Graduate School News Highlights

From **Bridget M. Newell, Ph.D. Interim Associate Provost for Graduate Studies**

Benefits of Graduate School

Many working adults strive for advancement within their current profession, while others hope to shift to a new profession. As they consider whether to enroll in a graduate program they want to know, "How does graduate school pay off for me? Will it pay off for me?"

Graduate School Commencement
April 30, 2023 | 5:30 p.m. | Memorial Stadium

Allied Health MSAH Program Celebrates its 10-Year Anniversary

The Master of Science in Allied Health (MSAH) program at Otterbein University began in fall 2012. Eleven students were in the first incoming class, six of whom were graduate assistants. The program evolved from an opportunity to address the graduate school needs of the Department of Health and Sport Sciences (HSS) undergraduate students and provide a graduate program for sports-related graduate assistants. [Continue reading >>](#)

Robert E. Braun, Ph.D., MPH, CHES
MSAH Graduate Director
