SPIRIT MARKS GAMES

Seniors Lose to Junior Aggregation in
Slow Contest by a 16-26
Count.

Spirited enthusiasm on the part of both the teams and spectators marked the first round of the boys' inter-class basketball series in which the teams representing the Junior and Sophomore classes were victorious. The games were fast and spirited and were the best exhibitions of the cage game seen on the college gym floor this year.

The first contest on the afternoon's bill between the Freshmen and Sophomore teams was by far the best of the two games. It was featured by hard, fast and rough playing by both teams. The score swayed back and forth and at no time was either team holding a commanding lead. The Freshmen held the edge in the early stages of the game but the Sophomores came back and tied the

ED HAMMON NEW HEAD OF PUBLICITY BUREAU

The work of the Publicity Bureau which has been so ably conducted in the past by Don Howard now has at its head a new leader in the person of Ed Hammon. Hammon has been one of the boys associated with Don Howard in this work and is well fitted to carry on the work and fill the place left vacant by the resignation of Mr. Howard.

TROOP ASSUMES ROLE OF DRAMATIC PRODUCER

Horace W. Troop, in addition to his work in the department of economics in the college, has assumed the double role of dramatic instructor and producer and this Friday and Saturday evenings at 8:15 o'clock in the high school auditorium will present his All-Star cast of American Legion Players in George M. Cohen's famous play, "The Seven Keys to Baldpate."

The play is of exceptional merit because of its setting, interest in the plot and its breath-taking climax. Special music by Myers' Orchestra will complete the evening's program.

Returned Missionary from Japan
Tells of Conditions in
Orient.

"A Message from the Orient" was the subject of the address given by Warren H. Hayes, '13, returned missionary from Japan, before a well filled auditorium in the United Brethren church Sunday evening.

Mr. Hayes developed the theme of his address on the power of love and in a very interesting way told of the conditions that now exist on the mission fields. He also was very pleased with the response the denomination made to the Sacrificial Appeal.

SENIOR RECOGNITION DAY COMES WEDNESDAY

With appropriate services the annual Senior Recognition Day program will be held at the chapel period this Wednesday morning. The program will be featured by an address, probably by President Clippinger, special music, and the singing of the Love Song.

Promptly at 8:35 the Seniors, arrayed in their caps and gowns, and led by representatives of the Junior and Sophomore classes, will begin the procession from the Association Building to the chapel. At the arrival of the procession all under-graduates will stand until the Seniors are seated.

Seniors Will Honor St. Patrick Tomorrow Night With Frolic

The stately Seniors will celebrate a relapse Wednesday night following Senior Recognition Day services in the morning. A big St. Patrick's Day party will wind up the strenuous day for the prospective grads when the austere fronts will fade to the rear, and amidst green surroundings they can frolic 'til they drop in their tracks.

The scene of the festivities will be the Philophronean parlors, where the show will begin about eight bells and last until the punch is gone and the chaperones turn out the lights. (Prof. and Mrs. Troop will serve in the latter capacity).

DEBATERS CLASH WITH WITTENBERG TONIGHT

Last Conference Debate of Season to
Be Held in College Chapel
Tonight.

Otterbein plans another defeat in addition to the two athletic defeats recently handed out for Muskingum when the last debate in the Conference season is held tonight between Muskingum, Wittenberg and Otterbein. The negative teams of all three colleges take to the road this time, Otterbein going to Muskingum, Muskingum to Wittenberg, and Wittenberg here for the home debate.

The subject for debate will be the same as in the other forensic contests: Resolved: That the United States and Canada Should Jointly Construct the St. Lawrence Deep Sea Waterway. Professor W. P. Sandford of Ohio State University will be the only judge for the home debate.

Hoover, Knight, Howard, and Harold, alternate, make up the negative team which will clash with Muskingum on their platform. Wood, McGuire, Miller and LaPorte, alternate, will defend the home platform against Wittenberg.

TEAMS DO GOOD WORK

Affirmative Team Loses Hard Fought
Argument to Ohio Northern
By 3-0 Score.

Otterbein debaters, in the second conference meet of the season, a triangular contest against Hiram and Ohio Northern teams, again split honors with their opponents, defeating Hiram by a 1-0 decision and losing to Ohio Northern 3-0, last Friday evening.

The affirmative team, Wood, Miller, McGuire and Arnold, alternate, accompanied by Professor McCarty and Clarence Laporte, time-keeper, journeyed to Ada, to meet Ohio Northern's affirmative team on their home platform, where they lost by a 3-0 decision. The judges were a high school teacher, a newspaper editor, and a professor from Bluffton College.

The negative team, composed of Hoover, Knight, Howard, and Kummer, alternate, debated Hiram's affirmative team in the college chapel, and were accorded a decisive victory by Professor Sanford of Ohio State, who acted as judge. Professor Sanford pleased the audience by enumerating the fifteen points upon which he based his decision in a speech following the debate.

MEETING OF COUNCILS OF ADMINISTRATION HELD

Representatives from the four Ohio Conferences under the direction of Bishop A. R. Clippinger met in the United Brethren Church last Monday and Tuesday in a Council of Administration. Supt. M. A. Ballinger of the Sandusky Conference, Supt. J. S. Kendall of the East Ohio, Supt. J. H. Harris of the South East Ohio, and Supt. J. H. Dutton of the Miami, represented areas. There was also a delegate from the Tennessee Conference.

The morning of the first day was taken up chiefly in hearing the Conference Superintendents' and Treasurers' reports. Bishop A. R. Clippinger's report was also a part of this session. At the evening meeting proposed legislation for the General Conference was considered.

FACULTY MAKES CHANGES IN FINAL REQUIREMENTS

Requirements in Bible Changed from 8 to 6 Hours—Freshman English Changed from 2 to 3.

Several important changes in the minimum requirements for graduation were made at a Faculty meeting held in the President's offices last Monday evening.

The more important alteration consisted of reducing the number of hours of Bible from 8 to 6. The entire requirement may be worked out in the Sophomore year, the course being 3 hours and composed of a combination of the Sophomore and Junior Bible courses.

An addition to the minimum requirements adds Religious Education to the condition which formerly read History or Social Science. This variation came about through the increasing value of Religious Education all over the country. The subject is quickly becoming popular in the many educational institutions of the state; hence such a change was deemed wise.

For the Freshmen the English Rhetoric and Composition course has been changed back to 3 hours, the former standard. The 2 hour course did not blend with the Freshman schedule as well as the Faculty had hoped it would. It was the general opinion at the meeting that too many freshmen needed more than two hours of English to better equip them for the remainder of their courses.

A course in Orientation will be required of Freshmen next year during the first semester. The regular chapel period will be taken up every Saturday morning by lectures on the history, regulations and customs of the college by President Clippinger. No credit will be given for this course.

Mrs. Cook's Sunday School Class To Give St. Patrick's Day Party

Mrs. Cook's Sunday School class is planning a party to be held in Cochran Hall parlors on Friday evening, March 20. The party is to be carried out on the theme of St. Patrick's day. Various committees have been appointed and are working on the plans to make the party a success.

Y. W. C. A.

Y. W. C. A. was most delightfully favored Tuesday evening by having as leader, Mrs. Horace Troop, a former member. The subject of Mrs. Troop's talk was "Strength". She likened character to an archway having as the keystone, intelligence. "It is our business," she said, "to acquire all the education we can in order to help us to live and to appreciate the other fellow and to do all we can for him." As the foundation stones of the arch, Mrs. Troop used honesty, fair play, industry, diligence, unselfishness, influence and consideration.

Lenore Smith led the devotions of the evening and Gladys Snyder played a piano solo.

GLEE CLUB PLEASURES GEM CITY AUDIENCE

College Songsters Have Successful Week-end Trip Through Miami Valley.

The most successful Glee Club trip of the season began when the club left Westerville last Friday afternoon for a three day concert tour in the Miami Valley, around Dayton, Ohio and did not return until late Sunday night. The first concert of the trip was given at Lewisburg where a filled auditorium bespoke the people's pleasure at the songsters' performance.

The crowning event of the trip was the performance in the Memorial Hall at Dayton, Saturday night, where the club presented its program to its largest audience of the season, thus far. The Glee Men reciprocated with their 1200 eager listeners by putting across by far the best concert of the season. Two encores at the end of several of the groups were necessary to satisfy the pleased audience.

Staying over in the Gem City until Sunday afternoon, the Club gave a half hour program before about 750 people in the National Cash Register Company's School House. This was not a regular concert but a preliminary to an Inter-denominational Missionary Conference held there under the auspices of the Dayton Council of churches.

CONDITIONS OF STUDENTS IN EUROPE REVEALED

Miss Elizabeth Bredin, Secretary of the World Student Friendship Fund, gave a lecture in the conditions of students in Europe in chapel this morning.

Miss Bredin has traveled extensively in Russia where she made a detailed study of student life. She will remain on the campus for the remainder of the day.

In her speech Miss Bredin strongly urged that students give as much as possible to the Student Friendship Fund, which gives financial aid to the students in Europe who are struggling for an education.

'04. W. B. Brubaker, who is serving as field agent for Bonebrake Theological Seminary and is spending some time in the state of Kansas, conducted the devotional exercises in the Kansas state senate on February 27, the invitation to serve in this way being extended to him by the chairman of the senate.

'13. Carl Vernon Roop of Findlay, Ohio, conducted an evangelistic campaign at Mt. Zion Church near Bucyrus the last two weeks in February which proved to be the greatest revival that community has experienced for a number of years. Mt. Zion church is one of the thriving rural congregations of Sandusky Conference.

'15. Lewis M. Hohn, who has been pastor of the United Brethren church at Cherry Grove, near Cincinnati, is in the midst of a building campaign. The church in that place was burned last summer and the congregation is now beginning work on a new thirty thousand dollar church which will be modern in every respect.

'14, '07. Mr. and Mrs. Guy F. Hartman (Ora Bale) of Canton, spent a few days early last week at the home of Mrs. Hartman's parents, Mr. and Mrs. W. C. Bale, in Westerville. Mr. Hartman attended the meeting of the council of administration of the central area, held in Westerville on Monday and Tuesday.

'07. Dr. Harry H. Haller, pastor of the United Brethren church at Gridley, California, and the people of his congregation laid the corner stone for a new church building on Sunday, February 22. Bishop Washington of the Pacific district was the preacher on that day and had charge of the corner stone laying and the appeal for funds.

'24. Miss Ina Gamertsfelder, who left this country early last fall for missionary work in Japan under the Evangelical Church, is now in language school in Tokyo. During the Christmas vacation in the school she visited a number of points of interest in and near Tokyo, going on one day's excursion to the Hakone Mountains and attending Christmas exercises conducted by the missionaries in several places not far from Tokyo. In addition to her study in the language school Miss Gamertsfelder is teaching three evenings a week in the English night school and is helping in the mission with work for the children. She finds her time well spent and is very happy in all her work.

'86. William S. Gilbert, who has served as United States army chaplain in two wars and who is now executive secretary and superintendent of national missions and Portland, Oregon, has been appointed chairman of the parade committee for the Interna-

tional Christian Endeavor Convention which is to be held in Portland next July.

'11, '13. Mr. and Mrs. Park E. Wine-land (Bertha Richards) of Dayton, Ohio, have announced the birth of a daughter, born February 24. The baby has been named Mary Alice.

NEARLY ORIGINAL WIT (By Tee and Cee.)

Which is the richest class in O. U.?
First place, Sophomores, four Nichols;
second place, Freshmen, one Pinny (penny).

WHO PAYS?

Before the dawn of history,
In Neolithic days,
There was dusty proverb
That the woman always pays.

I met her at the Dresher,
And there we had some tea,
For which I paid the Dresher
Four dollars sixty-three.

We had a bite of dinner
No kind of meal at all,
It only cost six iron men,
Our appetites were small.

Our tickets for the Hartman
Were very poor; but then
I really had no right to kick
They only cost me ten.

After that a supper club
With lemonades for two
The check was only three bucks
Quite reasonable, too.

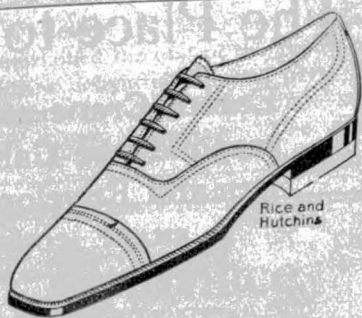

Her home was in Linden,
A taxi took us there;
It only cost a five or so
To pay the taxi fare.

And now that we are civilized
At least we think we are,
I think of prehistoric man
And envy him afar.

For who would not prefer to be
A caveman in those days,
When truth lay in the proverb,
"That the woman always pays."

Spring Sports

If the spring sports are to be a success more men must respond to the call of the coach. That is the sum and substance of the situation of spring athletics here at Otterbein. More men is the great need of the coach. The one essential factor in building up a winning team is the availability of men.

Spring sports here at Otterbein are further handicapped by the fact that the personnel of the three teams is made up of nearly the same men. The only way this unfortunate condition can be remedied is the availability of more men for each sport.

Spring sports have been on a decided upward trend in Otterbein during the past few years and whether or not they are to continue their forward progress will depend to a great extent on the manner which students respond to the call to varsity duty. The success of the season is in their hands.

Giving Midsemesters

Within the next few weeks the midsemester examinations for this term will be given. We don't look forward to the exams with any great amount of pleasure, not so much because we fear the exams but because we dread the way they are given. We believe in tests and realize they are more or less essential to an accurate

determination of a student's grade. But we do not believe that a student's grade in any one subject can be accurately determined by testing him in two or more subjects on the same day. It seems to us that giving a student three tests in one day is very unjust and unsatisfactory from every point of view.

It is not at all difficult to realize that if a student has to prepare for three tests in one night and then more than likely take these tests in three successive hours, the results from the point of view of either the student or the instructor are very likely to be unsatisfactory. The evils existing in the present system of giving midsemester examinations are obvious.

We do believe, however, that it is entirely practical and not a difficult matter for the members of the faculty to get together and arrange a schedule for tests so that they would be more evenly distributed.

Show Your Spirit!

Tonight the debate teams for the season of 1925 will appear for the last time. The team is not below the standard of past years and the only ordinary showing of the teams can be accounted for by the fact that misfortune after misfortune followed the teams. Sickness first took its toll, robbing one team of one of its strongest members and other interests occupied the time of other available material.

The attendance at the last few debates was far below the Otterbein standard. A large attendance is the only way we can show our spirit and prove to the team that we are back of it. We owe it to them no less than we do to the football or basketball teams. Let's all go to the debate tonight and show our spirit!

— O C —

Who Loses?

Nothing has more retarded the progress of the various campus organizations than indifference and ridicule of the little minds on the campus. Ridicule has contributed more to the downfall of organizations than any other force. All industry must be excited by hope. The success of any campus activity depends upon the co-operation it receives from the student body.

Here in Otterbein every man who is put at the head of some phase of college activity takes the responsibility only to serve his Alma Mater, receiving no recompense save what little honor may be forthcoming after he has accomplished his task successfully. He lives and works in hopes that his efforts may be appreciated, but when he is continually at the mercy of bigoted and idle minds, all interest is lost and the hopes of success are defeated by contempt and insult. The organization which he leads goes down with his ambitions and Otterbein is the loser.

— O C —

IT STRIKES US—

That we are looking forward to successful seasons in all three of the sports.

That those girls' inter-class basketball games are a fight to the finish. There is enough material on the teams to turn out a first class varsity outfit.

That we're all glad it is only two short weeks until the spring vacation

That the recital given last Wednesday was one of the best ever.

That mid-semester examinations can not be far away.

That the man who is satisfied with himself will rarely find others who are.

That the inauguration of Honor Day will mean much to Otterbein.

That Otterbein's athletics will start on the up-grade only when we have more boys in school. A successful campaign for more boys in next year's class will solve the problem.

That we are anxiously looking forward to the spring vacation.

That the number of contests on the local field in both baseball and track pleases us.

TO OBSERVE FORENSIC DAY ON CAMPUS SOON

Recognition To Be Given Men Who Have Participated In Inter-collegiate Debate.

The first "Forensic Day" to be observed on Otterbein's campus will be held here on March 24. The day will be set aside for the recognition of all men who have participated in inter-collegiate debate and oratory this year.

Two week end festivities will enter into the general recognition for the debaters and orators when Professor and Mrs. McCarty will entertain the Affirmative debate team at dinner on Friday night and the Negative outfit on Saturday night.

On Monday morning at chapel public recognition will be accorded the forensic representatives and a short address will be made about the place of forensic activity in the place of the school by Prof. McCarty and perhaps a short talk by Prof. Marshall of Wesleyan may be on the menu.

The first "Forensic Day" will be due honor to those who have spent months and months of study and effort to rank Otterbein high in forensic realms and it is hoped that the day may become an annual affair to spur Otterbein's representatives to higher efforts and to enlist the support of the school without which the efforts of the teams would mean but little.

COACHES ATTEND OHIO CONFERENCE MEET

Yesterday, Monday, March 16, the coaches and athletic directors of the different colleges of the Ohio Conference, met in Columbus for the annual "grab" for dates for next year's basketball season. At the same meeting, officials will be chosen for the football games next fall. Coach Dittmer and Director Martin represented Otterbein in this meeting.

Glee Club May Make Records of Popular Otterbein Songs

F. M. Pottenger, Jr., business manager of the Glee Club, announces that if sufficient orders warrant it the Glee Club will make phonograph records of the "Love Song" and "Here We Come from Otterbein."

Orders are being taken at all concerts and students will be given an opportunity to subscribe at the home concert. The records will not be made until after the concert season closes. The price of the records will be one dollar each.

President Has Busy Week.

President Clippinger spoke to a union of all the churches in Canal Winchester, Ohio, last Sunday evening.

Tonight the president will address the teachers of the Westerville Grade and High Schools on the subject of "Some Professional and Practical Suggestions on the Work of Teaching."

Friday evening he will give an address on Religious Education before an East End Community meeting in Columbus.

SPEAKER PRAISES WORK OF OTTERBEIN COLLEGE

"Put" Sandles, who attended Otterbein College in the early '90's" and who was formerly Secretary of Agriculture for the State of Ohio, spoke recently before the Business Mens Association of Westerville.

Mr. Sandles in his speech stressed the fact that Otterbein College has been a big factor in making Westerville the town it is. "Thirty years ago I attended Otterbein College, and I know that no yard stick can ever measure the good that this institution has done for the community as a whole," he said.

TENNIS MEN MAKE READY FOR SEASON

Captain Patrick who also serves as coach in his particular sport is beginning to look around and take an inventory of the material on hand to make up his tennis crew for the approaching season. Patrick is the only letter man this year. Although a veteran of several matches last year in the person of George Bechtolt will be a running mate to start things going.

There is much good material in the Sophomore class to fill the vacancies left by those who graduated last year. Snavely is probably the most promising of the new candidates, although it is not yet certain as to just who will report.

Walter Camp, Noted Football Authority, Dies Saturday

Walter Camp, veteran authority on football and athletics generally, was found dead in his bed at the Hotel Belmont, New York, shortly before noon Saturday. He had apparently died during the night as the result of a heart attack, probably without awakening from sleep. He was in his sixty-sixth year.

Mr. Camp had been in New York to attend the meeting of the inter-collegiate football rules committee, of which he was secretary.

Junior Actors Enjoy Informal Party at McCartys Monday

Professor and Mrs. Leon McCarty entertained the cast of the Junior play with a delightful informal party held at their home on South State street last Monday evening. The guests

engaged in a series of clever contests, in which the "Tweedles" family were pitted against the "Castleburys," the final result of the contests being a draw between them. Later in the evening Mrs. McCarty further delighted her guests with an excellent two-course luncheon consisting of sandwiches, dessert and hot chocolate.

GRABILL DEDICATES ORGAN

Professor Grabill was greeted by a very large and responsive audience when he gave the dedication recital of the organ in Arlington Street U. B. Church, Akron, Ohio. There were over 1500 people crowded into the auditorium for the dedication services.

The Arlington Street Church, of which Rev. M. A. Wagner is pastor,

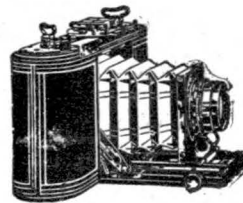

is capable of seating over two thousand people in the sound of the speaker's voice. However, part of this number would not be able to see the speaker.

HECTIC BATTLE PROMISED IN CLASS GAME TONIGHT

This evening in the college gym at 7:30, teams representing the Sophomore and Junior classes will meet in contention for the inter-class basketball championship of the school. These two teams are very evenly matched and a hectic battle is expected. In the games played Saturday both teams showed ability and speed but most enthusiasts look to the Sophomores to win. However, the Junior team will be strengthened considerably with Widdoes in the line-up.

The two teams will probably line up as follows:

Sophomores	Pos.	Juniors
Snavey	F.	Widdoes
Allison	F.	Upson
James	C.	Porosky
Buell	G.	Seibert
Carroll	G.	McMichaels

Captain-Elect Carroll Widdoes
Receives Honorable Mention

Carroll Widdoes, right forward, was the only varsity man to receive honorable mention by the Cleveland Plain Dealer in its selection of an All Ohio Conference team for the past season. This honor comes in recognition for the consistent good game he put up throughout the season. His basket shooting was extraordinary and he averaged better than eleven points per game.

Frank Durr No. 2

Durr hails from Marion, the home town of Harding, Fletcher, George Fann and "Eddie" Knachel. "Kotsy" starred in athletic circles at Harding High in both football and basketball. Here at Otterbein he was a little slow in getting started but when he got to moving he set a fast pace. He has annexed two football letters and one basketball letter during his athletic career. "Kotsy" was a guard on the gridiron of no little ability and he showed up especially well in the Case game at Cleveland this fall. On the court team he played a bang-up game at guard and was one of the best back guards on this year's team.

TWENTY MEN RESPOND TO BASE BALL CALL

Base ball uniforms were issued to about twenty men who responded to Coach Ditmer's call for base ball candidates last week. The early practices were held in the gymnasium, but during the latter part of the week, the men were taken on the field. Last week the squad did little more than toss and pass the balls around in order to loosen up stiff arms and get into the swing of things.

Competition between the candidates will be keen as there are several aspirants to every position. The pitching staff is the biggest problem but this one is expected to clear up within a few weeks.

JUNIOR GIRLS ARE INTER-CLASS CHAMPS

In a close game that ran into the second overtime period, the Junior co-eds defeated the Freshman girls Thursday afternoon by a single point and won the girls' inter-class championship. The game ended 6-6. The first overtime period was scoreless, as was the second, but simultaneously with the timekeeper's whistle the referee called a personal foul on a Freshman, giving Widdoes two shots. On one of these she looped the ball through the rim, making the score 7-6.

Star High School Athletes Visit Campus Last Week

Last week two star high school athletes, Glen Smith and James Morgan of New Philadelphia were on the campus and in attendance at the Otterbein-Muskingum basketball game.

Both Morgan and Smith were given births on the All-Sectional team at the tournament held at Muskingum the former placed at forward and the latter at center. Smith excels in other sports as well, being an end on the football team. He has a pole vault record of eleven feet. Morgan is a hurdler of no little ability. There is a possibility that these two athletes may come to Otterbein next fall.

Otterbein Forward Places Eleventh In Ohio Conference Scoring List

With the 1925 basketball season over and official scoring figures released Widdoes, with a total of 121 points is listed as eleventh man in the Ohio Conference scoring list. In nine games he scored a total of 49 baskets from action and 23 from the free-throw line for an average of better than eleven points per game. All the men who headed him in the list save one, played at least two and in a few instances five more games than Widdoes.

Veterans Who Will Captain Varsity Teams In This Spring's Activities.

When the athletic teams representing Otterbein in the three spring sports take the field, they will be captained by veterans of three years' varsity service. The baseball team will be led by Paul Garver who has earned two letters in this sport. "Bot" has had the tough assignment of holding down the "hot corner". Abel Ruffini leads the tracksters in this year's activities. "Ruff" is a dash man of no little ability and he excels in the 440-yard event. He is certain to win many points for O. C. this spring. Merrill Patrick directs the destinies of the tennis team and he is capable of doing it well. "Pat" is a versatile man with the racquet and excels in every department of the game.

EIGHT MEN AWARDED BASKETBALL LETTERS

At a meeting of the Athletic Board held last Tuesday eight basketball letters were awarded for the season of 1924-25. Only four men played the required time yet because he had substituted freely the coach recommended that letters be given eight men. Those who received letters were, Captain McCarroll, Snavey, Captain-elect Widdoes, Seibert, Seamon, Carroll, Upson and Stair. A manager's letter was awarded to R. O. Royer.

Lester Cox was elected to the basketball managership for next year. Walter "Dutch" Reigle was selected as the baseball manager for this spring.

Varsity "O" Association Will Present Minstrel at Johnstown

The Varsity "O" Association is going to stage its minstrel show at Johnstown next Wednesday night, March 25. The Blackfaced Athletes pleased with their presentation here and are now working hard to make the minstrel a success at Johnstown.

CARROLL WIDDOES IS NEW BASKETBALL CAPTAIN

At an election held last Monday evening after the dinner given the basketball team by Doctor and Mrs. Snavey, the members of the basketball team elected Carroll Widdoes as the captain of next year's team. Widdoes readily merits the honor which has been bestowed upon him as his work throughout the season just over has been of high calibre.

Bonalyne Darnell spent the week-end with Eleanor Ward at her home in Dayton.

The Dayton alumnae of the Owl Club entertained Miss Bonita Jamison and the active members of the club over the week-end in Dayton. Friday night they had a get-together at the home of Ruth Koontz. On Saturday their luncheon at "Willwen" was followed by a theater party at the Victory. The whole party will agree that "The Nervous Wreck" was good but for real entertainment the Otterbein Glee Club was "right there" Saturday evening. Dayton alumnae members are Misses Ruth Koontz and Nettie Lee Roth, Mrs. F. O. Pansing, Mrs. Roy Peden, Mrs. Paul Fouts, and Mrs. H. E. Michael.

On Wednesday evening all fourth floor girls in Cochran Hall genuinely and most delightfully surprised Ernestine Mozer in honor of her birthday.

Laura Whetstone was at her home in Columbus Saturday and Sunday.

Anne Jackson, now in school at Ohio Wesleyan, was with the Onyx girls this week-end.

Margaret Haney visited her sister Lillian at Athens, where she is attending Ohio University.

The Onyx Club spent a lively Saturday evening at the home of Isabel Nolan.

The Tomo-Dachi Club enjoyed a push and slumber party given by Babe Bingham at the Bennett Cottage Saturday night.

Rev. and Mrs. O. E. Knepp, who were in Westerville Monday and Tuesday to attend the council meeting, visited with their daughter Pauline and brought an abundance of delicious good things which were appreciatively shared by the Talisman Club.

The Onyx Club greatly enjoyed a pot-luck supper at the home of Pusyfoot Johnson Monday night.

The eleven girls who were in Saum Hall this week-end made merry with a pop and popcorn push in the basement Saturday night.

Elinor Howe was the Sunday guest of Mrs. Alice McElwee.

Fourteen present members of the Arbutus Club, Pauline Stubbs and Ruth Deem were guests of Rhea McCaughy Howard, Lucile Wahl, and Marie Comfort in Dayton this week-

end. A continuous round of events, including a progress luncheon Saturday noon, a matinee party and dinner at "Willwen" Saturday evening, and the Glee Club concert, to say nothing of the good times at the homes of the Dayton girls, kept the guests merrily engaged. They, too, join in pronouncing the Glee Club concert the finest they have ever heard.

Florence Howard, Josephine Albert, Charlotte Owen, Beulah Wingate, Louise Stoner, Mary Long, Betty Plummer and Joan Fox were in Dayton over the week-end.

Adelaide Pottenger and Elizabeth Saxour met their father, Dr. F. M. Pottenger, Saturday and they visited Mr. and Mrs. F. A. Z. Kumler in Dayton.

COED COLLUM

It's spring—

When every "Blue Eyed Sally" likes "Tea for Two" but hates to be "All Alone".

And "Charley My Boy" wants to be "A new Kind of Man."

The senior girl doth nightly pray, "Oh, Junior girls please keep away Don't lead my cap and gown astray."

The dog "Zip", just by dying, gets a half column in this paper, but when a student, present or has-been, marries he gets a couple of lines. And which we ask you is the greater tragedy?

Black will be worn much by seniors this spring.

We'd say spring was the season for pussy-willows and dearest-will-you.

Spring Fever

Who isn't thrilled to study education in the library on a perfectly grand spring afternoon like this? It is amazing how well one can concentrate—The secondary schools of Germany consist—Isn't that cardinal gorgeous! And this breeze. Anyone could write poetry on a day like this. Consist of two—Two! That's strange! Now there's an example across the table. Two! They can't concentrate like I can. Look at them—The Germans—That's not a German. It's an Italian peddler. Hey, you across the table! "What's he yelling?" Apples? No? What?

"Aw, shut up. Its cantelope, cantelope."

"Mame."

WILLIAMS

There was a very large group of Alumni at the Dayton Concert of the Glee Club. Among the group there were, Park Wineland, Cecil Conley, Charles Hall, Irvin Libecap, Gordon Howard, Roy Peden.

Wilbur Coon, '23, and "Perk" Collier, '23, were in town over Sunday.

Among the many who made the trip to Dayton to the Glee Club concert in Dayton were four brave men from the Alps Club. It was certainly a cold trip for these boys as they went astride a topless Lizzie. The ones who endured the hardship were Harold Gibson, Eddie Seibert, Paul Upson, and Emerson Whitehead.

Russell Cornet was here yesterday evening.

A great number of fellows followed the Glee Club to Dayton to their homes or to the homes of their friends. Among the group were Emerson Siddall, Don Howard, Walter Martin, and Reginald Shipley.

A number of students had the privilege of seeing Ohio State's Championship Basketball team beat Wisconsin last Saturday evening. Those who went were John Carroll, Clarence LaPorte, Charles Lambert, Myron Reck, Burdell Jacoby, and Ted Bennett.

Henry Davidson visited with his brother on the Glee Club's trip this week end. Henry was a member of last year's club and enjoyed being with the club.

Dwight Arnold went with the debate team to Ada last Friday.

Ed Hammon entertained Bob Cavins at his home in Dayton this week end.

Perry Laukhuff motored to Dayton Saturday. He was accompanied by a group of Girls and Mrs. Routzohn.

"Skipper" Wertz spent the week end in Hillsboro, Ohio, at the home of Miss Louise Huggins.

It strikes us in this column that when the people from Dayton go home that there is not a whole lot to do. Many a lonely man could be seen on Sunday. There was a great number of stags on Sunday afternoon promenades.

Nathan Roberts, member of the Glee Club last year, met the club at Lewisburg to take them to the hall.

Delbert Neff visited with friends at Ohio State, Saturday and Sunday.

David Hartzell, who was at school last year but was unable to attend this year, entertained Chas. Kellar in Dayton last Saturday afternoon.

FOOTBALL RULES CHANGED

Several Important Changes Are Made in Football Playing Rules for 1925.

The return of the kick-off to the kicker's 40-yard line; a change in the rules involving blocked kicks behind the line of scrimmage and the refusal of the rules committee to consider the return of the kicking tee are the major changes made in the football rules for 1925.

The rule putting the kickoff back to the 40-yard line was expected and it was thought that the kicking tee would be restored, but the committee members ruled differently.

The change involving blocked kicks provides that if the ball does not cross the line of scrimmage, it shall belong to the side recovering the ball.

If, however, the kicking side recovers it shall count as another down. Last year, if a blocked kick was recovered by the kicker's side, it went as a first down. All partly blocked kicks which cross the line of scrimmage will rank just as if the ball had not been touched.

Another ruling provides that the captain of the team winning the toss may choose to receive or kick in addition to selecting the goal which he will defend.

The penalty against clipping was increased, providing for a 25-yard setback from the point at which the clipping was done.

MEN'S GLEE CLUB WILL TOUR NORTHERN OHIO

Invading the up-state country for the first time this year the Otterbein Glee Club will give two concerts next week. Friday night, the Club will perform at Rittman and Saturday night, the Club will give its program before an Akron audience. A large crowd is expected at Rittman because of the fact that the Gleemen made one of their biggest hits there last season. Although this is the first concert for several years at Akron, a good attendance is anticipated by the many alumni there.

last Thursday evening. The address was exceptionally appealing for the speaker had first hand information about his subject having spent three years at Korea in the mission field and having been a keen student of missionary enterprises.

The theme of the address was "that he who saves his life shall lose it but he who loses his life shall save it." Mr. Campbell illustrated his speech with dramatic incidents drawn from the lives of such men as Livingstone and Taylor.

score in the last few minutes of the game. In the overtime period Allison scored by the free throw route and won the game for his team mates by a 25-24 score. Buell and Barnes, the flashy Freshman forwards, probably showed up the best for the yearlings. Allison and Snavelly played well for the Sophomores.

Juniors Win.

In a game that was in direct contrast with the Freshman-Sophomore

game the Juniors defeated the Senior aggregation 26-16. The first half was the Seniors' by a 9 to 4 score but games are not won in halves and the Juniors closed the game with a ten point lead over the rivals.

Because of an injury to his knee Garver was forced to retire late in the second half and the Seniors finished the game with four men. McMichaels was the best bet for the Juniors.
