Annual Publication of the Junior Class

OTTERBEIN COLLEGE

Westerville, Ohio

Dedication

Memories — what a wealth of suggestion in one small word. Memories of life and love, of sorrow and disappointment, of joy and victory. All are shining, drifting, fragrant reminders that will come to haunt us after we leave the campus. Because life is ultimately beautiful and because the co-eds are such an important part of this life, we humbly offer this book to them on the altar of our respect.

W. DEMOTTE
BEUCLER

Foreword

In the making of any book, the author has different emotions and feelings at different times. Part of the book is written when he is sad, another part when he is happy. So in the course of creation the book acquires a definite personality, a direct gift from the author. Since the SIBYL has been made by the entire Junior class, it has taken for itself a composite personality. If this annual is a faithful portrayal of college life, (and after all, that must be the purpose of every yearbook), then its success is based on a genuine love for Otterbein, a love that dominates the personality of every member of the class.

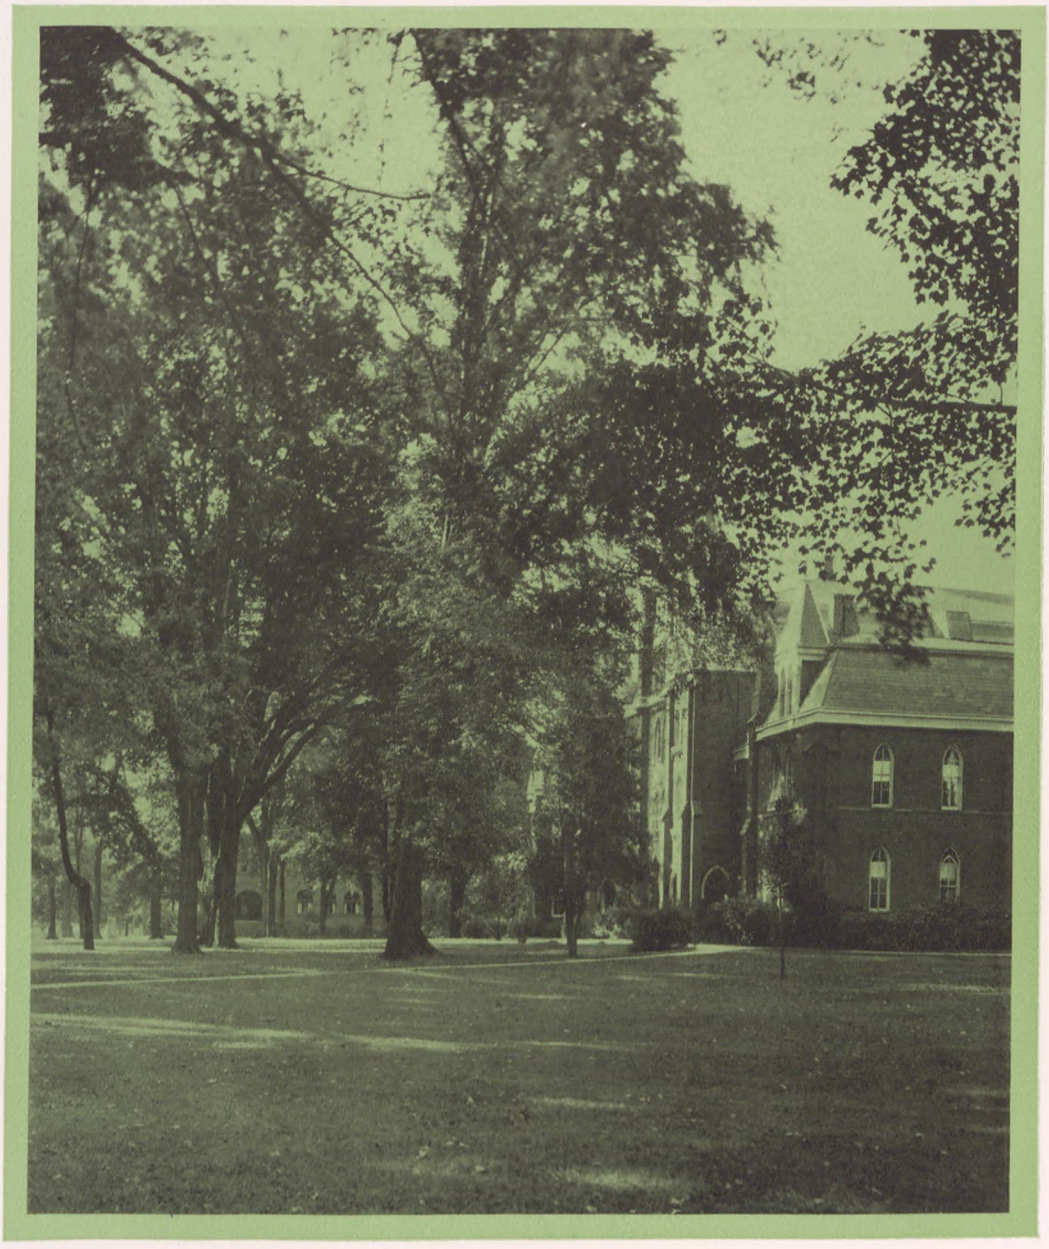
"Her halls have their own message, of truth and hope and love."

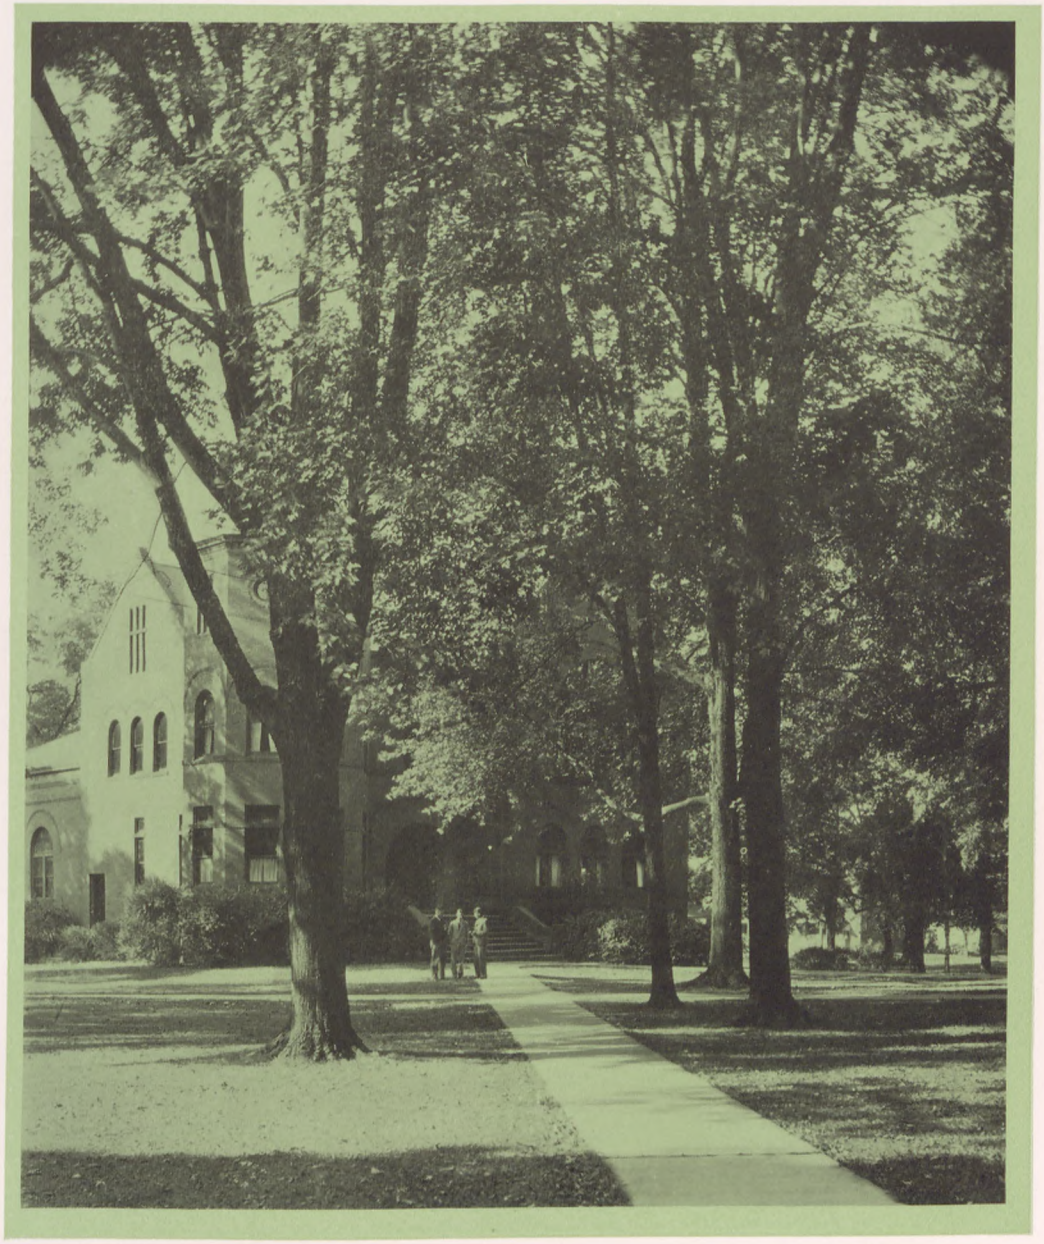
—*Otterbein Love Song.*



Like some grey monk whose saddened cloak is girt
With beads of silence . . . crucifix of sighs,
Upon the cold and selfish earth you kneel
With hands stretched out, ecstatic to the skies.

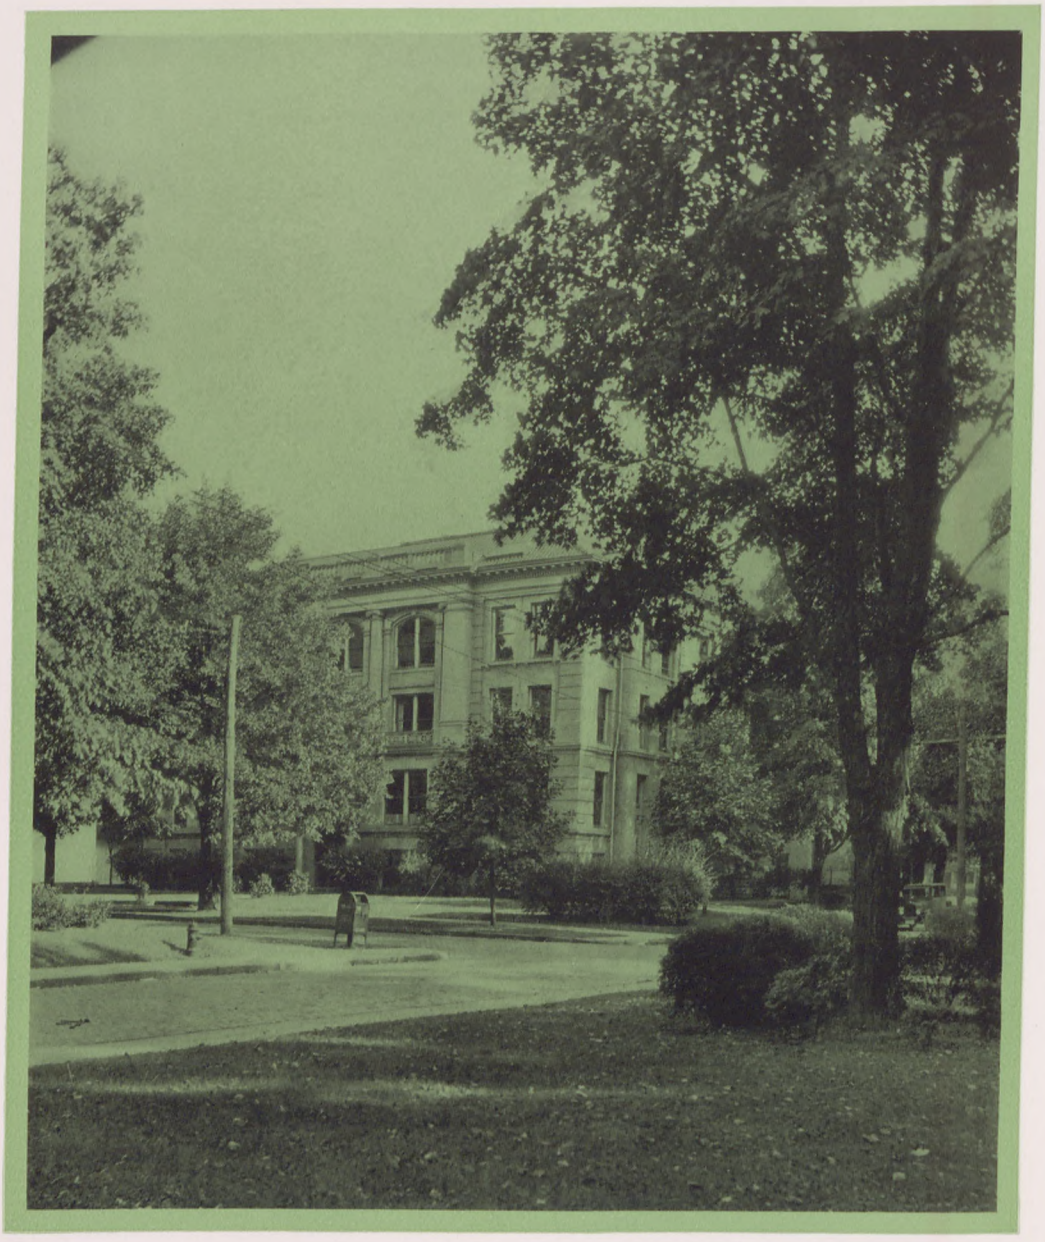
—*Steinart.*

So all was merriment, heart-warm and clear.
—*Shores.*



The work of a bricklayer goes to the blue
The knack of a mason outlasts a moon.

—*Carl Sandburg.*



I am music. Servant and master am I.
Through me the spirits immortal
Speak the messages
That make the world weep
And laugh and wonder and worship.

Dreams so fleeting, sweet and hurting,
Dreams that sigh and steal away,
Can I hold you—still asserting
You are mine through night and day?
—*Peter Pan.*

For I have seen
beauty that has
shaken my spirit
and it is that will
sting my eyes
forever.

Are not books written precisely to hide what is in us?

Service is the supreme gratification of human desire.

Senior Class History

This matter of history becomes, at best, only the dignified and the dead. We claim the honor of the ancient sobriquet "dignified" bestowed upon those reaching a much-to-be-desired stage in life and press on, making even more history.

In the year of our Lord Nineteen Hundred and Twenty-eight, there go out from the Halls of Otterbein men and women who have met the tests of four years, in the number of ninety-five. Were we Latin students, we should use the words of the immortal Cæsar.

The Campus World acknowledges our superiority but we find the pitiless inquiry of the younger generation already coming to us in the way of what we have done. We have done much and we haste to answer.

The Class of '28 is marked by athletes, musicians, journalists, dramatists, orators, debaters, and artists of various kinds. Rumors of our achievements, our prowess, and our versatility, have by this date gone into many lands.

Did not our boys, under the charm of of wearing of the green decide the Scrap Day tie by winning the annual Soph-Frosh football tilt? Indeed they did and the Green waved high in '24 and '25.

As we are still thrilling over our conquests we must recall the day the fellows presented their green caps to the student body in chapel using eggs for ballast. That was a great day. As I remember, Varsity "O" en masse met them as they descended to the green and a bit more history was made.

The Class of '28 has not been too busy to be sociable and our social and progressive inclinations are marked by our climb from the never-to-be-forgotten Hay-ride in the fall of '28 to parties and banquets of number.

The Junior Frolic and the Junior Class Play "THANK YOU" also come in for attention when thinking in terms of the annals of a great class. Both these events helped financially to make possible the SIBYL of '27 by the Class of '28.

The girls here deserve a special word. Were they not the first class to come forth in distinctive garb in the spring? Ah, yes, they came forth resplendent in smocks of many hues to meet their playmates in their brightly colored vests. Thus, the Class of '28 has made history and inaugurated custom as well as added new color to a bright spring.

All honor to those who have taken the Class of '28 from the land of the green to the stage of "no final examinations." Louie Norris guided our destiny in the perilous year of '25; "Bob" Knight was wisest of the wise as he gravely piloted the Sophomores; George Griggs led with vim and vigor the gay Juniors and "Hank" Gallagher has preserved the luster and dignity of the Seniors.

The real history of the Class of '28 cannot be told. It has been written indelibly during the past four years. May this history be a challenge to others.

We've had a good time and we have to make place for others, we call in passing HAIL AND FAREWELL.

CLASS *of* 1929

The Class of '29 entered Otterbein in the fall of 1925, 194 strong—the largest class in history. High in hopes and ambitions, we determined to be the best class that ever graced the halls of Alma Mater. It is not for us to say whether or not we are achieving our goal, but we can claim that we have kept the faith.

Under the leadership of Harold Thompson as president, we entered upon our freshman year. Determined first of all to win our way into the hearts of the professors, we eschewed all frivolity, our one social adventure being the Freshman-Junior Banquet at which the Freshman Married Men's Club played such a stellar role. We made our mark scholastically, and displayed our ability in debate by decisively defeating the sophomores.

Our new president, Albert Mayer, started us off on our sophomore year with no little élan. Opening the year by defeating the freshmen in the scrap day events, we celebrated with a peppy Hallowe'en push. We showed our generosity to the world at large by allowing the freshmen to carry away the honors in football and debate, but maintained our supremacy along other lines. The crowning event of the year, the Sophomore-Senior Banquet, thanks to Dean McFadden's little pistol, went off without a hitch.

During the presidency of Don Shoemaker in this our Junior Year, we have engaged in activities more befitting upper classmen. The class of '29 has been represented in all worth while campus projects, has shown its ability in scholarship, music, athletics, dramatics, forensics, and other fields, and has performed creditably many tasks, not the least of which has been the publication of the 1928 Sibyl.

SOPHOMORE CLASS HISTORY

In October, 1926, the Otterbein Science and Psychology Laboratory received some new specimens which not only proved interesting to study, but afforded also, a valuable addition to the laboratory. The superintendents began immediately to prod about with their instruments to ascertain the exact nature of us, the poor helpless unfortunates. They promptly labeled us "freshmen" and began their tests.

We had scarcely opened our wondering, blinking eyes before they subjected us to four hours of a strenuous or what is known in the intellectual world as a "nut" test. We never learned the results of that test, but we yearn for the time in the future when we can impose a penalty of ninety years of hard labor on those instructors who caused such inconvenience.

Next, the laboratory was arranged in the form of what mortals call a "football field," and we were forced to contend with a large and pretentious group of the other objects of experimentation. We did not seem very successful in "putting things across" when it came to pulling the other specimens across Alum Creek, but we have put some things over.

One of those was the Freshman-Junior Banquet. In spite of conspiracy in the laboratory, we finally were allowed to partake of the very best viands of all Bugdom.

Then came that memorable day on which our experimenters removed the old label and classified us anew, as "sophomores," our attitude promptly changed, and we in turn began to look with interest upon a new class of specimens, also called "freshmen." Many are the happy times we have had, in this second epoch of our life history, by being of use to our instructors in applying once more the tests to those poor unfortunate specimens who have lately arrived.

FRESHMAN CLASS HISTORY

My days were full of blunders.
Oh, how I sometimes yearned,
To live one year for practice,
Another, when I learned.

—*Freshman.*

The Class of '31 was privileged to have a special period in which to adjust itself to collegiate ways. Freshman Week proved itself a success and has been considered worthy of repetition in the coming years. The Mixer, banquets, and organizations of all kinds endeavored in many ways to make the bewildered Freshman forget his newness. The new students soon after their arrival blazed forth in their superfluous marks of distinction; the tan and cardinal caps and ribbons.

Many of the honors for the events of Scrap Day were carried off by the Class of '31. Alum Creek was quite stirred by the surprised group of Sophomores pulled through its rippling waters. The Freshmen gave a party, November 17 which inspired a greater class spirit. The annual Freshman-Junior banquet occurred the first of May.

May the coming years be happy and profitable ones to the Class of '31 and to Otterbein College.

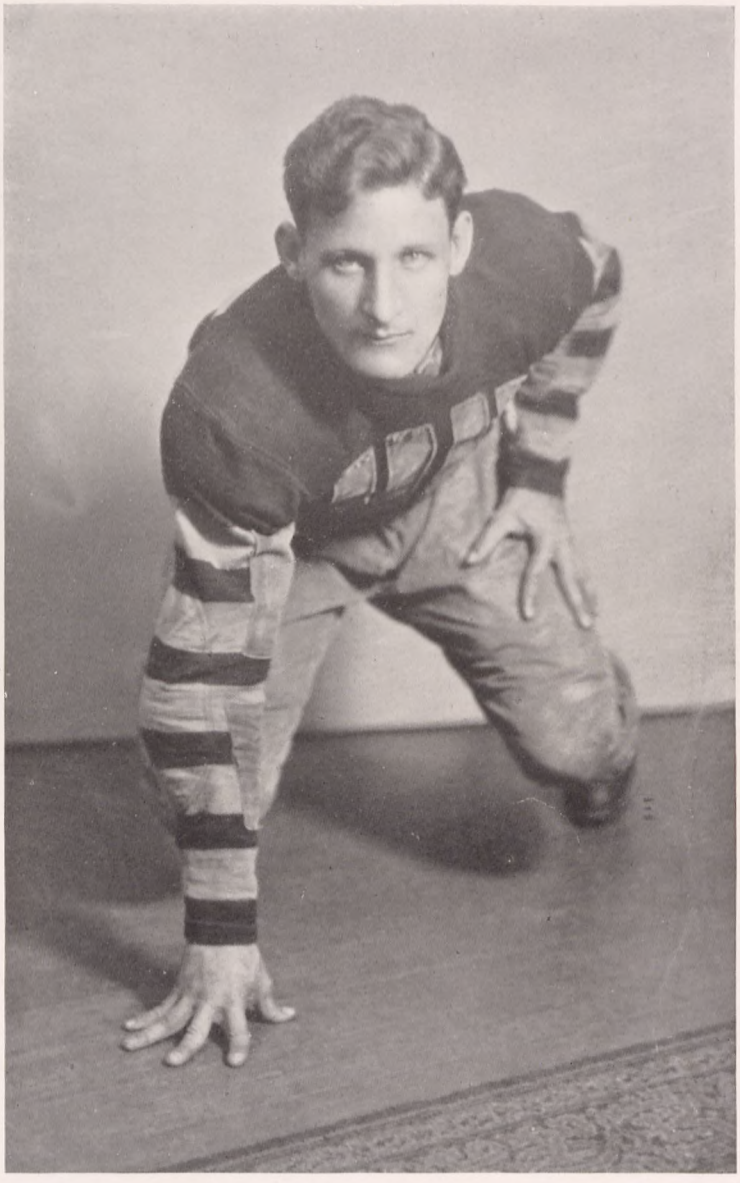
Athletics

VARSITY "O"

Eligibility to Otterbein's honorary athletic fraternity consists in earning a letter in any sport. The organization sponsors every kind of athletic endeavor. It has been the custom of the Varsity "O" to furnish sweaters to all the letter men.



JOHN L. CRAWFORD, *Captain*

"Jew" plays a brilliant game and possesses a good, thorough knowledge of football. He was captain of the freshman squad and played three years on the varsity. Sacrificing the opportunity of getting All-Ohio mention in his junior year by changing from his regular position to quarterback, he was given honorable mention this year by the leading Ohio sport writers for his position as center.

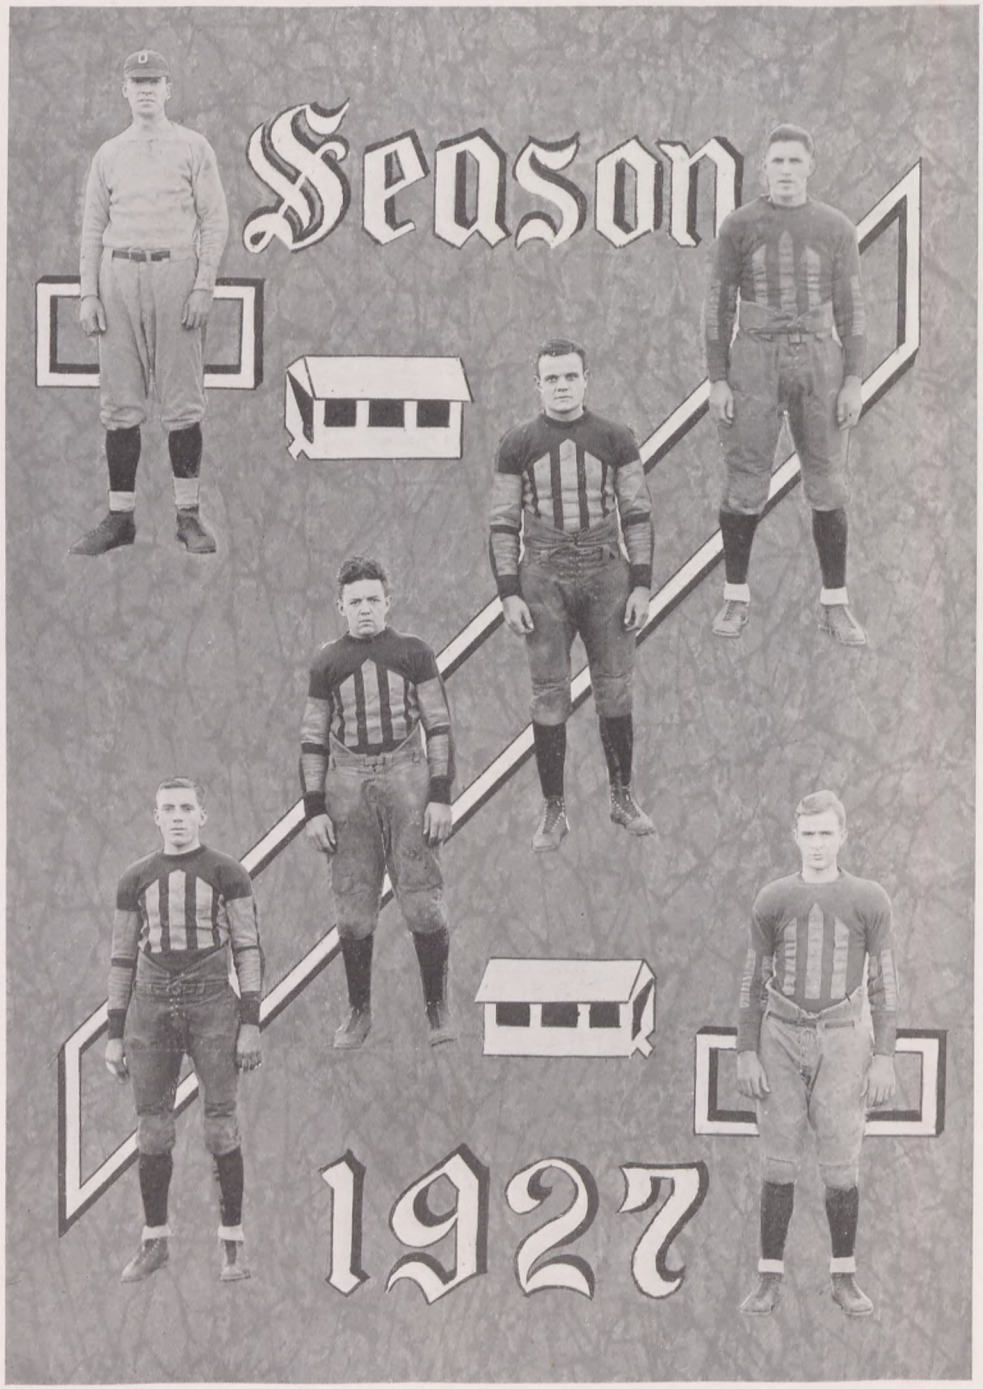
FRESHMAN FOOTBALL SQUAD

This year's freshman crew, rather inexperienced as usual, furnished excellent cannon fodder for the varsity. After working out faithfully all season, they were rewarded by an opportunity to play the sophomores in the annual intramural football classic. The game was featured by the line plunging of Captain Burke. Neither side was able to score, however.



Season
1927

A. B. SEARS

Coach Sears, a graduate of Wooster College, has come to us from Bellaire, Ohio, where he turned out several championship teams. Silent, undemonstrative, and reserved, his very attitude serves to inspire confidence in any team he coaches.

HUBERT PINNEY—Halfback and End

A triple threat gridder, well versed in every department of the game, is "Red" Pinney who ran the ends, passed and punted. He is a three letter man, honored by mention in Spaulding's manual, and will be missed greatly next year.

EDWIN GEARHART—Guard

Coming to Otterbein from Case, "Red" was the outstanding feature of the Otterbein defense, and played a bang up smashing game at guard.

HOWARD MINNICH—Halfback

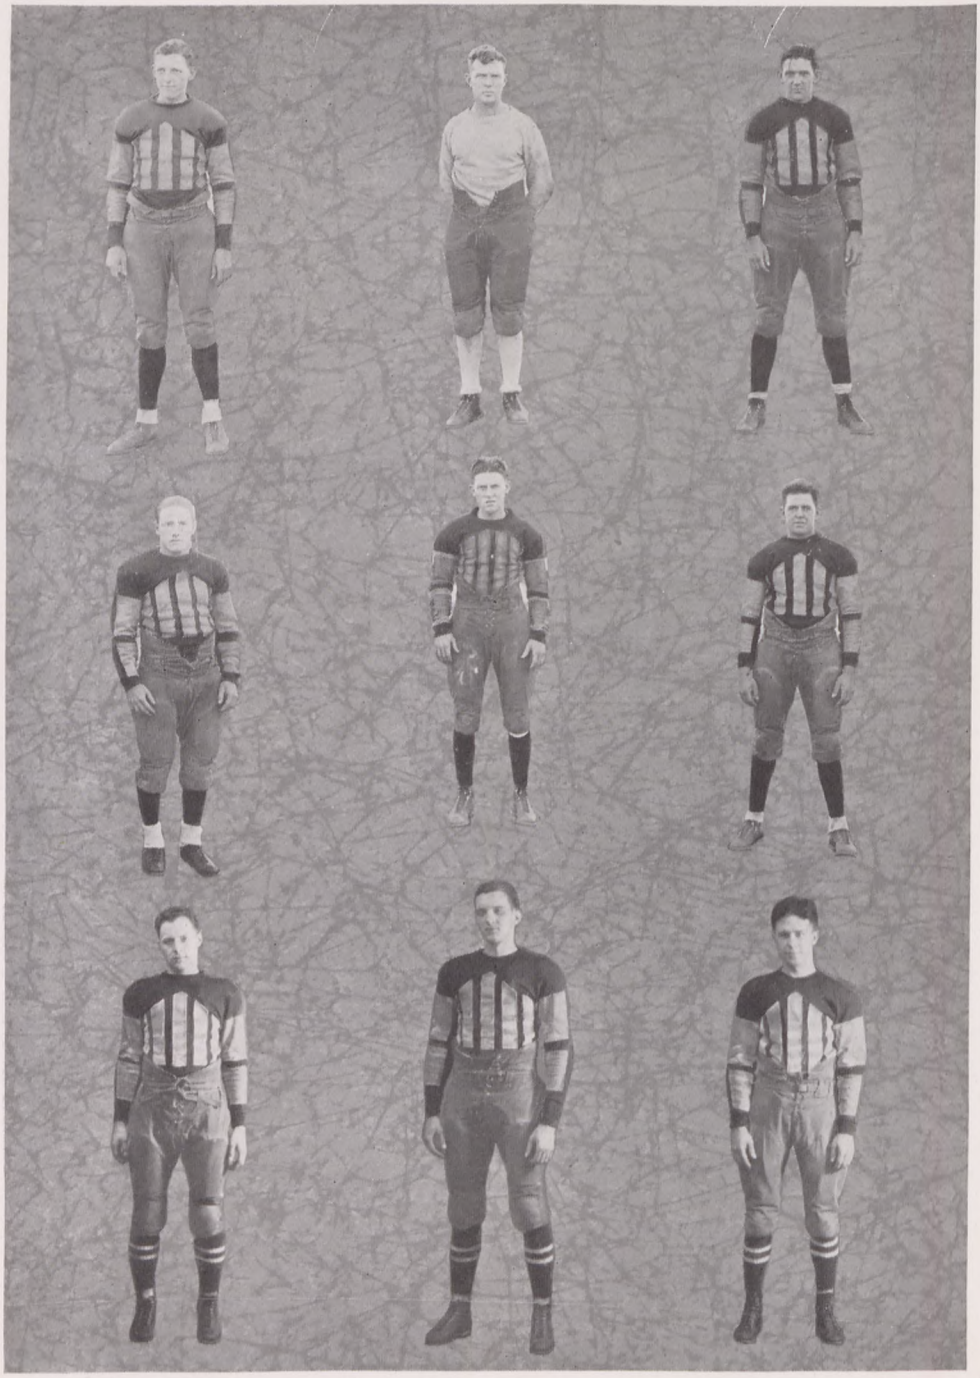
"Tubby" was responsible for the pass to Miller which scored the first touchdown of the season. He was one of the hardest working men on the team.

ERNEST REIGLE—End

Big-hearted and tough, Ernie is a hard, consistent player. Although he had a bad knee, it did not stop him from giving his best. He has played his last game for Otterbein, having made a letter for three years.

LOUIE NORRIS—Tackle

"Louie" came out in his senior year and made his letter. He played a clean, hard game, ever in the interests of good sportsmanship.



PAUL HANCE—Tackle and End

In Hance Otterbein had a dashing, shifty, hard fighting tackle. Here is another boy who was in the thick of battle nearly every minute. At Muskingum he made every tackle that was made on a returned punt.

HARVEY HANKISON—Halfback

"Hank," the plunger, a hard driving halfback, played a sweet game backing up the line. Playing his first year on the Varsity, he developed into a real ball carrier.

JESSE MILLER—Halfback

"Jess" Miller was a fast, shifty, broken field runner. By his turning, squirming, and twisting he gained yard after yard for Otterbein. He scored the first touchdown against Baldwin-Wallace.

DAVID LEE—Quarterback

Although small, Dutch played a brainy game at quarterback. He is a good ball carrier and a sure tackler. The next two years should see him collecting more honors for himself and Otterbein.

RALPH FOWLER—Guard

Ralph was found at a center position taking out opponents in no mild manner. He is a sophomore and is expected to do bigger things for Otterbein next year.

MYRON RECK—Tackle

"Reck" held down the right tackle position like the veteran that he is. He was one of those rock'em, sock'em tackles, and a thorn to the opponents on the defense.

DONALD McGILL—Center

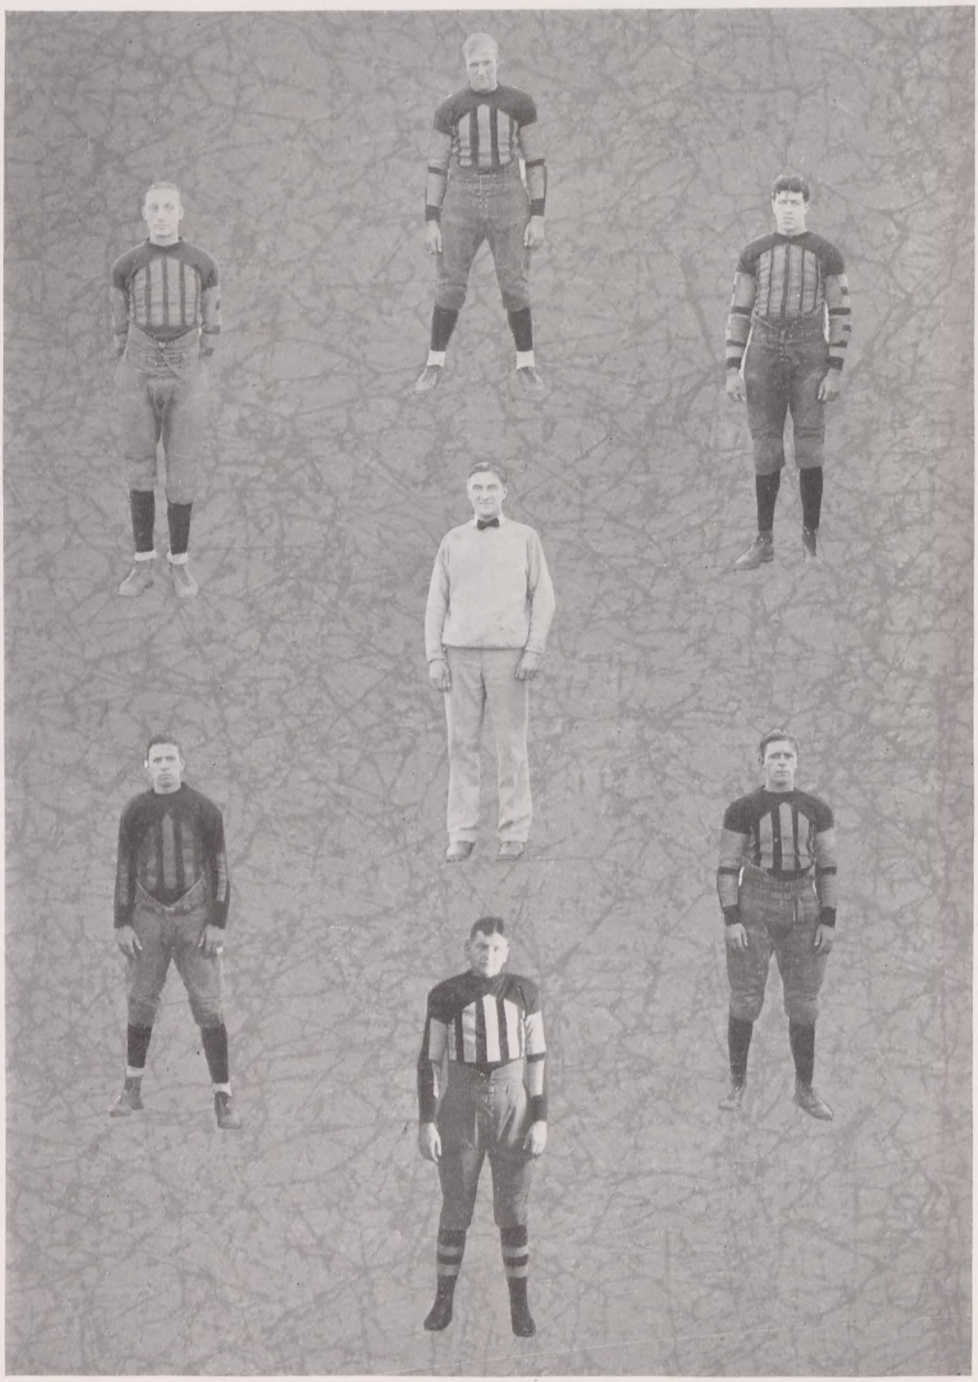
"Mac" played a hard game at center, one of the most difficult positions on the team. He still has another year of competition.

OTHO SCHOTT—Halfback

"Coke" was as small as any other man on the squad, but he had the grit and fighting spirit of a giant. "Coke" made several famous runs by galloping through the line from the short man's position.

COACH THOMPKINS

The Freshman coach and Varsity line coach made All-State tackle at Wittenberg, and has been able to combine playing and coaching ability to an excellent degree.



KENNETH BUNCE—End

"Ken" is a hard, consistent lineman. The opposition knew they had accomplished something if they ever got through when Ken was on the defense.

FORREST BENFORD—Tackle and Fullback

Scrappier than ever, "Big Ben" could play on the line or in the backfield. At fullback he was always good for a gain.

FRANCIS SAUL—End and Halfback

At halfback, "Solomon" displayed his ability to run with the ball. In the Capital game he made several notable long gains. He will be with us next fall.

LLOYD SCHEAR—End

"Sparky," alternating at end with Riegle, played his best game against Marietta. He will probably be the outstanding factor in the Tan and Cardinal defense next year.

DONALD SHOEMAKER—Guard

"Don" is a heavyweight guard. Although handicapped by lack of experience, he was willing to learn, and has made himself valuable to the squad.

RAYMOND HADFIELD—Fullback

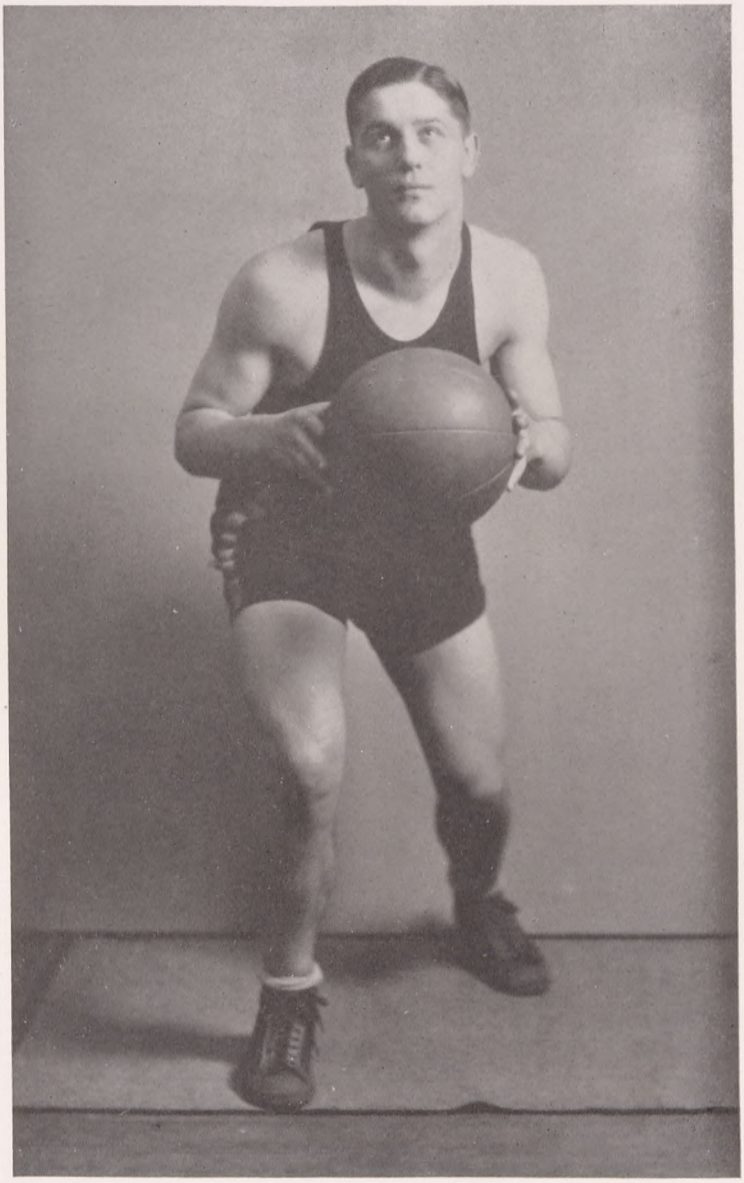
His line plunging ability gained for him a position on the team. He is another sophomore who should display much strength next year.

WALDO KECK—Manager

Waldo is a man one likes to have around. He was a capable and efficient manager, always looking after the best interest of the team.

THE SECOND TEAM

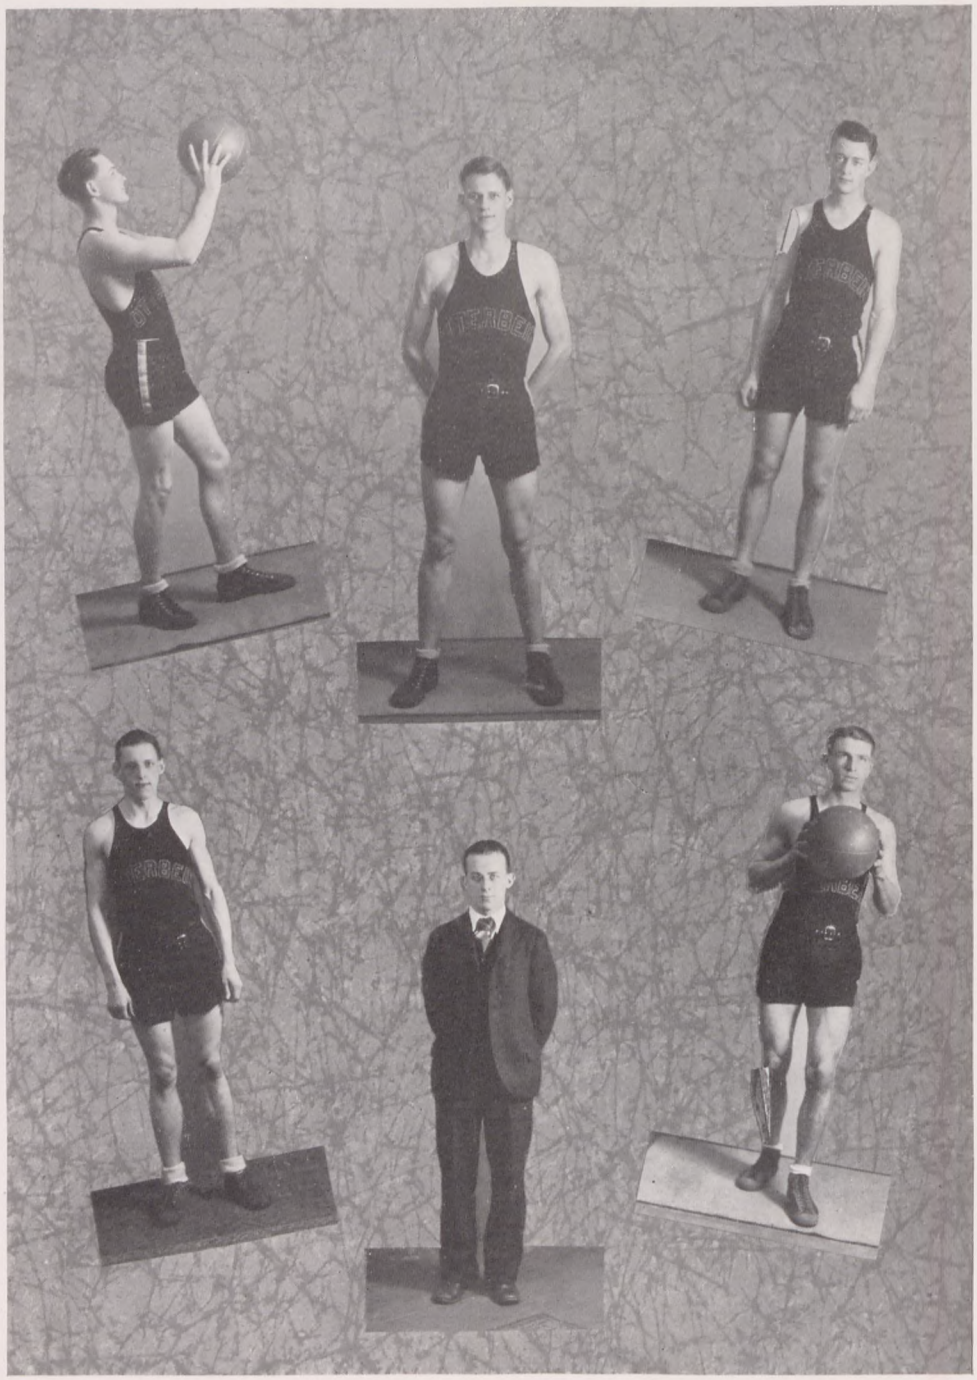
The members of the Varsity squad receive recognition for their efforts by letters being awarded them. Members of the Freshman team receive numerals as a reward for meritorious work. The second team, working just as hard and reporting just as faithfully as these other two groups receives little recognition. Many of them, perhaps, will be rewarded with letters during the coming years, but at present theirs is the credit of a service well performed.



GLENARD M. BUELL, *Captain*

Buell was a valuable man and could be counted upon to play a wonderful game anytime he donned the Tan and Cardinal uniform. He has made his letter three years, and his loss will be felt keenly.

Basketball



A. O. BARNES—Forward

"A. O." was a valuable man, a fast, shifty floor player, and quick dribbler. He proved last year that he was a capable captain and leaves Coach Sears plenty of worry in finding a man to take his place. Barnes, like Buell, has been one of the high point men in the Ohio Conference the last two years.

JOSEPH THEODORE SEAMAN—Center

"Ted' is the rangy center whose playing for Otterbein these last years has helped keep it in the running. Ted has been in every game and played consistently—breaking up the opponents plays, taking the ball off the backboard and working it down the floor to scoring territory.

WILBERT MILEY—Guard

"Miley" instead of completing his services as a member of the Otterbein Varsity has just completed his first year of valuable service to his Alma Mater. Miley has played a consistent game throughout the year and should prove very helpful to Coach Sears next year.

RALPH GIBSON—Forward

"Boots" plays a wonderful floor game, seeming able to fly around the floor and when it comes to dribbling he can show most anybody something new about the art. He did not score so heavily that he was mentioned among the leaders of the Ohio Conference, but he was right there in finding the basket when the points were needed.

PAUL HANCE—Guard

"Paul" developed into a powerful man toward the last of the season. He will be part of the nucleus around which next year's team will be built.

GEORGE SLAWITA, *Captain*

"Honus" has merited the captaincy for two successive years. The obvious reason for this honor is the fact that he is a spectacular fielder and batted over .400.

DE MOTTE BEUCLER—Pitcher

In "Beuc," Otterbein has had one of the most brilliant and successful pitchers in her history. In the Bliss game he fanned fourteen men and allowed a maximum of only 6 hits for any game played. Nor is he one-sided in his talents, since he stood second on the local batting average.

DWIGHT EUVERARD—Left Field

"Euvie" was a fast, clean fielder, a fair hitter, and had a wonderful arm, being able to peg them in home every time. He will be back to play left garden this year.

DONALD BORROR—Catcher and First Base

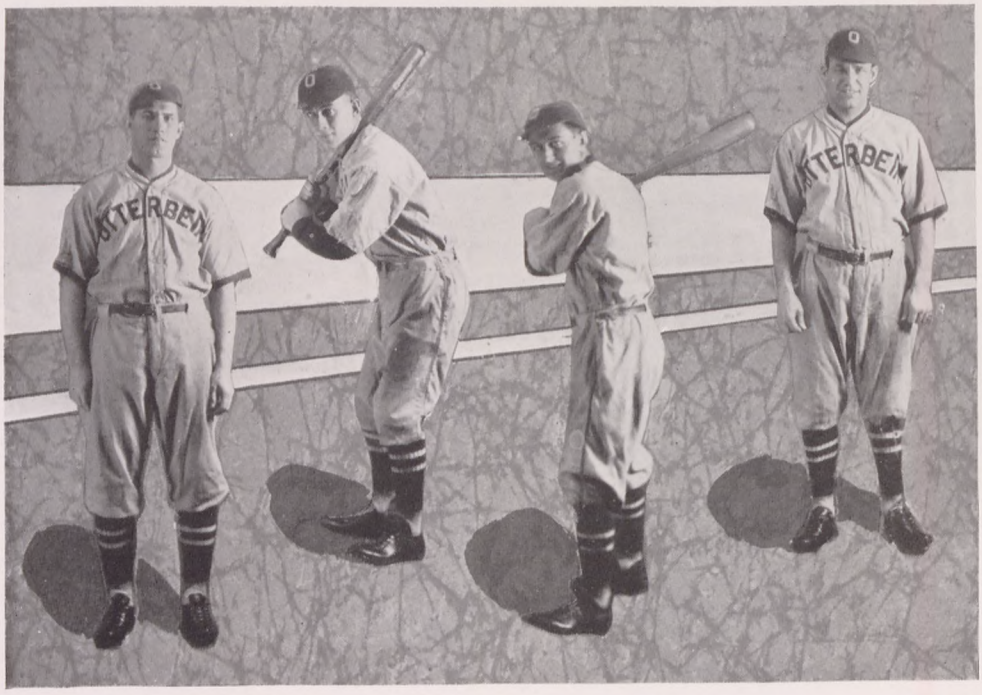
"Don" was built for a catcher, was cool-headed and "held up" the pitcher in a fine manner. He is another one of the available veterans.

OTHO SCHOTT—Second Base

"Coke" is one of the veterans of the team and is a good infielder. His outstanding feature, however, is batting.

RICHARD JAMES—Third Base

James was a classy fielder and a good batter. Injuries kept him out of the game last year but he has made up for it this year, coming through in fine shape.



ERNEST RIEGEL—Center Field

"Ernie" played ball and was out for track at the same time. He showed ability as a ball player by his fielding and hitting to the tune of .333.

HAROLD YOUNG—Catcher-Third Base

"Youngie" is another Sophomore who can play several different positions equally well. He was the mainstay of the catching staff.

FRANK MRAZ—Right Field

Frank showed great promise in his first year of inter-collegiate baseball. He has two more years to play and a lot is expected of him.

QUENTIN KINTIGH—Pitcher and Catcher

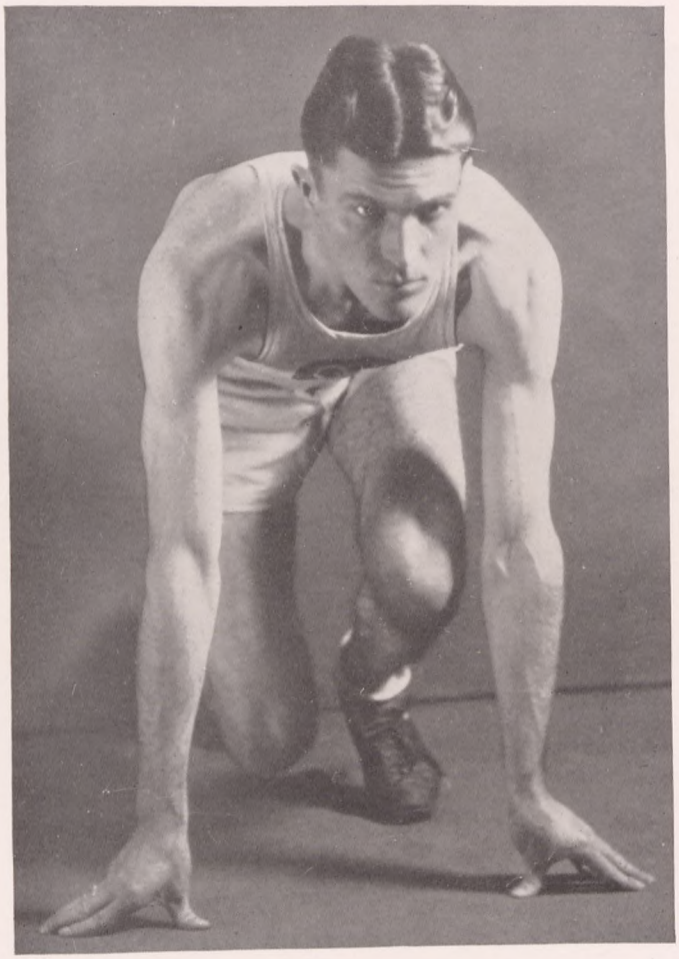
"Kintigh" is very versatile, playing either on the receiving or sending end of the battery. He was especially useful as a relief twirler.

ORA CLINE—Center Field

"Cline" was a clean fielder, had a beautiful peg and was good with the "willow."

PAUL BROCK—Left Field

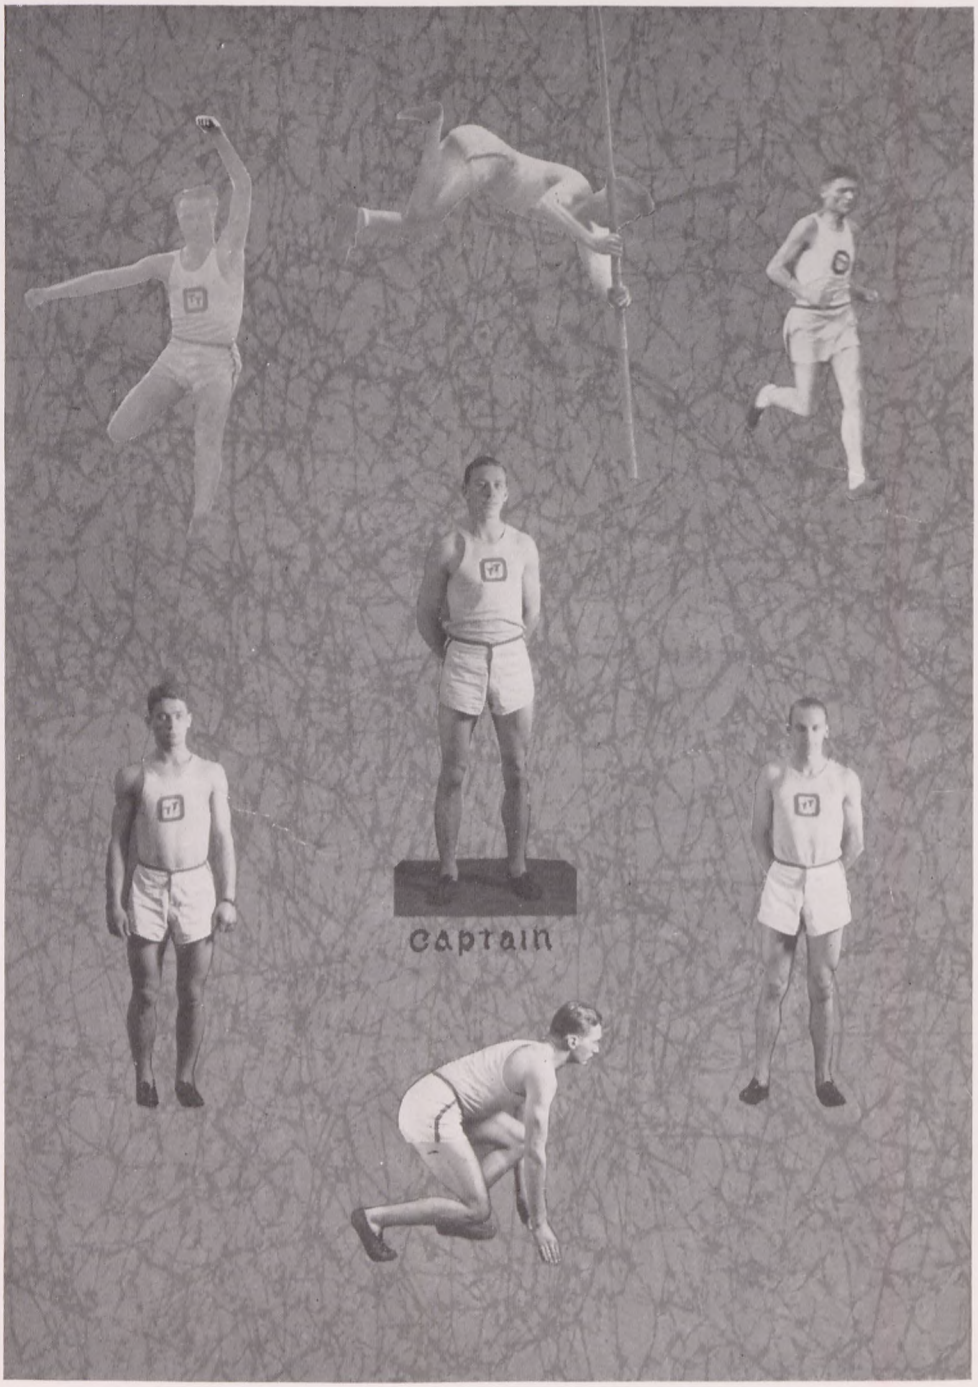
"Brock" started out at third base but proved to be a better fielder. He was one of the smoothest players on the team.



ROBERT ERISMAN, *Captain-elect*

"Bob" is a conscientious worker and a careful trainer. His best record for the half mile is 2:01. In the Muskingum meet he took 11¼ points, all that were possible to gain in his three events. He runs the 440, 880, and is anchor man on the relay team.

Track



Captain

CAPTAIN HUBERT PINNEY

Having received the honor of being captain in his Junior year, Captain Pinney was the most versatile man on the squad. He had excellent form in the high jump, placing third against Big Ten Competition in the Ohio Relays. Chicago and Drake were the only other representatives placing higher than Pinney. He made 12 points against Muskingum. Besides his high jumping he put the shot, ran the 100 yard dash and the low hurdles, and hurled the discus. He also placed second in the broad jump at the Big Six.

MONETH SMITH

Smith is a broad jumper, but has been lost through graduation. He placed third in the Big Six meet and won first place against Muskingum with a jump of 22 feet 2¾ inches.

FRANK VAN AUKEN

"Frank" is a pole vaulter, placing first in the Heidelberg and Muskingum meets. His best mark is 11 feet, 6 inches.

WALTER MARTIN

"Walter" ran the two mile, which is a long, hard, grind. He did his share in annexing points for Otterbein.

CRAIG WALES

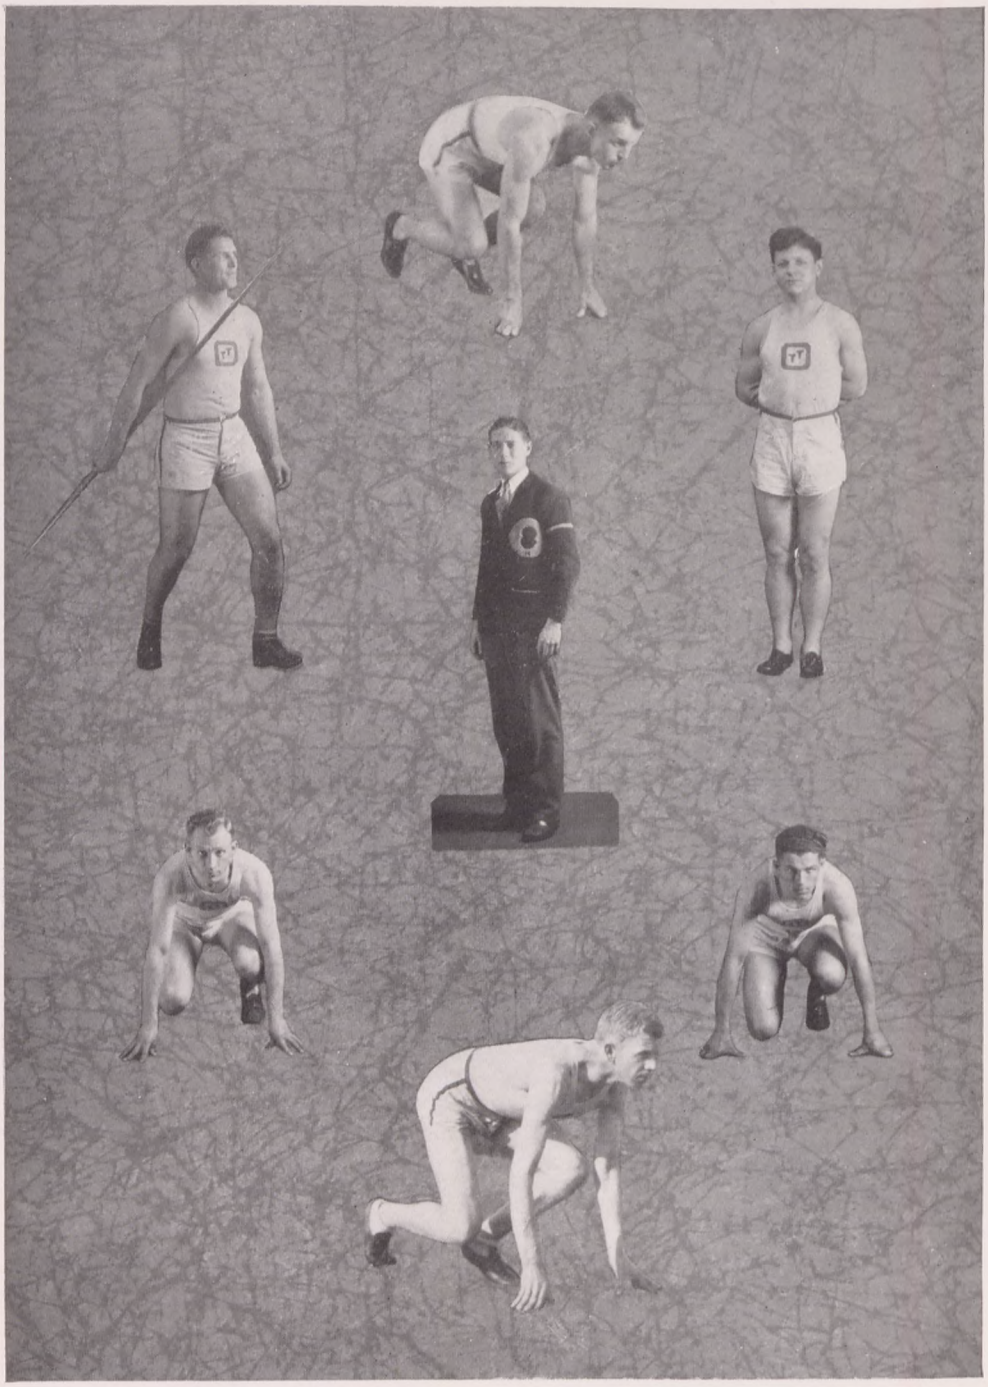
"Craig" runs the 220 yard dash, runs on the relay team and pole vaults. He puts all he has in a race and is a hard man to beat.

DONALD McGILL

"Don" has set a new high hurdle record for Otterbein at 16.1 seconds. He also throws the discus and has placed in different meets in this event.

LAWRENCE GREEN

Another hurdler of good form and ability is Green. He holds the college record for the low hurdles, finishing in 26.6 seconds.



Page One Hundred Twenty

ERNEST RIEGLE

"Ernie" is a weight man in track events as well as avoirdupois. He holds the college record for hurling the javelin—168 feet.

RAY PILKINGTON

Here is an athlete who is always in training the year round. His hard work has developed for him a beautiful stride in the mile run.

HAROLD THOMPSON

"Thompy" is a dash man and also runs on the relay team. Great things are expected from him when he runs his best race—the 440.

ELLIS HATTON

Hatton runs the relay and the quarter. Quite a bit is expected from him this year.

LAWRENCE HICKS

One of the hardest races is the two mile run. Hicks certainly had a big job ahead when the starting pistol cracked but he always handled the job very nicely.

HAROLD MOLTER

He runs the mile and the half mile. At the Big Six he placed third in the mile run and unofficially broke the Otterbein record.

EVERETT BOYER

The work of a track manager is long and tiresome. "Joe" certainly deserved his letter.

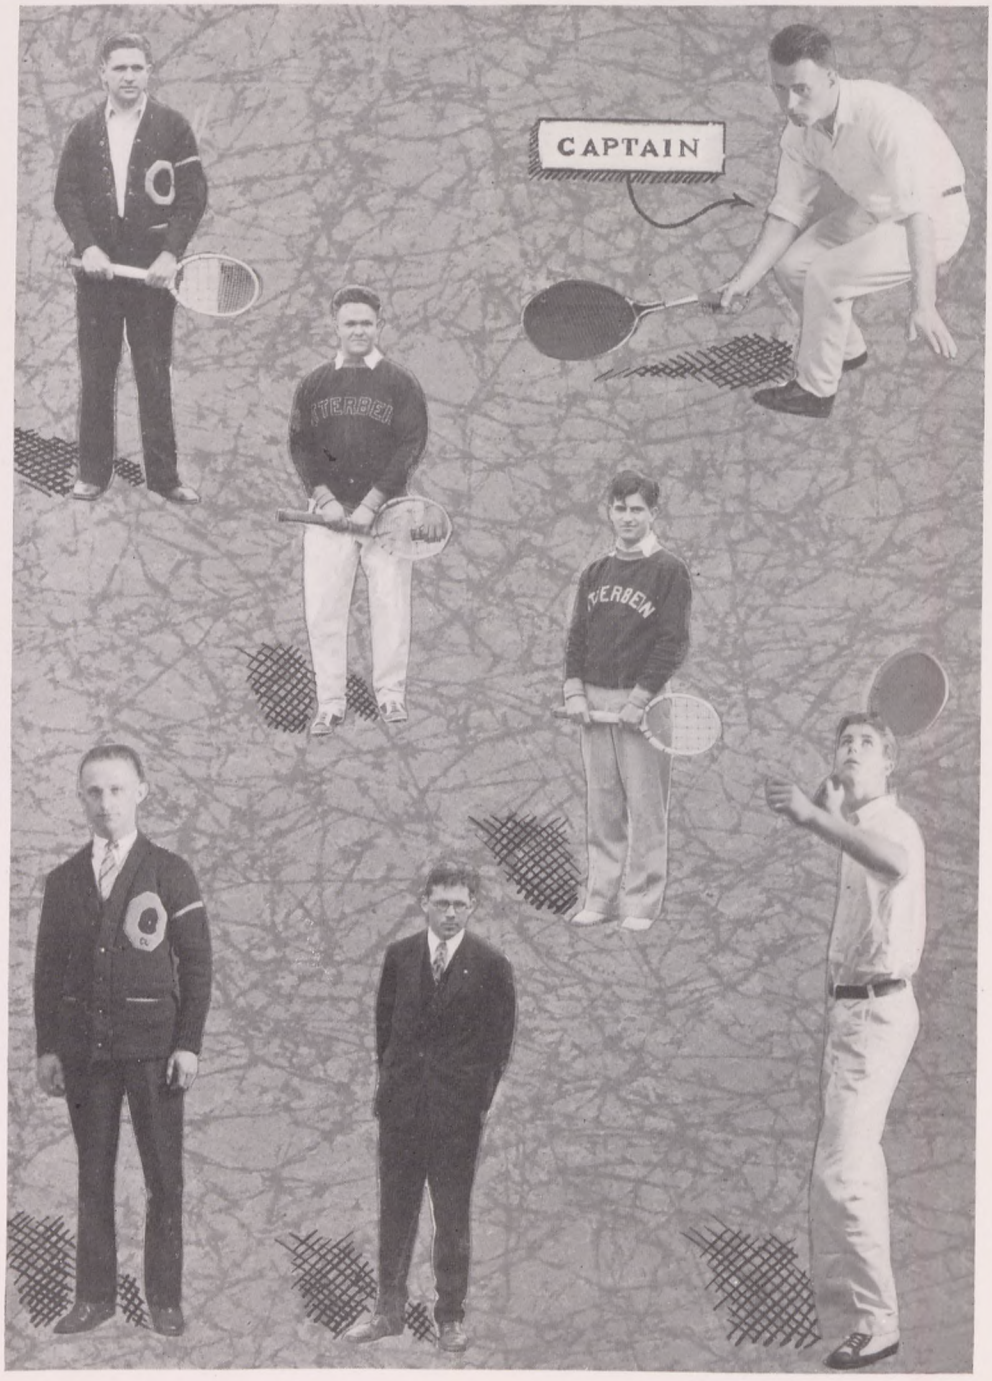
He studies his opponents and capitalizes on their weak points. He is alert, and especially quick in a pinch. His ground strokes and volleys have become a tradition on the campus.

Tennis



CAPTAIN
OTTERBEIN
OTTERBEIN

RAYMOND PILKINGTON

Captain in his Sophomore and Junior years because of his generalship on or off the court. "Pilly" is spectacularly consistent.

PAUL ROBY

Heady, and reliable, a wizard in doubles, he is an example of what co-operation and teamwork can do.

GWYNNE McCONAUGHY

For "Mac," tennis is primarily a game of form. Smooth and unhurried, he plays his court with unnecessary motions reduced to a minimum.

FRANCIS BECHTOLT

Uncanny in his anticipation of a returned ball's place, "Becky" is quick enough to get there. His opponents found his knack of always getting the ball back rather disconcerting.

RICHARD SANDERS

A spectacular player, capitalizing on smashing serves and long, hard drives. There is a certain brilliance to his game that will stand out on any court.

J. NEELY BOYER

As manager of the team, Neely performed a real service in keeping the courts in shape. His unselfishness for the betterment of the team is notable.

AS YOU LIKE IT—*Shakespeare*

This was the annual dramatic production of the Senior Class of 1927. It was an open air performance, the steps of the Science Hall serving as the main stage. The balcony over the steps lended realism to the court scene. Under the direction of Professor Raines, striking and novel effects were accomplished by elaborate scenery, costuming, and lighting devices. It has been said that this play was one of the outstanding phases in Otterbein's dramatic history.

This was a one-act Civil War play, written and directed by Edward Hammon, a former member of Theta Alpha Phi. In this production the new plans or columns were introduced as a substitute for the conventional stage setting. Many of the costumes and hand properties used were relics of the Civil War.

THETA ALPHA PHI

Otterbein's national honorary dramatic fraternity in two years' time has taken its place as one of the most powerful organizations on the campus. Having as its ideal the promotion of all things theatrical, it has encouraged histrionics to the extent that the student body has realized that an honorary fraternity can be very active. Outstanding amongs its achievements this year was the taking to Dayton of the production, "MR. PIM PASSES BY."

CAP AND DAGGER

This is Otterbein's local honorary dramatic fraternity. It serves as a training ground and place of preparation for those who are attempting eligibility for Theta Alpha. By co-operating with the play-production class, it presented several one-act plays this spring. Two people were cast for each character, one of them acting as an understudy. A matinee was given by the understudies, and the same evening the same plays were given by the first cast.

PI KAPPA DELTA

The past year has been the most significant in the history of the Ohio Epsilon chapter of Pi Kappa Delta. Organized in 1924 the Local Chapter has steadily grown, and although no outstanding distinctions have been attained, yet it has high standing of merit in the National organization.

This year the Otterbein Chapter entertained on our local campus a part of the Men's division of the 1928 National Convention. In 1926 this assembly was held in Estes Park, Colorado, and as the 1928 Convention was brought to Ohio, the Epsilon Chapter had the signal privilege of entertaining a portion of it for one day, April 2. At the same time the Women's division was being held at Baldwin-Wallace College and the remainder of the Men's division at Heidelberg. From April 3 to 5, all three divisions assembled at Heidelberg for the combined convention. The 1928 assembly was one of the finest National Conventions in the history of Pi Kappa Delta.

There are eleven actual student members in the local division and six faculty members.

MEN'S VARSITY DEBATE

Discussing the question, Resolved "That the Direct Primary System of Making Nominations Should Be Superseded By the Convention System," the men's varsity debate teams participated in ten debates this year. Karl Kumler, Wendell Rhodes, Kenneth Echard, Robert Bromeley, Franklin Puderbaugh and Charles Cooley were members of the affirmative team, while John Hudock, Robert Knight, Clay Kohr, Robert Bromeley, and Quentin Kintigh upheld the negative side of the question.

In the first Conference debate Otterbein's affirmative met Mount Union College and the local negative representatives debated Bluffton. In the second Conference contest Otterbein's affirmative met Wittenberg on the home floor, while our negative team traveled to Muskingum. The negative team had the distinction of being all victorious. Our conference teams tied for first place with Heidelberg and Wittenberg, though the cup was awarded to Wittenberg on a technicality.

GIRLS' VARSITY DEBATE

This year the Girls' Varsity Debate Team has started out on what seems to promise the most successful program yet undertaken by the women of Otterbein.

Debates have been arranged with Mount Union and Wittenberg Colleges on the question, Resolved, "That the Present Tendency Towards Universal Liberal Arts Education is to be Deplored."

Debates with other Ohio colleges are pending as another question for debate with them is being considered.

PHILOPHRONEA

MOTTO—*Philia Kai Phronema*

Among the outstanding heritages on our Campus is the Philophronean Literary Society which was founded in 1857. Happy indeed are the homecoming alumni to tell of the various energies that this institution has cost; and spontaneously comes the testimony that no other activity could under any possible conditions provide the lovely memories of culture that still linger from literary programs of by-gone Friday nights.

Philophronea offers a rare opportunity for improvement in elocution, composition and debate, for enlargement of general intelligence, for cultivation of friendship, and for promotion of wisdom.

Every man would do well to avail himself of these privileges that only present themselves during the fleeting years of college life.

PHILOMATHEA

MOTTO—*Quaerere Nostrum Studium Est*

After a year of hard work, Philomathea came out of the slump into which she seemed to be sinking, and passed a very successful year. Probably the most outstanding single achievement during the year just passed was the inauguration of radio programs every third Monday from station WCAH at Columbus. Another noticeable feature was the fine type of programs rendered in the society. Membership also increased considerably.

Philomathea has always been carried on for the purpose purely of promoting and increasing literary activity and interest. Her alumni scattered all over the world are evidences to the value of the training received within her walls. Philomathea has the largest faculty membership of any organization on the campus, and she is justly proud of these men.

Summarily we do our best to follow our motto:

"Quaerere Nostrum Studium Est."

CLEIORHETEA

MOTTO—"*Non Palma Sine Labore.*"
COLORS—Light Blue and Tan

Cleiorhetea, a progressive women's society of high literary standards, had its beginning in 1871 when eleven members of Philalethea separated from that body and formed the foundation for the new organization. This change was made because of crowded conditions in the older society.

Cleiorhetea varies her programs with readings, original stories, original poetry, orations and extemporaneous speaking. Every feature on a program is used that will most adequately give expression to the individual's talent.

Once each year an operetta is given.

PHILALETHEA

MOTTO—*"Veritas Nostrum Clipeum"*
COLORS—Pink and White

Philalethea claims the distinction of being the oldest literary society for women upon the campus.

The society was organized in 1852 and since that time has always held lofty ideals of literary value for the girls who are striving to serve her. Programs are varied and are so arranged that they give to the individual development along all lines. Special training is given in extemporaneous speaking.

Philalethea's alumnae return to ardently thank her for the social training with which she has fitted them.

Each engagement this year added to the success of the Otterbein Glee Club. Concerts were given in Ohio, Pennsylvania, Washington, D. C., Maryland, West Virginia, and Virginia, beside broadcasting from radio station WAIU, in Columbus.

Much credit is due Professor A. R. Spessard for his organizing and training ability.

The Banjo-Mandolin Orchestra holds a prominent place on the Glee Club programs. Practically one-third of the musical numbers are given by the Banjo-Mandolin Orchestra with its novel numbers, selections from light operas with vocal refrains, and a woodwind quartet—in fact, just enough to make the program one of variety and real enjoyment to the listeners.

Back Row—Harris, Ervin, Zimmerman, Rohrer, Green, Simmermacher, Broadhead, Wylie, Kurtz, Miller

COLLEGE ORCHESTRA

This is an organization that sponsors the more classical type of musical endeavor. It is organized with such balance that it represents a symphony in miniature. Every year it has been the custom to present an evening's program to the general public

Acknowledgment

We take this means of publicly thanking Miss McCahon of the McCahon Studios, Mr. Ballantyne of The Phillips Printing Company, and Messrs. Slye and Adler of the Canton Engraving Company for their exceeding personal interest in the 1928 SIBYL.

The art work has benefitted very materially by the talents of Messrs. DeMotte Beucler, Parker Heck, Harold Derhammer and Miss Rupe.

We feel very much indebted to Mr. Knight, last year's SIBYL editor, and to Mr. Harley Smith, editor of the Phillips *Phillipian* for their many valuable suggestions.

But our greatest appreciation must go to the great number of people who have made this book possible by their sympathetic attitude and generous subscription to the enterprise as a whole.

To the Reader:

This Sibyl is intended to be the incarnation of the life and spirit of Otterbein College.

It represents the literary and artistic sense of the students. It reflects somewhat the life and history of the school. In a measure it points the way to the future for all of us. However perfectly or imperfectly this is done there are some things which no book, be it ever so well printed or pictured, can do. It cannot portray character; it cannot reflect the real motives and ideals of education. These are not things of sense and time but are nevertheless real and lasting.

It is these things of beauty and reality which Otterbein offers.

We invite every earnest-minded young man to share them with us.

Very cordially yours,

W. G. CLIPPINGER,
