ROBERT E. SPEER WILL ADDRESS CLASS OF 1926 ON COMMENCEMENT DAY

Missions Secretary and Former Head of Federal Council of Churches Will Address 70th Class.

Robert E. Speer, secretary of the Board of Foreign Missions of the Presbyterian Church, and president of the Federal Council of Churches of America in 1920, the position now held by S. Parkes Cadman, will deliver the Commencement Address at the Seventieth Annual Commencement exercises to be held in the United Brethren Church, the morning of June 16, 1926.

Final arrangements for bringing Mr. Speer to Otterbein were made last Thursday morning by President Clippinger in conjunction with the State Sunday School Association, which Mr. Speer will address at their convention the evening of June 16 at Tiffin, Ohio.

Mr. Speer is an internationally known character being a world traveler and author of a great number of books. During the war period he was a member of the advisory committee on religious and moral activities of the Army and Navy, chairman of the General Wartime Committee of Churches. Mr. Speer is a graduate of Princeton University and Theological Seminary, and has received honorary degrees from Yale and the University of Edinburgh.

Stop! Look! Listen!

Ever and anon we have heard of the absent-minded professor and doubted—but now we have proof conclusive.

One of our popular young professors at Otterbein took his lady love to the city one day. They evidently had an enjoyable time and were returning home via Toonerville Trolley. The young lady walked in and took a seat while the young professor stopped to pay the fares. He then walked up the car to where he saw a young lady seated talking to Dean McFadden. He dropped into the seat beside the young damsel. After listening to the conversation for a few

JUNIOR PLAY WILL BE STAGED JANUARY 21

Cast For "The Goose Hangs High" Chosen. One Act Play Also On Program.

The cast for the Junior play, "The Goose Hangs High" which will be given in the College Chapel Thursday evening, January 21, has been definitely selected by Prof. Leon McCarty.

In the cast will be Betty White as Eunice Ingals; D. Harrold, Bernard Ingals; Charles Lambert, Noel Darby; Charles Keller, Leo Day; Rosalie Copeland, Rhoda; Grace Cornet, Julia Murdock; Laura Whetstone, Mrs. Bradley; James Gordon, Hugh Ingals; Walter Martin, Ronald Murdock; Jean Turner, Lois Ingals; Francis Bechtolt, Bradley Ingals; Grace Rinehart, Dagmar Carroll; Forrest Berger, Elliott Kimberley.

On the same program members of the Junior play class will also present a one-act play entitled, "The China Pig," with Rosalie Copeland, Nellie Wallace, and Amy Morris in the cast.

LYCEUM NUMBER TONIGHT

Miss Helen Waggoner, Entertainer Will Present Popular Program Tonight in College Chapel.

Miss Helen Waggoner, a gifted and experienced entertainer, will present a program in the chapel tonight at 8:15. This number of the Lyceum Course will be popular because Miss Waggoner will include on her program a series of brilliant short sketches as well as a complete one-act play. She is particularly skillful with character impersonation, making each portrait stand out with striking vividness.

Students should plan to attend this entertainment. Admission with reserved seats is 35c. Tickets may be secured at the door.

DECLAMATION CONTEST SCHEDULED FOR JAN. 25

Forensic Fray Sponsored By Dr. Howard Russell To Have Seven Contestants.

A competitive speaking program is now being conducted in the Public Speaking classes to determine the contestants for the Russell Declamation Contest which will be given in the College Chapel Monday evening, January 25. From Prof. McCarty's three public speaking classes three of the competitors will be selected from one class and two from each of the other classes. Three prizes of \$15, \$10, and \$5 will be given.

The Russell Declamation Contest is annually sponsored for Otterbein students by Dr. Howard Russell, founder of the Anti-Saloon League of America. Fourteen years ago at the suggestion of President Clippinger, Dr. Russell instituted this contest. Dr. Russell is the winner of several state and one inter-state oratorical contests. Dr. Russell who is now 72 years old, is still active in public speaking work.

Mrs. Guitner Ill.

Mrs. J. E. Guitner, mother of Miss Alma Guitner, professor of German, has been ill with pneumonia at her home for the last two weeks. She is doing "as well as can be expected." Mrs. Guitner celebrated her eighty-second birthday last September.

CONFERENCE SEASON OPENED WITH RAGGED GAME AT CLEVELAND

Tan and Cardinal Team Rallies To Widdoes Help and Runs Up Score Second Half.

Otterbein opened her conference basket ball season by defeating Case in a raggedly played game at Cleveland, 45 to 36.

The first half was especially ragged and Case had scored six points before the Tan and Cardinal pill tossers came to life. The half ended with the Otterbein quintet on the short end of a 16 to 19 score. Widdoes was the only man to play up to standard in this period when he scored all but five of his team's points with four baskets and three fouls.

In the second half the improvement was apparent from the start Otterbein came to life and completely out-classed the Case pill tossers, the Fifth City men not being able to pierce the Otterbein defense for a single field goal until fifteen minutes of the period had passed and the game was on ice with Otterbein leading, 40 to 24. Most of the shots in this period were of the "sucker" variety.

Widdoes was the high scorer of the game with six baskets and five fouls for a total of 17 points. Buell was next with seven baskets and a foul for a total of 15 points. Six of his baskets came in the second half. Porosky was forced from the game with thirty seconds to play with four personal fouls.

Coach "Deke" Edler was far from satisfied with the work of the squad.

OTTERBEIN MEN AT SCHOOLMASTER'S CLUB

At the meeting of the Schoolmaster's Club in Columbus, Dec. 30, Otterbein probably had a larger percentage of professors in attendance than any other institution represented. Those attending were: Pres. W. G. Clippinger, Dean N. E. Cornet, Dr. T. J. Sanders, Dr. Chas. Snively, Dr. E. A. Jones, Prof. L. A. Weinland, Prof. E. W. E. Schear and Treasurer J. P. West. The feature of this meeting was an address by Chancellor Findley, of the University of Kansas.

PROF. HURSH ATTENDED SOCIOLOGY CONVENTION

National Association Gave Attention To Theme, "The City." Practical Problems Discussed.

During the course of the Christmas vacation the various organizations of the teachers of the Social Sciences held their annual national convention in New York City. While not able to attend the entire convention, Prof. Hursh found time to spend four days there. The American Sociological Society was the one in which Prof. Hursh was most interested. However the Political Science, and National Economic societies as well as the American Statistical Association held their conventions during the same time. On account of the similarity of the fields of these organizations some joint meetings were held.

"The City" was the theme of the Sociological convention. Problems which arise in our modern cities were discussed.

In order to give the attendants of the convention an opportunity to see these problems in actual existence, tours were made around through the city of New York. Guides explained various problems as the party came to them. For instance, they saw how New York is provisioned in the night, by great trucks as well as trains and other modes of transportation, which haul food into the city to be consumed the next day.

To trace the trend of not only the phases of the social sciences but also the teaching of them was the main object of these meetings. It is estimated that there were approximately two hundred college professors and sociology experts at the convention.

In addition to the theme, "The City," other topics of lesser detail were taken up such as, Rural Sociology, Social Psychology, and Sociology of Religion.

PHILOPHRONEA

Fine Time Had By Society Men at Stag Session In Blue And Gold Halls.

"One of the big social events of the year" took place Friday evening when close to one hundred men gathered in Philophronea Hall for the annual stag session. After the adjournment of a shortened regular session, during which Wilbur C. McKnight became an active member, members, alumni and guests settled down to listen to a most enjoyable program, with Prof. Byron W. Valentine as toastmaster. Following a general introduction, when everyone introduced to society, the person next to him, Perry Laukhuff, gave a reading. Then Prof. C. O. Altman, "the funny man," made a little speech, all the jokes in which were "guaranteed to be not less than 2,000 years old." Henry Williams played a cornet solo and Carl Stair, Gwynne McConaughy and N. C. Titley were the characters in a clever stunt, portraying some of the present Philophroneans in 1946. While the orchestra played, an appetizing "ten course luncheonette" was served. There followed a series of short extemp from Prof. E. W. E. Schear on "Twenty Years Ago," Prof. E. M. Hursh on "New Members from Philophronea," C. E. Cusic on "The Inspiration I Have Derived from Philophronea," E. H. Hammon on "Philophronean Friendship," and J. H. Lehman on "The Social Side of Philophronea." Dr. Charles Snaveley, for Philomathea and Dr. Raymond Phelan were called upon for impromptu speeches. The session which proved to be a huge success, was closed with a few words from John Noel, the chairman of the stag session committee.

O C COACH DITMER ATTENDED COACHES CONVENTION

Coach M. A. Ditmer was in New York attending the convention of the American Football Coaches Association held December 26-30. This gathering brought together 300 coaches, and 700 athletic directors and physical education men from all sections of the United States and several representatives of foreign athletic committees. Ohio was well represented, the coaches from several of the Ohio Conference colleges being present.

The coaches passed several resolutions designed to tone down the glaring spotlight now thrown on the college game. The first resolution had to do with the coaches themselves. Without preliminary discussion it was resolved that "no person who actively associates himself in any capacity whatsoever with any professional football team after September 1, 1926, shall be eligible to membership in the A. F. C. A., that organized football practice be restricted to two hours daily." Another resolution asked that football practice be started no earlier than Sept. 15, "unless a college opens before Sept. 15."

Hero worship was hit by a resolution

opposing the co-operation of coaches in the choice of all-American teams. During the last few years they have been called upon to recommend outstanding players for this honor.

General satisfaction was expressed with the present football rules. The Brown "forty-play-per-period" idea which has received much publicity this fall was turned down.

Give Your Best.

Judge Gary says: "A man should be diligent, never intentionally negligent. He should keep his appointments punctually and fulfill his promises. He should by study, and what is even better, by careful thought, furnish the best of whatever is to be provided in goods, in advice, or in service. There is no justification for unnecessarily offering anything that is second-class. If on any occasion it should be impossible to provide what is the best of its kind, it would be advisable to frankly state the fact and the reason."

TWO COUNTIES ORGANIZE ACTIVE ALUMNI GROUPS

Stark County.

The Stark County Alumni Association met on the evening of Dec. 29, at dinner in the First United Brethren Church of Canton. Following the meal the annual election was held, the Stark County bunch having been organized for some time. All of the old officers were re-elected, F. E. McGuire, '25, President; Carl E. Lash, '15, Vice-President; Mrs. Vida Wilhelm Bruner, '19, Secretary, and Harold Bordner, Ex., Treasurer. Following the election Henry Ber-caw, '16, welcomed the present students to which Helen Rau, '26, responded. E. F. McCarroll, '25, gave his impressions of Otterbein since he is a student at Michigan. The college was represented by H. W. Troop, alumna director. Melvin E. Lutz, '10, and J. S. Wilhelm, '90, responded extemporaneously to the call of the toastmaster, McGuire.

The Stark County bunch is mighty enthusiastic and voted at the meeting to present the Glee Club to the people of Canton.

Summit County.

The following night, Dec. 30, the Summit County crowd met for dinner at the First United Brethren Church of Akron. Following the dinner Ira D. Warner, '11, introduced Chester G. Wise, '04, who gave the address of the evening. The toastmaster then called upon P. J. Harris, '23, who responded in characteristic "Piggy" fashion and then closed his talk by leading the group in the college serenade songs. It was a mighty interesting and enthusiastic setting in which to revive a somewhat laggard organization.

The election resulted in the choice of Rev. I. D. Warner, '11, President, Rev. W. E. Roush, '15, Vice-president, Roe G. Anderson, '24, Secretary, Grace Hill Staacke, '23, Asst. secretary, and R. L. Roose, '18, Treasurer. These officers together with W. H. Anderson, '96, C. G. Wise, '04, and J. C. Baker, '10, will compose an executive committee.

The Summit County organization will also present the Glee Club.

Good Response to Last Appeal.

The response to the last appeal for the support of the new alumni program has been splendid. Chief among the responses were some enthusiastic notes from foreign lands.

Letters came from Glen T. Rosset, '16, now in Shenge, Sa. Leone, West Africa, Mrs. Madge Dickson Mateer, '81, of Weihsen, Shantung, China, and Mr. and Mrs. B. F. Shively, '05, of Doshisha University, Kyoto, Japan.

GET READY NOW FOR THE BIG FAMILY REUNION MARCH 26

The first annual Big Family Reunion is scheduled for the evening of March 26. We are calling it a family reunion because it is the time when every member of the big Otterbein family, alumni and ex-students, will turn his attention for a little while to the old Alma Mater.

This is the idea. Where there are groups of Otterbein folk they will get together in an informal way. The alumni office is asking key men and women in alumni centers to act as the organizers for that evening. The programs need not be lengthy nor the refreshments elaborate—just get acquainted and think about the Old School for a little while.

There are a number of alumni who are isolated and cannot reach a meeting on that evening. For their benefit we are broadcasting the Men's Glee Club from station W A I U, Columbus, so that they can tune in and catch some of the spirit of the evening.

The theme suggested for the evening is "What does Otterbein mean to me?" Center your discussion around that thought. If you are alone and cannot discuss the proposition just get out the old Sibyls, those history making volumes, and think for yourself if Otterbein means anything to you.

At nine o'clock, eastern standard time, the Glee Club will sing the Love Song. What will it mean to the future of the old College if 2,000 interested and enthusiastic followers will sing the Love Song at that time and catch the real spirit of the evening? It will mean a united spirit that will kindle the flame of loyalty and guarantee to Otterbein a continuance and an enlargement of the splendid place she now occupies.

THE DAYTON SOROSIS HAD DECEMBER MEETING

The Dayton Otterbein Sorosis met Thursday, Dec. 10, in the dining room of Bonebrake Seminary, Mrs. Wells, Mrs. Jaynes, Mrs. Cole and Mrs. Frank McEntire acting as hostesses.

The program was one appropriate to the Christmas season: Christmas story—Marie Comfort, Christmas Pictures—Josephine Albert, and a Christmas Legend by Janet Gilbert about which the reporter says, "I wish every Otterbein woman might have heard it. It was told as only Janet Gilbert could tell it."

Mrs. Walter Schutz told the club of Christmas festivities in Africa and Miss May Dick described those in China.

The next meeting will be held Jan. 22, at the home of Mrs. Roy Peden.

O C

CLASS OF '25 BUSY

The class of '25 has a live working organization that should be an object of envy for the many other Otterbein classes. The organization is headed by Wendell "Red" Camp, President, Don Howard, Vice-President, and Elizabeth Saxour Pottenger, Secretary-Treasurer. They are boosting already for a 100 per cent reunion in 1930.

The chief business on hand now is—"let's make our contributions of six dollars snappy so that J. P. can collect all that's coming to him from the General Education Board! And you can bet on him to get every cent coming to him unless he's had a change of heart since last year!"

They would like several questions answered too by the recipients of the letters, "Where're you at? Whatcha

doin'? Why? Married? If so, why not? If not, why? Like your job? Etc."

The class bulletin will be issued about April first.

That's a fine spirit and it will surely result in their ambition "a Better and Richer Otterbein for the class of 1950."

The Class of 1947

Santa Claus brought Sylvia Janet Phillips when he came to the Phillips home in Kensington, Connecticut the night before Christmas. The young lady bids fair to follow in the steps of her parents and do wonders in the class of 1947.

Congratulations are due Vernon L. Phillips, '17, and his wife Edna Miller Phillips, '17.

Just so there won't be too many girls in this class we are enrolling Charles Richard Sterns. He is now about seven months old but since we just discovered him we'll put him in the class. His father and mother, Fenton V. Sterns, '21, and Lois Sellers Stearns, '22, didn't think we were interested so didn't say anything. We have warned them never to let it happen again, that is failure to notify us, and that goes for the rest of you too. Congratulations folks and good luck boy.

'97, '08. Professors J. F. Yothers and L. E. Garwood of Coe College, Cedar Rapids, Iowa were recently elected to membership in Phi Kappa Phi national honorary scholastic society, a chapter of which was recently installed at Coe.

Professor Garwood was one of the eleven full time professors and administrators who signed the petition to secure the organization.

ANNUAL WOMAN'S CLUB DINNER HELD SATURDAY

Otterbein Family Spirit Characterized The Occasion. One Hundred Present at Neil House.

The annual dinner of the Otterbein Woman's Club held Saturday evening at the new Neil House, was one of the nicest held in recent years. A splendid crowd of about one hundred members and friends enjoyed the evening. The spirit of the occasion was a spirit such as only a congenial group of the Otterbein family can display.

The president of the club, Mrs. E. L. Porter, '06, introduced Mr. E. L. Weinland, '91, as toastmaster, who guided the program in a very skillful fashion.

President Clippinger gave a toast to the Otterbein Woman's Club to which Mrs. Helen Ensor Smith, '18, responded.

The history of Otterbein was divided into seven periods, each period represented by a speaker in the remaining talks of the evening. Mrs. J. E. Guitner was to have represented the first period but owing to illness, could not be present. Mr. Thomas H. Kohr, '72, was also unable to be present. The remaining periods were represented by the following speakers, Mary Nease Keister, '78, Sarah M. Sherrick, '89, Oscar H. Charles, '07, Walter D. Kring, '07, Gladys Howard Durrant, '20.

Music was furnished by the Chesterfield Trio of Otterbein, composed of Carl Eschbach, Hale Richter, and John Hudock.

ALUMNALS

'12. Miss Edith L. Bennett, of Westerville, became the bride of Mr. James H. Harnett of Nutley, New Jersey. The ceremony was performed by President Clippinger at the Methodist Episcopal church, Westerville the evening of January 5.

Miss Helen Moses, '16, was the bridesmaid and Prof. R. D. Bennett, '08, gave the bride in marriage.

After an eastern trip the bride and groom will be at home at 42 Hampton Place, Nutley, New Jersey.

The sister of Mr. A. G. Crouse, Mrs. Nellie Waldo, of Fostoria, Ohio, died Tuesday at the home of her brother in Westerville after a short illness.

Mrs. Waldo is well known in Westerville, having spent much time with her brother and his wife. Mr. Crouse is a member of the class of seventy-five and long a friend of Otterbein. '96, '01. Mr. and Mrs. F. O. Clements were guests of Westerville relatives during the holidays.

'01. Mr. J. G. Sanders of Philadelphia, visited his parents in Westerville enroute to Kansas City, where he attended the meeting of American Association for the advancement of Science.

Using The Library.

A library exists primarily for its possibilities of service. Apparently, then, all of its policies should be shaped toward rendering a service that is called forth by a need. We believe that some adjustments in our college library system are needed, one of which is at present quite outstanding.

The opening and closing hours of our library are the cause of considerable dissatisfaction. It is quite the common occurrence for a student to be cut short in the midst of assigned library work by the ringing of the closing bell, and then some other who has engaged the book goes home with it. In these days of extended research it is almost impossible to do a good piece of work without some resources. During the evening hours these should be available. We believe that an adjustment can be made which will meet the need and still not inconvenience those in charge.

As we write we have in mind those who are the faithful and ready caretakers of the storehouse of knowledge. Any change will have its effect upon them, but we believe there is a way open that will prove satisfactory.

This is our suggestion. It be-

comes a matter of the relative merits of two widely separated hours in the day. During the early morning hour from 7:30 to 8:30 the library is not much used. We believe that the library would render a greater service if it remained open one hour later in the evening. Let us then suggest an opening hour after chapel and a closing hour of 9 o'clock in the evening.

It means no longer hours for the librarians.

It means a greater service to the students.

Who knows but that it may mean less "unprepared" replies for the professors?

A New Year

We should like to encourage those well meaning persons who have made New Year's resolutions. Our commendation goes especially to those who have adhered faithfully to their good intentions. Our encouragement goes to those who long since have broken the solemn pledge.

It is not the nature of mankind to do good suddenly. Behind our good works there is a long history and a broad background of human experience in gradual improvement. Because we have failed is no reason to cease aspiring. It is the man who "comes back for more" whose triumph history hails.

If "every five seconds there is one more customer for Wrigley's," there is for us each tick of the clock one more opportunity for hitting the line hard toward reaching the mark we have set as our life goals.

Let's get the habit of coming back for more.

Fighting Through.

The dope sheets allot to every college a good year of sports only once in awhile. Years of hard sailing confront every school before it can produce another winner. Dope buckets are uncertain, they are frequently upset, and occasionally some-one steps into them unexpectedly. Otterbein's outlook upon the basketball season is good. But that is uncertain.

There is a certainty however. If every Otterbein student joins the squad in the spirit of fighting through, in training, in practice, and in the games, the per cent thermometer will register higher for Otterbein than it otherwise would.

That's what you want, isn't it? Then, let's fight it through!

— O C —

Our "Y" Parlors.

During the early part of the school year there was inaugurated in the Association Building on Saturday evenings an "open house" for all students and professors. This announcement came in reply to an insistent demand for a place to go on Saturday evening. A faculty man and his wife are the hosts and a good time has been shared by those who have used the opportunity. The project is an endeavor on the part of the Christian Associations to meet a social problem.

We recommend a more widespread and common use of the "Y" Parlors

and propose henceforth to publish in the calendar the host and hostess for the following Saturday night.

— O C —

Two Words.

Two words have come to us through varied experiences to have new force of meaning. We venture to say that they designate qualities of personality that are among the unnamed virtues.

Someone, with rare sagacity, has remarked that "hell is paved with good intentions." It matters not what may be your idea of that infernal place or state, the force of the statement is inescapable. Good intentions alone die where they are conceived and take their place among the rejected.

Back up your good intentions, however, with two qualities of character that speak louder than words because of their stability, and little trouble will be experienced.

We do not mean to make this a preachment, but the life of the Carpenter of Nazareth has impressed us with such vivid reality that we believe He had some such thing in mind when He said "No man can serve two masters." He, whom some have chosen to call the greatest Christian, wrote, "This one thing I do." Both suggest action—backed up by two unnamed virtues.

Be consistent. It has its reward. And others will know that you are dependable.

— O C —

IT STRIKES US

That those who complain that they never have a show are generally waiting for free passes.

That if you are right inside you can stand anything from the outside.

That all who take a day off find trouble in putting it back.

That we will have to work up a little ditty to the tune of an old familiar hymn:

A volunteer for Prexy,
A climber true,
Someone must do it bravely,
Why not you, (Oh why not?)
A staunch and sturdy laddie
With dauntless soul,
Now won't you please step forward
And climb the flag-pole?

MUSIC TEACHERS WERE AT DAYTON CONVENTION

Otterbein Alumni in Dayton Vicinity
Attend Also. Program Included
Westminster Choir.

Prof. G. G. Grabill, Miss Lulu May Baker, and Mrs. Mabel Crabbs Starkey were among the more than 300 teachers from throughout the United States gathered at the convention of the National Teachers Association held December 28-30 at Dayton, Ohio.

The program included papers by recognized authorities and musical treats such as an organ recital on a three manual Aeolian organ at the E. A. Deeds home, a banquet at the Country Club after which the Dutch Club and the Women's Club united to give "The Highwayman", a cantata by Mark Andrews, an evening with the Westminster Choir under the direction of Prof. John Finley Williamson whom Prof. Grabill proudly claims as one of his pupils in the class of 1911, and a group of violin numbers by Paul Katz, a youth of sixteen years whose career promises to be bright.

Among the Otterbein Alumni present at the convention were Edith Coblentz Hughes, '12, Middletown, Ohio; May Dick, '11, formerly missionary to China; Ruth Ingle, '15, teacher in Fairview High School at Dayton; Mrs. Rhea Parlette Williamson, '11, and Mrs. Mattie Bender Kumler, '92.

OTTERBEIN MAN PROMOTED

Announcement was made Wednesday, Dec. 30, of the appointment of Henry D. Bercaw, '16, of Canton, Ohio, as manager in charge of the southern division of the Northern Ohio Traction and Light Company for all the rail lines south of Akron.

Mr. Bercaw's selection was announced by A. C. Blim, vice-president and general manager of the company. Mr. Bercaw has been assistant chief claim agent. He was elected a member of the school board at a recent city election. He is an active member of the Lions club and served a term as its president.

The new position is a very responsible one as it carries with it the supervision of the interurban lines south of Akron and requires the solution of the traffic problems of the city lines in Canton and Massillon, two rapidly growing industrial cities.

Mr. Bercaw is well known to Otterbein friends in that section of the state as a consistent booster.

Our congratulations Hank.

Y's CHRISTMAS PARTY

A silver loving cup was given to Prof. and Mrs. E. M. Hursh as an appreciation of their intense interest and valuable services by the Y. M. and Y. W. C. A.'s as one of the features of the Y. M. and Y. W. joint Christmas party which was held Tuesday evening, Dec. 16, in the Association's parlors.

A novel seating arrangement proved

to be another clever feature of the evening. Everyone was asked to bring pillows to sit on; no chairs were allowed in the room.

One of the popular numbers on the program was a selection by the Chesterfield Trio composed of Carl B. Eschbach, N. Hale Richter and John W. Hudock. The trio was applauded for several encores.

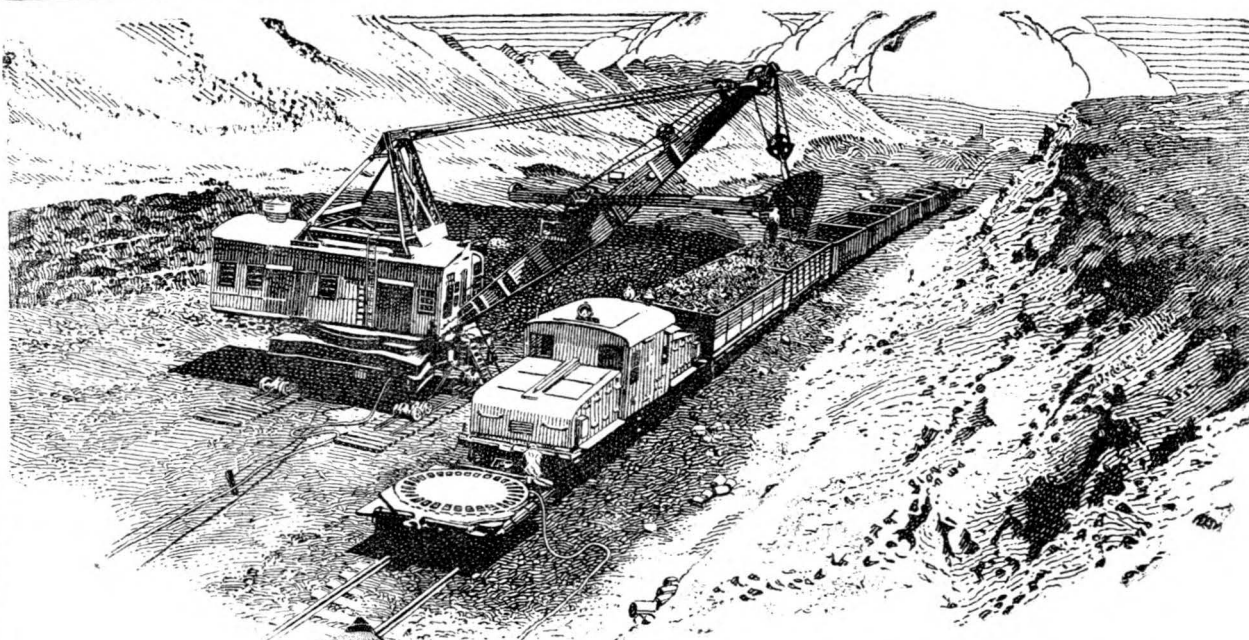

Refreshments for the evening consisted of pop corn balls which were

distributed by Earl Leiter who playfully took the role of Santa Claus.

An excellent color scheme which blended well with the Christmas spirit was displayed over the entire room.

The faculty of Wooster recently displayed its dramatic talent by presenting a play. The professors proved to be good actors and furnished an excellent entertainment for students and friends.

Where motorized power is virtually unknown, men toil yet accomplish little. The United States has over one-quarter electrical horsepower installed per capita. Japan, leading country of the Orient, has but .04 horsepower. Electric shovel and storage battery locomotive are shown at a completely electrified open-pit coal mine, at Colstrip, Montana.

Work without Toil

Ten or twelve hours a day toils the coolie. If he carries all he can, he moves *one ton one mile* in *one day*. For that he receives twenty cents.

Cheap labor! Yet compared with our American worker, receiving at least twenty-five times as much for an eight-hour day, the coolie is expensive labor. In America we move *one ton one mile* for less than *one cent*. The coolie, working by hand, accomplishes little; while the American, with electricity's aid, accomplishes much.

Plenty of electricity and cheap electricity—these are two great advantages which America enjoys over the rest of the world. While our present generating capacity is 20,600,000 kilowatts, new developments call for 3,000,000 kilowatts more per year.

To college men and women—potential leaders—will fall the duty of finding more and still more work for electricity, with less and still less toil for our workers. For the task is but begun!

G-E Motorized Power—an ideal combination of electric motor and control properly fitted to the individual task—is at work the world-over, relieving workers more and more for better and more profitable pursuits.

A new series of G-E advertisements showing what electricity is doing in many fields will be sent on request. Ask for Booklet GEK-1.

FIRST HOME GAME TO BE PLAYED SATURDAY

Western Reserve Will Place Veteran Team On High School Gym Floor Saturday Afternoon at 2:30.

Next Saturday afternoon at two-thirty Otterbein will open her home basket ball season with the Western Reserve pill tossers furnishing the opposition. Otterbein defeated them last year in a thrilling game at Cleveland by the narrow margin of one point. Nothing is known of the strength of Western Reserve this year. The only clue obtainable to the possible strength of the opposition is that they have a new coach at the Cleveland school and they may have an entirely different coached team this year. They will put almost an entire veteran team on the floor and the sophomores that do play have played with the other members of the team when they were in high school.

Western Reserve will play Capital the night before they meet the Otterbein team and the entire Tan and Cardinal squad will be on hand to see the Capital-Western Reserve game.

The game will be played in the afternoon in order that the Western Reserve squad can make connections to get home on Saturday night.

SOPHOMORE GIRLS WIN

Second Year Girls Finish Undefeated. Freshmen Show Up Well. Juniors Hold Sack.

On Monday, Dec. 14, the Sophomore girls' basketball team won the championship of the girls' interclass basket ball league by defeating the Juniors by a score of 38 to 11. The Sophomore team came through the schedule without a defeat.

The scores of all the games and the standing:

Sophomores	22	Freshmen	13.	
Seniors	35	Juniors	8.	
Seniors	18	Freshmen	27.	
Sophomores	23	Seniors	21.	
Freshmen	33	Juniors	13.	
Sophomores	38	Juniors	11.

Sophomores	3	3	0	1.000
Freshmen	3	2	1	.666
Seniors	3	1	2	.333
Juniors	3	0	3	.000

18 Freshmen Get Letters.

Numerals were awarded to eighteen freshman for their faithfulness and work on the Freshman football squad. They are, Day, T. Reigle, Freyberger, A. Davis, Shankleton, Gates, G. Huffer, Rosselot, Saul, Weaver, Hall, Mandenhall, Klein, and Thompson. Young, Surface, Molter and Shoemaker were awarded manager's numerals.

VARSITY KEEPS IN TRIM DURING VACATION DAYS

Four Out of Five Practice Games Were Won On Barnstorming Trip Throughout State.

Saturday, January 2, Otterbein's Basket ball team completed a successful barnstorming trip on which four out of five games played were won. Otterbein, minus the services of Porosky, lost to the Isaly Dairy team at Marion 40 to 19. Bucyrus was defeated by the score of 38 to 22. The Canton Oscars went down before the Otterbein attack 33 to 25. With Barnes, Upson, and Porosky absent Mt. Gilead was defeated 31 to 28 on Christmas night. The game with Urbana, Jr. College, the last of the trip was the most exciting of all, but the fighting Otterbein quintet, trailing 18 to 10 at the end of the first half, held their opponents to one basket in the second half and came from behind to win 25 to 23.

BOYS INTRAMURALS FOR TWO LEAGUES ORGANIZED

Two leagues have been formed for Intramural basket ball. The Social Group League will have eight teams in the running and the Prune League will have ten. Nine games will be played this week.

An innovation this year will be a bulletin board on which will be posted the standing of each team every day that any games are played, the high scoring team, the low scoring team, the team with the least number of points scored against it, the team that scores the most points in any one game, the individual high scorer, individual with the most number of field goals, the individual with the most number of foul goals and the total points registered by all the teams up to that date. This record will be kept separately for each league.

The management of the league has requested that all spectators view the games from the gallery.

EDITORIALETTE

Otterbein has not had such a strong squad out for basket ball in some years as she has this year. At present there are fifteen men on the squad. Not more than one or two of

the positions are cinched and the man who is a sub today may be a regular tomorrow. The spirit of the squad as a whole is very good and the Tan and Cardinal hopes that it will continue to improve as it has. It has been said by many famous coaches, "A basket ball team is no better than its substitutes".

A sophomore at Hiram College has catalogued the co-eds of that institution, by thus eliminating "blind dates" he has made himself the most popular student in college—among the men, most of whom refer to the list before making dates. He has indexed the co-eds in all the women's dormitories, arranging each name on a separate card alphabetically in a box. The reference includes the co-ed's age, height, weight, color of hair, complexion (whether good, bad natural or artificial), ability to dance, what she likes to talk about and whether or not she is a "gold-digger." It is said that the Hiram women are "up in the air over this catalog and threaten to publish on the college bulletin board the "black list of young men who are taboo with the dormitory women.

That somebody asked her what she was going to write her term paper on and she just told the dumb dora "theme paper".

That brothers used to complain about their sisters borrowing neckties and sweater but now it's socks and cigarettes.

That inasmuch as one of our professors has stated that it is just as harmful to drink coffee as it is to smoke cigarettees the dormites are planning to petition the substitution of cigarettees for coffee at Sunday dinner.

That she read in a pre-vacation issue of Case Tech that "the team is preparing for the game with Otterbein and feel quite confident in the expectation of a successful season" and that she's wondering what headlines they'll run in this week's issue.

That judging from the hues of some of the new neckties that have blossomed out on the campus since Christmas she thinks some of our boy friends must have fond aunts and doting mothers.

That she sort of thinks living in the Dorm resembles living in the Waldorf as the number of restrictions they are under sort of makes 'em "walled-off" from the rest of the world.

That she heard because of a recent experience with electric light bulbs on Christmas trees the town authorities are planning to take in the side-walks at 9 o'clock.

That she still believes in Santa Claus because she wrote him before Christmas and asked him to send Otterbein a winning basket ball team and he sure did.

Waldo Keck led the first meeting of the New Year in Christian Endeavor, Section A, Sunday evening. The leader departed from the regular topic introducing a discussion more in keeping with the season. The parable of the "Prodigal Son" was retold with emphasis brought to bear upon the mistake of the smug complacency of the elder son. The man of self-satisfied religion is quite as much in need of repentance as the slipping sinner.

The New Year atmosphere was increased by a semi-argumentative discussion of the advisability of making New Year's resolutions. The affirmative was supported by Alice Sanders, the negative defended by Joseph Henry. The same topic struck responsive speeches from members of society.

SIBYL PROGRESSES

Campus Club Pictures to Be Taken This Afternoon. New Features In 1926 Annual.

Picture taking of all of the campus clubs will be taken this afternoon for the 1926 Sibyl. A great deal of the engraving has already been completed. The scenic section is now fully completed and promises to be one of the best that has appeared in annuals in recent years. All freshmen who have not had pictures taken at Bakers' and do not wish a new picture should communicate with the Sibyl office at once if they wish their photo to appear in the Sibyl.

A unique section in this year's annual will be the presentation of an informal page of snapshots accompanying each formal page of the social groups.

Candidates for the representative men and women contest will be selected immediately after the beginning of the second semester by a committee composed of three faculty members and three members of the Sibyl staff. The student body will

be given the privilege of selecting definitely those men and women who are most representative of the senior class.

"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine." Prof. G. M. Whipple, U. of Michigan.

"The successful men in college do not seem to be very happy. Most of them, especially the athletes, are overworked." Prof. H. S. Canby, Yale.

"Misdirected labor, though honest and well intentioned may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this his labor may be largely in vain." Prof. G. F. Swain, M. I. T.

"To students who have never learnt 'How to Study,' work is very often a chastisement, a flagellation, and an insuperable obstacle to effort." Prof. A. Inglis, Harvard.
