.

Hood, 64, enters his fifth season as the Cardinals' head coach. He is also the president of the OAC Football Coaches Committee.

"With four full years of recruiting," Hood says, "we have built a base from which we can compete in the OAC on a week-to-week basis. Obviously, the quality of our players has improved."

"Through an extensive off-season weight and training program, our players are stronger and quicker," Hood continues. "I am confident we are on the right track."

Otterbein marks Hood's third collegiate head coaching assignment. He has compiled a 101-103-8 record over 22 seasons as a head coach.

He spent ten seasons (1974-1983) as head coach at Ohio Northern University, a member of the OAC, and eight seasons (1984-1991) as head coach at Fairmont State College (WV), a member of the National Association of Intercollegiate Athletics (NAIA).

Before coming to Otterbein, Hood spent two seasons (1993-1994) as an assistant coach at Kenyon College. He was selected "OAC Co-Coach of the Year" in 1982, leading the Polar Bears to an OAC divisional championship. He tallied a 42-35-4 record, including five winning seasons, at Fairmont, leading the Falcons to a 7-2-2 mark, a share of the West Virginia Intercollegiate Athletic Conference (WVIAC) title and to the NAIA Division I national playoffs in 1988. He was named "WVIAC Coach of the Year" in 1988.

Hood comes to Otterbein from Kenyon College where he served as an assistant coach in 1993 and 1994. His collegiate coaching career began at Baldwin-Wallace

Head Coach Wally Hood

College in 1967. He spent six seasons there as an assistant under head coach Lee Tressel before moving on to Colgate University (NY) for a one-year stint as an assistant in 1973.

An Ohio native, Hood graduated from Mentor High School in 1952. He received his bachelor's degree in education from Ohio Wesleyan in 1957 and his master's degree in education from Kent State University in 1966.

He spent ten years in the Ohio high school coaching ranks before jumping to the collegiate level. He compiled a 47-24-2 record over eight seasons as head football coach at Olmsted Falls (1959-61), Defiance (1962-64) and Cuyahoga Falls (1965-66) high schools.

Hood and his wife, Irma, have three sons and four grandchildren. All three sons are coaches: Lee, 40, head basketball coach at Mount Union College; Jeff, 37, head football coach at Van Wert High School in Van Wert, OH; and Jay, 35, defense coordinator at Millikin University in Decatur, IL. The Hoods live in Bangs, OH.

1999 SEASON PREVIEW

Otterbein football should turn the corner before the new millennium. The Cardinals—just missing the .500 mark in 1998—head into the new season with four solid classes as head coach Wally Hood prepares for his fifth season with the Cardinals.

"This is the most experienced team we've had since I've been here," Hood says. "Based on our finish last year, how we played competitively, the expectations of our players are higher than they have ever been."

Nineteen of 20 starters eligible to return are either juniors or seniors. The Cardinals could field as many as 18 seniors this season.

Among the many goals set for this season is "record the best record this school has had in 16 years," Hood says. That was 1982 when Otterbein, under coach Rich Seils, went 5-4, capping off four consecutive seasons of winning football.

"This team reminds me, to a certain degree, of when I was at Northern in '82," Hood says. The Polar Bears, 6-3-1 overall, captured the OAC Blue Division with a 4-0-1 mark.

"We had juniors who were good," Hood says. "We had some really good seniors—I mean good seniors at the right spots. We had a senior quarterback, who took over. We had a senior running back, who was good. We had a senior tight end, who was the best in the league."

"You have to have some luck along the way, too," Hood continues. "We won the title game (Blue Division) by throwing a halfback option pass out of the end zone."

The strength of the 1999 squad should come from the skilled players on offense.

The Cardinals return nine starters, led by senior quarterback Matt D'Orazio, who has the potential, Hood believes, to become the best quarterback in the league this season. D'Orazio completed 150 of 290 pass attempts for 2,115 yards and 12 touchdowns last season. He threw just five interceptions.

Tight ends Joe Simmons (28 rec., 1 td., 340 yds.), a junior, and Jeff Gibbs (25 rec., 4 tds., 381 yds.), a sophomore; and wide receivers Ben Streby (27 rec., 5 tds., 573 yds.) and Dwane Rowley (17 rec., 2 tds., 329 yds.) both seniors, return. Gibbs caught ten passes in the season finale against Marietta for a school-record 194 yards.

Senior Aaron Carmean, the squad's top receiver as a sophomore in 1997 (58 rec., 6 tds., 730 yds.), plans to return after missing last season.

And the Cardinals enter '99 with a revamped running attack bolstered by the late-season heroics from junior running back Shane Rannebarger (479 yds., 9 tds.). He started the final four games of the season, rushing for 465 yards and seven touchdowns in those starts. Also back are running backs Travis Fankhauser (187 yds., 2 tds./20 rec., 161 yds.), a senior, and Brian Newland (135 yds., 1 td.), a sophomore.

Adam Stanley, a junior transfer from Allegheny, and David Anon, a junior, will battle for the opening at fullback. Stanley played in seven games last season, rushing for 218 yards on 32 carries.

"From an offensive perspective," Hood says, "we have more weapons to score than we've ever had since I've been here."

But coach Hood does have some concerns regarding depth on the offensive line.

Starters Dan Largent, a senior center, and Nicholas Neria, a junior tackle, anchor the line. Several starters or part-time starters return, including senior tackles Tim Sautter and Scott Bruce; junior guards Adam Kurena and Greg Curry; and sophomore guard Brian Foos. Freshman Chuck Black, whom coach Hood expects to become "the strongest kid on the team," should also be in the running for playing time.

The defensive unit, under new defensive coordinator Jim Bickel, returns nine starters.

"The biggest challenge that coach Bickel has on defense is to get the kids to believe that what we are doing is right," Hood says. "We have the people who can do what we have outlined in the playbooks. We just have to execute and play hard."

The linebacking corps, spearheaded by inside linebacker Roger Ailiff, a senior, enters the new season as the heart and soul of the Cardinal defense. Ailiff, a first team All-OAC pick, made 100 stops, including five for a loss, last season. Outside linebackers Matt Kruger (52 tackles) and Sheldon Steinke (102 stops), both seniors, return to the starting lineup.

Senior tackle Matt Zingery (69 stops, 7 for a loss), a second team All-OAC pick, and junior tackle Dave Ritchey (34 tackles) return to the starting lineup. Probable starters at defensive end include senior Mike Harris (9 stops, three pass sacks) and sophomore André Mock, a transfer from the University of Toledo.

Senior free safety Steve Jones (60 tackles), and junior strong safety Mike Mancuso (53 stops) headline the defensive backfield. Starting corners Deke Hocker (33 stops, 3 int.), a senior, and Brent McCoy (40 tackles), a junior, return.

Otterbein also returns second team All-OAC punter Brett Dorsett, a junior. Dorsett, who also handles the place-kicking duties, averaged 40.8-yards a punt last season, sixth best in NCAA Division III.

FACILITIES

Memorial Stadium (5,000 capacity), with a 400-meter all-weather track around a natural grass football field, underwent major renovation in 1989-90.

New outdoor track and field facilities were installed in 1988 through a \$100,000 donation from Mrs. Dorothy McVay, from Westerville. In 1989, the gridiron was named in honor of Dwight "Smokey" Ballenger, a 1939 graduate of Otterbein.

A \$100,000 lighting system, courtesy of Cellular One, was installed in 1996.

Additional outdoor sports facilities include tennis courts, and separate fields for softball, baseball and soccer. A 2.5-mile cross country course, which meanders Alum Creek and traverses woods and farmland, opened in the fall of 1995.

Built in 1974, the **Rike Center** houses men's and women's athletics and physical education facilities and offices. The domed roof encloses an intercollegiate hardwood basketball floor with seating for 3,100; a tenth-

mile oval track with an 87-yard straightaway and seating for 600; nets and space to segment three courts each for volleyball, basketball or tennis; equipped weight training room; two handball courts; gymnastics space; and locker rooms for varsity teams and physical education classes.

Additionally, nets serve to section off a baseball infield and batting cages. Conventional classrooms and offices are located on the perimeter.

A \$300,000 gift from the Rike family of Dayton inaugurated the capital campaign to finance construction of the Rike Center, which was built for about \$1.5 million.

Gifts from the Otterbein alumni and friends have helped provide

educational opportunities through athletics for sports-minded students. Former student-athletes have continued their success in coaching, teaching, recreational and professional fields—evidence of quality educational experiences offered at Otterbein College.

THE OHIO ATHLETIC CONFERENCE

Moving Progressively into the 21st Century

Commissioner: Timothy W. Gleason Assist. Commissioner: Angela Dudziak Supervisor of Officials: Gordon Schutt Secretary: Charlene Stoner

Welcoming a brand new century, the Ohio Athletic Conference (OAC) continues to grow in stature as one of the nation's premier conferences. To wit, all nine current OAC members had at least one team finish in the NCAA Sweet 16 last year, a feat that will be difficult to match. All told, the OAC garnered one national championship, three Final Fours, five Elite Eights and five more Sweet 16s in 1998-99.

Individually, the OAC boasted 59 All-America selections and 28 Academic All-Americans, including two national Academic Players of the Year. In addition, a usual plethora of players and coaches received national honors for their achievements.

The OAC, the third oldest conference in college athletics, is predated only by the Michigan Intercollegiate Athletic Association (1888) and the Big Ten (1895). The Conference is older than the Rose Bowl, the World Series and even the NCAA itself and has survived two world wars, the Great Depression, the Korean War and the Vietnam Conflict. From a modest beginning of six charter members in 1902, the OAC grew to as many as 24 members in the mid-1920s.

Through the years a total of 30 colleges and universities at one time or another have been members of the OAC.

Currently the Conference consists of nine members, including Baldwin-Wallace College, Capital University, Heidelberg College, John Carroll University, Marietta College, Mount Union College, Muskingum College, Ohio Northern University and Otterbein College.

In the OAC's first year of existence, 1902, the first Conference champion was crowned—Case Tech won the football title with a 5-0-0 record. Outdoor track was added a year later and a third sport, cross country, became a Conference sport in 1914. More sports were steadily added to the OAC's repertoire throughout the years, culminating in the addition of women's sports in 1984. The Conference currently sponsors championships in 21 sports, 11 men's and 10 women's, with women's golf sponsoring its first championship in 2000.

The enrollments at the nine OAC institutions range from 1,200 to 4,000. All of the schools were founded in the 19th century and have long and outstanding academic reputations.

While maintaining these high academic standards, Ohio Athletic Conference athletic teams and athletes have consistently enjoyed a great deal of success on a regional and national level. The athletic competition is viewed not as an end in itself, but as an extension of the educational programs.
