A MESSAGE FROM THE PRESIDENT

I would like to welcome Football Coach Bob Agler back to the Otterbein gridiron this season. It will be a pleasure to watch the exciting style of football played by his teams once again.

As I begin my last year as President of Otterbein College, I am proud to have been associated with a college that values intercollegiate football for the sport that it is and not as a commerical enterprise.

Ever since football was introduced on our campus by Princeton graduate Robert E. Speer in 1889, the sport has provided an opportunity to learn mental and physical discipline, leadership, and teamwork for Otterbein men, many of whom have gone on to successful careers in various fields. Football here has not been without moments of glory — a victory over Ohio State in 1891 by a score of 42 to 6 — the great years of Coach Exendine in 1909-11 — the individual performances of such stars as Roy Peden, Dubbs Roush and Larry Cline — the conference championship team of 1946 — the "Harry Ewing Era, 1935-55" — and the 57-36-4 record compiled by Coach Agler's teams from 1955-1965.

It is evident that even here in the Big Ten area, interest in our college-division football is increasing and I am glad to see a fine group of freshmen and sophomores on the team this fall. In my last football program message, I think the best thing I could say is, "Good Luck, Team!"
