*Fall Homecoming*

**Heidelberg**

vs.

**Otterbein**

12-11-68

It is autumn again. The air is crisp, and full of flying footballs as boys and men from pee-wee leagues to super-professional teams turn out for our greatest national sport. The color and excitement of it all, the bands, the parades, the dazzling cheer-leaders, "the bombs bursting in air," never fail to stir us, no matter how far away from our own playing days we grow.

Football at Otterbein is an important part of this annual autumn fever. We have an eager, hard-working, well-trained squad of young men taking time off from classrooms and study to give us a football team. We have a group of competent coaches, and behind them an entire faculty and student body that want to see these young men succeed. We have a community and a far-flung army of alumni who support the enterprise. Let these be days of glory for our school — let none of us mar, by unworthy conduct or cheap complaint, the perfection that is football on the small college gridiron!

There's something  
missing from this paint.

The smell.

Some wall paints are real stinkers.  
But not Dean & Barry Super Velveton.  
The smell is missing.

Paint with the windows closed. Paint in any season  
of the year with Dean & Barry Super Velveton. Home  
decorating was never easier or more pleasant.

There are 1057 match-mated Super Velveton colors  
in all. So just bring a swatch and watch. We'll match  
the color for you. About the only thing you can't match  
is the velvet-smooth, velvet-flat decorator look Dean &  
Barry Super Velveton gives walls.

One economical gallon does the average size room.  
Use brush or roller. Clean-up quick with warm soapy  
water. No thinners needed. The smell is missing from  
Dean & Barry Super Velveton from start to finish.  
So don't miss seeing us... soon.

1057 matching colors in Koverite  
Satin for woodwork also available.
