Where We STAND Matters

The public phase of a comprehensive campaign for Otterbein's future kicked off at Homecoming 2014. The campaign affirms that where Otterbein stands, and what it stands for in the higher education community, matters. This historic \$50 million campaign—the values, the people and purpose for which it stands—will position Otterbein to stand strong among the great institutions of our country, and focuses on three major funding priorities, listed below.

Building a Model Community

Campus Renewal

Access and Affordability

Homecoming 2014

Otterbein students, alumni, family and friends came HOME to campus for a Homecoming celebration like no other. Everyone had a great time following the red brick roads to reconnect and by the end of the weekend, we welcomed more than 1,000 alumni, students, families and friends to campus!

Dance 2014: *Tell Tale Poe*

In the words of one of America's most beloved contemporary actors, Robin Williams, "You're only given a little spark of madness, and if you lose that, you're nothing." This madness, a haunting voice unrelenting in pursuit, has tortured many an artist. And from that madness, we have had the honor of witnessing great beauty. *Tell Tale Poe* was a multi-media concert of dance, poetry and music—a celebration of the mad-genius of another American icon, Edgar Allan Poe. Otterbein University Dance faculty and students set original choreography to some of Poe's most beloved masterpieces.

The Greeks: The Murders

Three plays by Euripides, Aeschylus & Sophocles
Translated by John Barton and Kenneth Cavander

In a bloody and raw adaptation of three classic stories of the House of Atreus (*Iphigenia In Aulis*, *Agamemnon* and *Electra*), the strength and love of family are tested by temptations of power, honor and revenge. The cry for war to rescue Helen from Troy traps Agamemnon, his wife and children in a spinning wheel of destruction, where horrifying choices are made in the name of "justice" and consequences reverberate through generations.

Into the Woods

How far would you go to make your wish come true? Cinderella, Little Red Riding Hood, Jack (of beanstalk fame), and a baker and his wife find out when they take a journey into the woods. It's a magical, bewildering place full of witches, wolves, giants and mysterious strangers, where familiar fairy tales get tangled up together. Wishes come true here, but at a price. Even storybook characters must face the music—of which there is plenty—in Sondheim and Lapine's irreverent Tony Award winning musical.

Cardinal Athletics Highlights 2014-15

It was another exciting year for Cardinal Athletics!

The women's soccer program capped off another impressive year, winning its eighth conference regular-season title in the past 13 seasons behind OAC Midfielder of the Year and Academic All-American, Jillian Strimbu (right). Strimbu was voted to the Capital One Academic All-America Division III Women's Soccer Team, as selected by the College Sports Information Directors of America.

The Track and Field team received a nice boost with the addition of standout freshman sprinter Shyla Cummings (below, in center), who set four school-records, captured four OAC titles, was named the league's Most Outstanding Sprinter, and qualified for both the Indoor & Outdoor NCAA Championships. In addition, Otterbein's men's 4x1 relay team (right) and pole vaulter Taylor Lindsey competed at the national meet. The Otterbein University track and field teams won three more events and set two school records on the final day of the Ohio Athletic Conference (OAC) Indoor Track and Field Championships.

Both the men's and women's golf teams made it to the national stage again by winning OAC Championships. The men captured their 17th title in the past 25 years while the women, prevailing in a playoff, brought home their ninth conference crown.

The department also welcomed a new member to its staff with the hiring of Brian Oilar (right) to serve as head men's basketball coach.

Otterbein University and its athletic department officially unveiled a newly upgraded Memorial Stadium Saturday afternoon as part of Homecoming weekend, hosting a dedication ceremony prior to the Cardinal football game against Marietta College.

Otterbein's dressage team placed third at 2015 Intercollegiate Dressage Association (IDA) National Championships, which Otterbein hosted on April 25-26.

Otterbein's dance marathon is part of a nationwide movement involving college and high school students at over 150 schools across the county. The dance marathon raises money for the Children's Miracle Network and students, faculty and members of the Otterbein community dance and stay on their feet for seven hours to support the cause.

Children's Miracle Network Hospitals is an international non-profit organization that raises funds for children's hospitals, medical research and community awareness of children's health issues. Otterbein raised \$12,787 this year!

Otterbein students left campus to explore their place in the world.

Members of the Otterbein Habitat for Humanity chapter took an alternative spring break to Vineland, New Jersey, an area hit by superstorm Sandy (pictured below).

In May, 23 Otterbein students traveled for two weeks to Rome, Florence and Verona, Italy, as part of two classes—Happiness, taught by Dr. Noam Shpancer, and Gender & Love, taught by Dr. Michele Acker. Additionally, Lyle Barkhymer took a group of students to Vienna in May 2015. (All pictured on page right).

Otterbein's deep-seated commitments to community partners through service and engagement continue to earn recognition on the national stage while making a critical difference here at home.

This year Otterbein was again honored to receive the prestigious Carnegie Community Service Classification and was designated as a finalist for the 2014 President's Community Service Award for Economic Opportunity. Otterbein has been honored with the designation of "With Distinction" by the President's Higher Education Community Service Honor Roll every year since the list's inception in 2006. Students enrolled in Otterbein's 96 service-learning courses provide services to local non-profits, schools and other agencies.

Maria's Message

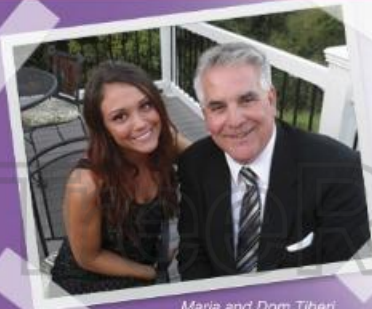

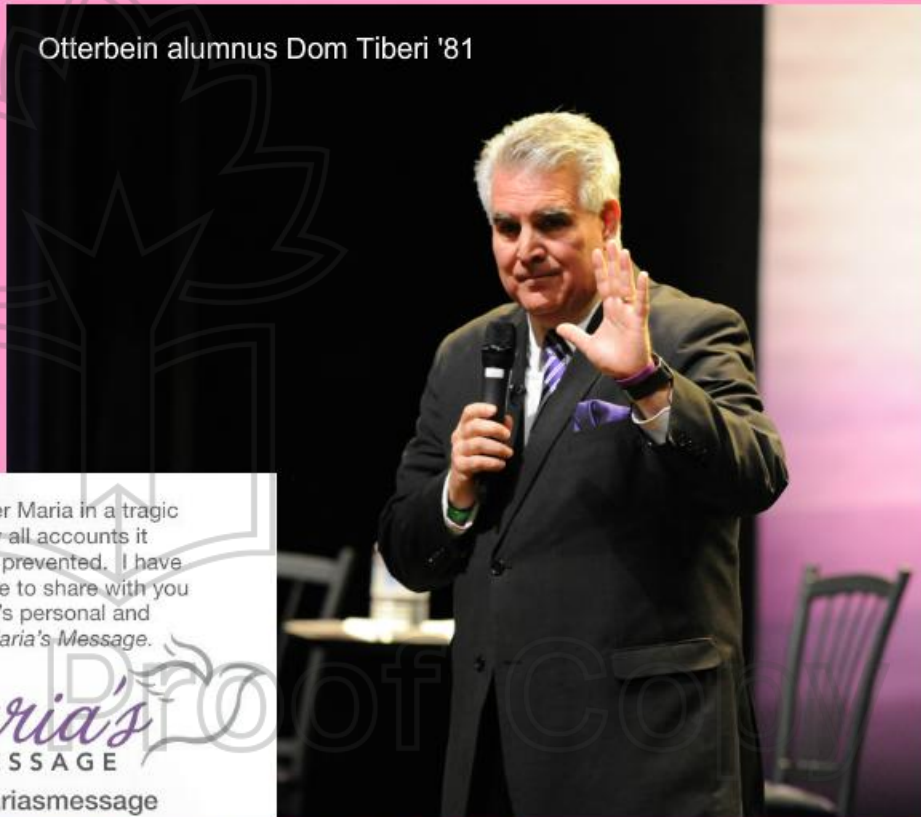

Otterbein alumnus Dom Tiberi '81 and his wife, Terri, suffered the tragic loss of their beautiful daughter, Maria, in a 2013 automobile accident caused by distracted driving. The couple turned their pain into hope, through the Maria Tiberi Foundation, and the Maria's Message campaign. Maria's Message strives to educate drivers about the dangers of the three main types of distracted driving: taking your hands off the wheel, taking your eyes off the road, and taking your mind off driving. Dom and his colleagues from Channel 10 came to Otterbein in April 2015 for a session with students.

The newly formed Otterbein University Student Government and Athletics Department collected more than 400 pledge cards from students vowing not to drive while distracted.

Bread and Roses winners (L to R): Dr. Beverly Good, student Carrie Coisman, staff member Sharon Buxton and Dr. Suzanne Ashworth.

EDITOR'S NOTE

TIMELESS WORDS, PRICELESS PICTURES... THE YEARBOOK EXPERIENCE!

Imagine 50 years from now, wouldn't it be cool to see how you and your friends changed after leaving Otterbein? Or, what if your children or grandchildren ask you someday about what it was like when you went to school. I hope this yearbook gives you a chance to reflect on the great experiences we've had this year at Otterbein.

As this year's yearbook editor-in-chief, I have been blessed with the opportunity to show off my creativity and to create a colorful book full of priceless memories that I hope someday you'll look back on fondly.

My time as a student at Otterbein has had its ups and downs (as most students have!), but at the end of the day, I am proud to call Otterbein my home away from home.

I wouldn't have thought in a million years that I would ever be working on a yearbook for an entire university. I can honestly say that it has been one of my happiest moments at Otterbein!

All of this would not have been possible without the support of the Alumni Relations staff, because without their support, I wouldn't have believed that I could ever create something so extraordinary that others could enjoy!
