Time: the present

Act I Scene I Late Friday p.m.  
Scene II Saturday morning

Act II Saturday Evening.

Act III Sunday Morning.

The entire action of the play takes place in the living room of an apartment in New York City.

This play is for fun. It was first produced with notable success at the Windsor Theater New York City and has since appeared as a movie. We have had real fun in getting it ready for May Day. Sit back and enjoy a side splitting experience over the perdicament of some real young people who want to get along and sacrifice about everything but their honor and self respect to do so.

#### The Cast

The audience will stand as the Queen and her Court enter and remain standing until she is seated.

This play is produced with special permission of the Samuel French Co., New York City.
