GREETINGS FROM THE PRESIDENT

Welcome to Wittenberg! We are grateful for your support of our football team and for your interest in all aspects of our work.

For football success, we rely upon bright boys and excellent coaching. Our teams are satisfied only with the best — they aim to win. This is expressive also of the efforts of all Wittenberg students. They pursue success in every worthy endeavor.

The game you see today is but a part of the exhilarating and kaleidoscopic, yet integrated and purposeful life of our campus. Linger a time to visit Weaver Chapel and Thomas Library and sense something of the spiritual and intellectual meaning of the college experience. Come again to enjoy with us some of the other enlightening and enriching facets of Wittenberg life.

Cordially yours,

John N. Stauffer

"THE BEST FOR LESS"

NCAA College Division Coach of the Year. Ohio College Coach of the Year. Mentor of the team voted by the Washington, D.C. Touchdown Club as the "outstanding small college football team of 1962."

Those were the laurels that went to Bill Edwards as the 1962 football season closed. Edwards' 1962 team won nine straight victories and an Ohio Conference championship as he boosted his college coaching record to 124-38-7.

Edwards took command of Wittenberg's grid fortunes in 1955 and his program established the Tigers as a regular contender for Ohio Conference honors. Wittenberg has moved to eight consecutive winning seasons under Edwards, including a share of the league title in 1957 and outright ownership in 1958, 1961 and 1962. His eight-year record at Wittenberg is 54-13-3.

Edwards began his coaching career at Springfield High School in 1931, moved to Fostoria High School a year later, and joined the staff of Western Reserve University as assistant football coach in 1933. In the six years that followed his appointment as head coach in 1934, Edwards guided Western Reserve to 49 victories, against six losses and two ties, including three undefeated seasons and a 28-13 win over Arizona State in the 1941 Sun Bowl game.

As head coach of the Detroit Lions in 1941-42, Edwards moved the club from the cellar to third place in the National Football League standings, before resigning to enter the Navy as a lieutenant commander. His experience also includes stints as tackle coach of the Cleveland Browns (1947-48), athletic director and head coach at Vanderbilt University (1949-1952), and assistant coach at the University of North Carolina. While at Vanderbilt he was named "Coach of the Week" in national polls six times as a result of upset victories turned in by his teams.

Top players developed by Edwards include Bill Wade, All-American quarterback at Vanderbilt; Phio Ragazzo, Little All-American tackle at Western Reserve; Ron Lancaster, two-time All-Ohio Conference quarterback at Wittenberg; Gary Tranquill, Wittenberg quarterback who earned all-conference honors twice, and Don Hunt, who was named first-string guard on the 1962 Little All-America team selected by the Associated Press.

William "Bill" Edwards
Head Coach, Athletic Director

Edwards came out of the Ohio hotbed of football, Massillon, played one year at Ohio State and then transferred to Wittenberg. Scoring helmets, Edwards was twice voted Wittenberg's captain, won All-Ohio honors and an honorable mention berth on Walter Eckersall's 1930 All-America squad.

Edwards is a member of the all-time, all-Massillon football team. He was named to a first-team tackle berth on the honor squad.

A recent book on "Football Scouting Methods" was dedicated to Edwards, reflecting the esteem in which he is held in the football world.

The 58-year-old coach received his bachelor of science degree from Wittenberg in 1931 and holds a master's degree from Columbia University. Edwards and his wife, Dorothy, also a Wittenberg graduate, have three children—William, Jane and Mary.

WITTENBERG COACHES

Dave Maurer

Dr. Howard Maurer

Eldon Miller

Tom Ness

A four-man coaching staff—Dave Maurer, Dr. Howard Maurer, Eldon Miller, and Tom Ness — rounds out the Edwards' coaching team that has brought Wittenberg national recognition in athletics.

In 1962 the Wittenberg coaches posted 75 victories against 21 defeats and two ties for a .781 winning percentage, best record in Wittenberg history.

The football, baseball and basketball teams won loop championships, the tennis team tied for the crown, the swimmers finished second and the golfers third. Dave Maurer's ace track hurdler, Bob Cherry, won the high hurdle event at the NCAA college division track meet.

Dave Maurer, assistant football coach, is responsible for the offensive attack and works primarily with backfield men. In the off season he coaches the swimming and track teams.

Dr. Howard Maurer, the chief scout, is responsible for the pre-game reports that are so vital to gridiron success. His chief coaching responsibility is in baseball, where Wittenberg teams have won six conference crowns in 12 years. He is chairman of Wittenberg's health and physical education department.

Eldon Miller moved up from a graduate assistantship in 1962 to become Wittenberg's head basketball coach. In his first year at the helm, the nation's youngest cage coach steered his charges to an Ohio Conference crown, a Mid-East Regional NCAA championship and a second-place finish in the NCAA college tourney.

Tom Ness is Wittenberg's head golf coach and directs the university's expanding intramural program.

ABOUT OTTERBEIN COLLEGE

Nickname: Otters or Cards

Colors: Tan and Cardinal

Enrollment: 1234 (coed)

Otterbein College opened its doors to the first class of eight students on September 1, 1847. It was the first college in the United States to begin as a co-educational institution, and the first to employ women on its faculty.

Associated with the Evangelical United Brethren Church, the first American-born denomination, the college takes its name from Philip William Otterbein. A young missionary from Germany, the Rev. Otterbein arrived in Pennsylvania in 1752 to minister to the German-speaking colonists, and remained to become the founding bishop of the United Brethren Church which merged with the Evangelical Church in 1946.

The influence of religious idealism has continued at Otterbein while the college has kept pace with the times, providing better facilities and requiring higher standards.

Though the college retains many of its original traditions it has grown in material resources and in the scope of its educational objectives. The land and buildings, originally valued at thirteen hundred dollars, today are worth more than eight million dollars. Where the original faculty consisted of three teachers, there are more than one hundred on the instructional and administrative staff today.

This year's enrollment of 1,234 full-time students marks the largest student body in the school's history.

Tonight's game marks the 33rd meeting between the two schools. Wittenberg has won

Coach Robert "Moe" Agler

22 and lost eight. Two games ended in ties. The last time Otterbein managed to defeat the Tigers was in 1914 by a 7-6 verdict.

Under Coach Robert "Moe" Agler, former Los Angeles Rams professional, Otterbein has developed into one of the more successful Ohio Conference clubs in recent years. Agler has compiled a 42-25-3 mark over the past eight seasons.

Spearheading the 1963 Cardinal attack are quarterback Dick Reynolds, who earned second team All-Ohio Conference recognition at defensive safety last year; halfback Gary Reynolds, and end Dick Morrow.

Around The Conference Last Week

Successfully opening its quest for a third straight Ohio Conference championship, Wittenberg defeated Baldwin-Wallace, 21-7. Otterbein, tonight's opponent, ran over non-conference foe North Central of Naperville, Ill., 34-0. Akron, tabbed a top title contender, blanked Muskingum, 13-0. In non-league action, Ohio Wesleyan over Carnegie Tech, 35-20; Ashland 13, Wooster 0; Ohio Northern 13, Mount Union 0; Denison 7, Rochester 6; Bluffton 18, Heidelberg 7.

NEXT TIME TRY A CAMPING VACATION

Set vacation sights high. See America now in a Nimrod Riviera camping trailer. On or off the beaten path, a Riviera provides "high and dry" sleeping accommodations for six or eight at maximum savings—up to \$25 a day. And, as a Riviera trails lightly behind, it is an extra baggage compartment of 65 cu. ft. Set up in three minutes, it is a 48 sq. ft. room, well ventilated by large "picture windows" which button up tight when necessary. With all its bigness, a Riviera is about as wide as an average automobile and so low that you see right over it with your rear view mirror. So why put off that dream vacation. See the Riviera today.

SYMBOLS OF

Two Outstanding Local Institutions Wielding International Influence

Both are elder statesmen in their respective fields, with seasoned experience and ability. One builds and advances the moral and intellectual fiber of our society. The other applies the same degree of sincere endeavor in a more material aspect of society—designing and manufacturing quality products essential in the construction of buildings of all types.
