ATHLETIC GRADS ACHIEVE COACHING RECOGNITION

Widdoes Goes To Ohio State With Brown

Followers of Otterbein athletic teams during the past years learned that one of the outstanding performers for the Tan and Cardinal, Carroll Widdoes, has been appointed as assistant to Ohio State's new football coach, Paul Brown.

Widdoes, while attending Otterbein, was a four-letter man, winning emblems in football, basketball, baseball and track. In 1926 he was mentioned on the all-Ohio Conference basketball team.

He graduated from Otterbein in 1926 and immediately went to Massillon to coach football and basketball at the Longfellow Junior High School. Carroll remained at Longfellow until 1934, when he was appointed director of physical education of the whole Massillon school system and assistant coach to Paul Brown.

Mr. Widdoes is married to an Otterbein graduate of 1928, Viola Peden. They have three children, all boys.

Coach Harold Anderson of the Toledo University Rockets is deserving of commendation for his fine record of this season. The Toledo team was recognized as one of the strongest aggregations of the Middle West.

Otterbein is well represented at the State High School Basketball Tournament this year by Henry Furniss, '34, whose Berlin team will represent the Central District and by Coach Clayton "Pete" Wolfe who brings a strong Midvale squad down from Tuscarawas County. "Pete" was recently acclaimed by the New Philadelphia Press as having achieved the outstanding piece of coaching for that district. Henry Furniss' five will enter tournament competition with one of the best Class B records in the State, having won 24 out of 25 games of the season.

Otterbein extends congratulations to all of these men who are bringing her recognition in the field of athletics.
