NEW CONCORD

WELCOME ALUMNI

Today we celebrate our 52nd Annual Homecoming. The joy and excitement of returning to the campus for this special weekend never seems to diminish as the years pass by. On behalf of our students and faculty, we extend a warm welcome to our alumni and friends.

The Fighting Muskies and the Cardinals of Otterbein meet on the gridiron in what promises to be a very close and hard-fought game. The victorious team will have a good start towards the divisional championship of the Ohio Athletic Conference. We know it will be a thrilling game to watch.

William P. Miller
President

Dr. William P. Miller

On The Cover . . .

H. Dwight Balentine and his wife Margaret, shown with Homecoming Queen Heidi Ludwig, are honored guests of this year's celebration. Mr. Balentine was recognized at the Varsity Revue and Old Timers' Banquet last night for his many years of outstanding service to the college in Alumni work. He will be presented a plaque in commemoration of his dedication at halftime today, and he and Mrs. Balentine will, of course, ride in the Homecoming Parade.

The name Balentine is familiar to almost all alumni who graduated prior to 1963, the year in which Mr. Balentine retired after 35 years as head of the Alumni Office. A Muskingum graduate (Class of 1917), he returned to his alma mater in 1927 after spending one year in the army, a year as high school

principal in Ninevah, Pennsylvania, and eight years in YMCA work in Springfield, Ohio.

During his 35 years at Muskingum, he founded many alumni clubs across the country, and in the process of keeping in contact he traveled an average of 40,000 miles a year. He was also active in civic affairs, and was once president of the Cambridge Rotary Club and post commander of the American Legion.

Miss Ludwig is holding the Alumni Cup that Mr. Balentine was awarded in 1968 for his distinguished service to the college.

Dwight Balentine was born in Canonsburg, Pa. His wife is a native of Xenia, Ohio. He and Margaret met—where else?—at Muskingum during their college years.

Homecoming Queen Candidates

On October 8 the Junior Class elected these ten girls to vie for the honor of Homecoming Queen. They are: Sitting (left to right): Beth Brubaker, Bradford, Ohio; Sue Kowalczyk, Adena, Ohio; Carol Brown, Corry, Pa.; and Diane Hatheway, Stamford, Ct. Kneeling: Bobbi Sheil (left), Canton, Ohio and Cindy Kling, Belpre, Ohio. Standing: Melinda Davidson, Sunbury, Ohio; Bobbie Kennedy, Lyndhurst, Ohio; Heidi Ludwig, Mansfield, Ohio; and Teddi Whitenack, Monroe, Ohio.

| All Day | Alumni Art Show—Top of Student-Faculty Center |
| 12:30 P.M. | Homecoming Parade (featuring clubs, floats, bands, Miss Homecoming) |
| 1:10 P.M. | Pre-game ceremonies — McConagha Stadium |
| 1:30 P.M. | Football game — Muskingum vs. Otterbein |
| 4:00 P.M. | After-the-game reception — Tent in Hollow |
| 5:00 P.M. | Club reunions and dinners |
| 9:00 P.M. | Homecoming Concert — John Glenn Gymnasium featuring the New York Rock Ensemble |

SUNDAY

Services in Brown Chapel and Local Churches

Floats and Themes

The five men's and five women's social clubs and fraternities on the campus constructed the floats for the Homecoming parade. Winners of the competition for best float will be announced at the game.

Each club also chose a theme, and the themes are variations on the Homecoming theme, which is "On the Threshold of a Dream." The dreams of Muskingum's clubs and fraternities follow:

BETA CHI—*Arise to Victory*

DELTA—*Dreaming of Bringing a Victory
Turtle*

F. A. D.—*Our Knights in Shining Armor Bring-
ing Home a Victory*

KIANU—*Kianu hopes Your Dreams Come True*

PHI KAPPA PI—*Sailing on to Victory*

KAPPA SIGMA—*Ohio Conference Champion-
ship*

MACE—*Make Waves Muskies*

PHI KAPPA TAU—*A Muskie Victory*

STAG—*What Dream?*

ULSTER—*The Muskies Beam*

MOORE MEMORIAL—*A Dream Come True*

Winning Welcomes

Each year, Muskingum's social clubs have supported the extra cost of printing the Homecoming program by buying space to welcome their alums. Last year the Homecoming committee initiated a contest to determine the most creative ad among both the men's and women's clubs. The Beta Chis and Stags seem to be starting a Homecoming tradition of their own: they have repeated last year's feat by winning the competition. Their messages are shown below.

Homecoming Queen and Attendants

BETH BRUBAKER
Attendant

HEIDI LUDWIG
Queen

BOBBI SHEIL
Attendant

HEIDI LUDWIG, this year's queen, is the daughter of Dr. and Mrs. James O. Ludwig of Mansfield, Ohio. Heidi is a 20 year old Psychology major, and she resides in Finney Hall where she is a resident advisor for the freshmen. She is also active in the Kianu social club and has been involved in cheerleading and women's swimming.

BETH BRUBAKER, daughter of Mr. and Mrs. John Brubaker of Bradford, Ohio, is 21 years old and also a Psychology major and resident advisor.

BOBBI SHEIL, daughter of Mr. and Mrs. James Sheil of Canton, Ohio, is 20 years old. She is taking a communications concentration and is active in Muskie Players.

Muskies Open Blue Division Play

The Homecoming game at Muskingum is traditionally one of the highlights of the football season. This year it promises even more: today the Muskies open their defense of the Blue Division crown they won last year against the Cardinals of Otterbein, 1973's first division opponent. In addition, head coach Al Christopher considers Otterbein one of the top con-

tenders in a very stiff division.

"They are big and they don't make the bad mistakes they did last year," he said. "Every game from here on is going to be tough and this is no exception."

The start of division play is like opening a whole new season: what a team has done previously will mean little unless it performs well in the division. Conversely, a team that has had a poor season can salvage everything by winning big in the division.

The Muskies know that better than anyone else since they rescued a dismal 1-4 start last year year with a perfect 4-0 division slate and the right to play in the title game. The trouble is, Muskingum now stands as an example of what can be accomplished and no one realizes that more than Otterbein, which is much improved over last year's 2-7 squad, yet carries only a 2-3 record into today's contest. The Cardinals have beaten Kenyon and Ohio Northern by substantial scores but have suffered disappointing two-point losses to Capital (7-9) and Marietta (10-12). But the Otters biggest letdown may have been when they had defending champion and unbeaten Heidelberg on the ropes but lost 21-14 on a last minute score.

Jim Bontadelli

Otterbein will present a new look for the Muskies as they are primarily a passing team. They rely heavily on three-year letterman Jim Bontadelli, a quarterback who Christopher says is "as good as anyone in the conference."

The Muskies will have to contain Bontadelli's passing and keep their own ball-control offense moving at last weeks pace. Against Findlay last Saturday the Muskies ate up 461 yards in 83 plays.

The game should be close. The Cardinals have last year's 54-21 defeat at Muskingum's hands on their minds, and also the knowledge that they must win today to remain in contention for the division championship. The Muskies want nothing more than another shot at the conference title that got by them last year, and they know that a victory today is imperative. There is plenty of motivation on both sides; whatever the result, it will be an interesting Saturday afternoon.

Muskingum's Football Coaching Staff

Muskie Coaches (left to right) are Sam Bates, Al Christopher, Bob Wagner and Jim Heacock.

AL CHRISTOPHER, Head Coach

Al Christopher, a native of nearby Caldwell, returned to southeastern Ohio three years ago for his first collegiate head coaching assignment.

In his first year, he produced a 6-3 record with only seven starters back and without a previously experienced quarterback. The next year he was forced to rely heavily on sophomores and freshmen, and the Muskies fell to a 1-8 season.

The painful rebuilding paid off, however, as last year his team fought back to a 5-4 regular season record, won the Blue Division with a perfect 4-0 slate, then lost in the Conference championship play-off game to powerful Heidelberg.

At Caldwell, Christopher was a high school basketball and football player and went on to Ohio University as a kicking specialist. Graduating in 1957, he spent the next three years on the staff of Wyoming High School, helping to compile a three-year record of 33-1-2.

After a three-year stint as head coach at New Philadelphia High School, which included a co-championship of the Cardinal Conference in his last year, he moved to the coaching staff of Kent State University for another three-year tenure.

Christopher holds a masters degree in education from Xavier University. Now entering his fourth year as Muskie football coach, he holds the rank of assistant professor of physical and health education and is also coach of the varsity tennis team.

SAM BATES, Offensive Backs and Receivers

Also a native of Caldwell, Sam Bates is now in his second year on the Muskie staff. He came to Muskingum after six years at Warren Harding High School the last two of which he was offensive co-ordinator.

In his last season at Harding, the school was the number one choice of the press service for the state AAA title.

Previously, Bates served on the staff at Rittman High School and prior to that was head coach at Caldwell for two years after having been an assistant for one.

He was a three-year letterman in both football and basketball at Caldwell High School and went on to earn a B.S. degree from Ohio University in 1960 and a master's from Kent State in 1970.

BOB WAGNER, Defensive Line and Linebackers

A two-time all-conference tackle at Wittenberg, Bob Wagner is now in his second year at Muskingum. He spent two years coaching in the high school ranks and one year as a part-time assistant at his alma mater.

A native of Newark, Wagner earned a B. S. degree from Wittenberg in 1969 and then coached one year at Gallipolis High School. During the next year he coached part time at Wittenberg and also assisted in the lacrosse program at Ohio University while further pursuing his studies there for his master's degree.

After that, he coached at River View High

Muskingum College: A Story of Progress

Founded in 1837, Muskingum is one of the oldest independent liberal arts colleges in Ohio. It is located in a scenic and historic part of the country, its 215-acre campus overlooking the village of New Concord which was settled at the time the famous old National Road was built during the early part of the nineteenth century.

Facilities are excellent and constantly improving through a long-range program of planned development. A new \$4 million Science Center and a modern facility for the social sciences reflect the importance which the college places on these academic areas. Plans have been drawn for a new Fine Arts Center and the expansion of an already-modern library.

Muskingum associates itself with a handful of the nation's well-respected small colleges where a student is educated and his life enriched through personal contact with a community of scholars.

It is distinctive, even among colleges of this category, in the way it makes use of innovative programs and techniques. It was offering computer courses before most colleges of its size had acquired this equipment. Its students were going off-campus and overseas for exciting January Interim courses before the 4-1-4 calendar had been adopted by more than a dozen pioneering schools.

A well-recognized advantage of the small independent college is the close relationship that is possible between student and professor. This is particularly true at Muskingum where the student-faculty ratio is 12:1. It is a matter of pride that more than 60 percent of the faculty possess doctoral degrees and many are widely recognized authorities in their fields.

Muskingum alumni have distinguished themselves in many fields including education, medicine, law, the ministry, science, the arts and public affairs.

Among the best known are John Glenn, the astronaut who became the first American to orbit the earth; Agnes Moorehead, the actress, and the late William Rainey Harper, founder

Montgomery Hall, built in 1921, is the college administration building.

and first president of the University of Chicago.

Howell Forgy was an all-Ohio Conference football star at Muskingum before entering the ministry. As a navy chaplain aboard a warship at Pearl Harbor on the morning of the Japanese attack, he invoked divine help and called for more anti-aircraft shells in the same breath, thus coining the famous World War II battle cry, "Praise the Lord and Pass the Ammunition."

From a modest beginning of one building on a three-acre campus, Muskingum has grown in physical size to a campus of 215 acres with 16 buildings. The enrollment is 1100 and the faculty numbers 90. President of the college is Dr. William P. Miller and the vice president and academic dean is Dr. William L. Fisk.

Muskie Coaching Staff

(Continued from Page 7)

School and led that team to an 8-2 record, the best in the school's history. Wagner also coaches the Muskie swimming team.

JIM HEACOCK, Defensive Secondary

Muskingum alumnus Jim Heacock joined the coaching staff this season.

A 1970 graduate he starred at defensive back for the Muskies and was named to the All-Ohio Conference team three times, and then was drafted by the Green Bay Packers of the National Football League.

He has been a graduate assistant at Bowling Green State University for the past year, and will receive master's degree there in July. Prior to that, he was assistant football and head baseball coach at Marlinton High School for one year.

The Heacock family has its own football tradition at Muskingum. Jim's father, Clinton, was an all-conference fullback here in the thirties, and brother Jeff is currently a member of the varsity squad.
