BARNES STORY PRIZES AWARDED

Miss Ruth Roberts Wins First Prize with Story Entitled "The Dream Lives On."

\$70 AWARDED

Joseph Mayne and Alice Sanders Win Second and Third Prizes.

The annual presentation of the prizes won by contestants in the Barnes Short Story Contest took place during the chapel period last Tuesday morning, at which time President Clippinger presented the first prize of forty dollars to Ruth Roberts, the second prize of twenty dollars to Joseph Mayne, and the third prize of ten dollars to Alice Sanders.

The title of the winning story written by Miss Roberts is "The Dream Lives On." Mr. Mayne wrote "The Year of Jubilo," and Miss Sanders entitled her story "The Flame."

Although but three stories were submitted the productions were of such excellent quality that all three prizes were awarded. The Barnes Short Story Contest is an annual event, open to Juniors and Seniors, and was established by Mr. James Allison Barnes of Wellesley Hills, Massachusetts, who graduated from Otterbein in the Class of 1894, in memory of his brother, Walter Lowrie Barnes of the Class of 1898.

The provisions of the contest state that the theme of all stories entered in the contest shall deal with some event in American history, which shall not be changed from the true historical fact, and the principles of good citizenship shall be portrayed in the story.

The prize money is secured from the income of the two thousand dollar scholarship fund established by Mr. Barnes.

The Judges of this year's productions were; Mr. Walter Jones, Westerville; Rev. W. J. Zuck, D. D. '78, Columbus, Ohio, and Miss Helen Converse, '12, Westerville.

SONGS OF OTTERBEIN ARE NOW RECORDED

Capacity Audiences Greeted Glee Club at Richmond Sunday and Monday Evenings.

Otterbein College songs were recorded yesterday at the Gennett recording laboratory, Richmond, Indiana. The record made will be a double-faced ten inch record with "The Otterbein Love Song" and "Here We Come from Otterbein."

The Glee Club went to Richmond, Indiana, leaving Westerville Sunday at eleven o'clock. They gave a concert in the First United Brethren Church of Richmond before an audience of 600 on Sunday evening. More than twice as many people were turned away. Another concert was given to a capacity audience in the same church last night.

All day yesterday was spent in making of the records, which is a very tedious and time-taking operation. It required a great length of time for the placing of the men so that their voices would record to best advantage. Although there was some consideration of making another record of "Molly" and a Banjo Orchestra number, it is doubtful if there will be sufficient subscriptions for the club to make the record.

The Glee Club will go to New Madison, Ohio, today, where they will give a concert in the United Brethren Church. They will return to Westerville on Wednesday.

Anyone desiring a record should write to F. M. Pottenger, Jr., Westerville, Ohio. The price is \$1.00 per record.

PENITENTIARY CHAPLAIN TALKS TO SOCIOLOGISTS

Address is Sequel to Trips Made to Penitentiary This Week by Sociology Students.

"I like to look upon life from an optimistic point of view and see in everybody's life something worthwhile," was the simple creed presented by Chaplain T. O. Reed of the Ohio State Penitentiary in his address before the Sociology Club Friday morning.

Chaplain Reed's address came as a sequel to inspection trips made to the penitentiary during the week by members of the Sociology Club. The manner of dealing with the criminal class was the principal theme of Chaplain Reed's remarks.

The trips to the penitentiary and the address by Chaplain Reed are part of a series of trips and addresses scheduled for this spring.

HONOR STUDENTS ARE ANNOUNCED

Miss Hazel Baker and Miss Ruth Roberts Win First and Second Honors.

POINT AVERAGE CLOSE

Will Deliver Valedictory and Salutatory on Commencement Day Program.

Announcement was made during the chapel period last Tuesday morning by President Clippinger that following the custom of numerous other colleges and beginning with the graduating exercises of this year, addresses by the valedictorian and salutatorian of the graduating class will be made a part of the Commencement Day services. Years ago, it was customary for every Senior graduating from Otterbein to deliver an address, but when the classes grew larger this custom became impractical and was discontinued. Beginning this year, the class will again be represented by the two members who attain to first and second honors in scholarship during the first three and one half years of the four year course.

Miss Hazel Baker, of Beaverdale, Pennsylvania, received the distinction of representing the class of 1925 as valedictorian, by virtue of having earned twenty-four A's and twenty-five B's in her college courses up until February, 1925. Miss Baker is a member of Philalethean Literary Society and the Arcady Club, and has been active in extra-curricular activities, having served as a member of the Y. W. C. A. and Christian Endeavor Cabinets, as Senior editor of the 1924 Sibyl, as a member of the Public Speaking Council, and as president of the Volunteer Band. Miss Baker also received first prizes in her Freshman and Sophomore years.

SLOW PROGRESS MADE ON SENIOR CLASS PLAY

Work on the selection of the annual Senior play is progressing slowly. No definite decision has been announced by the committee in charge composed of Prof. McCarty, George Bechtolt, and Pauline Wentz, "Kempy," "The Importance of Being Earnest," and "You and I," are the three plays up for consideration. However, a definite decision will be made immediately and the rehearsal work started. Any one of these plays has a cast that is particularly suitable to members of the Senior class.

OTTERBEIN DELEGATES TO HEAR BRUCE CURRY

Ohio Wesleyan Will Entertain Delegates from Ohio Colleges at Institute This Week.

Otterbein will be represented by delegates from the cabinets of the Y. M. C. A. and the Y. W. C. A., and several other chosen representatives, at an institute to be conducted by A. Bruce Curry, said to be the herald of a new day, which will be held on the Ohio Wesleyan campus for six days during this week.

On the first three days of Mr. Curry's visit, he will lead a teachers' training discussion group open only to students on the local campus. On the concluding three days, i. e., over the week-end, the Institute will be widened to include picked representatives from as many nearby schools and colleges as are within reach; during the closing period, the work will be more intensive.

The work of the Institute centers about a fresh understanding of Jesus, involving a new approach to the Gospel records, and proceeding to discussion of how this rediscovered religion of Jesus leans upon the solution of problems uppermost in student thought today.

The method used is that of demonstration studies and group discussions rather than lectures. Some of the subjects to be covered are:

Is Our Religion Second Hand
Are We Living by the Footnotes?
Can We Take Jesus Seriously?

The group then will have the opportunity of presenting some of their problems pressing for solution and these are studied in the light of the newly seen way of Jesus.

It will be recalled that Mr. Curry spoke in the local First United Brethren Church last year.

HOME FOLKS HEAR FAMILIAR VOICES

Since the return of Otterbein's now famous Glee Club there has been much discussion centered around the program broadcasted by the club from the Westinghouse Station, KDKA, of Pittsburgh.

A goodly number of the members of the club have received word from home complimenting them for the fine program of this particular evening. All reports received stated that the static was particularly annoying but otherwise the program was excellent in all respects. Among the boys receiving word are Robert Weitkamp, from Hollywood, Calif.; E. D. Bragg, from Dayton; Virgil Millet, from Greenwich, New York; and the Bechtolt brothers, from Reedsburg, Wisconsin.

FIFTY YEARS SERVICE HONORED AT BANQUET

One of the events of the meeting of the board of managers of the Women's Missionary Association held in Dayton, Ohio, last week is of special interest to Otterbein people; it was the anniversary dinner in honor of Mrs. L. R. Harford (Lillian A. Resler) of the Class of 1872.

When the Women's Missionary Association was organized in Dayton fifty years ago, Mrs. Harford was a bride, the wife of one of the professors in Union Biblical Seminary, now Bonebrake Seminary. At the organization meeting she was elected corresponding secretary and from that time to this she has been connected with the association in an official capacity, for the last twenty years serving as its president. In recognition of her fifty years of continuous service as an officer this dinner was given in her honor.

At half past six on last Tuesday evening five hundred women and girls, most of them members of the Missionary Society or the Otterbein Guild, together with a few guests, gathered in the spacious dining room of Bonebrake Seminary and enjoyed a delicious dinner. Following short greetings from various church and mission representatives, Miss Alice E. Bell, representing the entire association, presented to Mrs. Harford a beautiful hand bound Bible. This Bible was furnished with two book marks of silk ribbon made in the Philippines, each one having an inset of Porto Rican filet lace work, one containing the cross, the other the dates 1875-1925. As a pendant to one of the marks was a pearl from Japan set in Chinese silver; the pendant of the other was a cross of pure African gold. Thus this Bible contained in it something representing each one of the mission fields in which the association is carrying on work.

Mrs. Harford responded very feelingly to the speeches in her honor and to the gift that was given to her.

FORMER O. C. COACH TAKES SWEEPSTAKES

Ray Watts, former Otterbein coach, now coach of athletics at West Tech., one of Cleveland's largest high schools, has had "Phenomenal success" with his team, as the Cleveland Plain Dealer puts it.

An excerpt from a write-up in the Cleveland paper tells in part the story of his success.

"In 1924 he walked off with sweepstakes, taking the honors in football, basketball and track. He has started off 1925 with the same intention, with a basketball championship tucked under his arm to prove it . . . Championship titles are becoming a habit with Ray Watts."

Mr. Watts has been coaching the Favorite Knits, a girls' basketball team, on the side. The Knits won all of the twenty games played during the past season, defeating champions from other cities and states.

We congratulate Coach Watts, ex-student and former coach of Otterbein.

O. C. GRADUATES RANK FOURTH AT OHIO STATE

Otterbein College stands fourth in the rank of colleges furnishing graduate students at Ohio State University. That institution has 932 graduate students enrolled last year. Of these, 340 held degrees from Ohio State, Ohio University had 53, Ohio Wesleyan 47, and Otterbein 30.

Scholarship

Excellence of scholarship is a rare attainment. Rare in that there are few who achieve the goal. An attainment because it is lofty, being a high and desirable result.

Excellence of scholarship is worthy of its reward. Custom grants that the most excellent shall represent the graduating class as valedictorian. On the same basis, the next in point of excellence shall act as salutatorian. Great is the reward. But what has not been sown cannot be reaped. Great diligence is the price of the reward. Consistency is one of the great attributes of achievement. Hard labor is more essential than genius. "All the genius in the world will not help you along with any art, unless you become a hard student." This is the statement Salvini has left for us to ponder upon throughout the ages. Edison says it in another way: "Genius is ninety-nine per cent perspiration, and one per cent inspiration." The entire thought has been summed up by Solomon, "Seest thou a man diligent in his business? he shall stand before kings; he shall not stand before obscure men."

To attain to excellence of scholarship is the highest achievement that a

college curriculum affords. The challenge of the curriculum is placed before many dull ears. To many, extra-curricular work sounds a stronger call. However, we may regard the points of merit in each, we must recognize the fact that curricular work is the basis and backbone of every college's existence.

Excellence of scholarship is presenting a challenge to the college system. Absence of good scholarship on an extensive scale is a threatening fact. Educators are wrestling with the problem. Standards, awards, scholarships, fraternities and recognition are all playing their part. But it is greatly to be wished that some way can be found to make scholastic achievement spectacular, classroom honors seem more desirable, and "varsity" quality of work worth "training for" in the eyes of the student body.

We would like to suggest that, besides having part in the commencement program, the gift of a pin from the college with proper inscription, would be a permanent memento to the honor students and a further incentive to under classmen.

O C Bulletins

One of the most interesting and profitable features in our to and from class journeys are the Current World Life Bulletins in the hallways. That person has lost interest in life whose inquisitive streak does not lead him or her to take a dose of world news in so palpable a form. Appreciation of these nut shell news items need not be spoken. Just watch the crowd gather about some morning before chapel. Notice the college professor step up and get the gist of the day's events. Listen to the orientated freshman ask his elder brother what kind of a deer the "Reichstag" is, and then when told that it is an imperial diet, watch him go up the stairs wishing they would have some at the club instead of that tough beef steak. Hear our President say, "That is one of the greatest things that has ever been introduced around here."

We agree with the President. We know something of the responsibility of maintaining each day this up-to-date news service. We congratulate the one whose mind conceived this idea, and commend those who give us each day the world's news.

O C Clean Up.

This editorial began at home. A conglomerate mass of papers, copy, cuts, and dirt was in reception for us each time we visited our office. Disorder was rampant. Spiders had been building their webs in the corners for past years. The calendar on the wall was turned to June, 1921. Our new quarters are old quarters, but for several years unoccupied.

Spring house cleaning is on. Everywhere we look are folks in the act of putting things in order. Dust is passing from house to house as rugs are being beaten. Water, soap, and rags are restoring mud stained windows to shining transparency. Such influences are bound to result in action. The effect is contagious. Let us pass

it on. We have cleaned out our office.

Instead of "taking a look at Molly," take a look at your room. Is there any refuse to be found? Are there any papers lying around of which you might dispose? Does dust cover your books like a protecting safeguard against use? Would a little rearranging make your room more habitable? Would a cleaner, neater environment be conducive to more and better study? Our experience seems to warrant an affirmative answer in action. Catch the spirit! Clean up!

O C IT STRIKES US—

That track, baseball and tennis could keep two coaches up to their ears in work.

That those who bought a ticket to "The Eternal City" for a quarter did not get very near to their destination.

That Director Spessard is worthy of congratulations for an excellent Glee Club.

That the Otterbein campus is about the prettiest in the state.

That "Hobohemia" in the Quiz and Quill sounds like we are destined to read that magazine under the Alum Creek bridge. It might also be good company for a weiner roast.

That "College Day" in the High Schools is a feature that should be promoted in more schools.

Will Give Concert in College
Chapel April 27.

Jessie Peters, well known piano soloist, will give a concert in the college chapel Monday evening, April 27, at 8:15 o'clock.

Miss Peters comes to Westerville to give this concert as a part of a group of concerts that she is giving throughout the middle west. Among her most recent concerts, one at Granville in Denison's chapel was highly appreciated.

MISS JESSIE PETERS

The concerts of Miss Peters have been so well received that she has been engaged for another coast to coast tour next year. At the present time negotiations are pending for a contract with the Ampico Company for her to make a series of records.

Miss Peters will play a Knabe piano. The instrument used will be the same lovely toned concert grand used by Ponselle and Ross in their Women's Music Club concert in Memorial Hall, Columbus, this season. The Knabe people are furnishing the piano, tickets and programs.

VARSITY DEBATERS TO BE CHOSEN ON APRIL 23

Try-outs for the 1926 Varsity debate teams will be held Thursday, April 23, under the direction of Prof. Leon McCarty. The question for discussion will be, "Resolved: That Congress Shall Have the Power to Nullify Decisions of the U. S. Supreme Court Declaring Federal Laws Unconstitutional." Twenty men have already made known their intentions of trying out for the teams. Coach McCarty expects several more before the final eliminations.

This is the first time a Varsity debate try-out has ever been held. The time of the year for the event is also unusual, December being the customary time for the try-outs. Coach McCarty hopes to give a great deal more thought and attention to organizing the teams by having this added period of time.

QUIZ AND QUILL TO BE READY APRIL 28

New Department Innovated—Barnes'
First Prize Story and Winning
Quiz and Quill Productions

"Hobohemia, Where We Print What We Like," will be a new department innovated in the 1925 edition of Quiz and Quill which will be off the press about April 28. Three hundred copies are being printed and the price of each is sixty-five cents. The book is full of interesting material this year.

"The Dream Lives On," the winner of the Barnes' Short Story Contest, will have the most prominent place in the book. Ruth Roberts is the author of this true-blooded American story of the World War. Earl Hoover's oration, "Civilization or War?" which was delivered at the State Oratorical Contest will also appear in the magazine.

The three prize-winning productions of the Quiz and Quill Contest will be used. Marcella Henry, winner of the first prize, wrote, "That's John For You." Ernest Riegle, second prize, was the author of "The Cavern." Wayne Harsha won third prize with "Yes, I'll Do It."

A representative article from each of the literary societies, extraordinary class work, and special contributions by members of the Quiz and Quill staff will complete the magazine.

Wendell Camp is the editor of the magazine and Robert Cavins is the business manager.

BECHTOLT REPRESENTS O. C. AT MANSFIELD HIGH

College day was observed at Mansfield Friday. George Bechtolt was Otterbein's representative and gave a five minute address before the Mansfield High School.

It is the custom at Mansfield High School to invite representatives there from all Ohio Colleges on the same day. Each representative has the opportunity of addressing the students and of holding private conferences with as many as care to.

Mr. Bechtolt reports that several good men are looking forward to a four year course at Otterbein.

JEFFERSON MEMORIAL WEEK IS SUCCESSFUL

The part which Westerville and Otterbein played in the national celebration of Jefferson Memorial Week was very successful. Under the direction of the local committee, Mrs. Lloyd, Mrs. Bookman and Dr. Sherrick, the movie "Janice Meredith" was presented at the high school auditorium and from this the committee realized \$158 clear to be sent into the national headquarters. In view of the fact that Westerville's quota was only \$125, the receipts and attendance at the movie speak very well for the efforts of the committee and for the spirit and interest of the people.

In further observation of this Memorial Week Dr. Snively and Dr. Sherrick spoke in chapel Wednesday morning. Dr. Sherrick discussed and announced the movie, "Janice Meredith," and Dr. Snively spoke on the life of Thomas Jefferson.

The observance of this week in Westerville is a part of the work fostered by the Jefferson Memorial Foundation, a national organization which promoted similar celebrations throughout the country. The money taken in from the presentation of this picture and other sources will be used toward the purchase of Jefferson's old home, Monticello.

In the "Purple Pepper", a weekly paper published by the students of Lancaster High School, Otterbein is given an extensive write-up which is headed by a picture of the church, library, and Lambert Hall.

THREE PLACES TAKEN AT OHIO RELAYS SATURDAY

**Sprint Relay Team Takes First—
Widdoes Ties for Third—Porosky
Breaks College Discus Record.**

Otterbein men were in eight events in the Ohio Relays at the Ohio Stadium last Saturday, and placed in three of them. The sprint relay team composed of Beelman, Stoughton, Upson and Ruffini, took first place in the college division, section B. Widdoes tied for third place in the pole vault before he was eliminated at eleven feet, eight inches. Porosky placed fifth in the discus throw, breaking the college record with a throw of one hundred seventeen feet two inches. The former record was held by C. W. Schnake, '16.

In this meet, the Otterbein athletes were pitted against some of the best in the country. Especially was this true in the weight events, in which there was only one division. In most events there were two divisions, one for universities and one for colleges.

GIRLS' GROUP GAMES DRAWING TO CLOSE

**Tomo-Dachis Win Three Games—
Greenwich-Onyx Game Postponed—
Finals Come This Week.**

During the past week the games of the Girls' Group League were close and exciting. As the League draws to a close, all teams are fighting hard to better their positions in the final standing.

On Monday evening the mighty Onyx Club defeated the Independents, 25-6. The Onyx were picked to win but not by such a wide margin. In the following games the Tomo-Dachi defeated the Talisman 15-10, and the Polygon Club defeated the Owls 3-2. Both games were hard-fought throughout.

The Independents on Tuesday afternoon overwhelmed the Arcady Club 26-3, while the Greenwich emerged victors in a close game with the Polygons. The score was 10-8.

On Wednesday afternoon the Talisman beat the Phoenix 26-4 and the Tomo-Dachi defeated the Owls, 9-1.

Two games were played on Saturday afternoon. The Tomo-Dachis won from the Independents 14-10 and the Arbutus won from the Lotus to the tune of 33 to 1.

The Greenwich-Onyx game was postponed until next week, when the final games of the League will be played.

Coach M. A. Ditmer delivered an address at the annual Athletic Banquet at East High School, Columbus, Wednesday evening, April 15.

INDOOR BASEBALL LEAGUE PLANNED

**Evening Games Scheduled—Social
Groups and Other Organizations
May Enter League.**

Plans for an indoor baseball league are nearing completion. At a meeting Friday morning, April 10, E. F. McCarroll, student manager of the league, presented the plans to the student body. They were accepted with approval and already the Annex, Cook House, Jonda, Country Club, and Lakota social groups have entered the league. Any team, social group or not, may enter the league.

The game has all the elements of baseball except that there are ten players on a team, the diamond is smaller, and the ball is soft. The games will be held on an outside plot. Being fast and possessing all the qualities of fine recreation, indoor baseball has become very popular in many colleges.

The executive committee, composed of McCarroll, Luechauer and Professor Martin hoped to be able to start the league Monday evening at 6:15 o'clock. All games will probably be played in the evening on Mondays, Tuesdays and Wednesdays.

The girls have been considering the organization of a similar league.

BASEBALL SEASON OPENS ON APRIL 24

**Denison Will Be Met on Local Field
—Teams Are Comparatively
Equal in Strength.**

Otterbein's opening baseball game is scheduled for next Friday afternoon when her battery lets loose on the Denison nine from Granville. As this is the first game of the season for either team, the comparative strength of the opposing teams has not been tested and it is difficult to say which outfit the dope favors.

The pitching problem having been solved, Otterbein now has a well rounded team to represent her in this initial encounter. The battery consists of Seibert, a seasoned veteran behind the bat. The pitching staff includes Wilburg and Yohn with one or two possible reserves. Captain Garver will probably hold down third base.

Other veterans who will get into action next Friday are McCarroll, Renner, and Ruffini.

MERVIN "DUTCH" GLAZE CONSTRUCTS BATTING CAGE

Recently a new baseball cage was constructed to be used in batting practice. Coach Ditmer and the baseball men appreciate the work of "Dutch" Glaze, engineer of the heating plant, in making the new cage.

SENIOR SPORTRAITS

Abel Ruffini No. 6

Another athlete of whom Otterbein is justly proud is Abel Ruffini, who during his four years on the campus has made an enviable record for himself. "Ruff" has done himself proud in three sports, winning letters in football, baseball and track. His record at McKinley High School, Canton, O., included football letters and the captaincy of the track team. "Ruff" has earned three football letters and on the gridiron was an end of exceptional ability. In baseball he takes care of centerfield and at the bat "Ruff" is always a problem for

opposing pitchers. Track is his favorite sport and there he shines. His work for two years was of such calibre that he was elected captain of the team during his Senior year. "Ruff" participates in the track events and the 440-yard dash is his specialty. As a member of the relay team he is a joint holder of the Otterbein mile relay record.

Sport Prospects Bright

Otterbein has bright prospects for one of the most successful seasons of spring sports that she has had for several years. Interest in the three sports, baseball, track and tennis is becoming more intense year after year and more candidates are reporting for service than ever before.

PI KAPPA DELTA NEWS

So much applause and enthusiasm greeted Earl Hoover when he gave his oration "Civilization or War?" before the Kiwanis Club of Mt. Gilead at its noonday luncheon last Thursday that he was requested and almost demanded to return next year and give his oration before the Club. Much commendation is due Mr. Hoover for his brilliant production and for the time and energy which he expended upon it.

It will interest a great many people to know that Mr. Elmer Voelkel of Wooster, who took first prize in the State Oratorical Contest held here recently, placed fourth in the Inter-State Contest held in Monmouth, Illinois, a few days ago. Mr. Voelkel's oration was entitled, "The Figure in the Tent."

At a meeting of Pi Kappa Delta last Friday evening Prof. C. O. Alt-

man and Prof. Chas. Snively were initiated into honorary membership. Mrs. McCarty was also taken in but was unable to be present at the initiation.

GLEE CLUB ON ETHER WAVES FROM "KDKA"

On Tuesday, April 7, the Otterbein Men's Glee Club had the privilege of broadcasting a number of selections from their program by radio. The numbers were broadcasted from the powerful Westinghouse Station, KDKA, under the auspices of the Pittsburgh Post. Radio broadcasting has proved very profitable to the Club as well as fascinating to the members.

During the program several telegrams of greetings were received. Among them was one to Prof. Spessard from some of his friends in Hagerstown, Maryland.

Otterbein alumni and students in all parts of the country were greatly pleased to listen in on the concert. It was the only opportunity for many alumni to hear this year's program.

BUS DRAWS CROWDS

Winding up and down and around the Alleghenies, the long, low, blue bus in which the Otterbein Gleemen traveled proved an object of great interest to the natives in those parts.

The name of "Otterbein" was carried on a large sign on the front of the bus. Wherever the club stopped, there was a crowd of spectators who gathered to admire the "Highway Pullman" and to ask for details of the organization using it. Even in Pittsburgh, the merry Glee Clubbers almost caused a traffic jam by attracting attention of the passersby.

This is the first year the club has traveled exclusively by bus. There are seats for thirty and the top is arranged for the carrying of instruments and baggage. The Red Star Bus Company furnished this comfortable and economical means of transportation.

STUDENT COUNCIL NEWS

For the purpose of keeping the school regulations more fully before the students, the Student Council is at present promoting an idea which promises to be very successful. The members are preparing the Constitution of the Student Government for publication. It will soon appear in booklet form. The Council is acting upon its own initiative in publishing and distributing this pamphlet among the students.

LIST'NIN' IN

As their share toward the Development Program of Ohio Wesleyan, the students of that institution voted that on Thursday noon of every week the student diet would consist of a bowl of mush and milk, nothing more.

The Village Council of New Concord, the home of Muskingum College, has recently voiced its disapproval of bumming within the town limits.

A proposed rule at W. and J., if ratified by the faculty, will empower an instructor to dismiss from class any student who presents an untidy or unclean appearance in the classroom.

The students of Antioch College have been given an opportunity to express their opinion of their professors in a concrete way. The President of that institution has placed in the hands of each student a blank on which they will rate the individual members of the faculty in several respects.

The Juniors at Oberlin have adopted a crazy quilt made up of 252 pieces of cloth bearing the autograph of each member as their 1926 standard.

What's in a name? Prof. Milo H. Neuenschwander is a professor in the Conservatory of Music at Muskingum College.

Glee Men Spring Surprise

A surprise was sprung in Chapel Wednesday morning and the student body was pleased to hear the Glee Club again.

They sang, "Here We Come from Otterbein," and "Otterbein Love Song," the numbers recorded yesterday at Richmond, Ind. After vigorous applause they sang an encore number, "Take a Look at Molly."
