HIRAM GAME WAS A SLUGGISH TIE

Mud Keeps Teams From Fast Playing. McMichael Makes Consistent Gains. Carroll Makes First Score.

SCORE 12 TO 12

First Time O. C. Has Not Been Outweighed. Day is Outstanding Hiram Player. Crowd is Average.

Before an average crowd of Homecoming alumni the Tan and Cardinal pig-skin toters battled Hiram to a 12 to 12 tie. For the first time this season the opposition did not outweigh the local team. At the beginning of the game it looked like Otterbein would run away with the game but by the end of the first quarter Hiram had

SCENIC SECTION OF 1926 SIBYL NOW COMPLETE

Pictures of Football Team Being Taken This Afternoon—Freshmen Must Have Photos Taken Soon.

Individual pictures of the football team and a group picture of the freshman squad are being taken this afternoon on the athletic field by the Baker Art Gallery for use in the 1926 Sibyl.

The scenic section for the yearbook is now complete. The arrangement of the scenes is unique and has never been used in any college annual before.

Active work in all departments is now under way. The special feature and the athletic sections promise to be a great deal better than those in any previous Sibyl.

Wayne V. Harsha, editor of the Sibyl, urges that all freshmen who did not have a photo taken for the annual do so at once if they wish their pictures to appear in the year book. It is now necessary to visit the Baker Art Gallery, Rich and High streets, in Columbus for a sitting. Last year's photos of those students who did not have new ones taken will be used in the annual.

OTTERBEIN WILL WELCOME OHIO COLLEGE PEOPLE OVER THIS WEEK END TO WORLD COURT CONFERENCE

DR. PACE TO SHOW SCIENTIFIC WONDERS

Alumnus of Otterbein Will Give Illustrated Address at U. B. Church This Evening.

Tonight at the United Brethren Church, Dr. E. J. Pace, class of '05, and world famed cartoonist, will give his illustrated lecture, "The Law of the Octave in the World and the Word of God," showing some unusual and highly magnified slides of snowflakes.

Dr. Pace illustrates his message with short picture studies of the findings of science, of the harmony of music, and then closes with a proof of the perfection of the Scripture. This address was the feature of the year at the Winona Lake Bible Conference. Dr. Pace is on his way to Florida, where he is solidly booked for Bible conferences until next June, and will be in Westerville one night only.

The meeting will open at 7:30 p. m. and admission is free.

Noted Speakers on World Court and Student Friendship To Appear.

Delegates from the central and southern colleges, seminaries and universities of Ohio will be present at the Conference of the World Court and Student Friendship which will be held on the campus November 6th, 7th and 8th.

Friday afternoon will be taken up by the arrival and the registration of the delegates. Reverend Joel Hayden, of Cleveland, will speak in the evening at 7:30 in the chapel.

Nevin Sayre of New York City, will deliver an address in the chapel Saturday morning at 9:15. After this meeting adjournment will take place until evening when a banquet will be given in the parlors of the U. B. Church. Earl Hoover will preside at this banquet; he also has charge of the ticket sale.

Among the speakers on the program will be Paul Keyser, formerly of Wittenberg, who was on the student pilgrimage for Student Friendship to Europe this summer. Miss Ruth Thomas, of Ohio Wesleyan, also a member of the pilgrimage, will give an address.

On Sunday morning, Mr. Conrad Hoffman, from Geneva, Switzerland, will deliver a lecture. Mr. Hoffman is the European Director of the Friendship Fund.

Judge Florence Allen, of the Supreme Court of Ohio will speak in the afternoon in the chapel.

Over one hundred and fifty delegates are expected to attend this convention which will begin proper on Friday afternoon.

More than 400 alumni, guests and students gathered in the basement of the U. B. church Saturday evening in the annual home-coming banquet. The spirit of co-operation was prevalent.

U. S. Martin, '92, of Dayton, in the capacity of toastmaster, was well chosen as he introduced each speaker in a deliberate, characteristic manner. He spoke concerning Otterbein alumni and student relations.

Irwin Leibcap, '09, of Dayton, was called upon and sized up the athletic situation from the alumni standpoint. He pointed to the fact that Otterbein is suffering from the lack of financial support in her program. He recalled the need of a new gymnasium to the gathering, showing that it is necessary to progress and the making of a bigger Otterbein. Mr. Leibcap is President of the Alumnae Athletic Club and is working diligently for the advancement of Otterbein in athletics.

PROF. SCHEAR LECTURES TO JOINT Y MEETING

First of a Series of Lectures on Relation of Science and Religion Delivered to Large Gathering.

There was a joint meeting of Y. M. C. A. and Y. W. C. A. Tuesday night in the "Y" parlors of the Association building which was not large enough by far for the unusually great number of students and faculty which attended.

Professor Schear delivered the first of his series of lectures on the relation of religion and science. The topic of this first address was "The Dynamic Universe" and his purpose was to establish a foundation for his following lectures. The lecture was exceedingly interesting and the series will prove very beneficial and helpful to the students. Be sure not to miss them.

OTTERBEIN STUDENTS

WRITE FOR "CANDLE"

In the "Ohio State Candle," a literary publication put out by students at Ohio State University, Otterbein students are well represented. Miss Thelma Snyder, a junior in Otterbein, has printed in the magazine a descriptive sketch called "Willoughby Street."

Wendel Camp, who was graduated in last year's class, has two poems

and one short story in the current issue of the magazine. Camp is now taking graduate work in botany at Ohio State.

In the next issue of "The Candle" a poem will be printed which has been written by Miss Jean Turner, a Westerville girl. Miss Turner is represented in the Stratford Anthology of American College Verse for 1924-25.

THE BEST AND BIGGEST HOME-COMING EVER

Several Old Graduates Attend Respective Class Reunions.
Many Register.

The weatherman finally came through with a beautiful day and made possible the proper celebration of the biggest and best ever Home-coming.

Many old-timers were back, possibly numbering four hundred. The Christian Associations attempted to get a registration of the alumni who attended but certainly it is not complete. The register shows one hundred and fifty signatures but many there were many whose names do not appear.

It was a great occasion. Old acquaintanceships renewed and many new ones made. The spirit of Otterbein was high, carrying through from the rally in the morning to the banquet in the evening. The fact that the best football team could get was an even break with Hiram did not keep the fighting, loyal spirit of the crowd in check.

The younger generations were very much in evidence and certainly it is to be expected that they enter heartily into the Home-coming events. One of the very nice little affairs that we noticed was the small reunion of the class of '78. Mr. W. W. Ferrier, of Berkeley, California, was here and he together with Mrs. S. W. Keister and Dr. T. J. Sanders represented the class of '78. To Mr. and Mrs. Ferrier goes the honor of having traveled the longest distance to attend the Home-coming.

The class of '78 did pretty well so far as numbers are concerned and we were just about to say that they were the oldest class represented, but S. W. Keister represented the class of '77 and Sarah Jane Winter the class of '72. The Otterbein spirit alive and burning in the hearts of these alumni furnished a splendid impetus to the whole Home-coming occasion.

Judge U. S. Martin of the class of '92, was the toastmaster at the annual banquet. He added much to the feast with his ready wit and fund of stories. It was splendid to see the old and young all enthusiastic about the future success of the college they love. There were several present for the Home-coming since their graduation. A fine start made this year that should be continued. Don't get the habit of staying away—better the habit of coming.

MEET THE ALUMNI COUNCIL

PRES. A. T. HOWARD

The member of the Alumni Council we are presenting this week really does not need an introduction to the alumni of Otterbein College. We are showing him to you and telling you that he is a member of the governing body of the association.

President A. T. Howard, '94, former bishop of the church and now president of Bonebrake Seminary is one of the most consistent boosters among the followers of Otterbein College. He has been a trustee of the college for a number of years, and the devotion that he has manifested as a trustee, he now places behind the new

program of the alumni.

In addition to the splendid service President Howard has rendered Otterbein, the service he has given the denomination has been outstanding. After his graduation, he, with Mrs. Howard, went to Japan as representatives of the church there. Since they first entered the missionary service they have given themselves wholeheartedly to the work of the church in various capacities, each new position carrying greater responsibility than the one preceding it.

Best of all Dr. Howard is a friend to every student and alumnus of Otterbein.

ALUMNALS

'23. Juan A. Rivera, of San Fernando, Philippine Islands, was recently elected a member of the Provincial Board of Union Province in the Philippines. The board consists of the provincial governor and two other members and these three men will control the business of Union Province for the next three years.

'13, '12. Mr. and Mrs. Warren H. Hayes, who returned last spring from mission work in Japan, are now living in Braddock, Pennsylvania, where Mr. Hayes is pastor of the United Brethren Church. The congregation gave them a reception the middle of October, welcoming them to that community.

'23. Harold M. Freeman of Westerville, lieutenant in the national guard, is recovering at his home from injuries received a week and a half ago when he was struck by an automobile on the Three C Highway south of town while the company was drilling.

'07. Walter D. Kring, director of religious education of the Broad Street Presbyterian Church, Columbus, Ohio, will be one of the instructors in the Training School for Sunday School Teachers to be held in Westerville, November 8-13. He will teach a course on the organization and administration of the church school.

'72. Mrs. S. C. Collier (Lizzie Hanby) of Ravenna, Ohio, was in West-

terville last week to attend the funeral of her sister, Mrs. A. L. Billheimer, of Birmingham, Alabama. While here Mrs. Collier was the guest of Mrs. Frances M. Flickinger on North Vine Street.

'07. Mrs. E. M. Hursh (Mary Lambert) of Westerville delivered the Woman's Day address on the last Sunday in October for the Woman's Missionary Society at Barberton, Ohio, in the morning and at Akron, Ohio, in the evening.

'72. Mrs. L. R. Harford (Lillie Resler), who spent the summer at her summer home on Madeline Island, Wisconsin, left last week for Omaha, Nebraska, where she will spend the winter.

'93. Mrs. Charles S. Pilkington (Maud Bradrick) was elected president of the Westerville Federation of Women's Clubs at their quarterly meeting in October.

'96. W. Ray Schrock dropped in the alumni office this week to call. He left knowing a little more about the work and we appreciated his visit.

'83. Mrs. Jessie Thompson Bogle mourns the loss of her husband, C. L. Bogle who died October 29th at their home in Yellow Springs, Ohio. Mr. Bogle was outstanding in his community and we extend our sympathy to Mrs. Bogle and the community in the loss of such a distinguished husband and valuable citizen.

YALE-OTTERBEIN CLUB IS PROUD OF ALMA MATER

First Get-together at Home of the Todd's Thirteen Members on Roll. Officers Elected.

The Yale-Otterbein Club had its first get-together on the evening of October 27th. Mr. and Mrs. J. O. Todd were host and hostess. Otterbein spirit ran high from the first glimpse which the crowd had of the Otterbein banner hanging on the front door.

At the present time there are thirteen members of the club, namely: Mr. and Mrs. J. O. Todd, '16; Mr. and Mrs. Vernon Phillips, '17, '17; Mr. and Mrs. John Schutz, '23, '23; Mr. and Mrs. J. Ruskin Howe, '23, '24; Hui Cheng, '23, and Warren Cogan, ex '24.

The officers for the coming year were elected as follows:

President, Milton S. Czatt; Vice Pres., J. O. Todd; Sec-Treas., Mary Elizabeth Howe.

"One of the men in the University said yesterday, 'I never heard of Otterbein before I came here but it certainly has the most loyal crowd I ever saw.' We feel that is a good reputation to have. Everyone is happy and seems to be enjoying the work."

The above quoted letter is signed by the secretary. It isn't very often that an Otterbein crowd organizes without being asked to do it. This unusual crowd certainly has the enthusiasm that we would like every group to catch.

— O C — Class of 1947.

We are enrolling today in the class of 1947, John Nelson Clymer, son of Mr. and Mrs. Irvin Clymer, '09, of Chicago, Ill.

John's father belonged to the class of '09, and he says, that is John says, he is going to cause a stir bigger than even his dad made when he arrives on the campus in the fall of '43.

Reports have it that John Nelson has unusually large hands. We predict that he is going to be a forward-passing halfback on the Big Tan team. What else are big hands for?

Congratulations to the Clymers. Lots of luck Johnnie (that's what the gang will call him.)

Mrs. E. L. Porter, '06, announces the regular meeting of the Otterbein Woman's Club of Columbus, to be held November 14, at the home of Miss Margaret Hillhouse, 73 East Lane Ave., Columbus, at 2:30 p. m.

The attention of members and friends is called to this announcement.

We Have One Task.

As a college, athletically speaking, we have come to the place where we have one job. Otterbein must get out of the cellar in Ohio Conference football standing. A chance was lost Saturday. It began at the rally. Where were you—alumni, student? It continued at the game. When about twenty-five per cent of the bleacherites yelled only about ten per cent of the time, it is time that they have an inoculation of pep virus into their systems. It is poor policy to judge one by the noise he makes, but there comes a time when loyalty defies silence. This is no time for crabbing, growling, cussing, condemning, or making alibis,—we have a task.

That football team must be saturated with a fighting spirit that will be on top every moment of play to the very end.

To do that, there must be concentration on our one task with everybody co-operating. Let's close every chapel service this week with a real pep rally! Let's have Coach Ditmer lead one chapel devotions! Let's get out onto the sidelines during practice! Let's help the team with muscle building food at the boarding clubs! Let's help the fellows to get

their necessary rest! Let's boost and cheer, and lift!

Please pardon the expression, but it takes "guts" to play football. Do you have enough of them to fight with the team to the very end,

We have one task!

Come on gang. Let's go!

— O C —

The Y Conference.

The latter part of this week Otterbein college will have the rare privilege of being hostess to a hundred or more representatives of several Ohio colleges. Limited facilities of housing keep Otterbein from having more gatherings of such a nature.

One purpose of the central theme of this meeting of the representatives of the various colleges, and that is the consideration of the entrance of the United States into the World Court. The student conference at Otterbein is one of approximately fifty being held throughout the land before November 15. The Council of Christian Associations is sponsoring the campaign, which aims "to create a united and active student opinion favorable to the immediate entrance of the United States into the World Court," and that it "be only the first step toward the continuous influence of an intelligent and active student opinion on all matters of international concern."

The timeliness of these conferences is realized when we know that December 17 marks the opening of the debate in the Senate on America's entrance into the World Court.

Besides the visiting students there will be several speakers, internationally minded and broad visioned, to lead in the discussions.

This, then, will be our real opportunity to learn more of a living, vital issue, and to prove the real Otterbein spirit of friendliness.

— O C —

An Opportunity.

Our desire is to call your special attention to the Westerville Training School for Sunday School workers to be held in the First Methodist Episcopal church Westerville, November 8-13.

The school is interdenominational. On the faculty are men who represent the best thought in their fields. The courses provide a wide choice of subject matter. Tuition at \$1.00 is more than a sound investment. One course unit of credit toward the Standard Training Diploma is worth six evenings of your time.

We recommend that you investigate this further and enroll if at all possible. We suggest also that the college faculty be mindful of the fact that many students are interested in this work and will appreciate some consideration in assignments.

MAKE YOURSELF AGREEABLE

Judge Elbert H. Gary of New York City, President of The United States Steel Corporation, Sept. 21, 1925, delivered a most enlightening and profitable address on "The Science of Business." From time to time, the Tan and Cardinal will print excerpts from this address which it is hoped will prove helpful to the students of the college.

Judge Gary says that if one wishes to succeed, "He should at the outset determine in what way he can popularize himself or his business; how he can make himself agreeable and approachable to those with whom he comes into business contact.

"If one is seeking customers in any department of human activities, one should do everything reasonable to attract attention and then supply what is wanted. To do this, one should adopt and conscientiously apply certain standards of propriety."

LETTER TO STUDENTS

Dear Friends:

We wish to express our appreciation for your kind words of sympathy in this time of our great sorrow.

Sincerely yours,

Mr. and Mrs. Pifer and Daughters.

GLEE CLUB MEN CHOSEN

The organization of the Otterbein Glee Club was completed with the addition of eleven new men. The new men were picked from fifty candidates who tried out for places.

The new men are Sturm and Roby, first tenors; Zimmerman, Rohrer, Thompson, Hoffman, first basses; Caldwell, Mumma, Poulton, second

tenors; Osborne, Botdorf, second basses. This number increases the enrollment of the club to thirty-one.

The brass quartet that was a feature of last year's program will be continued this year. John Hudock will take the vacant place in this quartet.

J. R. Hoover, manager of the club is hard at work making engagements. He makes the statement that the outlook is very bright.

In an isolated region, almost inaccessible in winter, this 6500 h.p. hydro-electric plant located on the Deerfield River in New England, starts, protects, and stops itself.

A Self-Starting Power Plant

Dawn—the slumbering city awakens and calls for electric current. Many miles away the call is answered. A penstock opens automatically, releasing impounded waters; a water turbine goes to work, driving a generator; and electric current is soon flowing through wires over the many miles to the city. This plant starts and runs itself.

Power plants with automatic control are now installed on isolated mountain streams. Starting and stopping, generating to a set capacity, shutting down for hot bearings and windings, gauging available water supply, they run themselves with uncanny precision.

Thus another milestone has been reached in the generation of electric power. And with present-day achievements in power transmission, electricity generated anywhere may be applied everywhere.

The non-technical graduate need not know *where* electricity comes from—nor even *how* it works. But he should know *what* electricity can do for him no matter what vocation he selects.

The General Electric Company has developed generating and transmitting equipment step by step with the demand for electric power. Already electricity at 220,000 volts is transmitted over a distance of 270 miles. And G-E engineers, ever looking forward, are now experimenting with voltages exceeding a million.

A new series of G-E advertisements showing what electricity is doing in many fields will be sent on request. Ask for booklet GEK-1.

BALDWIN-WALLACE GAME WILL FURNISH THRILLS

Next Saturday an entirely new foe invades the Otterbein grid camp in the person of Baldwin-Wallace. Otterbein has not played Baldwin-Wallace for several years, hence it is difficult to predict just what will be the result of the encounter slated for this Saturday. Thus far this season Baldwin-Wallace has met with only fair success. They downed the University of Akron last Saturday and Hiram the week before. Kenyon, Case and Oberlin however have beaten them.

They will have the advantage of weight over Otterbein, however a good game is to be expected. Some of their men have played for four years since they have been in the Ohio conference for only two years. They are a team that resorts to passing a good deal so we may infer that some thrills are in store for this week end.

SOPH-FROSH GRIDDER COMING NOVEMBER 24

On Tuesday, Nov. 24, the Freshmen will meet the Sophomores in their annual football game. The present Sophomores defeated last year's Sophomores 6 to 0 last fall and will be out to keep their slate clean. The yearlings however, have the advantage of playing together all season and besides will have some good men in their line-up. The game will probably be played on a muddy field and the game will go to the team that can hold the ball and can recover the ball when the other team fumbles.

SOPHS HOLD LEAD IN SPEEDBALL CONTESTS

The Juniors lost their third straight game of speedball Monday, October 26, to the Seniors, 9-0. It was an even break in the first half and the period ended 0 to 0, but the Seniors came back strong in the second period and scored three field goals to win, 9 to 0. Penalties, within scoring distance, cost the Juniors several chances to score. There were six Juniors and eight Seniors on the field. Puddles of water here and there on the field made fast playing impossible.

The Sophomores kept their slate clean by defeating the first year men 12 to 1 last Tuesday afternoon. The game was the Sophomore's throughout, but the Freshmen lost most of the chances they had to score by attempting long kicks at field goals. The Sophomores have won four games so far, having defeated the Freshmen twice.

Games this week and next.

HIRAM GAME WAS A SLUGGISH TIE

(Continued from page one.)

gotten on her feet and from then on it was a neck and neck affair. After receiving the kick-off, Hiram tried to buck the line but could not gain, so she punted to Snavelly, who returned the ball to Hiram's 32 yard line. Then by a series of bucks and end runs, the ball was placed on the 6 yard line, where McMichaels fumbled, giving the ball to Hiram. Failing to gain, Hiram again punted to Snavelly, who returned the ball to Hiram's 20 yard line before being downed. From there on the O. C. gang could not be stopped until they plowed over Hiram's goal line for the first touchdown of the year. To Johnny Ca roll goes the distinction of making the first touchdown of the season.

Due to the fact that the field was a veritable sea of mud, neither team was able to gain much advantage over the other. Since the players shoes were covered with mud it was exceedingly hard to get off a good punt hence the punting of both teams was below standard.

Widdoes got away several times for substantial gains around the Hiram flanks, averaging 5 to 7 yards on each attempt. Renner did some clever passing in spite of the slippery ball. In this department Otterbein far excelled Hiram.

The O. C. line outplayed the Hiram line throughout the entire game. Most outstanding was the work of Captain Richter and Crawford, who opened holes time after time for McMichael to smash through. "Bus" gained consistently through the line and finally scored the second touchdown on a delayed buck, in the last quarter.

Hiram scored their first touchdown on a blocked punt from the O. C. 15 yard line. This was the second touchdown that has been scored against via the blocked punt route. Their final score came in the third quarter when one of their lineman recovered an Otterbein fumble and ran to the 12 yard line before being downed by Capt. Richter. From there on they bucked it over.

"Fight 'Em Otterbein."

Evidence of the activity of the Varsity "O" was manifested on the campus again in the form of the "Fight 'Em Otterbein" badges. The proceeds of the sale will be used to buy sweaters for the members of the organization. In addition some of the money may be used for watch charms for the new letter men.

Why You Need This Guide

"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine." Prof. G. M. Whipple, U. of Michigan.

"The successful men in college do not seem to be very happy. Most of them, especially the athletes, are overworked." Prof. H. S. Canby, Yale.

"Misdirected labor, though honest and well intentioned may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this his labor may be largely in vain." Prof. G. F. Swain, M. I. T.

"To students who have never learnt 'How to Study,' work is very often a chastisement, a flagellation, and an insuperable obstacle to contentment." Prof. A. Inglis, Harvard.

O C C. E. MASQUE

The basement of the church was so transformed on Monday evening by wierd lights, varied costumes and spirited music that the gay revellers themselves forgot to think of time and place and gave themselves over wholly to the enjoyment of the evening. Chairs stolen, balloons blown, and fortunes revealed, provided entertainment, while many were initiated to the new art of "match-boxing."

During the promenade, in which a bewildering number of clever and handsome costumes were displayed, judges encountered great difficulty in selecting the costumes most worthy of the prizes. The award was finally made to a debonair Spanish cavalier and his charming, dark-eyed "senorita" for cleverness and beauty respectively. Among the fairer sex, the goddess of Liberty was ruled foremost and a bangled gypsy carried off the honors for clever costume. After a period of fun-making a second promenade past the kitchen windows rewarded everyone with doughnuts, cider and apples.

Prof. and Mrs. Martin, Prof. and Mrs. McCartney and Dr. Phelan were among the honored guests of the evening.

O C CLEIORHETEA

The names of Rosa Drew, Ruth Seaman, and Dorothy Ertzinger were added to the active roll in Cleiorhetea, Thursday evening. The name of Olive Holt was also placed on the associate roll.

The program for the evening was well given. The musical numbers were vocal solos by Mabel Eubanks and Betty Plummer, a piano solo by Ruth Braley, and a musical reading by Lois Bingham. Much originality was shown in a parable, "Rice Pudding and Apple Dumplings" by Freda Snyder, an essay, "The How of It" by Ruth Hursh, and in Alice Blume's presentation of Current Events as a radio program.

PHILALETHEA

The session at Philalethea, Thursday evening, was Open Session. Before the performance of the program three new members, Marian Grow, Esther George and Jean Bromley were elected into associate membership.

The program for the evening was as follows:

Piano Solo—Frances Harris.
Book Review—Catharine Darst.
Reading—Elizabeth Marsh.
Satire—Marian Snively.
Piano Trio—Florence Howard, Ethel Kepler and Gladys Snyder.
Diary—Mary McCabe.

During extemporaneous speaking, Merle Houseman spoke for Philophronea and Joseph Henry spoke for Philomatheia. Mrs. F. A. Z. Kumler, an alumna of Philalethea, gave a very interesting and profitable talk to the present members of Philalethea.

O C

Ruth Davis Improving.

Miss Ruth Davis who was recently operated on for appendicitis, has been removed from the hospital. She is convalescing very rapidly, and is expecting to return to school in a very short time.

MACDOWELL COMPANY

(Continued from Page One)

Ward Whitney, baritone, and Magdalen Massman, pianist and accompanist, all musicians of prominence. Each is a soloist of experience. In their ensemble numbers the voices blend in complete harmony and are especially adapted to the artistic rendition of MacDowell compositions. They also offer favorite light opera selections in costume.

The committee has selected an excellent course but must have the support of every citizen and student to put this course across.
