# WELCOME . . . . *from President Elden T. Smith*

Dear Friends:

Welcome to Ohio Wesleyan. We are glad to have you share with us in the excitement and enthusiasm engendered when two teams of young men demonstrate their skill, intelligence, physical fitness and courage in combat on the gridiron.

As we review the record of many years of competition we are proud of the story written by the "Battling Bishops" but we cherish even more the knowledge that they played the game because they loved it and went on to demonstrate in their lives the qualities acquired in a sound program of athletics. We pledge that we will maintain this proud tradition.

Come back to see us often.

Cordially yours,

Elden T. Smith

## YOUR HOST . . . . *Ohio Wesleyan University*

Ohio Wesleyan University was founded under the patronage of the Methodist Church in 1841. When the college of Liberal Arts began its work in 1844, only 29 students were enrolled and the faculty consisted of three professors and one instructor. The historic Mansion House Hotel, which was constructed in the 1830's when the present East campus was a popular health resort, was the scene of all college activities, serving as dormitory, classroom area and chapel.

The Ohio Wesleyan Female College, an independent institution, was established in Delaware in 1853 and four years later moved into the newly constructed Monnett Hall, a building which has become one of the University's landmarks. In 1877 the Female College merged with the University, and Ohio Wesleyan has been co-educational ever since.

From these beginnings, Ohio Wesleyan has grown into a distinguished liberal arts college with an average enrollment of 2,100 students and 175 faculty members. Its expanding physical plant now includes three campuses (East, Monnett and Williams). However, as physical expansion has taken place, many of the University's early landmarks have been retained. Such a landmark is the "salubrious and health giving although odoriferous" sulphur spring, where 19th President Rutherford B. Hayes allegedly wooed and won Lucy Webb, one of Ohio Wesleyan's first coeds.

Ohio Wesleyan was granted its Charter in 1842 and the provision which states that the University "...is forever to be conducted on the most liberal principles, accessible to all religious denominations and designed for the benefit of our citizens in general" still serves as a guiding principle.

# OHIO WESLEYAN UNIVERSITY COACHES

GLENN FRASER

GLENN FRASER, HEAD FOOTBALL COACH, is in his 17th year as head coach at Ohio Wesleyan. In his first 16 years he guided Bishop squads to 90 victories against 46 losses and 7 ties. Fraser was born at Mountain Iron, Minn., in 1907. He graduated from the University of Minnesota in 1929 (M.A. Western Reserve 1935), first coached in Minnesota, then moved to an assistant spot at Cleveland West High. In 1934 he moved to Lincoln High in Cleveland, and was appointed head football coach there in 1935.

At Lincoln Fraser compiled an unbeaten string of 29 consecutive wins, and won six city high championships. He went into the Navy in 1943, and was discharged in 1945. He returned to Lincoln in 1946, won all his games but one, then accepted the head coaching position at Ohio Wesleyan in 1947.

ROBERT STRIMER

His first Wesleyan football squad posted the best won-lost record compiled by a Battling Bishop team in 13 years, his 1951 team won eight straight games and the Ohio Conference title after dropping the opener, and his 1953 team was the only undefeated Wesleyan team of the 20th Century, its record marred only by a tie with Wabash.

BOB STRIMER, BACKFIELD COACH, has been Director of Athletics since 1955. He received his A.B. degree from Thiel College in 1936 (M.A. Wisconsin 1946, Ph.D. Ohio State, 1963), where he earned eleven varsity letters. He coached at Parkersburg, West Virginia high from 1937 to 1941, when he came to Wesleyan as freshman basketball coach. After four years in the Navy he returned to the campus in 1945, was head basketball coach until 1957.

LES MICHAEL

LES MICHAEL, END COACH, is a 1940 graduate of Ohio Wesleyan (M.A. Ohio State 1952). He was a three letter back with the Bishops and a starting pitcher as an undergraduate. He coached at Urbana High School, served in the Army, then returned to Wesleyan in 1946. After a year he went to Mentor High School as Athletic Director, then came back to Delaware in 1951. He is head baseball coach.

RAY LEECH

RAY LEECH, LINE COACH, graduated from Ohio Wesleyan in 1949 (M.A. Drake 1951). He served in the Army, coached at Nutley High School in New Jersey, then was in private industry for two years before joining the Wesleyan staff in 1954. As an undergraduate he was captain of one of the Bishops' finest football teams. He also coaches wrestling and assists Michael in baseball.

# "Courage, Competition and Character"

by DR. JOSEPH KAPLAN

Department of Physics, U. C. L. A.  
Chairman of International  
Geophysical Year

Many years ago when I became actively involved in intercollegiate athletics, I tried hard to clarify in my own mind the role of intercollegiate athletics in the university or college. This was not a casual exercise on my part, because I was involved in the development of a relatively new campus of the University of California, and also because of the increasing pressures on all of us of preparation for World War II, and the increasing emphasis on research and graduate work at a University which was destined to become one of the most remarkably developing institutions in the Nation.

Thus the University climate for athletics was a changing one. There developed much more emphasis than ever before on academic achievements, the Nobel Prize, election to the National Academy of Sciences, creative and research activities. One might have expected that intercollegiate athletics, particularly in football and other highly competitive and much publicized areas, would begin to fade into the background until it was practically a minor activity in the University. In large metropolitan areas, the development of professional football and basketball offered a new threat to the popularity and prosperity of the traditionally crowd-pleasing major collegiate sports.

That this fading out of the picture by intercollegiate athletics has not taken place is in itself a remarkable phenomenon of our times. There are real, deep-seated and meaningful reasons for this, of which I will present the three that appear to me to be the most significant. At the same time I will present reasons why the current emphasis on intercollegiate athletics must not be allowed to diminish.

The three reasons to which I referred earlier are basically related to the three most significant characteristics of the modern intercollegiate athletic picture. These are contained in my three word title, "Courage, Competition and Character". To one who is active in the field of international scientific affairs, and who is more than casually aware of the problems that we face as a nation, these three words summarize the real needs of our time. For this nation to survive as a leader among the free nations of this world, we must have courage, we must be able to compete and we must maintain the best in our national character.

Intercollegiate athletics is an area of activity in which all three of these are intimately involved. Both team sports and individual effort require courage, character and the competitive spirit. The demonstrations that one sees of these important elements in our modern existence are easily understood. The language of athletics has almost universal appeal, thus the lessons to be learned are relatively easily communicated. I like the space program because it provides us with a simple mechanism for bringing the beauties of science to the public. I like intercollegiate athletics because it provides an equally effective and simple technique for bringing to the public the meaningfulness of the competitive spirit, character and courage.

Our space activities demonstrate our willingness to cooperate with other nations. Our emphasis on sports, particularly in our colleges and universities, shows the world that we value the attributes to which my title refers. Taken together, these make for a nation in which other people can have real confidence.

# MIKE GREGORY MEMORIAL AWARD

The Mike Gregory Memorial Award is now in its eighth year, and has earned the title of the most coveted individual trophy in Ohio Conference competition. The award was started by the late Mike Gregory of Granville, noted Ohio sportsman and staunch supporter of Ohio Conference athletics. When he died his son, Dick, an Ohio Wesleyan graduate, continued the award in his father's name. The award goes to the best lineman and best back in football, and the best basketball player. It is presented by the OC Sports Publicity Association and the recipient is selected by this organization in cooperation with the league coaches. Three Ohio Wesleyan players have received this top honor. Max Urick was twice named the best lineman in the conference, and end Tom Zesiger was the original lineman selection. End Don Gerosa was named the best lineman in the Conference in 1961.

# TODAY'S GAME

Otterbein, which started like a tornado and tied Wittenberg in an upset deadlock which may knock the Tigers from the OC title, has had nothing but trouble since and carries a 3-3-1 record into today's game. Statistics favor the Otters, who have outgained Ohio Wesleyan by 27 yards a game on the ground, 50 a game in the air, and have allowed on the average 60 yards a game less on defense. Top individual stars to watch include running halfback Gary Reynolds, passer Dave Kull, and both Gary and Dick Reynolds along with end Dick Morrow on pass receiving.

Ohio Wesleyan, after dropping four games in a row, rebounded with a strong 24-14 win over Wabash last Saturday in Indiana. Big offensive threat for the Bishops is Ed Curreri, who has run for 585 yards, passed for 185, caught 10 passes for 90 yards, does the punting, is the leading kickoff return specialist and the leading scorer. Wesleyan enters the game with a 2-4-1 overall mark, 0-3-1 record in the Ohio Conference.

## DELAWARE INDUSTRY DAY

Ohio Wesleyan University in cooperation with the Delaware Area Chamber of Commerce is presenting Delaware Industry Day today. Purpose of the program is to honor the industries of the area. Over 30 companies are participating in the special program, and over 2,000 employees of these industries are expected for the OWU-Otterbein football game.

## EAST LIVERPOOL HIGH SCHOOL BAND

Halftime entertainment today is being provided by the East Liverpool High School band, one of the most famous bands in Ohio. Two separate bands of 60 members each will be on the field, with a 15 piece percussion unit in the middle, providing a 155 member organization. The band is directed by 1956 Ohio Wesleyan graduate Vincent L. Maola, Jr., who has been at East Liverpool for eight years.

## SPECIAL GUESTS: DADS AND A FORMER COACH

In pre-game ceremonies, the Dads of the Ohio Wesleyan football players will be introduced in the annual Dad's Day celebration. Also before the kickoff George Gauthier, who was head football coach at Ohio Wesleyan for 26 years and athletic director for 34 years, will be presented his citation for being elected to the Helms Athletic Foundation Football Hall of Fame.

## UNITED STATES OLYMPIC FUND

During the third quarter of today's game, football fans will be given the opportunity to contribute to the United States Olympic Fund. The 1964 Olympics will be held in Tokio, and the United States team is largely financed by contributions from individuals and corporations throughout the nation.

## VARIETY SHOW TONIGHT

The annual Ohio Wesleyan variety show will be presented tonight at 8:15 in Gray Chapel. The show will include 17 acts with 72 students participating. Proceeds from the show go to the Campus Chest fund.
