OHIO GRID RACE BECOMES CLOSE

Wittenberg and Case Are Tumbled From Select Class by Wesleyan and Oberlin.

BOTH GAMES ARE CLOSE

Wooster Proves Herself to be Strongest Team in Conference by Battling State to 7-7 Tie.

Ohio Conference football results Saturday were knockouts in every direction. The wire was alive with surprises all over Ohio as it ticked off results from north, south, east and west.

Although the two teams listed for conference championships are still on the top rung, their grip was very feeble for a couple of hours Saturday afternoon.

Case threatened to defeat Oberlin when the two met on Dill Field. Capt. Gribben's injury and removal from the game ruined Case's chances for scoring, however, and the best she could do was to defend her own goal. This she did very efficiently until Oberlin blocked a punt which was recovered back of Case's goal line, making a 2-0 victory for the Congregationalists.

At the end of the first half in the Wittenberg-Wesleyan game at Springfield, the Lutherans had a 10-0 advantage over their up-state visitors. In the second half Wesleyan came back strong and scored two field goals and a touchdown, at the same time keeping the disappointed Wittenberg gridders away from their own goal, and winning by three points.

Wooster opened a surprise package in the Ohio State stadium when she held the mighty would-be Western

BAND TO MAKE INITIAL APPEARANCE SATURDAY

In connection with the Home-coming festivities next Saturday afternoon the newly organized college band will make its initial appearance.

This is the first year that the band has been systematically organized and put on a permanent basis. R. R. Shaw of Columbus, is the director and for the last month he has been putting the band through many hard practices in preparation for its first appearance. When the band comes on the field Saturday afternoon, students and alumni will see the biggest and best band Otterbein has had in many years.

PHILOMATHEA ENTERTAINS

Many Alumni and Friends Attend Annual Stag Session of Philomatheia.

Philomatheia entertained many friends and alumni last Friday evening at her annual stag session. The regular election session was soon disposed of and society adjourned to stag session.

Professor Troop, '23, the toastmaster of the evening called upon Rev. Busch, '19, of Columbus for a few investigations in the realm of the mystic. For more than an hour Rev. Busch entertained most of the fellows with his hypnotism and experimented on the rest of them. One of the most remarkable feats that was accomplished was to put Albert May to sleep and have him crawl on his hands and knees over the floor picking up bugs, pointing out aeroplanes and leading cheers for Otterbein in the Otterbein-Heidelberg game.

After the refreshments were served, the toastmaster called upon Professors Hanawalt and Martin for toasts. The two remaining numbers on the program were a cornet solo by Robert Weitcamp and a sketch of a trip in the Vermont woods by Wendell Camp.

Varsity "O" Association to Sell Souvenir Footballs

All this week and on Home-coming Day the members of the Varsity "O" Association will be selling souvenir footballs. These footballs will carry a slogan appropriate to the football game with Heidelberg and should go a long way in bringing about the defeat of the up state team.

Buy a football early this week and begin the propaganda that will defeat Heidelberg. The footballs will be on sale Wednesday and can be purchased from Herbert Stoughton, Merrill Patrick, Clarence Broadhead and Paul Garver. On Home-coming Day they will be sold by a number of girls.

SPESSARD TO START YEARLY CLASS IN BANJO-MANDOLIN

To fill the places in the banjo-mandolin orchestra left vacant every year by the graduation of Glee Club men, Professor Spessard has for the past several years conducted a class for the instruction of banjo-mandolin.

The class is carried on on a club basis and the entire group pays the price that one man would have to pay.

Those interested in starting now to try for the banjo-mandolin orchestra next year are asked to report their interest to Professor Spessard.

To Our Returning Alumni

The students of Otterbein welcome you back to your Alma Mater to join in celebrating the annual Home-Coming of Otterbein Alumni. We invite you back to enjoy the pleasures that only a home-coming can give. We trust that you will take note of the many changes and improvements about the campus that are outward signs of the growth of the college. With the growth of the college there has been a corresponding growth in enthusiasm and the good old spirit you remember so well has not in the least been diminished by the many years intervening since you were here as a college student. Time has witnessed nothing but a steady growth of the college, a growth of which you were at sometime or other a living part. As a part of Otterbein's glorious past and as a contributor to her present greatness we welcome you.

Football Game with Heidelberg at 2:30 Is Big Event of Program.

RALLY TO FEATURE

Alumni Will Celebrate at Annual Banquet—Social Clubs to Entertain.

Next Saturday marks the annual Home-coming Day of Otterbein alumni. This year a full program of events is planned for the day and all indications are that this will be the biggest Home-coming in recent years.

The big feature of the day will be the football game with Heidelberg at 2:30 in the afternoon. Late in the day, full of interesting events, the game will come as a successful climax. The Otterbein Band composed of about twenty-five members will be formally introduced at the game. But only recently organized the band has been under the efficient direction of R. R. Shaw who has already moulded a fine musical organization. Other colleges have their bands out in full regalia for all home games and many abroad but Otterbein has never successfully accomplished this feat. However everyone is due for a pleasant surprise when the band makes its

VARSITY "O" PLANS PROGRAM FOR YEAR

At a meeting of the Varsity "O" Association held Wednesday noon, plans were formulated for this year's program. A social as well as progressive program was planned.

The outstanding event of the program will be the Varsity "O" Minstrel which will be given sometime between Thanksgiving and Christmas. A "Tag Day" will be staged sometime in the near future with the purpose in mind to better acquaint the students with the organization.

A committee was also appointed to select a standard sweater for the wearers of the "O". With the proceeds of the minstrel and Tag Day it is planned to purchase and present each letter man with a sweater.

In the spring a formal banquet will be given and this is to be "the" event of the Association's program. This banquet will be very formal and the Varsity "O" plans to make the spring banquet the climax of the social season.

CONCERT PLEASURES

Second Number of Citizens' Lecture Course Pleases Large Audience.

One of the best numbers of the Citizens' Lecture Course was presented last Thursday night at 8:15 o'clock in the college chapel by the Troubadour Male Quartet.

The program consisted of popular and classical selections, both instrumental and vocal. One of the most pleasing vocal numbers was Schubert's Serenade, but along with the more heavy numbers there were presented popular selections and feature encores which pleased everyone present.

The vocal selections did by no means surpass the instrumental numbers. The instrumental program had a variety of selections which could only be obtained by the use of the many instruments which the Troubadour men played. The instruments used were piano, cornet, violin, saxo-

JOINT MEETING HELD

Milton Stauffer Addresses Joint Y. M. C. A.-Y. W. C. A. Meeting Tuesday Night.

Tuesday evening the auditorium at the Association Building was filled to capacity with students and faculty members eager to hear Milton Stauffer lecture at a joint meeting of the "Y" Associations.

The speaker used the picture "The Gleaners," painted by Jean Millet, as the theme for his talk. From this picture he vividly told the story of Ruth from the Bible.

"Have we in our lives any ripening grain, any real harvest?" asked Mr. Stauffer. "Each one of us is a gleaner and others are coming into our lives to glean. If we will but give them what we have, although it may be little, our lives will grow richer and fuller. It is by making ourselves fruitful that we win the confidence and friendship of those about us."

Y. M. C. A. CALENDAR MAKES USEFUL CHRISTMAS GIFT

The Christmas shopping season has already begun and soon that annual question, "What shall I give this year?" will become very troublesome. The Y. M. C. A. has anticipated this question and is making it easy to answer.

The Y. M. C. A. calendar is an artistic leather bound booklet, containing five beautiful campus scenes and one picture of the football team. It makes an excellent gift for a friend, brother or sister. It comes in two bindings, the imitation leather for only seventy-five cents and genuine leather for one dollar. Samples will be displayed on the campus within the next day or two, at which time orders will be taken.

QUIZ AND QUILL CLUB HOLDS INITIAL MEETING

Monday evening the Quiz and Quill Club held its first meeting of the year, during which time the club discussed plans for programs for the coming year.

During a short business session, Ruth Roberts, '25 was elected vice-president of the club for the year 1924-25.

The Quiz and Quill is Otterbein's honorary literary club. Membership to the club comes through election only and after strict eligibility requirements are met. Each year the

club publishes a magazine, called the Quiz and Quill, that is a publication of the best literary efforts of the college students. This publication makes its appearance early in May.

POINT SYSTEM EXPLAINED

Official Interpretation of Point System Adopted by College Is Given Here.

By faculty action, the point system adopted last year is in force beginning with the present school year. It will apply without modification to the present Freshman class, and to the other classes as indicated below.

The basis of the system is as follows:—

For each semester hour of A 3 points.

For each semester hour of B 2 points.

For each semester hour of C 1 point.

For each semester hour of D, X, or F no point.

For graduation, a student must have 128 hours and 128 points. Work taken outside of class will not count on points.

In order that the student shall receive advancement to the next higher class in succeeding years, the following schedule will obtain at the opening of each school year:—

For Sophomore standing 24 hours and 24 points.

For Juniors standing 58 hours and 58 points.

For Senior standing 92 hours and 92 points.

For students in the present Sophomore, Junior and Senior classes, all work completed previous to this year will count as one point per semester

hour. For the present year and succeeding years, the above schedule will obtain.

As an example of this latter interpretation, a Senior who has completed 96 hours, would be required to complete this year 32 hours and 32 points. A Junior who has completed 64 hours, would be required to complete at least 28 hours and 28 points in order to receive Senior standing next year.

Our First Home Game

Next Saturday brings Otterbein's
first home game of the season. It has
been a long established tradition at Ot-
terbein that every student shall be on
hand to see the game and yell until
it hurts. Not only is this the first
home game but it is also the Home-
coming game which is all the more
reason why this game must be won.

The team will be working hard
and the coach will leave nothing un-
done to turn in a victory next Satur-
day. Let every student do his part
to win the game by talking and
thinking nothing but victory until
the final whistle blows Saturday. Help
create a winning atmosphere on the
campus. Such spirit on the part of
the students will do much toward win-
ning the Home-coming game.

The game with Heidelberg means
a real scrap for Otterbein and unless
you get down there on the sidelines
and let the team know you're with
them you won't be doing your part
to turn in a victory.

O C

Alumni Come Home

Next Saturday marks the annual
Home-coming of Otterbein alumni
and friends. Many grads will be
back and this year's Home-coming
promises to be a big success. How-
ever, the one thing that will make
this Home-coming a success will be
friendliness of the students towards
the returning alumni. In short, we

mean to be true hosts and show the
alumni that we are glad to see them.

Be cordial. Most of the alumni
who return will be strangers. The
campus and the buildings will be fam-
iliar to them but the faces they
knew so well will not be here and
unless the students grasp every op-
portunity to extend the "glad hand"
there is a chance that the returning
grad may feel a little lonesome. Cor-
diality must dominate the whole pro-
gram of the day if this year's Home-
coming is to be a success.

Show the alumni that the good old
spirit that they remember so well has
not diminished in the least by the
many intervening years since they
were students here at Otterbein.

Show our alumni that we are glad
to see them.

O C

CLUB TALK

Back the Coach.

If you have any Otterbein spirit,
now is the time to show it. Not when
the team is plunging through for
touchdown after touchdown, but when
it has struck a slump, the real stripe
of the collegian is shown. Any fool
can ride on the bandwagon.

In the flurry of petty discontent
that arises from losing a few games,
the railing of the little minds always
centers on the coach. No matter how
skilled or conscientious the mentor
may be, the pound of the hammer is
heard throughout the campus.

Building up good athletic teams at
an institution that for years has fur-
nished consistent losers is no easy
assignment. Coach Dittmer has faced
this and more. Inadequate equipment
and often utter lack of cooperation
has further handicapped him. But
"Dit" is making a game fight to bring
Otterbein into her own in athletic
circles. Let's not make it harder by
rancorously decrying him.

For if athletics do not engender at
least one thing, the system may as
well be abandoned. And that thing
is loyalty. Loyalty is at the bottom
of every good work. It is what dis-
tinguishes a sportsman, and is lacking
in the one who has a yellow streak in-
stead of a backbone. It isn't easy to
be loyal to the coach when the team
is losing. Nobody said it was. You
haven't progressed very far in this
vale of tears if you think anything
worthwhile is easy to accomplish.

But if any coach is worthy of sup-
port, Dittmer is. He has fought
against odds ever since his advent to
the campus. A good season seemed
ahead this year until upsets, ineligi-
bility and injuries played havoc with
his plans. Even so, he has gone
courageously on. While the coach
may not be perfect (anyone say he
was?) he is a keen student of his
games and an almighty fighter. In
the opinion of the humble writer,
granted good material and proper co-
operation, he is one of the best foot-
ball coaches there is. Be that as it
may, he knows infinitely more about
the game than all the side-line knock-
ers put together.

For it isn't the players who knock.
They know something about it. If
they hadn't had the stuff they would

have quit days ago. Let's follow their
example and make this the biggest
Home-coming ever. Let's back the
coach with a rush of good feeling
that will take some of the furrows
out of his brow. Let's sell that ham-
mer and buy a horn!—Quince.

O C

IT STRIKES US—

That Home-coming is going to be
a big day for students and alumni
alike.

That the writer of the Club Talk
in this issue knows what he is talking
about.

That we're out to win Saturday's
football by a large score.

That no one who is of voting age
should forget to cast his ballot
November 4.

That midsemester examinations are
not far distant.

appearance.

A pep rally will be held in the chapel at 9:30 Saturday morning. The cheer leaders will be out in full swing and a few stunts of astonishing originality will be presented. Just before the game at about 1:45 the mammoth parade will form in front of the Association Building and proceed up College Avenue to State Street, up State to West Home and thence to the Athletic field. Between the halves of the game several stunts will be given, probably by the Frosh. Just what the stunts will be still remains a profound secret. The parade and rally are both under the direction of Dean Upson.

At six o'clock, following the football game a banquet will be given in the basement of the U. B. church under the auspices of the Student Council and the Y. W. C. A. and Y. M. C. A. Mr. I. R. Libecap of the Durant Motor Sales Co. in Dayton has been secured as toastmaster by the program committee of which Floyd McGuire is chairman. The tickets are sixty cents and may be secured from J. Ruskin Hoover, Alice Propst, Lois Bickle, Ethel Kepler, Pauline Knepp and Margaret Widdoes. All mail orders should be sent to Margaret Widdoes at Cochran Hall.

Open sessions will be in vogue at all the literary societies on Thursday and Friday evenings. All alumni are cordially invited to attend these sessions. The alumni always look forward with a great deal of pleasure to attending the society they belonged to when they were in college. Now contrary to the once circulated report that the literary societies were on the decline, they are going well on the up-grade. A great many new active

members have been added lately and the interest has been renewed.

In order to stimulate interest and to get a large number of the alumni to return all of the clubs have been sending out invitations to all of their own alumni and ex-members. A large number of people have signified their intentions to return for Otterbein's gala event of the year. The success of this year's Home-coming depends, as it does every year, upon the number of alumni who return. All indications at present go to prove

that this year's reunion will be the largest and peppiest ever.

Thomas A. Edison and Charles P. Steinmetz in the Schenectady laboratories of the General Electric Company, where Dr. Steinmetz did his great work.

Steinmetz

The spirit of Dr. Steinmetz kept his frail body alive. It clothed him with surpassing power; he tamed the lightning and discharged the first artificial thunderbolt.

Great honors came to him, yet he will be remembered not for what he received, but for what he gave. Humanity will share forever in the profit of his research. This is the reward of the scientist, this is enduring glory.

Emerson tells how the mass of men worry themselves into nameless graves, while now and then a great, unselfish soul forgets himself into immortality. One of the most inspiring influences in the life of a modern corporation is the selfless work of the scientists in the laboratories, which it provides for their research.

Varsity to Meet Heidelberg in Annual Home-coming Contest Saturday.

Saturday was a day of much needed rest for the varsity gridders, in preparation for the Home-coming tilt. Several of the men are still showing the effects of the last two performances. Although Heidelberg has only finished once on the right side of the score this season, they have a fairly strong and heavy team. The big men on the squad seem to be Captain De-

*Home-coming Game.

Witt, who has been playing half but during the past week was shifted to quarter; LeGalley, fullback, is their other big noise in the backfield, while on the line Oldfather, right end and Mann, right tackle have been playing a bang up game.

Otterbein has defeated Heidelberg three times in as many years and with the team in good condition as it will be, besides the help it will secure from the home crowd, we predict that next Saturday will make it four out of four to the tune of 19 to 0.

E. G. Lloyd Presents Tent To Athletic Department

Last week E. G. Lloyd, '98, an old time Otterbein football star presented a fine large tent to the athletic department of the college. For home games the tent will be used as a place for the team to rest between halves. The tent comes as a much needed necessity and the team is very grateful to Mr. Lloyd.

O C

MUST MAKE IT FOUR

Here are the results of football games with Heidelberg for the last five years. We have won three against their two.

1919—Otterbein 0, Heidelberg 19.
1920—Otterbein 2, Heidelberg 21.
1921—Otterbein 13, Heidelberg 2.
1922—Otterbein 20, Heidelberg 0.
1923—Otterbein 25, Heidelberg 0.

SENIORS ON TOP OF SOCCER BALL LEAGUE

Last week's soccer game did not change the positions of the Seniors in the Inter-Class Soccer League. They are still in first place with a percentage of 1.000 by virtue of having won their game from the Freshmen on Wednesday. By winning their game on Monday, the Sophomores are still placing second.

On Monday, the Sophs played their second game with the Juniors. Although the second year men outplayed their opponents, the upper classmen offered enough opposition to make the game interesting. The Sophs scored the first point from the thirty-five yard line. The ball curved gracefully down, just under the crossbar, and out of reach of the goal tender. Later in the game they annexed two more points while the Juniors made one.

The Freshmen took another licking at the hands of the Seniors in a hard played tilt on Wednesday. Although they were unable to score themselves, they also succeeded in closing their gate to all but two trials of their opponents. The score was 2-0.

The standing in the league:

	Won	Lost	Pct.
Seniors	4	0	1.000
Sophomores	3	1	.750
Juniors	0	3	.000
Freshmen	0	3	.000

Annual Freshman Cross Country

Run To Be Staged November 17

Athletic Director Martin announces that Monday, November 17, has been the date selected for the annual Freshman cross country run. The custom of having the Freshman and Sophomore classes competing in this event was done away with last year. The route of the race will be around the two mile square and the finish will be at the corner of Main and Grove streets. The winner of the race will be given a silver watch charm.

OHIO CONFERENCE GRID RACE BECOMES CLOSE

(Continued from Page One)

Conference champions to a 7-7 standstill. Although the Buckeyes may not have been up to form, it is certain that he Wooster eleven played excellent football.

Heidelberg, Otterbein's Home-coming visitors, boosted herself several notches in the estimation of her contemporaries by holding Western Reserve scoreless. The battle was even throughout, and neither team seriously threatened its opponent's goal.

Miami won her first conference victory by defeating Denison in the

annual fray at Dayton. It was a hotly contested game, the margin of victory being only one point. The score was 13-12.

Neither Muskingum nor St. Xavier, both of which Otterbein will meet within the next three weeks, played conference games.

O C

Westerville Wins Exciting

Game from Lancaster High

In a game that was featured by many fumbles Westerville managed to defeat Lancaster on the Otterbein gridiron, 6-0. Westerville scored in the final period when by taking advantage of her opportunities she pushed the ball over the line for the only score of the game. Of Coach Parks' men Frazier, Miller and Johnston played the best game.

SIDELINES

No practices were held Monday and Tuesday and the varsity players enjoyed their first vacation since the season began.

McCarroll and Felton were out in uniform the latter part of the week but were called upon only for signal practice.

Wednesday the squad and individual pictures were taken. Considerable trouble was experienced in getting several of the bashful members of the squad to pose.

Hard practice will be the program for this week. Nothing will be left undone in the way of drill the next five days in preparation for the Heidelberg game.

Heidelberg is showing improved

form as the season progresses. The result of the game with Reserve Saturday shows that Heidelberg has a team of no little strength.

The dope bucket was all but completely upset by Saturday's football results. Those who forecast results of games will be a little more careful in the future.

Judging from the results of games played between Ohio State and certain teams of the Ohio Conference we
