THE 1945 SIBYL
The Annual Publication For
The Academic Year
1944-1945
Published By The Students
Ott rbein College
Westervill , Ohio

On all battlefields Otterbein alumni are represented . . . for these men and women we have edited the 1945 Sibyl . . . to help them remember and enjoy again their college days at Otterbein . . . their professors . . . their classes . . . their fraternities . . . and sororities . . . their "Hell Week" . . . Alum Creek . . . Duck Island . . . chapel bells . . . their graduation . . .

Our aim . . . to record for the graduating class of 1945 its last year . . . the class who, during its freshman year felt the effect of total war . . . one of the most progressive and contributing classes in Otterbein's history. . . .

Our aim . . . to record in a historical year—the ninety-eighth year of Otterbein's history . . . to lose all record of such a college year would be an irreconcilable loss . . . we take pride in presenting the academic year 1944-1945 through the 1945 SIBYL. . . .
