SEVENTEEN MEN RECEIVE LETTERS

Coach Ditmer Awards Varsity Letters
And Commends All Who Aided
In Season's Work.

EIGHT SENIORS

Work of Captain and Manager Highly
Praised by Coach in Maiden
Chapel Speech.

At the regular chapel service on last Friday morning Coach Ditmer made his first speech in chapel since the beginning of his regime as coach at Otterbein. In his brief talk he expressed his appreciation to the student body for its loyal support and especially to the untiring group of girls who went out night after night to the athletic field to encourage the team while practising. "Dit" also commended those who turned out at 6:30 in the morning to see the team off for Heidelberg. The support of the band throughout the season, came in for its share of praise.

"Few captains have been so efficient or so sportsmanlike, here at Otterbein as has captain 'Bozo' Richter," declared Coach.

OTTERBEIN FOLKS PLAY IN COLUMBUS SYMPHONY

Opening Concert of Season Will Be
Given Evening of Dec. 9 at Capital
Memorial Hall.

Otterbein College is honored by having two students and two faculty members playing in the Columbus Symphony Orchestra, which will give a concert Wednesday evening, Dec. 9, at 8:15 o'clock, in the Memorial Hall, Columbus. This is the Symphony's second season.

George Roher, basson; Lavere Brenden, second violin; Hazel Barngrover, first violin, and Mrs. Mabel Dunn Hopkins, concert mistress and whose husband, Mr. Earl Hopkins, is director, are Otterbein's representatives in this organization of over eighty musicians.

The services of the musicians and director are gratuitous and the proceeds are used in charity work, last year going to a Columbus orphanage.

O C

Membership Meeting Tonight.

The Y Associations are tonight putting on membership programs following their recent campaigns. The men and women are again to meet separately and unique programs have been arranged for these 6:30 meetings in the Association Building.

BASKET BALL SEASON OPENS THIS WEEK-END

Games With Bliss Business College
and Former Captains Will Be
Treat For Fans.

Local basket ball fans will have an opportunity to see the Otterbein quintet in action much earlier this season when the Former Captains are rounded up to furnish the opposition on December 12. Those who wish can see the Tan and Cardinal basketballers in action the night before against Bliss College. The game will be played at the Central Y. M. C. A. in Columbus. Otterbein will go into the game handicapped with a large number of injuries held over from football season. Captain Widdoes is laid up with an injured ankle while Snaveley is nursing a lame back. Porosky is expected to carry the brunt of the attack until injuries can be cured but he has yet to become thoroughly familiar with the Edler system. Buell and Barnes, promising Sophomores, are untried as far as college basket ball is concerned.

O C

JUNIOR PLAY CAST TO BE CHOSEN THIS WEEK

"The Goose Hangs High" Will Be
Staged by Juniors on January
21st. McCarty Directs.

The cast for Junior play, "The Goose Hangs High," which will be given in the chapel January 21, will soon be definitely selected by Prof. and Mrs. McCarty from the casts of the three plays which were privately staged last Saturday evening.

"The Goose Hangs High" is a very popular play and is still running in many of the large playhouses and movie theaters of the country.

O C

Lucile Roberts is Making A Very Rapid Recovery.

Lucile Roberts, who was taken to Grant Hospital last Wednesday afternoon and operated upon for appendicitis Thursday morning, is now convalescing rapidly. Present expectations are that she will be back in Westerville before the beginning of the Christmas vacation. Lucile's father, of Lima, Ohio, was with her until Friday evening.

O C

Mrs. Clippinger to Entertain.

Mrs. Clippinger will entertain the Faculty Women and wives of the Faculty Men, Thursday afternoon, December 10th, from three to five o'clock.

XMAS QUIZ AND QUILL WILL APPEAR NEXT WEEK

Delightful Cover Encloses a Wealth
Of Christmastide Literature—
Makes Fine Gift.

The Christmas number of the Quiz and Quill magazine will be placed on sale next Monday morning following an extensive subscription campaign for 400 copies which the Quiz and Quill Club began yesterday morning in chapel.

The magazine contains short stories, sketches and poems written by members and alumni members of the club. The cover will be in three colors appropriate to the holiday spirit. Any member of the Quiz and Quill Club will take subscriptions for the magazine which will be thirty-five cents.

Already many people have expressed their intentions of taking as many as six copies to give for Christmas presents. The color scheme of the cover blends attractively with Christmas colors. The design for the cover was drawn by D. L. McGill, a student in the art department.

Alice Sanders is the editor and Jean Turner the business manager of the magazine. Alumni may secure copies by addressing the business manager.

Y LECTURES CONCLUDED

Prof. Schear Concluded Series of
Lectures on Science and Religion
With a Masterpiece.

"The Religion of a Man of Science" was the subject of the concluding lecture of a series on the relation of science and religion given at the joint meeting of the Christian Associations last Thursday evening, by Prof. E. W. E. Schear.

"Science makes a wonderful basis for my religious faith," declared Prof. Schear after pointing out that science belongs to the realm of demonstration and religion to the realm of faith.

These lectures have been made at the expense of a vast amount of effort on the part of Prof. Schear and the reception accorded them bespeaks the appreciation of the student body.

O C

Pres. and Mrs. Clippinger Entertain Senate Members.

Pres. and Mrs. W. G. Clippinger entertained at their home last Friday evening the members of the men's and women's senates.

Unique games, including the insertion of names into vacant places in magazine articles and the construction of zoological specimens preceded the serving of refreshments.

DEBATE SEASON OPENS MONDAY

Capital University Will Be Met In
Dual Debate Here and
at Columbus.

CHILD LABOR QUESTION

The Negative Teams Will Travel.
Teams Have Had Thorough
Class Room Drill.

This year's debate season will open Monday evening, December 14, when the Otterbein boys meet Capital University both here and at Columbus. The question is—"Resolved, that the several states should ratify the 20th Amendment, proposing Federal regulation of Child Labor."

The negative team, which will go to Columbus, is composed of Fletcher, LaPorte and Arnold, with Martin as alternate.

Miller, Laukhuff and Knig, with Berger as alternate, comprise the affirmative team.

The judges here will be Prof. Arni-son of Ohio Wesleyan, Hon. Mr. Vorys, State Senator from Franklin County, and Mr. Avery Klinger.

The Otterbein teams this year have been under thorough class room drill and complete treatment of the question is to be expected.

O C

PI KAPPA DELTA VOTES CHAPTER FOR MARIETTA

At a meeting of Pi Kappa Delta, held Tuesday noon in Prof. McCarty's classroom, it was voted that Marietta College be granted a chapter in this national forensic fraternity. The Ohio Epsilon chapter, Otterbein, is planning to have a delegate at the national convention to be held at Estes Park, Colorado, in the month of March.

O C

New Towels Presented.

Dr. P. H. Kilbourne, class of '02, a loyal alumnus of Dayton, Ohio, presented the athletic department with 100 new towels that arrived in time for use late in the football season. Meeting a real need this gift is greatly appreciated by all Otterbein athletes.

O C

Attend S. S. Institute.

Pres. Clippinger, Dr. Rupp and Professors Hursh, Weinland, and Engle, attended the County Sunday School Institute the afternoon of Dec. 3, at the Central M. E. Church, Columbus.

VISIT OF BISHOP MET WITH FINE APPROVAL

Religion Must Find Its Place In Education Believes Bishop Clippinger Who Has Faith in Youth.

"If we do not continue to emphasize the religious place in education we have no right of existence," declared Bishop A. R. Clippinger in a chapel talk to the student body and faculty last Thursday morning.

Bishop Clippinger spent Monday and Tuesday on the campus meeting and speaking to both faculty and students. Much of the Bishop's time was taken in conferences with students interested in religious activities. A census revealed that there are 66 Otterbein students who are planning to do full time Christian work after graduation. For these Bishop Clippinger was enthusiastic saying, "I have never seen a time such as this for opportunity of service."

In all his talks it was evident that Bishop Clippinger has a sincere belief that "in the main, students are sincere and honest, upright and true."

SOME INFORMATION ABOUT OUR COLLEGE

Otterbein College has at present 1768 alumni. The total student enrollment now is 568 with an expected increase to nearly 600 the second semester. Of the enrollment 485 are in the regular college department, 195 of whom are freshmen. The staff, including administrative officers, full time professors, and student assistants numbers 53.

The assets of the institution total \$1,517,592.49, made up by Productive Funds of \$838,080.96 and Plant and Current Assets amounting to \$679,511.53. Outstanding notes and pledges from four campaigns (including gymnasium) total \$422,337.48. The College is absolutely free from debt and the current finances are in good shape.

Payment of the Jubilee Pledges will enable the trustees to quickly increase salaries, employ new professors, and make needed improvements to the plant. The building program includes gymnasium, president's house, a dorm each for men and women, new chapel, and addition to the library and heating plant. When the Jubilee collections are completed the gymnasium campaign will be pressed.

LATEST STATEMENT OF JUBILEE MOVEMENT

Fourth and Final Payment of Jubilee Pledges is now due. This will complete the greatest financial project in the history of the United Brethren Church. Following is a statement of the Jubilee Movement to date:

Amount Pledged by
Churches and Individuals\$620,000
General Education Board
(Rockefeller) 250,000
Carnegie Corporation 75,000
Total \$945,000

Amount Paid to Date by
Churches and Individuals 380,670
General Education Board
(Rockefeller) 146,840
Carnegie Corporation 75,000
Total 602,510

Balance due in January and
February, 1926

Churches & Individuals 238,330
General Education Board
(Rockefeller) 103,160
Total \$341,490

It is necessary to make practically the entire collection from our own constituency to claim the balance from the General Education Board.

Send checks and money orders to J. P. West, Treasurer, Otterbein College, Westerville, Ohio.

Staff Changes Made.

The publication Board at its meeting, Wednesday evening, Dec. 2, in the Cochran Hall reception room, made the following elections to the editorial staff of the Tan and Cardinal: Ass't. Editor, Wayne Harsha; Contributing Editor, Louie Norris; Athletic Editor, Harry Widdoes; Ass't. Athletic Editor, Clyde Bielsstein.

DECLAMATION CONTEST TO BE HELD IN JANUARY

The Russell declamation contest is to be held in January. The contestants for this are to be selected from the best of the three sections in beginning Public Speaking. It has been thought best not to allow others to participate because they are usually students who have had a great deal of training and the beginning students have little opportunity to win the prizes.

The prizes for this contest are \$15, \$10, and \$5.

OTTERBEIN WOMAN'S SOROSIS IS ACTIVE

Beginning the club year with the September meeting, the girls who would attend Otterbein for the first time were entertained at the home of Mrs. A. T. Howard. (May Stevenson) '94. A very clever dramatic program with games was enjoyed by the girls. Mrs. S. W. Dunn, (Stella Kurtz) '18, Mrs. Chas. W. Vernon, (Mabel Cassel) '24, Mrs. I. R. Libecap (Mary Kalter) Ex., and Harriett Whistler, '24, acted with Mrs. Howard as hostesses.

The October meeting was held in the library of the Y. W. C. A. The program was especially good. Mrs. J. G. Howard, (Rhea McConaughy) '23, presented a paper on English Industri-

alism. Mrs. D. M. Phillipi, (Esther Harley) '21, gave a discussion of English Poetry and Grace Coblentz, '11, reviewed a recent book, "Ariel" which is a narrative upon the life of Shelly. The program was so "spicy" it was suggested that it be repeated later in the year.

The November meeting was held at the home of Mrs. W. L. Mattis, (Bessie Daugherty) '11. Interest in the club was shown by the attendance and the admission of several new members. Two especially interesting papers were given by Mrs. R. F. Peden, (Lucille Ewery) Ex., and Harriett Whistler, '24. May Powell, '15, Lucille Wahl '25, and Marguerite Wetherhill '25, also took part in the program, their subjects being, Dutch Song, Dutch Art, and Dutch literature.

Mrs. J. G. Howard and Miss Grace Coblentz served at the tea table. Miss Coblentz poured the tea while Mrs. Mattis and Mrs. Howard dispensed dainty sandwiches and sweets. Tall tan and cardinal candles decorated the tables. The next meeting was announced for Dec. 10th. at Bonebrake Seminary.

The officers of the Dayton Otterbein Sorosis for the coming year are President, Esther Harley Phillipi, '21; Vice President, Chloe Niswonger, '11; Secretary and Treasurer, Grace Coblentz, '11.

The publicity chairman is Mrs. Bessie Daugherty Mattis to whom we are indebted for this article.

OBSERVATIONS

We printed in this issue some sample programs of active Otterbein Women's Organizations. These women have found their activities helpful and instructive, and there is no question concerning the value to the College.

When the call comes to get ready for the Big Family Reunion, fall in line. It is planned to renew the old Otterbein spirit in every alumnus.

The largest student body ever in Otterbein is now enrolled. The future of the College is large in possibilities. 1400 active, interested alumni and twice that many ex-students can crystalize those possibilities.

Make an effort to get a high quality high school student interested in Otterbein. The selective process will soon be necessary at the present rate of increase. Alumni should help to select students.

Pay your dues. Keep in touch. Renew your enthusiasm.

H. W. T.

ALUMNALS

'19. Mr. and Mrs. Floyd A. McClure (Ruth Drury) have returned to their work in Canton Christian College, Canton, China, after spending several months on an enforced vacation in the Philippine Islands during the disturbance in South China.

Mr. C. L. Brundage, father of Ruth Brundage Nelson, '15, died November 30, at his home in Westerville, following a long illness. Mr. Brundage though not an alumnus, was a loyal friend of Otterbein and we shall miss his enthusiastic support.

The sympathy of friends is extended to Mr. and Mrs. Nelson, '13, '15, and also to Mrs. Brundage.

W. O. Stauffer, '22, and Pauline Stubbs, '22, were married Saturday, Nov. 28th., at the home of the bride, West Elkton, Ohio. They are at home at 801 W. 9th St., Wilmington, Delaware.

Otterbein lost another friend recently in the death of L. O. Miller the general treasurer of the denomination for a number of years. Mr. Miller died at the home of his son in Princeton, N. J. His wife, Lida Haywood Miller, '77, was with him at the time of his death. He was in failing health for some time previous to his death.

The Miller family is well known at Otterbein and has always been interested in its progress. Mrs. Miller, (Lida Haywood) was a graduate in '77, and many of her children followed her to Otterbein. John D. Miller was a member of the class of '00; Grace Miller Campion is an ex student; Edna Miller Phillips belongs to the class of '17, and Marjorie Miller Roberts to the class of '21.

An Alumni Edition.

We are happy to use this edition in
the interests of the Otterbein Alum-
na Association. The program of the
association merits the support of all
who sustain an alumna relation to
Otterbein College. In giving to you
this issue it is our hope that your tie
to the old institution will be strength-
ened and that the thought of all may
be nucleated in the objective of a
greater Otterbein.

O C

A Low Mean Trick.

There was a great deal of humor
attached to the fact that some am-
bitious students got up, ate breakfast
and prepared for class when the col-
lege bell tolled its awakening peal
at 2:30 in the morning. But aside
from the humor there is another phase
of the situation to consider.

It is indeed a pitiful condition when
college students cannot find expres-
sion for pent up energies without
destroying property. Certainly some
people never weigh the consequences
of their deeds. The methods of ap-
proach to the bell bespeak a schem-
ing mind that lost sight of all prop-
erty rights in its frivolous endeavor.
And when anyone is so irreverent as
to take the rope from the pole on
which the Stars and Stripes are daily

displayed he cannot be but pettily
mean. Such escapades are costly, but
it is not the offender that pays the
bill.

Character is what you are in the
dark and you assuredly have not
commended yourselves.

O C

EDITORIALS OF MERIT

The football enthusiast grows des-
pondent over the entire future of his
college, sometimes, when the team
comes to the end of the season—or
perhaps to the end of the second,
third, or fourth season—with a record
below the average of the institutions
with which it has played. How can
a college live and prosper with an
athletic showing such as that?

And yet educational institutions do
live and prosper concurrently with a
prevailing record of defeat in the
major intercollegiate athletic contests.
In spite of those defeats, men of
wealth go on pouring money into their
coffers; employers continue to seek
their graduates for responsible posi-
tions; students pour into their halls
in ever increasing numbers with each
recurring autumn; their faculties con-
tinue to make contributions of recog-
nized merit to the progress of human
knowledge in many fields of learning,
and their alumni show a deeper and
more ardent loyalty as the years go
on.

No, defeat in intercollegiate games
has never yet killed a college, or even
temporarily retarded its material pros-
perity, or caused the slightest drop in
its reputation in educational circles.
It is probably useless to argue the
matter with a certain class of athletic
enthusiasts, however. They will con-
tinue to worry and look sad; but the
college will go right on in its appoint-
ed way. Intercollegiate athletic vic-
tories and educational progress sustain
no cause and effect relation.

Colleges Seen Through Students.

A few days ago announcement was
made that an Ohio business man had
given a million dollars to a well-
known college of the state. He was
not a graduate of the college nor
were any members of his family. In
fact he was not a graduate of any
college. Opportunity to go to col-
lege had been denied him and because
he lacked that training he was kindly
disposed toward education. He had
prospered greatly in his business and
he wished to make a portion of his
estate aid education, so, decided to
make a contribution to a college.

To a friend he made this explana-
tion of his choice of the college to
be the beneficiary of his gift. He
had never seen the campus of the col-
lege which he finally selected. He
did not know its president, nor any
of its faculty members. But across
the street lived a young lady who was
sent to this college to be educated.
He knew her and liked her, and he
was impressed with the fine, whole-
some, womanly character he saw in
her. It must be a fine American col-
lege that had produced this excellent
personality. He visited the college
without explaining to anyone what he
contemplated. He watched the stu-
dent body and was impressed with

the democratic spirit that pervaded
it, and by what he saw, decided that
the institution should have his mil-
lion-dollar gift to education.

What was the good opinion of this
man, of the college represented in the
student who happened to live across
the street from him, worth to the col-
lege? A million dollars evidently.

ACTIVE ALUMNI GROUPS

Dayton and Miami Valley.

The Miami Valley Otterbein Alumni Association has been exceedingly active this year under the leadership of the President, Frank S. McEntire, '23. With the able assistance of Dr. P. H. Kilbourne, '02, I. R. Libecap, '09, and Park E. Wine-land, '11, and others, the Dayton group entertained after the Otterbein-University of Dayton game in splendid fashion. In fact the whole occasion moved smoothly and offered a good time for every follower of Otterbein due to the hearty co-operation of this particular alumni group.

A hundred and twenty-five Otterbein supporters gathered in an informal fellowship meeting after the game to which the football team and the band had been invited. In spite of the reverse of the afternoon a splendid spirit prevailed. The captain of the football team, N. H. "Bozo" Richter, and Coach Ditmer were presented with nicely engraved gold footballs. The leader of the band, Duane Harrold, a student, who volunteered his services and who has developed one of the best bands ever seen on the Otterbein campus, was presented a new baton in recognition of the service he had rendered.

The Dayton and Miami Valley organization is now preparing to present the Otterbein Glee Club to the people of the city at the Memorial Hall, the largest auditorium in the city.

Stark County Association.

The Stark County alumni group, Canton and vicinity, have come into the active column this year. F. E. McGuire, '25, is the president of the organization. They have been particularly active in interesting new students in Otterbein, several high school students accompanying President McGuire to the Homecoming Celebration.

The Glee Club will appear in Canton under the auspices of the Stark County association.

The next meeting of the association will be held sometime during the Christmas vacation at which time the present Otterbein students from that territory will be entertained.

Yale-Otterbein Club.

The most unique of our existing Otterbein Alumni Associations is the Yale-Otterbein club. According to the secretary of the club, Mary Elizabeth Brewbaker Howe, '24, there are thirteen "Otterbeiners" now at Yale. At the first meeting of the year Milton S. Czatt, '16, was elected president of the group.

Another Yale student characterized the bunch as "the most loyal crowd I ever saw," certainly an enviable reputation.

Alumni Athletic Club.

Though not strictly an alumni organization the Athletic Club is in reality an alumni project. It is headed and fostered by alumni, the present President being, I. R. Libecap, '09.

The organization includes alumni and friends interested in the athletic program of the college. In co-operation with the alumni association of

Dayton the game with the University of Dayton was made a real occasion.

The board of directors of the club recently voted to make membership in the club include a membership in the general alumni association so that the program of the two will be very closely united.

All the brawn of all the workers of the world would fail to supply the power needed for our construction and production requirements. Modern civilization is based on cheap power readily applied to tasks of all kinds.

Machinery works: Man thinks

According to college tests, man develops one-eighth horsepower for short periods and one-twentieth in steady work. As a craftsman—a worker who uses brains—he is well worth his daily wage. But as a common laborer, matching brawn against motorized power, he is an expensive luxury.

With a fifty-horsepower motor, for instance, one man can do the work of 400 common laborers. He is paid far more for his *brains* than his *brawn*.

The great need of this and future generations is for men who can plan and direct. There is ample motorized machinery for all requirements of production and construction. But motorized machinery, no matter how ingenious, can never plan for itself.

And that is precisely where the college man comes in. Highly trained brains are needed more and more to think, plan, and direct tasks for the never-ending application of brawn-saving electricity.

In most long-established industries the General Electric Company has brought about important changes making for better products with minimum human labor and expense. And in many new industries the G-E engineers have played a prominent part from the very beginning.

A new series of G-E advertisements showing what electricity is doing in many fields will be sent on request. Ask for Booklet GEK-1.

SOPHS WIN ANNUAL PRE-TURKEY TILT

Long Runs and Fine Punting Done in Game That First Year Men Lose by 7-0 Score.

The Sophomore football team kept its record clean when the second year men defeated the Freshmen 7-0 Tuesday afternoon, Nov. 24, on the college field. The weather was ideal for football and the field was dry and solid. An otherwise excellent game was marred by some questionable playing and three ejections.

The second year men took the kick off and marched down the field to the Freshman 15-yard line where an attempted drop kick fell short. A feature of the march was a 22-yard run by Drexel. On the first play Weaver ran around his right end for twenty-two yards but the next two plays lost it all and the Freshmen were forced to punt. An exchange of punts and a penalty gave the ball to the Freshmen in the 50-yard line. Two line plays netted five yards and Pinney punted 50 yards to the Freshmen 30-yard line. The first play lost five yards for the Freshmen and on the next play Drexel intercepted a pass and ran thirty-two yards for the only touchdown of the game. A pass, Schott to Riegel, was good for the extra point.

Throughout the rest of the game the ball was carried back and forth from one end of the field to the other but neither team was able to score. Intercepted passes and a few severe penalties spoiled possible chances for further scoring. Saul and Weaver played a good game for the Freshmen.

O C MEN GET LETTERS

(Continued From Page One)
clared the coach. Through him that catastrophe of dissension, which is so characteristic of an unsuccessful season, was avoided.

To George Gohn goes a great deal of credit for the efficiency with which he has handled the equipment and other materials of the squad. Dit says he had the knack of always having the right thing in the right place at the right time.

The Freshmen managers should be commended for their faithfulness also. At the close of his speech Coach presented the following men with Varsity O certificates for having participated in 45 per cent of the quarters played as decreed by the entire athletic board: Cap. Richter, Capt-elect Snively, Felton, Cavanaugh, Pinney, Riegle, Bishop, Schear, Crawford, Lambert, Miller, Widdoes, Carroll, McMichael, Renner, Porosky, Gohn, mgr. As an appreciation of his work a letter was presented to the family of Ray Collier.

SENIORS AND SOPHS TIE IN SPEEDBALL LEAGUE

The Sophomores and the Seniors speedball teams played off their tie game Monday, November 30, when the Seniors defeated the second year men 8 to 6. The game was played on a slippery field.

The game was all to the advantage of the Sophomores at the start but the fourth year men tightened down on their younger opponents and outplayed them the rest of the game. The Sophomores lost a chance to win the game when time was called just before they were awarded a penalty kick. This game makes a play-off game necessary to decide the interclass speed ball championship.

Team	G	W	L	T	Pct.
Seniors	7	5	1	1	.833
Sophomores	7	5	1	1	.833
Freshmen	*5	1	4	0	.200
Juniors	*5	0	5	0	.000

*One of the Freshmen-Junior games was called off on account of rain and probably will not be played as it has no bearing on the championship.

O C The Squad at Present.

A cut of the basket ball squad Monday left the following survivors: Captain Widdoes, Porosky, Barnes, McMichael, Carroll, D. Buell, Upson, Van Curen, James, Bennett, Eastman, Riegel, Pinney, Bishop, Minnich, Stair, H. Widdoes, Snively, and Bechtolt.

O C CAPTAINS 1926 GRIDDERS

Robert Snively.

At a meeting of those football men who had played in two or more quarters during the past season, Robert Snively was chosen to captain the 1926 brigade of pigskin toters. Snively played quarter most of the 1924 season and all this past season. Bob missed only three minutes of the Muskingum game and three quarters of the Dayton game because of injuries, during the entire season. In high school he captained the football and basketball teams and is qualified for the job. He is the son of Dr. Chas. E. Snively, professor of History.

Girls Interclass Games

Come Before Christmas

The Girls' interclass basket ball games will all be played before the Christmas recess this year. This is being done in order that the Group League games will not last into the hot weather as they did last year.

The remainder of the schedule is as follows:

Wed., Dec. 9, at 3:45—Junior vs. Senior.
Fri., Dec. 11, at 3:45—Freshmen vs. Senior.
Sat., Dec. 12, at 2:00—Junior vs. Freshman.
Senior vs. Sophomore.
Mon., Dec. 14, at 3:45—Junior vs. Sophomore.

TIGERT SPEAKS

Commissioner Does Not Think Religious Education Should Be Taught in Public Schools.

"I do not believe that Religious Education should be taught in the public schools but I can accede it a place in the colleges and universities," declared the Hon. J. J. Tigert, United States Commissioner of Education, in his address, "Objectives of Education" which was delivered a week ago last night in the College Chapel as the third number on the Citizen's Lyceum Lecture Course.

Mr. Tigert brought out five objectives of education in his lecture. "Health," stated Mr. Tigert, "is the fundamental aim in education. Culture will always remain one of the primary objectives of education."

They Played for Otterbein in 1890

The players are, back row left to right: Reible, Fanning, Howard, Horine, Koepke, Miller.

Second row: Larry Barnard, Garst.

Third row: Streich, E. S. Barnard, Hibbard, Barnes, Ressler, Moss-hammer, Daugherty.

Lower row: Zehring, Stoner, Thompson.

It is interesting to examine the records of these men while in Otterbein and then see the positions they now occupy. Unfortunately the records do not carry the names of all of them and then too some are deceased.

Albert C. Streich the manager of the team, Mosshammer and Koepke, substitutes, and Wm. A. "Caesar" Garst, have departed this life. Garst was one of the smallest men on the team but outplayed and outsmarted any quarterback who opposed him. He won a place in the hearts of his teammates because of the fine combination of grit and brains that he possessed even though small in stature.

E. S. Barnard the father of Otterbein athletics was the coach and brains of the team. He seldom played but his strategy won many battles. He is now president of the Cleveland Indians.

A. T. Howard, guard and center and one of the best of all times, is now president of Bonebrake Seminary.

Irvin Horine, one of the smallest guards in the game usually made his opponent suffer. In a game with the Dayton Y. M. C. A., then a semi-professional team, his opponent, a big guard of wide reputation, was carried off the field. Horine is in the real es-

tate business somewhere. (If you know where please tell us.)

John D. Reible, is a successful fruit-grower living near Galloway, Ohio.

Marshall B. Fanning, a tackle on the team, lives in Boston, Mass., and he together with Mrs. Fanning are private tutors helping the students who are having a hard time of it get through their courses.

L. K. Miller, is secretary and treasurer of the Queen City Stoneware Co., of Cincinnati, Ohio.

Lawrence L. Barnard, "Larry" one of the best half-backs in the game, is an architect who, the last we heard of him, was in New Rochelle, New York.

Charles Hibbard is in the life insurance business in Cleveland, Ohio.

James Allison Barnes, is a minister at Wellesley Hills, Mass.—a fighting parson we'll bet.

F. J. Ressler, lives in Columbus, Ohio and follows the profession of publicist.

Clarence B. Stoner is the general auditor of the Statler Hotels Co. He is said to be one of the best half-backs in his time.

One of the men, an ex-student, we know little about. Daugherty lives somewhere between Westerville and California, that isn't very definite of course.

Oscar Zehring is a stock farmer and breeder of Holstein cattle, near Germantown, Ohio.

Louis A. Thompson is at the National Soldiers Home in Virginia.

The picture was carried by the Dayton Daily News the night before the Otterbein-University of Dayton game.

TAKEN BY DEATH

Abner B. Henderson, known to his classmates as "Brad," of the class of '72, died November 28th., at his late home, 528 East Gambier Avenue, Mt. Vernon, Ohio, following an illness of eight weeks.

Mr. Henderson was a Civil War veteran, and of recent years a hardware merchant in Mt. Vernon, the city to which his father had come many years before as a pioneer. He is survived by his wife, two sons, and a daughter.

PRESIDENT'S REPORT TO EXECUTIVE COMMITTEE

In part we are publishing the report of President W. G. Clippinger to the Executive Committee of Otterbein College which met Saturday, November 28.

During the month of January the final payments of the Jubilee Pledges are to be made. There are approximately thirty five hundred delinquent subscribers. A letter was sent by the President to all of these persons on Nov. 5. The purpose of this letter was not to solicit for payment immediately, but to remind them that January is the payment month, that the last payment is due, that we must make settlement with the General Education Board for their balance, and that they should make preparation in advance for prompt and complete settlement of their obligations.

We have received to date from the General Education Board, \$145,791.00. The Carnegie Corporation has settled in full for their amount, \$75,000.00. The General Education Board still owes us \$104,209.00. It will take \$208,418.00 from our own people to claim this amount. The amount still owed by our people is approximately \$230,000.00. It will be seen from this that we shall be obliged to collect almost every dollar of this amount in order to claim the gift of the General Education Board.

Clerks in the Treasurer's office are now preparing statements to be mailed so as to reach the subscribers at a proper season. In addition to this appeal, the following activities are being carried out:

Schedule of dates for the various conferences to observe Otterbein Cash Day is as follows: Allegheny, January 3; Erie and West Virginia, January 10; East Ohio, Florida, Michigan, Miami, Ohio German, and Southeast Ohio, January 17; Sandusky, January 24.

The procedure to be followed includes an intensive program of advertising, correspondence, visits to the Councils of Administration by the President or Treasurer, and the employment of three field men for a two months period.

Why You Need This Guide

"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine." Prof. G. M. Whipple, U. of Michigan.

"The successful men in college do not seem to be very happy. Most of them, especially the athletes, are overworked." Prof. H. S. Canby, Yale.

"Misdirected labor, though honest and well intentioned may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this his labor may be largely in vain." Prof. G. F. Swain, M. I. T.

"To students who have never learnt "How to Study," work is very often a chastisement, a flagellation, and an insuperable obstacle to contentment." Prof. A. Inglis, Harvard.
