I wish to express my thanks to all those who have cooperated in the publication of this annual. There were several who gave great aid, although they weren't obligated in any way. To them I give special thanks.

We were intending to have a little more elaborate book, but due to rising costs and no increase in income this wasn't possible—So this is it!

ASSOCIATION BUILDING

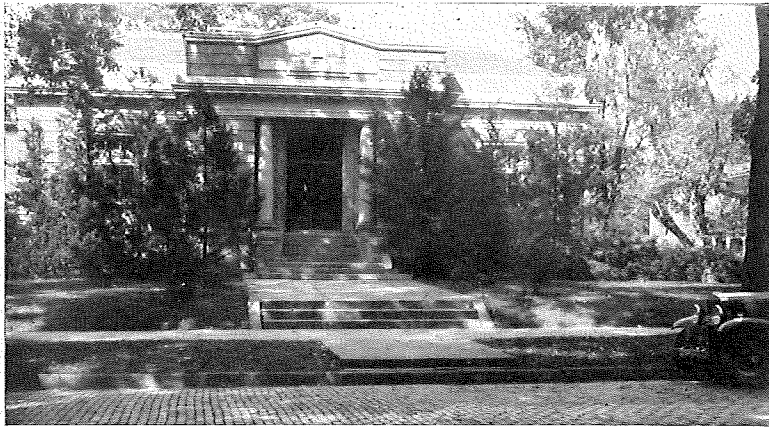

We dedicate this annual to the graduates of 1948. At this time, opportunities in the various fields of endeavor are great. May these graduates choose wisely in selecting their positions. May they remember that it isn't always the glitter and sparkle of an object that shows its strength, but also to investigate the base and discover if it has any real strength. So take knowledge that you have gained, and the good sense with which each of you were born and choose wisely. Those who have graduated before you and those who will follow join in wishing you

OTTERBEIN'S PRESIDENT

DR. J. GORDON HOWARD, *B.A., B.D., M.A., D.D.*

Dr. Howard has now served three years as the President of Otterbein. He is a graduate of Otterbein and while a student here he was very active, both athletically and socially, in addition to a good standing scholastically.

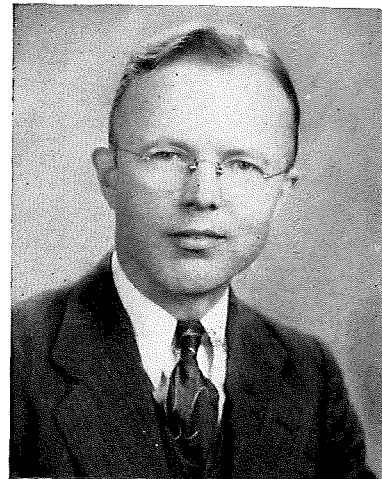

This activity has continued to this day. As the "Prexy" shows an avid interest in all sport events and is a friend to all those around the campus. He has been instrumental in encouraging closer harmony between students and the administrative forces in the problems of the college.

STUDENT COUNCIL

The Otterbein Student Council is composed of twenty students; eight seniors, six juniors, four sophomores, and two freshmen—who are elected by their classes.

The unique idea of a woman president was carried out this year for the first time in the Council's history, with Mary Jo Wood, presiding, Bob Corbin, vice-president and Eileen Hill, secretary-treasurer.

The much publicized and worked on new Student Constitution was approved by students and faculty and preparations made to function under this document the next fall semester.

The Council was given some important matters to handle and worked jointly with the Students and Administration. Important meetings were held with Capital University to better and advance relations between the two schools. The Regional Convention of the National Student Association was held at Otterbein under the guidance of the Student Council. The Council conducted the elections of queens, class officers and arranged for Fall Homecoming and several Homecoming Dances.

The Council this year was a cooperative group who were sincere in their efforts to do the best possible thing for the greatest number of people.

Seated, left to right: Roberta Armstrong, Beatrice Drenten, Doris Forney, Shirley Minnis, Margaret Eschbach, Jeanette Elliott. Second Row: Winifred Robbins, Joan Platt, Kathryn Williams, Marylee Jarrett, Phyllis Alban, Carol Evans, Kathryn Haney, Pat Miller.

W.S.G.B.

Representatives from each of the girl's dormitories and cottages form the Women's Student Government Board, which serves as the co-ordinating body for the different women's living centers. Each residence is organized as a separate unit having its own officers and standards board. These are under the jurisdiction of the W. S. G. B. This is the nucleus for the governing of the discipline and regulations of each house. Of interest this year to all of the girls was the lengthening of the hours for upper-class girls.

The women's student body elected Jeanette Elliott, president; Doris Forney, vice president; and Marylee Jarrett, secretary-treasurer.

The administrative officers of the various dormitories and houses are: Cochran Hall—Roberta Armstrong, Pat Miller; Saum Hall—Margaret Eschbach, Kit Haney; King Hall—Shirley Minnis, Pat Evans; Clippinger Cottage—Bea Drenton; Clements Cottage—Winifred Robbins; Scott Cottage—Joan Platt; Garst Cottage—Kate Williams; Sanders Cottage—Phyllis Alban.

First Row: Miss Dorothy Frazier, Miss Myrtle Eldredge, Prof. Fred Hanawalt, Mary Jo Wood, Janet France. Second Row: Lloyd Savage, Gerald Ridinger.

CAMPUS SOCIAL COMMITTEE

The Campus Social Committee is a student-faculty group made up of equal student-faculty representation. The group is to provide and supervise social life on the campus.

The main project of the year was the Otterbein Student Union. This new addition opposite the Athletic Field provided much recreation and relaxation for the students of Otterbein.

CAMPUS COUNCIL

The Campus Council is a student-faculty committee that was organized to mutually settle campus problems.

The main problem for the group is the establishment of a calendar for social engagements. This includes teas, rush parties, dances, etc. This committee also selects those to be honored by Who's Who in American Colleges and Universities.

Members were: Dean Myrtle Eldredge, Dr. A. P. Rosselot, Prof. Altman, Mrs. Clark, Prof. McMillan, Mary Jo Wood, Eileen Hill, Lloyd Savage, Dick Galusha, and Ken Potter.

SOPHOMORES

Ready to start on the last half of their college career the sophomores continue to be an active, progressive group. Still large despite losing many of their classmates through various channels, the class contributes individuals to every organization on the campus. Several members of the class hold offices in these organizations. The sophomores gave the freshmen the usual "ducking" on Scrap Day, thoroughly initiating them to the good old traditions.

FRESHMEN

Talent and cleverness marked the freshman class of this year. Its members shone in all phases of school life—in athletics, in “four pointers” and in the musical productions. These frosh brightened the atmosphere of our campus with their cheery, “Hi’s” and their willingness to cooperate—even during Hell Week. Though underclassmen in rank, our freshmen contributed greatly to the success of this school year at Otterbein.

He is a member of the Premedical fraternity, Alpha Epsilon Delta, and the National Science fraternity, Sigma Zeta. He adds the local color to the group, calling Westerville his home town.

LLOYD SAVAGE, Justus, Ohio, is the musician of the group. He is a member of the Glee Club, Band and Orchestra. He also plays in the recently formed brass sextet. He is a member of the Student Council, Campus Council and Campus Social Committee.

JEANETTE ELLIOTT, Lima's contribution to the class of '48, is president of the Inter-Sorority Council and the Women's Student Government Association. She is a member of Arbutus Sorority, and was president of that group last year. She is a member of Cap and Dagger, and is quite active in the athletic program.

MARY JO WOOD, the out-of-state representative from Pittsburgh, is serving this year as President of the Student Council. She is president of the Owls Sorority, and secretary of the Campus Roundtable. She serves on the Campus Council and the Campus Social Committee. She is also a member of the Women's Athletic Association.

INTER-FRATERNITY COUNCIL

The intra-fraternity council consists of two representatives from each fraternity on the campus. Each fraternity is represented by its president and a chosen representative, who voice the opinions and proposals of his respective organization to the board. The problems and responsibilities are ever-increasing with the increased student body and new fraternity now in operation, which necessitated a revisal of the constitution and rushing rules, as well as making arrangements for over-crowded fraternity houses. The body consists of twelve members and an administrative official.

The officers for this year are: president, Wendell King; vice-president, Victor Ritter; secretary, Fred Beachler. The faculty advisor is Prof. R. F. Martin.

INTER-SORORITY COUNCIL

This council is composed of the president and a representative of each sorority. It strives for harmonious relationships and cooperation between the sororities. This year a later season of rushing and pledging was installed for a trial period.

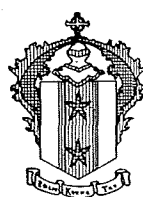

An Inter-Sorority formal was held during the Christmas Season and was a huge success.

Leap year was aided by Jump Week which was held April 21-23. This really gave the girls their chance.

Officers for this year were: Jeanette Elliott, president, and Dorothy Orr, secretary-treasurer.

ARBUTUS

Lively active girls joined together with the motto—"Eros Kai Timi" which means love and honor. It was in 1918 that Epsilon Kappa Tau was organized. They chose as their flower the tiny arbutus from which they gain their name. Mrs. Shackson and Mrs. Harmon are the helpful sponsors. Hell Week with white blouses and black stockings has become a tradition. We are proud of Ellen—Queen of homecoming, also proud of the new vic. At the traditional "Bowery Brawl" the pledges responded with pep and originality. The last social event of the year was a successful Spring Formal.

ONYX

Another rip-roaring year is over—enough good laughs, good times and memories for a century. Our two sponsors, Mrs. Steck and Mrs. Sprecher, as well as all our other members enjoyed the year's activities which included a moonlit hayride, entertaining the freshmen during the rushing season, an unforgettable slumber party, the heart sister period.

The last meeting of the year was the traditional May Morning picnic breakfast at the unearthly hour of 6:00 A.M. We just barely had the energy to reassure each other that our motto—sisters and friends to the end—is much more than just mere words. It is a true feeling and love that will bind us together in the years to come.

ARCADY

Arcady's twenty-fifth anniversary is now behind her with another happy twenty-five years in the offing. Our colors are purple and white, and our flower is the pansy that suggests our motto, "Thoughtful, each of all."

The winning float with the slogan "Snow 'Em Under" in the fall homecoming parade was Arcady's. Our Rush Tea at alumna, Jackie Pfeiffer's home started the social ball rolling. It gathered momentum at the all-sorority Christmas formal, the Rush Party at the traditional P K Delta Ranch, spring co-ed at the Masonic Temple, and came to a glorious finale at our Spring Dinner-Dance.

Our pledges worked well for us and their polka-dotted umbrellas are not easily forgotten.

Our heartfelt thanks go to Mrs. George Novotny, who spurred us on to bigger and better things with her timely suggestions and able sponsoring.

OWLS

"Sagacity, Affection and Truth" is the motto of Sigma Alpha Tau, better known as Owls. Founded in 1910, the purpose was for friendly and social relationships and for further attainments in scholarship, leadership, and ideals in all phases of college life. Jade and gold are the sorority colors while the yellow chrysanthemum is the official flower.

The Owls had a calendar "jam-packed" full of activities this year: breakfast at Williams Grill; coed party at Rohrbaugh's Recreation Hall; inter-sorority formal dance at the Southern Hotel; the annual "hen" party at Christmas time; tea and the traditional progressive party for prospective pledges; the Heart Sister period; the Circus coed party at the Masonic Temple; our Moon serenade; and last, but far from least, our strictly formal Spring dinner-dance at the Southern Hotel.

Special honor and gratitude go to our faithful sponsors, Mrs. John Clippinger and Mrs. H. O. Weaston.

TOMO DACHI

With the able assistance of sponsors Miss Dorothy Frazier and Miss Lavelle Rosselot, Tau Delta had a very enjoyable year. The calendar was well filled, with a hayride; slumber party; the traditional Gypsy Tea, at the home of Mrs. Robt. Wilson; formal rush party; the all sorority dance replacing the usual winter formal pledge party at the home of Mrs. Lyle Michael; formal initiation; May Day Luncheon; the annual spring dinner dance; commencement luncheon; and monthly social meetings. Prexy Nadine Allman Wenger, after her marriage in December, asked to be released from her duties as president, and was replaced by Suzanne Culp at the beginning of the second semester.

Best wishes to all our newly married and engaged girls; and many thanks to Phi Sigma Epsilon, our alumnae association, for its staunch support and numerous kindnesses.

Sorority flowers—white rose and multicolored sweat peas. Colors—French blue and white.

TALISMAN

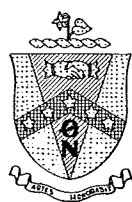

Tau Epsilon Mu was organized secretly in 1915. The founders chose purple and gold for their colors, and the Talisman Rose as the club's flower. On the crest is the scarab—the “talisman”—or good luck charm, the lamp of learning, and the book “Everybody's Lonesome”, which is also the motto of the club.

The activities of the year began with the traditional Harvest Moon Dance followed by the Carnival Rush Party at the Temple, rummage sale, May Day breakfast for the pledges, and the Spring Formal with the Greenwich Sorority.

In honorable mention is Mrs. Harry Ewing the club sponsor.

GREENWICH

Theta Nu which was organized in 1917 once again had a fun-filled year. Our season started with a purple and white frolic at Willy's honoring the candidates for the Homecoming queen. Greenwich was represented on the court by Gloria Stauffer. Our successful Homecoming Alumni luncheon was held at the Beechwald followed by open-house in the clubroom after the football game.

From the formal tea to our traditional "Greenwich Village" rush party every girl had a busy but wonderful time.

The Inter-Sorority Formal at the Seneca Hotel supplied all Greenwich girls with fun and that "something to remember." The town alumni throughout the year gave the active chapter a number of gay evenings.

The pledges gave the actives a party in March which proved their sincerity in being a Greenwich girl. Our spring formal was once again traditional for Theta Nu by giving all something to look forward to once again in 1949.

In addition to our faithful sponsor, Mrs. James McCloy, we added Mrs. Robert Weaston as the Alumni advisor to our roll call.

JONDA

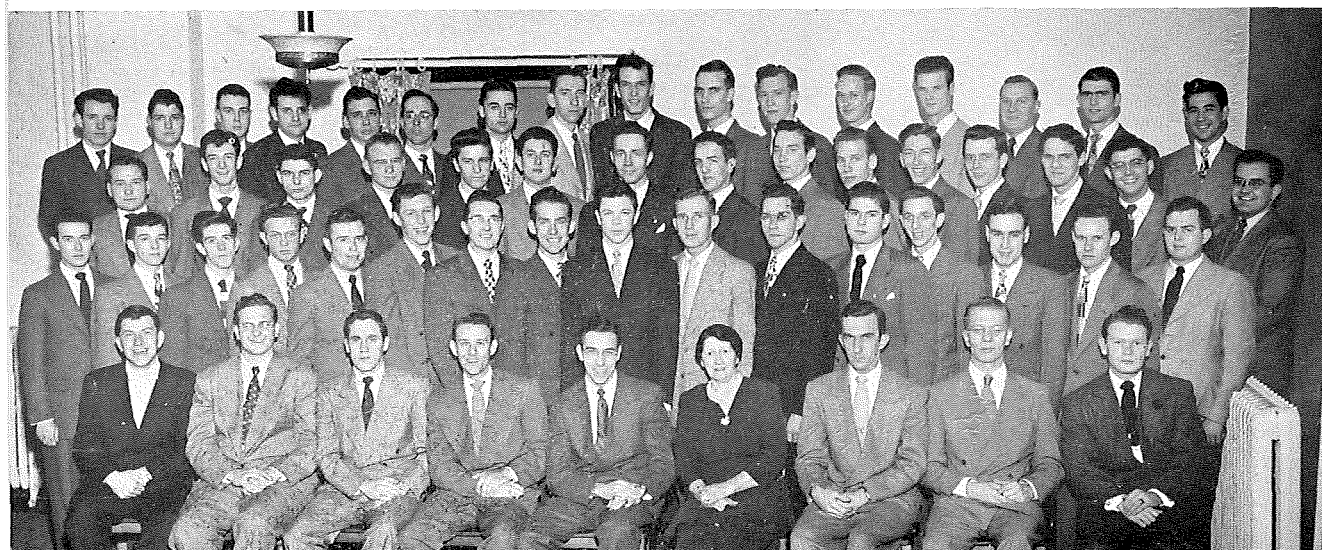

For the men of Jonda fraternity, the year 1948 will recall many memories in years to come. Dick Hohler and Dan Corcoran directed Eta Phi Mu's fortunes ably throughout the year. Dr. Robert Price and Professor Robert Hohn were installed as advisors and completed the administrative set-up.

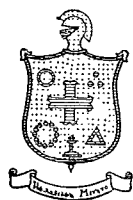

The biggest history making event of 1947-48 was the organization and incorporation of the alumni. Working from its headquarters in Dayton, the alumni set into motion plans for purchasing the fraternity house and for uniting all Jonda men of past years into a close knit organization.

In the matter of social events, Jonda lived up to its reputation by presenting two formal dinner-dances and several co-ed parties that were the talk of the campus. The formals were acclaimed "the best of the year." The "Beachcomber's Party," Memorial Day Picnic and Dutch Party hit a new high in original social events. The weatherman had a hand in the arrangements as Jonda men and their dates sought shelter from a cloudburst under blankets during the fall hay ride and then struggled through the heaviest snow of the season to attend the winter formal at the Beechwald.

In addition the year of 1947-48 will bring back memories of a lot of little things that make college life what it is. Pledge and active alike will remember Hell Week and the "sadistic" assignments on night out. There was the celebration following Jonda's victory over Country Club on the grid-iron. Bridge games on the porch, chess games in the game room, developing pictures on the second floor, bull sessions and stag parties late into the night, moving all the furniture out for the rush party, decorating the house for Homecoming. All these have become an integral part of 1947-48.

Pi Kappa Phi has the honor of being the first fraternity on Otterbein's campus. The date of founding was November 28, 1908. Through the forty years since that time, there have been two world wars and a terrible depression: yet Country Club has never closed her doors.

The fraternity colors are orange and black, its flower The American Beauty Rose. "Fairer than Fair" has become the club's sweetheart song, and "The Link" has been established as the periodical newspaper.

For over a quarter of a century Dr. A. P. Rosselot has been the advisor. "Mom" and "Dad" Jones have continued with us for fourteen years.

From the Club's inception it has been the aim of Pi Kappa Phi to be cosmopolitan. This year's group has carried on the tradition. Our members have made fine contributions in scholarship, athletics, histrionics, music, debate, religion, creative writing, journalism, and other campus activities.

Country Club's rush party, the hayride and barn party, the Winter Formal at the University Club, the traditional Memorial Day picnic, and the Spring Formal were the highlights of the social calendar.

SPHINX

Sphinx Fraternity under the capable management of its president Kenneth Paul has had another very successful year. Highlighting the social events of the year were the annual Winter and Spring Formals. One of the most colorful and eloquent of these was the Winter Formal held at the Virginia Hotel. At regular intervals throughout the year informal parties were held at various places. A sweater party held at the Masonic Temple was the first party the lowly pledges were permitted to attend.

Along the business lines steady progress was made in an effort to obtain a suitable house for the fraternity. Sphinx initiated pledges to their ever growing number of actives. Perhaps not the largest but certainly one of the most active fraternities on the campus; Sphinx enjoyed one of the greatest years ever, and looks forward to an even better year ahead. Sphinx Fraternity takes this opportunity to wish the best of luck to everyone in the coming years.

ANNEX

Pi Beta Sigma . . . Annex . . . is observing the fortieth anniversary of its founding. Way back in 1908 when social groups were taboo, a group of fellows met secretly and organized the campus' oldest fraternity under the motto of "One for All and All for One."

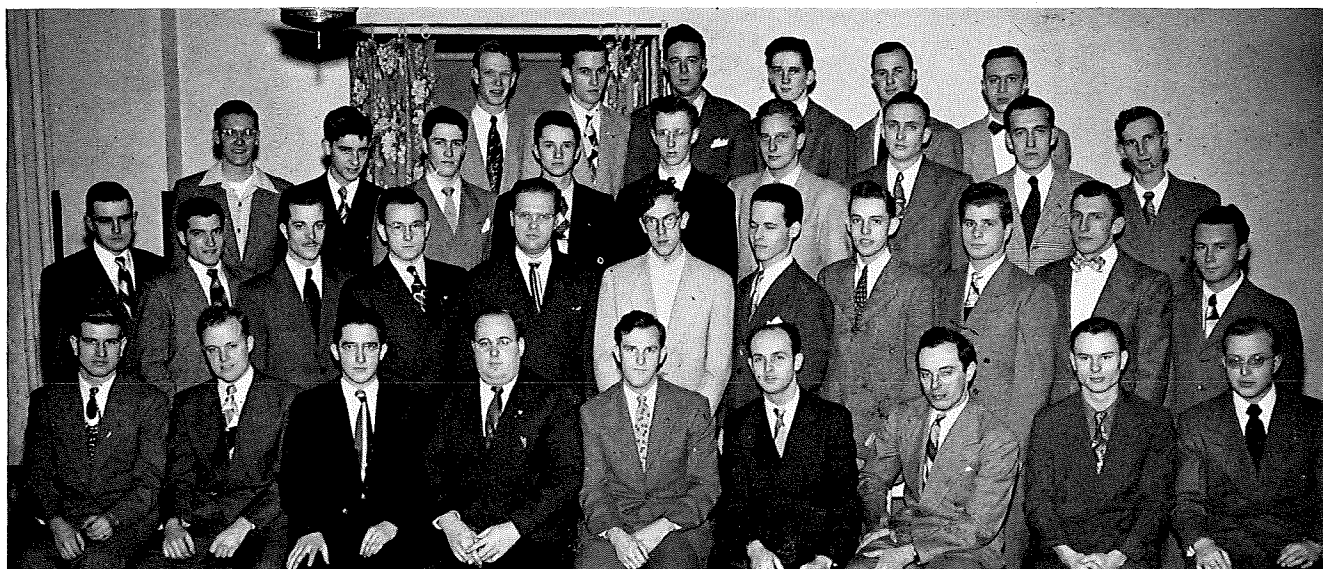

Defunct during World War II, Annex has made remarkable come-back. Membership has risen from five in 1946 to 52 in the present chapter.

The boys' biggest project, the finding of a "Frat" house, has not fared too well. Hopes, however, are still high and determination remains strong.

Features of the year have been the "Stag" party, the Christmas serenade, Freddy's campaign for "Jump King," the Spring Formal and the traditional Chicken 'n Gingerbread feed at May Day.

The long, lean years of the "twenties" changed the fraternity flower from the chrysanthemum to the thorny primrose. The black and gold colors, like the motto, have stood through the years.

Probably the outstanding facet of the 1947-1948 Zeta Phi activities was the extension of our boarding club services. Under the able direction of our first semester housemother, Mrs. Hammond, and our second semester housemother, Mrs. Brintlinger, forty Zeta Phians discovered that their pangs of hunger could be appeased.

Our first social event, an all campus dance in September, turned out to be one of the high points of the social calendar. Our Winter semi-formal and Spring formal were the anticipated successes; during the Spring formal, we initiated a consuetude quite distinctive of fraternities in selecting Miss Dorothy Ahlers as the "sweetheart" of Zeta Phi. The highlight of our three or four co-ed parties was the "squirt gun" party.

Athletically, we had a successful year; we won top honors in the football and volley-ball intramural leagues and finished second in the basketball loop.

Next year should be a banner one, for our pledge chapter was "top" in number (forty) and quality. Dick Galusha will succeed Vic Ritter as the frat President, and Dave Sprout will continue in his position as the all-important Treasurer. Louis Bucco will be our Vice-President, Carl Becker our Secretary, Bill Troop our Social Chairman, and John Freeman will serve as editor of the Zeta Lion.

KINGS

Lambda Gamma Epsilon Fraternity was founded on January 6, 1948. The original founders were Raymond Pope and Ford Swigart, who conceived the idea and began talking to other men about organizing a new fraternity. As a result, there are now thirteen charter members: Don Bloomster, Edgar Cline, Forrest Cole, Roy Felldin, Bohse Fullton, Clar Grosvenor, Cobey Jenkins, Jim Miles, Raymond Pope, Ronald Smith, Ford Swigart, Glenn Waggamon, and Carl Vorpe.

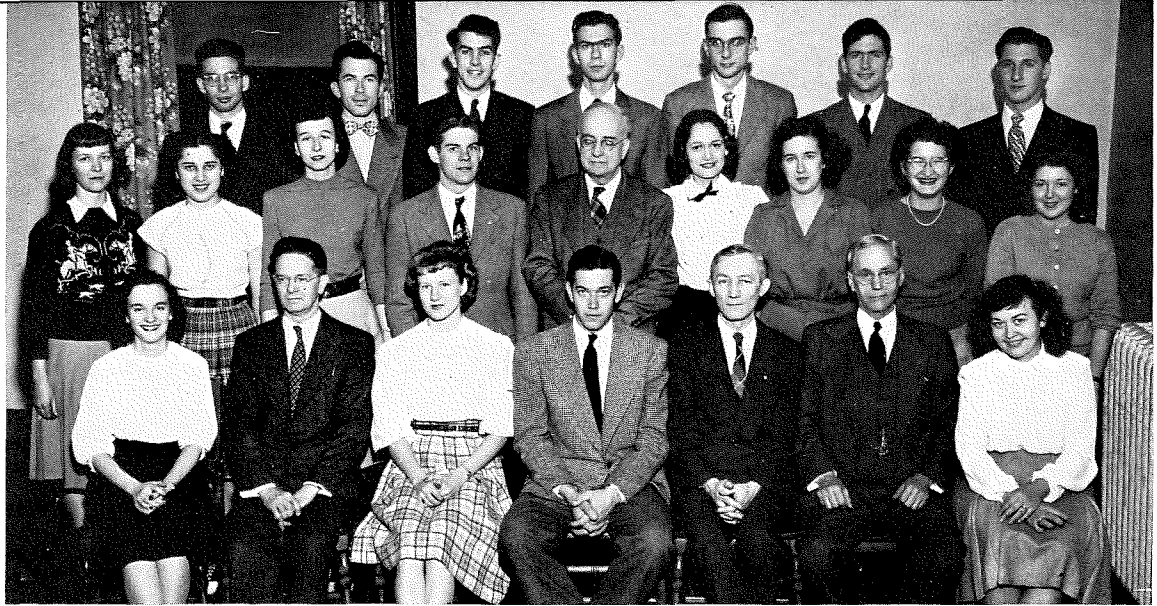

The fraternity has adopted the name "Kings," and the motto is: "Loyalty to God, Brothers, Country, and Otterbein." Many tentative plans have been made, and we are looking forward to a successful future.

PRE-MED SOCIETY

The Ohio Gamma Chapter of Alpha Epsilon Delta National Honorary Pre-Medical Fraternity was organized this year when the Otterbein Pre-Medical Society became affiliated with the national fraternity. The pre-medical society was formed under the direction and supervision of Dr. Schear for the purpose of joining the pre-medical students into a compact group where by pertinent information and beneficial topics could be discussed.

After one year of operation a petition for the establishment of a chapter of the national fraternity at Otterbein was prepared and accepted by the national officers. The installation proceedings took place on March 6, 1948 with members of the Ohio Alpha Chapter from Ohio State University performing the initiation, which ended with a banquet at Cochran Hall at which time Dr. Hugh Setterfield, the national president, presented the charter to the

group to be designated as The Ohio Gamma Chapter.

The object of the fraternity is: (1) to encourage excellence in pre-medical work by furnishing a goal toward which the student may strive during the early semesters of his or her pre-medical career; (2) to bind together similarly interested students; (3) to act as a force in crystallizing any movement for the good of the pre-medical student; (4) to bridge the gap between the spirit of the pre-medical school and that of the school of medicine.

The organization was represented at the national convention in Boulder, Colorado by Robert Wenner and Robert Wells.

THE EVANGELICAL UNITED BRETHREN CHURCH

Y. M. C. A.

*Seated: Fred Beachler, Arthur Schultz.
Standing: Marvin Hummel.*

The Otterbein Young Men's Christian Association has made advanced strides this school term in its endeavor to rebuild into an active organization which was hindered by the war years. The membership drive netted eighty-three new members. The "Y" was represented for the first time in intramural athletics in three sports: basketball, softball and track. The track squad captured the crown. The constitution was revised and a new advisor elected.

The purpose of the organization is to sponsor programs of worship, discussion, and recreation and to spread Christian ideals to all of the men on the campus.

During this year the Y.M.C.A. cooperated with the Y.W.C.A. in sponsoring a series of discussions on college dating and marriage, for which outstanding speakers from other colleges and universities were presented. The highlight of the Y.M.C.A. programs was the speaking of Wesley Fesler, Ohio State football mentor, and George Novotny, Otterbein coach. At the beginning of the year a "Y" mixer for the freshmen was offered, in which the new students were assisted in becoming acquainted with each other and the school. The annual Christmas caroling party was the event of December. The Y.M. was represented at the National Assembly of the Student Christian Association Movement at the University of Kansas and other Y.M.C.A. conferences held throughout Ohio.

The officers for this year are: president, Fred Beachler; secretary, James Fife; treasurer, Marvin Hummel; program secretary, Arthur Spafford. The advisors are Dr. J. N. Boyer and Dr. Harmon.

Some special Y.W.C.A. high spots include the Big and Little Sister Period closing with a banquet, the annual White Gift Service, the May Morning Breakfast and a Neighborhood Conference with the Ohio Wesleyan and Denison Y.W.S. as guests. This was in celebration of the 75th Anniversary of the Student Y.W.C.A.

Neitzs, Mrs. Leora Nagel, Brigadier Coates of the Columbus Salvation Army, Miss Dorthea Wolcott and others. The C.C.A. put forth much time and effort during the 1947-1948 school year in an effort to coordinate these various Christian organizations so that they could best serve the Otterbein student body.

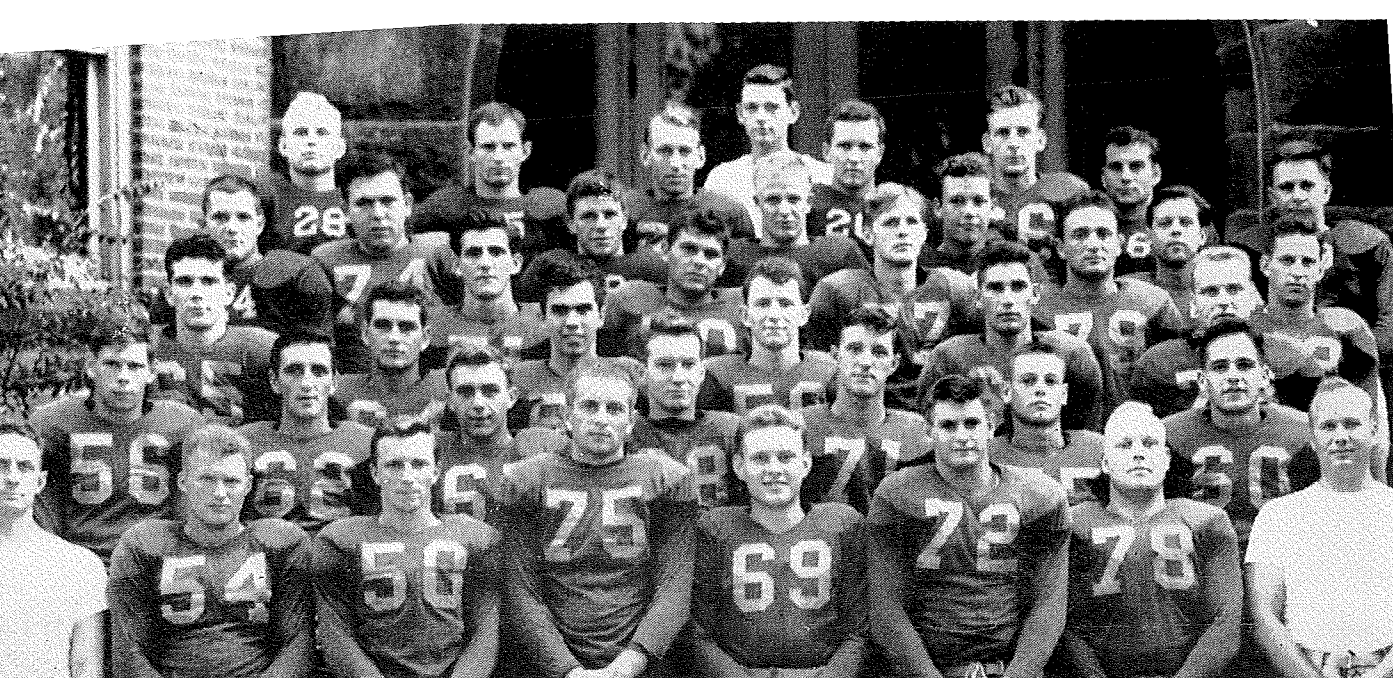

All financial interests of the represented organizations are managed through the C.C.A. A single campaign is conducted to raise funds for the benefit of each organization. This campaign eliminates all other dues, collections and financial drives of individual associations.

Through this council, Otterbein students have contributed to the World Student Service Fund and the Overseas Project and Clothing Drives and have brought to the campus outstanding Christian leaders for speaking performances and personal counselling. The apex of its religious activity comes in March with three days of "Religion In Life Emphasis."

MOREHEAD

Otterbein opened their 1947 football season by entertaining the squad from Morehead State Teachers College from Kentucky in a game marked by rugged defensive play which prevented both teams from finding the spark to set-off their vaunted offensives. When hostilities had ceased the score read Otterbein 6 and Morehead 6.

WEST VIRGINIA

Having held the Mountaineers of West Virginia to 13-7 last year, the Otters journeyed to Morgantown this year with dreams of a possible upset in mind. While the Novotnymen played as good a game as the year before, they found the Mountaineers so much improved that the game turned out to be a field day for them, and the score was West Virginia 59, Otterbein 0.

OHIO WESLEYAN

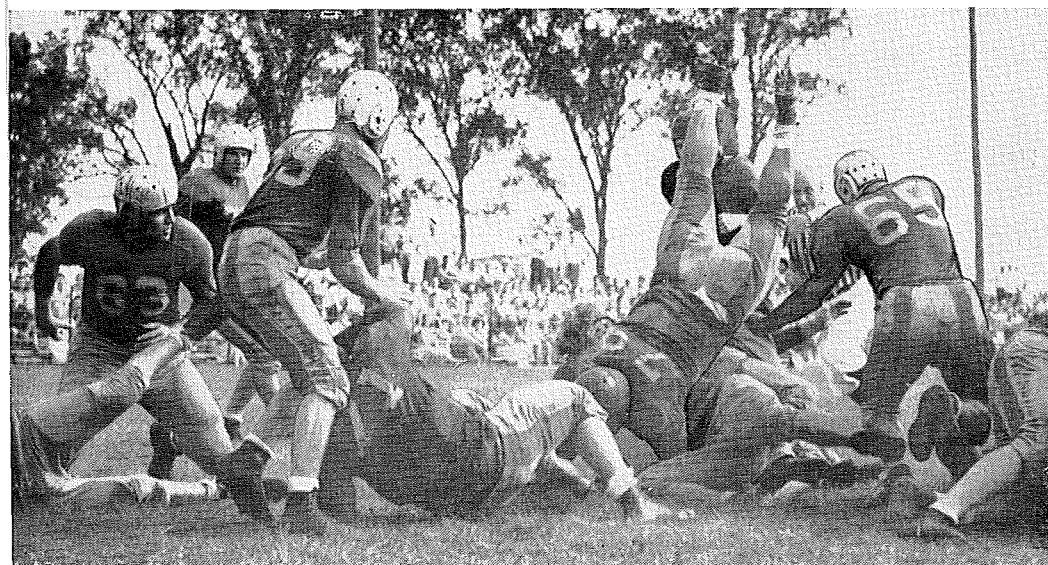

Football relations were resumed with Ohio Wesleyan at Delaware on Saturday, October 4, after a lapse of several years. In a thrilling game marked by long runs and superb passing the Otters went down to defeat 28-20. By all the statistics except the score, the Cardinals were the top team. Bert Bailey, captain for the day, was easily the outstanding back on the field and his hard running set-up two of the scores while going over one once himself. Dave Sprout's passing was also exceptional as he completed fourteen out of nineteen passes.

HEIDELBERG

Otterbein traveled to Tiffin to furnish the opposition for Heidelberg's homecoming game, and came off on the short end of a 14-8 score. The Cards got off to a bad start when on their first offensive play a forward pass was intercepted and resulted in a Heidelberg touchdown. The Princes scored again as the half ended 14-0 in their favor. The second half was dominated by Cardinal play as they scored a touchdown and safety, and were well on their way to another touchdown when the game ended.

MOUNT UNION

The Purple Raiders of Mount Union edged the Cardinals 21-19 in a close hard fought battle. The Raiders took the lead in the first quarter but Otterbein came back in the second period to take the lead as Bob Agler scored from the one foot line and Kenny Zarbaugh ran twenty-nine yards off tackle. However the Raiders came back strong in the third quarter to score twice on a long pass and on a line plunge to again take the lead 21-12. The Otters refused to quit and scored another touchdown in the fourth quarter, but the slim margin of two extra points still separated them from victory.

CAPITAL

The Otterbein Eleven helped make the 1948 homecoming a true celebration by walloping Capital 45-6. In this battle with their traditional rivals, the Otters literally "poured it on" as Coach Novotny used his entire squad in both halves to administer this, cherished above all, victories. The Otters scored in every quarter, and the third stringers seemed just as effective as the first as Pflieger, Bailey, Agler, Zarbaugh, Dale, and Castrodale all contributed touchdowns and Corbin three extra points. The Capital game was the standout game of the year, as the Cardinal Eleven did everything right and exhibited their true ability.

BALDWIN-WALLACE

At Berea the Otters were defeated 40-0 by a fine Baldwin-Wallace team, in a game marked by numerous bad breaks for the Cardinal Eleven. Between the twenty-five yard lines, the Cardinals were terrific in running eighteen first downs while holding the Yellow Jackets to seven. However, once inside the twenty-five everything seemed to go wrong, as fumbles and pass interceptions stopped the Cards no less than six times, within sight of pay dirt.

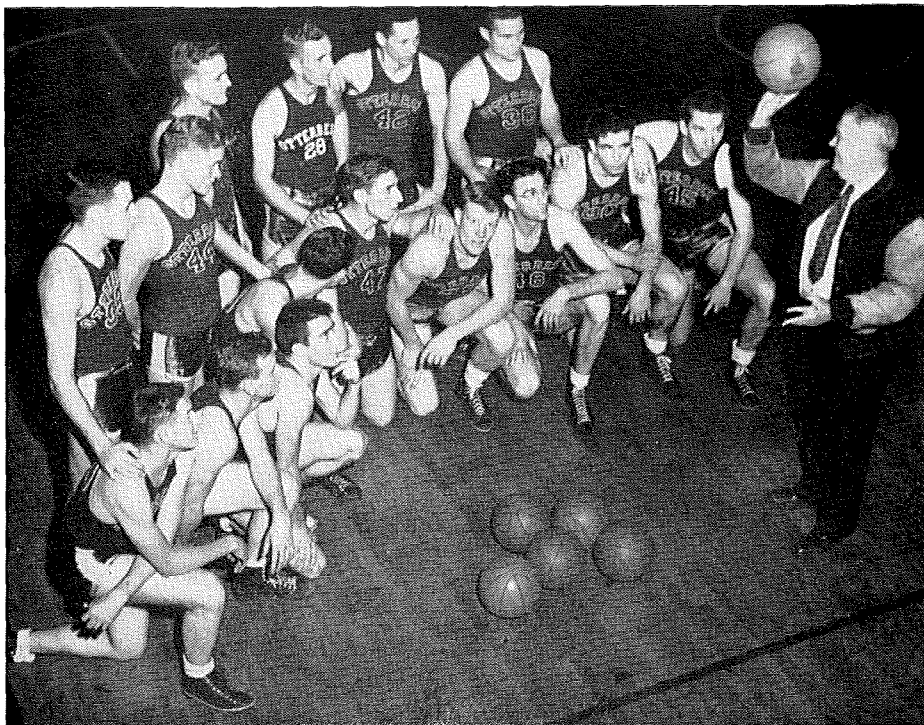

MANCHESTER

The Otters closed their home season with a 33-0 victory over Manchester College of Indiana, and maintained their unblemished record on their home field. In a game played on a rain soaked gridiron neither team could gain an advantage in the first quarter, but in the second quarter the Cards punched across three more touchdowns giving them an eighteen to nothing lead at halftime. The Otters continued their scoring the third quarter as they pushed across three more touchdowns and a safety. With a 33-0 lead Coach Novotny let his second and third stringers play out the fourth quarter.

ROLLINS

The Florida heat, humidity and sand, plus a strong Rollins team handed the Cardinal Eleven a 40 to 0 defeat to wind up the '47 schedule. The Otters held down the Tar's running attack to a net gain of one yard during the first half, but were unable to keep them from scoring twice via the pass route. In the second half the heat and the humidity began to take its toll as the Rollins team racked up four more touchdowns.

Front Row, left to right: Jim Gibson, George Harold, Jay Truitt, Perry Reall, Clyde Helsinger, Wilbur Woods, Vic Thomas, Ray Chadwell, Don McCualsky. Second Row: Dick Housum, George Hagen, Hugh Strider, Walt Wendt, Bob Keller, Ray Bell.

THE PLAYERS

Long and short

Bob Keller

BASKETBALL

The Otterbein basketekers were a better ball club than their 8 wins and 6 losses indicate. With a few breaks in the Wesleyan and Wooster games the record could read 10 won and 4 lost.

The team as a whole played good ball. Wilbur Woods meshed 202 points to take top scoring honors for the team and in the Conference his best effort was 28 points garnered against Heidelberg on our home floor.

BASKETBALL

We lose Clyde Helsinger, Vic Thomas, and Don McCualsky via graduation, and will miss them all greatly. Especially "Hod's" terrific rebounding and "Tommy's" beautiful faking ability. However we have a strong nucleus to build around next year plus some promising freshmen.

The Cardinals finished ninth in the Ohio Conference with a percentage of .538. For the season the Otters scored 795 points to their opponents 725. This gave them an average of 56.6 points per game while holding the opposition to average of 51.7.

BASEBALL

The 1948 Cardinal Baseball squad looked both brilliant and mediocre on occasion. Their seasonal record of five wins and six losses might have been improved with a few breaks here and there.

This year's squad was practically a complete new team from last years, and it took a little seasoning before they began to click. However they evidenced enough potential ability to predict great things for next year.

Ray Chadwell was the leading hurler with a record of 5 wins and 3 losses. He was ably supported by Perry Reall, and Jim Gibson. Ken Shively didn't get too much opportunity to display his hurling ability until the final game at Wesleyan, where he stopped the vaunted Wesleyan attack for the last five innings.

Don Smith, Angelo Scalet, and Emory Hole contributed a greater portion of the power, while Bert Bailey and Bob Schillhahn gave the team its needed speed on the base paths.

Practically all of the team will return next year in addition to some very valuable support to the pitching and catching staffs. This plus a year's experience should provide Otterbein with a real winner on the basepaths next spring.

First Row: Coach Novotny, Perry Reall, Stan Becouvasakis, Ray Bell, Angelo Scalet, Ray Cadwell, Bus Farmer, Bob Schillhahn, Stan Sherriff. Second Row: J. W. McQueen, Jim Gibson, Willie Garrison, Bert Bailey, Don Smith, Every Hole, Ralph Schenck, Ken Shively.

GOLF TEAM

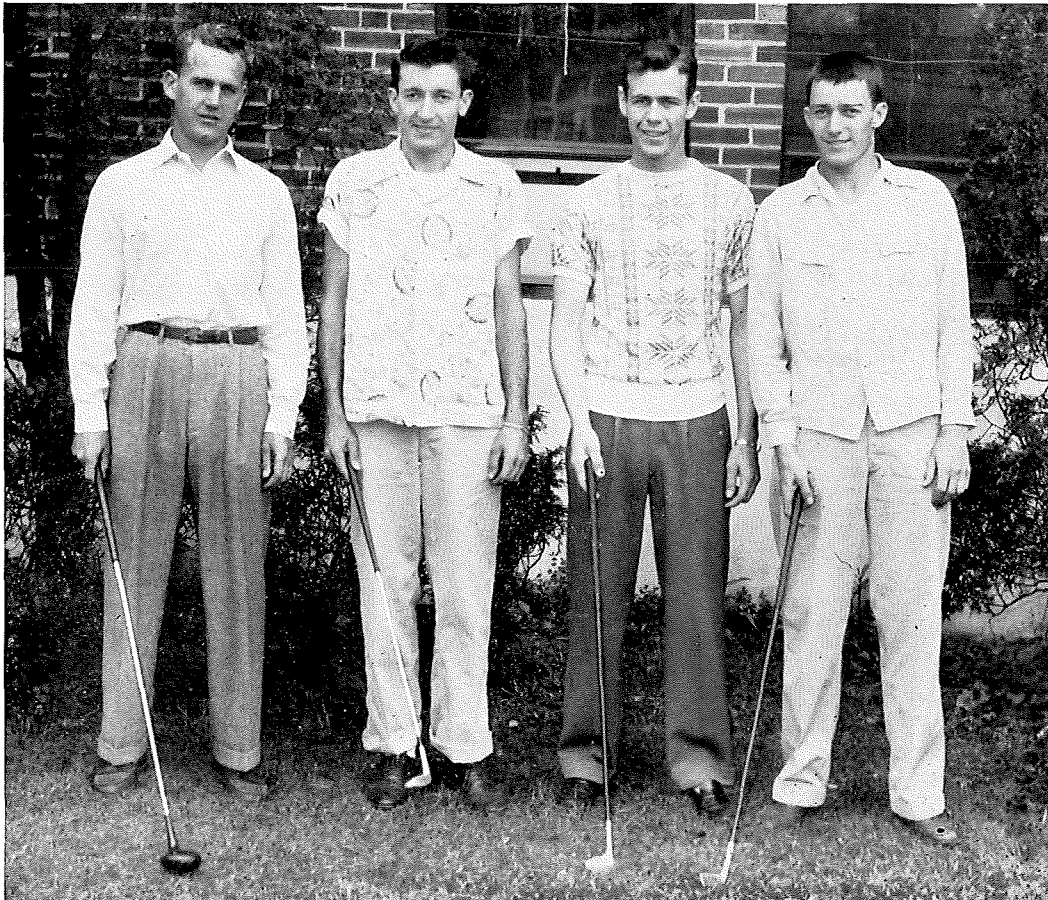

The second intercollegiate golf team at Otterbein had another very successful season winning nine while losing only two. Both defeats were later avenged by the Otter golfers.

Joe Schurtz acting as player-coach guided the team this year, which had the same composition as last year's team, plus the addition of John Becker.

The golf team entered the Ohio State tournament, and the Ohio Conference meet, and pulled down fifth place in each. This is a very creditable showing against the top intercollegiate golfers of the state.

The entire team will be back again next year, and should continue to maintain their fine record thus far.

TENNIS

1948 might be called the most successful for the Otter racquet swingers as they sported a 1 won and 4 lost record, but since that lone victory was over Capital it could almost be called a successful one.

Considering the fact that the boys played practically without a coach more or less explains the situation. Next year the whole team returns plus some very promising freshmen so that possibilities for a better season look much brighter.

TRACK

The highlight of the track season was the 82-45 victory over Capital in the last meet of the season. The victory hungry Otters went down to Cap with a determination to win that would not be quelled.

Bill Horie, a very promising sophomore distance man, pulled an iron man stunt by winning the 880 yd. dash, the mile, and the two mile. The latter race being the first time he had ever run the 2-mile distance.

Jim Morgan, the star of the track squad, won firsts in the 440 and broad jump, second in the 220 (to Andy Pallay), while running on both relay teams.

In addition to these two, Ralph Picklesimer took first in the shot and discus, Andy Pallay first in the 100 and 220, plus a beautiful anchor lap on the 880 relay, and Bill Agler's surprisingly sensational running in both relays.

The rest of the season the boys took to warm up for Capital. The only thing that hurt the team this year was lack of balance due to an insufficient number of candidates. Next year we'll have practically all of the stars of this team back, plus a number of outstanding freshmen so we're planning on a good season.

INTRAMURAL PROGRAM

For the first time in Otterbein history an instructor has been employed to devote his time mainly to intramural sports for men. Dick West, a graduate of Springfield College, who is pictured above, is director of the program. Dick has done a terrific job of promoting intramurals this year, and by far has given the non-varsity men the best all around program possible. A situation welcomed by everyone.

A championship trophy representing outstanding achievement throughout the year was initiated this year, and was won by Zeta Phi Fraternity in a nip and tuck battle. This is a rotating trophy, awarded at the end of each year, and retained by the winner for the following year, or until won by another organization.

Congratulations to the Zeta "Lions," who demonstrated a fine spirit and a will to win on every occasion, although being pressed hard in several instances by a fighting C.C. crew.

Zeta Phi got off to a fast start in the race for the Intramural trophy by winning the touch-football and volleyball games. Country Club made a determined bid to catch up by winning the basketball and foul throwing events. Then the Y.M.C.A. under the coaching of Bob Milligan won the track meet with a well balanced crew. It's encouraging to see the Independents rally together to build up a stronger intramural competition. Finally Country Club won the softball race to end the contest. Zeta Phi won because they were in the thick of every race, and although Country Club won three firsts to two for the Lions, they grabbed enough seconds to edge the College Ave. boys out by five points and win the first all sport Intramural Trophy.

Varsity "O"

The Varsity "O" Association is composed entirely of Otterbein men who have earned their letter in some one of the various athletic activities. This letter is obtained by participating in a certain percentage of games or by earning so many points.

It is the purpose of the Association to promote interest in intercollegiate athletics—assist in encouraging new students to enter Otterbein—act as fatherly guardians to straying freshmen.

The outstanding activity of the Varsity "O" for this year was the Valentine Dance and the traditional election of the Winter Princess. Mrs. Lee Morris Vawter reigned as Princess attended by Miss Mary Gail Kelly, Maid of Honor, and Miss Mary Augspurger.

The prospects for additional members in the coming year will increase the membership to the largest in the Association's history, as only ten men are being lost by graduation.

Schuler Stine served as president until his graduation at mid-semester. Bill Case, as vice-president, ably led the group the remainder of the year. Dick Bridgman acted as secretary-treasurer and Junior Miller, sergeant-at-arms.

On November 21 Otterbein met Capital at Capital. Each school supplied two teams. Otterbein's second team was defeated by a score 2-0. Our first team took the Capital players by a score of 4-0 ending the season on a harmonious note.
