MUD FEST GOES TO U. OF C. 6-0

Westerville Day Program Spoiled by Continual Rainfall. Field Was Swampy.

O. C. HANDICAPPED

Driving Plunge of Heavy Offense Too Much For Lighter O. C. Men.

The University of Cincinnati bested Otterbein 6-0 last Friday in a mud and rain fest that was played as part of the Westerville Day program. There was a continual rainfall during the afternoon which caused the abandonment of the parade, and introduced into the game many costly fumbles.

After the kick-off that was returned to the Cincinnati 35 yard line, Cincinnati made a march to the Otterbein goal line. The heavier Cincinnati line tore holes in the Otterbein defense and her fullback, Maddux, went for repeated gains through the Otterbein line. Several end runs were tried in this time, but did not gain. Cincinnati's attempt for point after touchdown was frustrated as the kick was blocked.

Opportunity to win came to Otterbein in the second quarter when the Cincy punter fumbled and the ball went to Otterbein on Cincy's 20 yard line. On the next play Carroll went for four yards and there were six to go for first down. Fortune again favored the opposition and the ball was fumbled and recovered by Cincinnati.

After the opening stanza Otterbein's defense tightened and was effective. (Continued on page six.)

O C

A REAL RALLY

"Otterbein's Fe-Male Eleven" Introduced. New Cheers Learned. Large Crowd Out.

Otterbein's fe-male eleven featured a very enthusiastic pep rally last Thursday evening in the chapel as the big stunt on the program. Cochran and Saum Hall co-eds, dressed in clothing characteristic of the players on the regular Tan and Cardinal squad, were introduced by "Babe" Bingham. There were many striking examples of twin profiles and expressions brought out in the introductions.

A long program of cheers was led by Lawrence Marsh, the newly-elected cheer leader, and Johnny Hudock, assistant cheer leader. Several new (Continued on Page Two)

VANDERBILT U. HAS SEMI-CENTENNIAL

President Clippinger Represents Otterbein at Large Educational Gathering.

President Clippinger represented Otterbein College at the Semi-Centennial Exercises of Vanderbilt University, Thursday, Friday, and Saturday of last week.

The general outline of the program was: Ten addresses by leading educators throughout the United States, Thursday; Friday was Anniversary Day, concluding with a pageant in the stadium in the evening; Saturday was Alumni Day, in the afternoon Vanderbilt and the University of Tennessee met on the gridiron; Dr. S. Parks Cadman, President of the Federal Council of Churches, on Sunday morning, preached the Concluding Day sermon.

This was one of the largest educational gatherings of the year. Delegates were registered from colleges and universities throughout the United States and from foreign countries.

O C

BAND IS GETTING CLASSY UNIFORMS

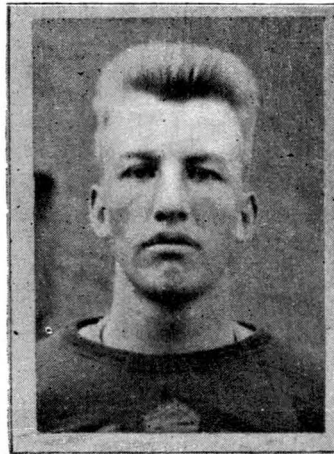

Blue Serge Cape Lined With Tan and Cardinal Will Be Used.

A band that will equal any college band in the country was the aim expressed by the Student Council, represented by Gwynne H. McConaughy, in the financial drive for uniforms last Wednesday in chapel. Slips were passed out as pledges for providing necessary funds to procuring the material to make the uniforms. Girls in the Home Economics department and some of the ladies of the church will make the uniforms thus cutting the cost to a minimum.

The uniforms will consist of a blue serge cape lined appropriately with tan on one side and cardinal on the other. The capes are thrown back during the playing so as to display the colors. The cap will be blue and of military style. Either dark or white duck trousers may be worn at will. The uniforms will be similar to those worn by the Denison band which is considered as one of the best dressed bands in the country.

Home-coming will probably be the first home game at which the uniforms will be displayed. If the uniforms are ready the band will probably wear them at the Muskingum game in New Concord next Saturday.

TAKEN BY DEATH

Ray F. Collier.

Ray F. Collier, 20, son of Mr. and Mrs. John E. Collier, 156 South State street, Westerville, died Sunday morning at 3:50 o'clock in Grant Hospital from pleural pneumonia. He was a member of the Junior Class, played left guard on the football team, and belonged to the Sphinx club.

The illness which resulted in death was of speedy development, a bad boil on the right arm having left his body in a weakened condition so that he could not combat the pneumonia attack, which later developed. Collier played in the Case game, October 10. Wednesday evening of last week his lung was drained, and on Thursday morning he was removed to Grant Hospital, where every effort was made to sustain life, but the lungs filled up as rapidly as they could be drained.

Mr. Collier is survived by five brothers and one sister, all of Westerville. A brother, Lawrence M. Collier, graduated from Otterbein in 1923. Funeral services will be held this morning at 10 o'clock in the Westerville United Brethren Church. Burial will be made in the Otterbein cemetery by Earl F. Keyes.

The faculty and students of Otterbein College extend their sincerest sympathy.

O C

IN MEMORIAM

In memory of Ray F. Collier, fellow student and friend, whose sudden departure we regret, these columns are draped in mourning.

O C

Rev. Widdoes In Chapel.

Rev. H. A. Widdoes, father of Margaret, Carol and Harry, led the chapel devotions yesterday morning. He related a number of interesting experiences which he had while doing missionary work in the Philippines.

HOME COMING SUCCESS PUT UP TO ALUMNI

Student Council Has Issued Invitations For Annual In-gathering.

HIRAM WILL BE MET

Morning Rally and Evening Banquet Are On Program That Has Been Planned.

Invitations went to alumni last week urging them to be present at the annual homecoming that will be held here the thirty-first of this month.

A big feature on the homecoming program will be the football game played with Hiram in the afternoon. No forecast as to the decision in this game can be made at this time, but Otterbein is likely to best her opponents in the encounter.

No definite arrangements have as yet been announced but the tentative program will include a rally in the morning, a football game, and an alumni banquet in the evening. The speakers for the banquet will be announced at a later date. The program will be one that should attract a large group of alumni this year.

O C

PREXY SPEAKS OF BERE A

Review of Visit at Southern College Given in Chapel Wednesday Morning.

"Now, I don't want any of you to pack up and leave for Berea when I tell you that down there they go to school a whole year for \$146.00" was the cautioning statement of President Clippinger in the course of his chapel address Wednesday morning in regard to his very interesting visit on the campus of Berea College, Berea, Ky., October 10 and 11.

While at Berea President Clippinger was privileged to attend three assemblies of the students and faculty. He preached on Sunday morning to a large audience at the Berea Union Church, and spoke again in the evening to an audience of about 2000 students and faculty in the College chapel. In opening his Sunday evening address President Clippinger said, "I feel that I am addressing tonight the most typical audience of real Americans that can be found anywhere in the United States." This sentiment prevailed in his chapel address to the students of Otterbein College.

PHILOMATHEA

H. W. Troop Presides at Alumnae Session Planned By Prof. Rosselot.

Alumnae Session was the big feature of Philomatheia last Friday evening when a large number of alumnae and new students were entertained by a stag session. Twelve associate members and six active members were admitted to the society in the regular session.

The literary program consisted of an "Invective" read by Dwight Arnold, a "Farce" by E. Caldwell, and a "Newspaper" by Lewis Hampshire. William J. Ritchey, one of the newly admitted active members, played a piano solo. Doyle J. Stuckey, Cenate R. Long and R. A. Shipley gave impromptu speeches.

Ralph W. Tinsley was elected as the new president. He will take his office in four weeks.

After the adjournment of the regular session the stag party was turned over to H. W. Troop, Alumnae Director. A number of speeches were given by members of the faculty and alumnae. Alumnae present were, Profs. Hanawalt, Weinland, Engle, Phelan, Rosselot, Troop, Snively, Martin, Clippinger; Joy Dellinger, W. A. Kline; and Dr. E. A. Jones, who is an honorary member.

This Alumnae Session was given under the direction of Prof. A. P. Rosselot. It was due to his efforts that the session was such a success. Prof. Rosselot provided a large portion of the refreshments himself.

A peculiar co-incidence of the regular session was the presentation of the name of Gerald A. Rosselot as an active member just twenty-five years after the name of Professor Rosselot was presented as an active member of Philomatheia.

O C

C. E. PARTY

The Merry Maskers' Midnight

Orange and yellow candle-lights, sheeted ghosts and dancing sprites, will meet again next Monday night. At eight o'clock in its basement dim, the church will scarcely know her kin,—just might refuse to let you in! Eyes will flash behind a mask, and names of course we'll never ask, for pleasure alone will be our task. Be gaily garbed (if you are wise), for there is indeed a beauty prize, and one for the cleverest—in the judge's eyes.

Games both gentle and discreet, if your marcel must be neat; games both grim and concentrated, if you're bound to be dissipated; games and stunts to every taste, with fun to spare and smiles to waste. Darksome caverns, witch-craft infested, seething caldrons with power of prophecy invested, solemn owls on tree-tops nested—these and more shall be in store for him who enters through the door. But we shall think of other things for we shall eat of sugared rings, and drink the stuff the poet sings. For this one night we'll all be kings!

PROF. McCLOY LECTURES

First of Series on Musical Phenomena Will Be Given In Physics Lab. at 4 p. m. Thursday.

Professor J. H. McCloy will give the first of his series of lectures on musical phenomena from the standpoint of tone before the music students in the Physics laboratory on Thursday afternoon at four o'clock. All students who graduate from the music department are required to attend these lectures which will be given at pre-arranged times throughout the year. There are four lectures in the course. According to Professor G. G. Grabill, Director of Conservatory of Music, there will be no added tuition for these lectures.

Prof. McCloy delivers these lectures every two years so that all music students may have the opportunity at some time or other to attend them.

The co-operation between the music department and the science department has proved very valuable to music students in past years. Anyone else interested in these lectures may attend.

O C

ANNUAL RECEPTION FOR CHURCH PASTORS

The annual church reception honoring the pastor, Dr. S. Edwin Rupp, and his family, and the assistant pastor, and Nels Wilburg, and Mrs. Wilburg, was given in the parlors of the United Brethren church last Tuesday evening. After short speeches of appreciation by Dr. Rupp and Mr. Wilburg, light refreshments were served by the ladies of the church. About two hundred members of the church were present at the reception.

Dr. Rupp is now beginning his second year in the Church here. He was formerly pastor of the United Brethren church in Harrisburg, Pennsylvania. Mr. Wilburg has been the assistant pastor for several years. He is a senior in Otterbein.

O C

CHAUCER CLUB

The Chaucer Club held its first regular meeting for the year Wednesday night at 7:30 in the small reception room of Cochran Hall. The program included a review of Edna Ferber's "So Big," by Lenore Smith with criticism by Dr. Sherrick. Miss Kittle presented Current Literary News. A short business session preceded the program.

O C

Mrs. Cook's Class Elects.

The election of officers for Mrs. Cook's Sunday School class resulted as follows:

President—Marguerite Blott.
Secretary—Joan Fox.
Thank Offering Treasurer—Louise Stoner.
Treasurer—Doris Wetherill
Lookout Chairman—Verda Evans,
Ruth Evans, Ruth Trevarrow.
Visiting Chairman—Mae Mickey.
Social Chairman—Mabel Eubanks.
Devotional Chairman—Lucile Leiter.
Librarian—Josephine Drury.
Head Usher—Martha Alspach.

A REAL RALLY

(Continued from page one.)

yells were added to the already long repertoire.

A conversation concerning the game was given by two frosh who were dressed as Cincy freshmen.

The band again appeared to further augment the pep of the rally. Under the leadership of D. Harrold the band has grown this year by leaps and bounds. There are now thirty-five members in the organization. Interest was further deepened by the fact that the band will secure new uniforms soon.

As large a crowd attended this rally as was present at the Frosh Bonfire Rally at the beginning of the year. The lower floor and the balcony were filled to capacity and all available standing room was taken.

ALUMNAL PAGE

ALUMNALS

MEET THE ALUMNI COUNCIL

DEAN N. E. CORNETET

The Alumni Council is the governing body of the new order of things recently put into operation by the Alumni Association. You ought to know the members of this body and we are going to use this method of introducing them.

Dean N. E. Cornetet, '96, by reason of his office, is a member of the council. He has been most enthusiastic about the outlook for the alumni group from the very start. There

were times when other members of the council saw only darkly when the new program was presented and consideration given to the possibility of a full time secretary. Dean Cornetet's faith in the future of the College and supreme confidence in the alumni helped to crystalize the desires of the other members of the group into a definite program. His unqualified support means much to us in the new work.

bones. Mr. Hughes escaped with bruises and abrasions. He was able to drive on to Los Angeles in his own car, but made the trip very slowly as the car was badly crippled.

'17. We reprint an article concerning the recent success of Elmo Lingrel as a football coach. The account is taken from a Dayton paper. "Elmo Lingrel, the man who started Stivers high school on its record string of victories in football in 1922, is the fellow who stopped the string Saturday.

"Lingrel is the coach of the Middletown high school football team that beat Stivers, 14 to 6.

This is Elmo's second year as coach at the Middy School. Before going to Middletown he coached at Stivers."

'89. J. Allen Gilbert, Ph. D. M. D., is the author of a recent article on spiritualism appearing in the August number of the Scientific American.

Dr. Gilbert's very convincing article describes an experiment based upon an agreement that he and his wife had made sometime previous to her death. Both of them being much interested in psychology, they agreed upon a countersign that would be the distinguishing mark of any spirit message that would be transmitted by her

after death. Dr. Bilbert offered five hundred dollars to any one capable of bringing a message bearing the countersign. Numerous attempts were made, one hundred thirty-nine in all, but none carried the evidence that should appear if the message came from Mrs. Gilbert.

The article printed is very interesting and according to the editor of the Scientific American, is a contribution to the problem of the possibility of spirit return.

W. D. Coon, '23, in Limelight.

Wilbur Coon, '23, now principal of the high school at Maple Heights, near Cleveland, has been selected as a member of the Orpheus Chorus of Cleveland, which will tour England and Wales during the coming summer.

As a result of winning a thousand dollar prize at Youngstown recently, the chorus has been chosen to represent this section at the International Eisteddfod in Wales.

The trip will cost thirty thousand dollars, and of course the expenses of the singers will be paid.

During the past year Coon has been active as a member of the Y. M. C. A. Choir of Cleveland. His voice is not unknown around Otterbein and Westerville, as he sang in the College Glee Club while in school.

INTERESTING

Four Otterbein men are teachers in Shaw High School, East Cleveland, Ohio, and all of them are actively engaged in the management of the athletics at the school. The reputation of Shaw High School as an athletic contender bespeaks the merit of the men who direct affairs there.

John Snavely, '13, is the head coach and turns out teams that are usually title contenders in Cleveland. F. E. Williams, '13, who teaches mathematics, is the faculty manager and controls the athletic plant which is one of the finest in the country, being used by a number of other local high schools. N. B. Nunemaker, '10, is assistant to Mr. Snavely and has direct charge of what they call their light teams, which enter competition with other schools as well as the varsity teams. H. R. Gifford, '11, assists Mr. Williams.

In addition to the contribution made by the men, Miss Maude B. Owings, '14, likewise makes a definite contribution. She is considered the most loyal supporter of athletics among the women members of the Shaw faculty, and is a frequent speaker at pep rallies.

O C

An Argument for Homecoming.

Dr. J. G. Graham, class of '89, who was the chapel speaker Tuesday morning, last week, told us that he had not had the opportunity of returning to the college for a visit since 1892. That is exactly thirty-three years ago. Dr. Graham was delighted to get back to the campus again and regretted that his work had been such as to keep him away for so long a time. It is unfortunate for us, too, that he didn't return, for we never had the pleasure of meeting him.

How about you? Maybe you are like Dr. Graham, living too far away to get back October 31, but if you are not, better let us see you on that day. It is going to be a big day. Plenty of old friends and old time enthusiasm. Come back or send us a Homecoming message.

O C

The Homecoming Bulletin.

You will soon receive a bulletin announcing the program for Homecoming, October 31st. The College has given the Alumni Association the opportunity of using its mailing privilege by editing what would be the October number of the College Bulletin. It is our publication and announces our Homecoming. Remember this is to be the Biggest and Best ever.

O C

A Note From the Office.

As a matter of economy we are not using acknowledgements for remittances. Your name is immediately entered upon the subscription list of the Tan and Cardinal. That is your acknowledgment. If you do not receive the paper, notify us immediately.

'12. The engagement of Miss Edith L. Bennett, 1333 Franklin Avenue, Columbus, to Mr. James Harold Harnett, of Nutley, N. J., was announced Saturday, at a luncheon given by Mrs. Raymond D. Bennett, of Westerville. Miss Bennett is director of music at Franklin Junior High School, Columbus, and head of the department of public school music of the Siedel School of Music. Mr. Harnett is a graduate of the Boston School of Technology and took post-graduate work at Purdue University. He is president of the Benjamin Buckley Manufacturing Co. of Paterson, N. J. The marriage will be an event of mid-winter.

'86. Mrs. F. E. Miller (Nellie Knox) was in St. Louis, Missouri, last week, attending the national convention of the Red Cross as the representative of the Westerville Red Cross organization. Mrs. Miller has been active in local Red Cross work for some years.

'97. Plans are being made for the organization of a boy scout troop in the Barret Junior High School of Columbus, Ohio. J. Edward Newell is principal of the school and prominent in planning for the work.

'14. Mrs. Perry P. Denune (Agnes Drury) of Columbus, Ohio, was hostess last Wednesday afternoon at her home, to the Mother's Council of Indianola Methodist Episcopal Church. Mrs. Denune, who is president of the council, was assisted by several other ladies of the organization.

'11. Miss Mary Dick, who has served several terms as missionary of the United Brethren Church in Canton, China, returned recently from that field to her home in Tiro, Ohio, where she will stay during the present period of unrest in China.

'05. Thomas E. Hughes, of Los Angeles, California, and four men who were with him in his automobile, had a narrow escape from death when the car in which they were riding crashed into a steel grading machine. Mr. Hughes was driving the car. He and his friends were returning to Los Angeles from San Bernardino and as they came near Walnut, where improvements were being made on the road, Mr. Hughes was forced to the side of the road by approaching cars. His automobile dropped into the ditch and before he could slow the momentum, his car was scraping across the side of a steel grader. Projecting steel bars tore the body of the automobile and missed the occupants of the car by a very few inches. It was discovered after the accident that the red lights placed in front of the ditch had been knocked off by a passing automobile before the Hughes party came by. All in the car suffered severe lacerations and bruises and two had broken

EDITORIALS

Ray F. Collier.

The life, the body, is gone. Only
the influence of personality remains.
The rarity of death's claims in a col-
lege community deepens the signifi-
cance of our loss. But it is the char-
acter of the man that makes more
profound the sense of bereavement.

The real measure of a man is an
issue of the heart. Those who knew
Ray Collier best found, deep seated
in the heart of the man, a genuin-
ness that rivaled comparison. In
every relationship of life he proved
his sterling worth. If any virtue
transcended the others, it was his
dependableness.

Those who mourn will always re-
member Ray Collier—the good stu-
dent, the dependable athlete, the gen-
uine man.

— O C —

Social Groupings.

In another week many of the new
men on the campus will be called
upon to make a choice of social
groups. There are some things which
should be kept in mind at this time.

First of all, affiliation with a group
should spring out of the natural de-
sires of the individual. Man is a
social being and from time immem-
orial he has sought association with
others of his kind. Social groupings
spring out of the desires of the group.

In a cosmopolitan society such as
we have here on the Otterbein cam-
pus there are bound to be different
groupings, each reflecting its own
personality. Group personalities arise
from like-mindedness of the members
in each particular circle. We are
known by the company we keep, and
membership in a group stamps us of
a particular mind. However on our
campus the personalities of groups
differ only in slight matters since in
reality we are primarily of the same
mind.

It should be born in mind always
that a group is, in its final analysis,
a friendship circle. This is the real
test of any grouping. If friendship
is not found in the group the whole
purpose of the organization is frus-
trated. Bidding should be on this
basis alone.

Furthermore, there may be some
who will object to becoming a mem-
ber of any of the social groups. Their
reasons may be justifiable, but it must
be remembered that the social group
on the campus is a reality and that
it has sprung from a natural desire
for fellowship. If, in a group you can-
not find fellowship, you have no busi-
ness in the group. But, do not con-
demn the system because your desires
for companionship are not met by
the existing groups.

We believe in the principle of the
social group.

— O C —

Friday's Game.

To the football team that, against
almost every odd that can be imagin-
ed, did a piece of excellent work, we
want to express the commendation of
the student body. Besides going in-
to the game with the mental handi-
cap of an injured team, the Tan and
Cardinal warriors were called upon
to face an aggregation that greatly
outweighed them on a field that would
sink most anybody's cork. It was the
real Otterbein spirit that kept them
fighting to the end.

The season has not brought any
wins, but it has brought into the
front rank the real undying Otter-
bein spirit. This is the time when we
need to summon every bit of loyalty
that is in us to the surface. Against
a team that has shown the metal of
the Tan team, the Fates are not al-
ways going to be opposed.

— O C —

Conflicts.

When two legitimate activities of
the college are scheduled, by the gov-
erning body, for the same hour and
draw from the same group, there
seems to be an inconsistency that
should be corrected. It is very evi-
dent that we need a systematic sched-
ule of college events, and that other
extra affairs should be scheduled in
accordance with this. There should
be a central committee to care for
this matter, and it would seem most
feasible that on it would be a mem-
ber of the faculty and a member of
the student council. Every legitimate
organization should be recognized in
their varying degrees of importance
and the schedule arranged accordingly.
We believe this is both practical and
possible.

LETTER OF SYMPATHY

In keeping with the unanimous re-
sponse on the part of the student body
Monday morning the following note
expressing the sympathy of the stu-
dents of Otterbein College for Mr.
and Mrs. John Collier and family was
prepared.

October 18, 1925

Dear Mr. and Mrs. John E. Collier
and family:

We, the students of Otterbein Col-
lege, wish to express our heartfelt
sympathy to all of you in the sorrow
which has come upon you so suddenly
and unexpectedly. In the passing of
Mr. Ray Collier we all feel that Otter-
bein has lost one of her noblest char-
acters and we shall miss his comrade-
ship upon our campus very keenly,
and yet we realize how little we can
feel his departure in proportion to
how heavily it must rest upon all of
you.

May your comfort and consolation
in this sore trial be found in Him who
alone can wipe away all tears and as-
suage man's grief by the calm assur-
ance that because I live you also shall
live.

N. A. Wilburg,
Pres. of the Student Council.
Margaret Widdoes,
Secretary of Student Council.

DUMB DORA

The wisest Dumb Dora for the week was the smart young student in Analogy Class. He asked the Prof. what happened when a person lost his mind. The Prof. replied, one does not lose his mind, but the wires are crossed. Immediately one inquisitive student asked what happened when one's mind went blank. Our wise Dumb Dora pipes up and says, "short circuit."

The most innocent little Freshman was looking at some poorly defined cells through a microscope. Being rather disgusted she looked up at the Prof. and asked at what she was looking. The wise superior replied, "at me, Dumb Dora."

Cochran Hall Board certainly would have their dignity shocked if they had heard the green Frosh ask if a certain laughing group of boys and girls in the small reception room of Cochran Hall was Cochran Hall Board.

This week's optimist is the girl who looks out the window at the steady downpour and says, "It will be a nice day to-morrow, if it doesn't rain."

IT STRIKES US

That the Library isn't just exactly the right place to hold recitations.

That we wondered when it was announced in chapel that the male faculty members would organize a gymnasium class whether it would be dumb-bell exercise or "dumb-bells" exercising.

That it takes real red-blooded men to do what the football team did Friday.

That every rally ought to be as full of pep as last week's.

That we are anxious to see our band in its new regalia.

That we owe apologies to "Bill" Hampshire for the rest of these.

That ignorance of the law is no excuse. All you have to do to get posted is study 5,500,000 separate acts on the Federal statute books.

That the old-fashioned divided skirt is now called balloon trousers.

MRS. BITTENBENDER

A CHARACTER SKETCH

WALTER F. MARTIN, '27, PHILOMATHEA

In response to my knock Mrs. Bittenbender, a tall and spare woman, presented herself to the door. Her face was dark and flaccid. She had high cheek bones guarded by a pair of small gray eyes. Overhanging her eyes were dark shaggy eyebrows in which, at an ordinary glance, could be seen specks of brownish gray sprinkled here and there. She was past fifty and her hair was already more or less gray. Hair she seems to consider mainly as something that might get in the eyes if not correctly attended to; and accordingly she tied all hers in a very tight knot, so tight in fact, that one cannot help but imagine that oil would ooze out for lack of capacity. She secured the protruding knot by means of a comb and a stout cord tied around the base.

It would not be proper to say that Mrs. Bittenbender looked ill-tempered. On the other hand, by no stretch of the imagination could her features be supposed to wear an expression of tenderness. She seems to be a working machine, forever wound up to high pressure working points, and this seeming to be her nature, she came to the door as if she would trod down and crush whatever stood in her way.

"Good morning Mrs.—"

"I'm not interested today."

"Not interested in what?"

"In what you got."

Immediately her eyes blazed with anger, her face became red. I could fairly see her mouth shaping into a horizontal line across her face and presently her lips curled in. I'm not sure but I even thought I saw some red come to her eyes.

Raising her long, bony arm and shaking a mean finger at me, she said, "All that you agents think about is going out and making easy money off from us people. Why don't you fellows go out and do honest work for a living, like we do?"

She proceeded to close the door when I replied, "But madam, I fear that you do not understand my mission. My name is Mr. Martin. I represent the Worlds Purity Federation and we're carrying on a campaign in this country in the interest of the children. Surely you have heard, or read in the paper, about this great campaign."

After screwing up her eyes as if in thought she replied that she didn't have much time to read, but she did see something in the paper about it and also she had heard it over her neighbor's radio last week.

"If you don't mind I'll just step in for a moment and explain it for you," at the same time explaining forward.

Mrs. Bittenbender, either oblivious to my approach or else a little doubtful about my real business, made no way for me. However acting as though I had not completed my introduction, I tried another strategy in

order to penetrate her unconquerable spirit. I took from the inside of my coat pocket my pad and pencil, and proceeded to ask her some questions concerning the number, names and ages of her children, which I recorded as she answered. Thanking her, I then asked if she attended the series of lectures presented by Prof. Burtner in Allentown last February.

Her anger and resisting spirit having completely subsided, to give way to curiosity, she replied that she did not.

"Of course as you already know, our work is largely in the interest of children, it is our purpose to have a personal talk to every mother that did not get to attend those series of lectures. I'll just step in a moment and explain the proposition," whereupon she opened wider the door that I may enter.

Mrs. Bittenbender apparently thinking that I had something to give her, invited me to a seat.

"You know I didn't know at first just who you were. Anything I hate is a book agent. People are made for work and not to read all the time."

"There's lots of truth in that madame."

"Yes, you bet there is; there can a good deal be got out of a child if you keep at 'em, hold on to 'em, and never let them talk back or use their head a second. Just push after 'em and you get considerable out of 'em."

"That's the way I was raised. The world is going to the dogs. When I was a little girl we didn't have schools like they have now. All they do now is go to school and play. Believe me I don't leave my children rack around. They must get over that. Don't you know that that's as bad as stealing? You haven't got any money, and if you eat somebody else's bread and butter, you've got to work to pay for it, and if somebody else buys your clothes for your back, you got to work to pay for them."

"Yes, Mrs. Bittenbender, you come near speaking the truth, I guess work never killed anybody."

"You bet it didn't."

"If you pardon me Mrs. Bittenbender, I'll move my chair over to yours and explain to you the great work that I have been doing. I realize that your time is precious and I don't want to take any more of your time than I have to."

At this point I pulled my prospectus out from under my arm, whereupon with flaming rage and wonderful celerity she grabbed a broom and I at almost the same instance was making tracks with great rapidity.

— O C —

The Green Frosh who invited her "big sister" to go with her to the matinee at the Winter Garden certainly had a flattering idea of Westerville's movie theater.

MUSKINGUM GAME

Otterbein Has Won Ten of Sixteen Games Played in Last Twenty Years.

The Tan and Cardinal gridders have met Muskingum nearly every season for the last twenty years, with varying degrees of success. However Otterbein goes into the fray next Saturday with four more wins to her credit than Muskingum, having won ten and Muskingum only six of the total number of games played between the two schools.

The results of the years are as follows:

1905—Otterbein 15, Muskingum, 0.
1906—Otterbein 0, Muskingum, 30.
1907—Otterbein 5, Muskingum, 2.
1908—Otterbein 16, Muskingum, 0.
1909—Otterbein 17, Muskingum, 0.
1911—Otterbein 30, Muskingum, 0.
1912—Otterbein 20, Muskingum, 0.
1914—Otterbein 20, Muskingum, 0.
1916—Otterbein 21, Muskingum, 0.
1917—Otterbein 0, Muskingum, 6.
1918—Otterbein 0, Muskingum, 20.
1920—Otterbein 0, Muskingum, 24.
1922—Otterbein 26, Muskingum, 7.
1923—Otterbein 0, Muskingum, 6.
1924—Otterbein 20, Muskingum, 13.
1925—Otterbein ? Muskingum ?

Muskingum has furnished several thrills for the last few seasons. In 1922, with a team that was badly crippled and with some untried men on the line, Otterbein completely outclassed the highly touted New Concord team, winning 26 to 7.

In 1923 the game was played in the mud which caused the O. C. team to fumble on a play that would have meant a touchdown. Lady Luck played a large part in defeating the Tan gridders.

And then the game of last year. In the first half Muskingum scored two touchdowns in the early part of the period. These both resulted from costly fumbles by the O. C. gladiators. But in the last half something really happened. The Otterbein team took a fresh start and literally played the opposition off its feet. The team clicked off yard after yard almost without interruption. The game ended with O. C. on the right end of a 20 to 13 score.

How the game will end this year is pretty hard to predict. Muskingum has already won part of her games this season, which seems to indicate that she has a fairly strong team. She will have the advantage of playing on her home grounds also. However with the team in the condition that it is, the performance of 1922 may be repeated.

SOPHS ARE LEADING IN SPEEDBALL LEAGUE

Freshmen Beat Juniors in One-Sided Affair. Seniors Lose Close Game.

The Sophomores won their second straight game of speedball at the expense of the Seniors Wednesday afternoon, 9 to 8.

The fourth year men took an early lead by passing the ball over for one point. A field goal, a few minutes later, gave the Sophomores a 3 to 1 lead, which they held at the end of the half.

The Seniors came back strong in the second half and outscored their opponents 7 to 6. The Seniors lost a chance to win the game when Young kicked a penalty kick into the hands of the waiting goal tender.

The field was wet and slippery, and made fast playing impossible.

The Freshman speedball eleven overwhelmed the Juniors Thursday afternoon, 26 to 3. The game was too one-sided to be interesting. The first year men were on the offensive most of the time. Only on a few occasions did the Juniors get the ball deep into Frosh territory. The Yearlings missed many attempted field goals.

The Junior Class didn't show much interest in the game as there were only three men on the field the first half, and four the second half.

Thursday afternoon of this week, the Juniors will get another chance to show their stuff when they play the second year men. The Sophomores have a good team, as shown by their two victories in as many starts.

O C

"DEKE'S" FRESHMEN SHOWING GOOD FORM

The Freshman football squad, under the coaching of "Deke" Edler, continues to improve steadily. Only four or five have withdrawn from the record breaking squad that reported at the first of the year.

The practise sessions ordinarily begin with a short and fast calisthenic drill, followed by a drill on fundamentals, consisting largely of tackling, blocking and the important fundamentals of the starting position.

When the yearlings furnish opposition for the varsity they invariably use the plays of the team to be played the following week end. Last week they used Cincinnati's plays and this week they will use Muskingum plays.

All of the men are taught the fundamentals of line play as well as the fundamentals of back field play.

Although most of the first year squad have had little or no experience, there is more than enough promisory material to make it a good squad.

MUD FEST GOES TO U. OF C.

(Continued from Page One)

fective when needed. Crawford and Richter played star games on the line and stopped many a line plunge. Renner and Widdoes made many tackles and Snively proved himself a competent safety man on two occasions.

Maddux, of Cincinnati, was the individual star of the game, as his driving plunges through the line were responsible for Cincinnati's touchdown, and he was their principal ground gainer. On the defense also, Maddux stopped many of the Otterbein plays.

The condition of the field made it impossible for the Otterbein offense to get under way. Widdoes' end running, and Renner's passing could not go as the field was too slippery.

Otterbein's line was outweighed 10 to 15 pounds per man and the team that played was handicapped by the absence of three regulars and two substitutes.

The line-up:

Otterbein	Cincinnati
Pinney, l.e.	Valentine, l.e.
Felton, l.t.	Holerman, l.t.
Cavanaugh, l.g.	Schowl, l.g.
Crawford, c.	Pease, c.
Porosky, r.g.	Nimmo, r.g.
Richter, r.t.	Herman, r.t.
McMichael, r.e.	Schaid, r.e.
Snively, q.b.	Bird, q.b.
Widdoes, l.h.	Bradford, l.h.
Renner, r.h.	Martin, r.h.
Carroll, f.b.	Maddux, f.b.

Scoring—Touchdown, Maddux. Officials: Referee—Wells, Ohio State. Umpire—Dunlap, Ohio State. Head linesman—Peiffer, Denison.

THROUGH THE SPY-GLASS

A Resume of Odd Happenings In Other Colleges.

Due to a failure of the crops in the country surrounding Texas Wesleyan College, only fifteen students returned to school this fall.

Buxom co-eds at Ohio State University have passed calorie-counting, dieting, calisthenics to music, and other much tried methods for skipping as a means for reducing the hated corpulency.

A retired business man 76 years old, has entered Boston University as a freshman. Wonder if he wears a freshman cap.

At Union College the girls are permitted to have but two week end dates a month. This is the only haven for the student's pocketbook that we know of.

A unique club has been formed at the University of Oregon. The membership requirement is that the candidates for admission must have been substitutes on the football team for a full season without once leaving the bench to participate in a game.

The co-ed's dormitory at Baldwin-Wallace has a Wishing Rug. When a gentleman calls for his lady friend he always says—"I wish to see Miss —" and immediately the young lady appears. This privilege is not granted to all however.

COLD HEADED PROF

C. N. T.

And me
Went walkin' one nite
And saw a sight
That made us shiver
Clear into the liver.
A certain professor
Of our alma mater
Didn't pull down the blind,
Or hide behind
A book,
So we took a look.
And there he was
Making his pencil buzz
Grading some papers
That were our labors.
But the part that 'aint told
Is, his head must 'ave been cold.
For there he sat
Wearing his hat.
We want to be true
When we tell to you
There might have been ear muffs too.

WILLIAMS
"Good Things to Eat"

Y. W. C. A.

The meeting at Y. W. Tuesday evening was a Geneva meeting. After singing several appropriate songs the devotions were conducted by Esther Williamson. Special music was furnished by Lorene Smith who sang "My Task".

The four girls who attended the Y. W. C. A. Conference at Lake Geneva then took charge of the meeting. Ruth Braley gave sidelights upon the camp and glimpses from remarks of the speakers. "Shorty" Widdoes told of the inspiration derived from the place, while Lenore Smith related incidents relative to the social fellowship of the place. Pauline Knepp concluded with a description of the general beauty of the camp.

The program was concluded with a group of Geneva songs sung by the quartet attending the Conference.

O C
CLEIORHETEA

Members of Cleiorhetea presented a very interesting and entertaining program Thursday evening. The numbers given were: Piano solo, Ruth Mattoon; Soliloquy, "Boys", Ruth Braley; Musical Reading, "Fishing," Marguerite Blott; Description, "My Walk on the Mountain," Nellie Wallace; Piano duet, "Quartet from Rigoletto," Lucie Leiter and O'hellio Rice; Character Sketch, "Heloise," Mildred Fensler; and Vocal Solo, "Out of the Dusk," Betty Plummer.

Extempore speeches were made by Helm Rauch, Bernice Norris and Mae Mickey. The speeches presented a variety of subjects from nursery rhymes to the advisability of having a woman's hand at O. C.

O C
PHILALETHEA

At the election session of the Philalethean Literary Society, Thursday night, the following new officers were chosen: Ruth Musselman, vice-president; Emily Mullin, secretary; Esther Sullivan, critic; Florence Ludlow, censor; Marcella Henry, chaplain; Louise Stoner, corresponding secretary; Mary McCabe, treasurer; Verda Evans, librarian; Mary Mills, chorister; Forence Howard, pianist.

The musical numbers given during the session consisted of a vocal solo by Lorene Smith, a piano solo by Helen Irwin, and a vocal trio by Louise Stoner, Amy Morris, and Florence Rauch.

O C
SENIOR FORUM

The Senior Forum, held Wednesday evening in the Association Building, opened with a peck of fun and closed with a bushel of apples, but in the meantime some very important class business was considered and transacted. The principal business of the hour centered around the report of the class auditors in regard to the 1926 Sibyl, and the means of removing the class debt incurred in publishing last year's annual.

O C
CHEW MUSKIN-GUM!

NEW CHEERS WANTED

The Cheer Leaders are asking for some new cheers. It is felt that our cheering lacks variety, and that perhaps it would be more effective if we didn't have to confine ourselves to the few old reliables. So put on your thinking cap, rub your nose, rest your chin on your hand and your elbow on your knee, and then submit the results of your effort to Lawrence Marsh or John Hudock.

O C
Officers and Staff Chosen
By Publication Board.

The Publication Board held its first regular meeting of the year in Room 7, and effected the following organization: Dwight Arnold, Pres.; Perry Laukhuff, Vice-Pres.; and Mabel Eubanks, Sec't. The editorial staff was increased by these additions and alterations Contributing Editors, Pauline Knepp, Lenore Smith; Athletic Editor, Louie Norris, and Assistant, Harry Widdoes; Alumna Editor, H. W. Troop, assisted by Miss Alma Guinier; Exchange Editor, Ernestine Nichols.

The Old Reliable

Baker Art Gallery
COLUMBUS, O.

Rich and High Sts. Columbus, O.

On Friday night the Phoenix Club delightfully entertained a number of friends with a Progressive Party. Progressive refreshments were served in various homes of Westerville.

Saturday afternoon the Saum Hall "gang" of '27, journeyed to Columbus where they enjoyed a theatre party, celebrating the birthdays of Betty Plummer, Martha Alspach and Louise Stoner.

Ernestine and Marjorie Nichols spent the week end at their home in Cardington.

Josephine Drury and Martha Alspach were the recipients of a mysterious birthday cake last Tuesday. Any information as to its origin will be greatly appreciated by the above mentioned young ladies.

Mary Vance, '23, and Ruth Streich, '25, visited the Greenwich Club this week end.

On Saturday evening the Owl Club gave a "push" in honor of Pauline Armond from Richmond, Ind., the guest of Ethel Kepler this week end.

Doris Wetherill was at her home in Kenton this week end.

Last Monday evening the Arbutus Club entertained a number of new friends with a party in the home of Mrs. J. P. West.

Congratulations are in order! Saturday evening Joan Fox gave a "push" for the Greenwich Club, at which time she announced her engagement to "Bob" Weitkamp.

Mrs. Rontzohn and Jessie were guests of the Owl Club at lunch on Sunday evening.

Pauline Knepp spent the week end at her home in Marion.

Tuesday evening the Phoenix Club enjoyed a "push" honoring Martha Alspach's birthday.

A very delightful party was given Saturday evening at the Myers home in honor of Leah St. John, 'ex '25, who has been visiting with Otterbein friends the past few days. The evening was spent in playing games, after which a dainty luncheon was served.

Mrs. Hummel visited with Mary this week end.

Ruth Davis has gone to Dayton where she will undergo an operation for appendicitis on Monday. We all hope for her speedy recovery.

CALENDAR

Tuesday, Oct. 21—

6:30 P. M.—Y. M. and Y. W.

Thursday, Oct. 22—

4:00 P. M.—Speedball, Sophs vs. Juniors.

6:15 P. M.—Cleiorhetea.

6:30 P. M.—Philalethea.

8:00 P. M.—Rally.

Friday, Oct. 23—

6:15 P. M.—Philophronea.

6:30 P. M.—Philomathea.

Saturday, Oct. 24—

Football, Otterbein vs. Muskingum, at New Concord.

Sunday, Oct. 25—

9:00 A. M.—Sunday School.

10:15 A. M. and 7:00 P. M.—Worship Services.

6:00 P. M.—C. E. Hallowe'en Party.

Monday, Oct. 26—

8:00 P. M.—Hallowe'en Party.

O C.

C. E.

"Some citizens are dwellers, some thinkers, some doers. Let us all strive to be doers." These words closed an illuminating series of remarks on Christian Citizenship by Dr. Phelan in C. E. Sunday evening. The remainder of the time was occupied in songs, prayers, and thoughts leading toward or growing out of the topic which was introduced by the leader, Lawrence Marsh, in a preliminary talk. Special music in the form of a flute solo was played by Frank Basler.

O C.

PHILOPHRONEA

A very excellent program was given in Philophronea last Friday evening. The numbers on the program were a "Prophecy" by N. M. Roberts, an "Oration" by G. H. McConaughy, and a "Eulogy" by L. W. Norris, read by H. E. Widdoes. Dr. T. J. Sanders made a few extemporaneous remarks. Two men were elected to Associate Membership, while six men took the oath of active membership.

O C.

SOPH PUSH

Mere rain Monday night did not thwart the enthusiasm of the Sophomore class in having its first get-together for the year. Because of the unfavorable weather, the party which was to have been a hay ride, was held in the Association building.

After the Sophs participated in games and contests in the gym, they assembled in the parlor where some of their classmates presented a cleverly written impromptu play. The refreshments consisted of sandwiches, doughnuts, apples, punch, and lollipops. A sing closed the evening's entertainment. Professor and Mrs. Hursh chaperoned the party.

O C.

Pifer Recovering Rapidly.

According to latest reports from Grant Hospital, Harold R. Pifer, of the Class of '26, is rapidly recovering from an operation for appendicitis which he underwent three weeks ago.

O C.

CHEW MUSKIN-GUM!

Mervin Guitan and George Griggs went to their homes in Lancaster for over the week end.

Spencer Shank, '21, and "Charlie" Fox, '21, were guests of the Alps last Saturday night.

"Bot" Garver, '25, and "Jake" White, '23, were week end guests of the Annex Club.

"Bozo" Richter's father, mother, brother and sister-in-law, all of Canton came to see the Captain play last Friday and stayed over the week end.

Duane and Arvine Harrold's father and mother were here to see the boys Saturday and Sunday.

Keene Van Curen's parents and Clarence LaPorte's parents of Strausburg were week-end visitors in Westerville.

"Jack" Huffer, George Eastman, "Ernie" Riegel, "Ted" Riegel, and Howard Minnich drove to Greenville last Friday after the game.

Charles Van Mason, '22, was back to the game Friday and spent the week-end as a guest of the Country Club.

The Country Club held a Stag Party in their rooms last Saturday night.

Dal Williams, ex '26, visited here Friday, Saturday and Sunday with Annex friends.

"Skinny" Weinland, '11, was present at the Otterbein-Cincinnati mud festival.

Seven Lakota men made up a theater party to Columbus last Saturday evening.

"Len" Newell and "Ted" Seaman visited Lakota friends last Saturday.

O C.
Y. M. C. A.

"Christianity On The Athletic Field," was the subject of one of the most interesting meetings in Y. M. C. A. this year. Robert Snively, as leader, presented various ways in which Christianity is of practical value to the athlete. This talk by the leader brought forth a hearty response from the following men: "Bozo" Richter, Lawrence Marsh, "Dick" Sanders, John Hudock, Wilbur McKnight, "Pop" Menke, Earl Hoover, Waldo Keck, Chas. Keller, Karl Kumler, D. L. Stuckey, Prof. Hursch, E. D. Bragg and Lloyd Schear. A quartet composed of N. H. Richter, N. M. Roberts, Carl Eschbach and John Hudock, accompanied by Wm. Ritchey, provided the special music.

O C.

CHEW MUSKIN-GUM!

MY

O M M
O A T
R E
SAYS:

That when she goes to football practice she finds her affections so scattered that she can't give individual yells so she just gives a big TEAM RAH!

That if the Professor in her two o'clock class wouldn't shout so loud, she could sleep better.

That when she heard the college bell ring Friday night for the lecture course she thought we'd won the Case game.

That some of the Freshmen are awfully dumb but that by the time they've dated with a few Junior girls they'd learn a lot.

That it would be a good thing if some of the boys in her Public Speaking class would wear skirts so the vibrations of their knees wouldn't make the audience dizzy.

That she and her boy friend had an argument the other night but inasmuch as he is a tackle on the football team she didn't make much progress.

That she pities the "brats" in High School upon whom Professor Valentine's products are wreaking their vengeance.

That she believes history does repeat itself and that she thinks the Library Staff is recruiting for a Crusade against Library dates.

That if the professors give her any more reference work to do she'll have to move to the library and live there instead of at Cochran Hall.

That since studying about John I in English History she'd never trust a man named "Jawn".

That the Girls' Leaders Corps had such a stiff work-out the other nite she's lost ten pounds and hasn't been able to straighten out since.

That her knees shook so badly in Public Speaking that they reminded her of the sounding prongs of a tuning fork.

That after a twenty-five minute seance with the Dean she came to the conclusion that there were only two things that happened in the world

that she wasn't responsible for, the War and the Flood.

That the Freshman boys must think they are still in kindergarden as they take such pleasure in using crayons.
