Clean skin  
and  
clear complexion  
go  
together  
!

From four ounces for  
teens, to gallons for  
teams. At better drug and  
department stores.

Start going steady with TEN·O·SIX Lotion  
— the antiseptic skin cleanser that helps  
heal blemishes and correct problem  
complexions. Medicated ingredients in  
TEN·O·SIX penetrate deep into pores to  
remove clogging oils and dirt. Healing  
action clears skin, leaves it immaculate  
and protected for hours.

Use TEN·O·SIX daily. You (and your friends)  
will see the difference!
